In the 19th century it was popular for the President of the United States to award foreigners in recognition of saving American lives however it was not until 1862, during the Presidency of Abraham Lincoln, that there became an official award. The present watch pre-dates this creation of an official award to non citizens of the United States and was made by the renowned watchmaker Jules Jürgenson. Upon the cuvette of the watch it is inscribed:

*The President of the United States to Captain F. Duphaic of the French Ship Duquay Trouin for his humane and gallant conduct in rescuing from Shipwreck the Master and Crew of the American Brig 'Florentine' 1857*

Later watches gifted in recognition of saving American lives at sea were supplied by Waltham.

International Watch Company has long been recognized as a great watch manufacturer for the quality of its movements and pocket watches. When wristwatches first gained domination in the 1920s and 1930s to the detriment of pocket watches, the company continued to produce them. The reference 5503 pays tribute to this long tradition of pocket watch making.

Cartier was founded in 1847 in Paris by Louis-François Cartier, who in 1899 handed over to his three sons. They would establish the company internationally, making the Cartier a favourite among the elite. Named "King of Jewellers", the brand was quick to turn its attention to watches. Cartier created ground breaking pieces such as the mystery clocks, high fashion wristwatches, carriage and jewellery watches with oriental Art Deco designs, including the colourful "Tutti Frutti" jewels.

The accessory timepiece became one of the principal forms of prestige from Cartier. The Cartier family retained ownership of the firm until 1964 until it became part of the Richemont Group.

The legendary Longines Calibre 13.33 movement is a masterclass in chronograph design, it was first developed in 1913 and was the first ever chronograph designed for a wristwatch. Featuring a crown that serves as a pusher for the chronograph as well as winding the watch, the calibre was a significant breakthrough in the miniaturizing of mechanical wonders and made at a time when many of the parts for complicated watches were hand finished, the movements were exquisite.

The 13.33 was primarily cased in gold and matched with enamel dials. There were several variations of dial offered, featuring tachymeters, pulsometric scales and telemeters. The present example is a fine example of Tachymeter and Telemeter.

The Bubble Back design first appeared in Rolex's catalogue in the early 1930s, just as wristwatches were beginning to become the dominant form of timekeeping.

It was during this era that Rolex introduced its first water-tight Oyster case, as well as the self-winding movement with a full rotor. In order to accommodate the new, thicker movement, with a rotor on top, and to maintain the water-tight case, Rolex introduced a domed case back known as the Bubble Back.

Quarter Century Club watches were made specifically for T. Eaton Company Limited which was a major Canadian department store established by Timothy Eaton in 1869 in Toronto. They were awarded to employees after completing 25 years of service. The company also owned related companies and factories such as the Eaton Knitting Company, for whom the current watch was produced. These watches only had the words 1/4 Century Club spelled out on the dial and were signed 'Eaton' in the centre instead of Rolex.

The Grande Ellipse was a very unusual and edgy design for the period, the over large oval being an exaggerated expression of a standard shape putting it in the same design school as the Cartier Maxi Oval. Its large dimension sits on the wrist well and still looks contemporary whilst offering something a little different.

The Rolex GMT was launched in 1954 after the Transatlantic Airways company asked Rolex to produce a watch useful for their pilots. It quickly gained favour among the Pan-Am executives and the business jet-set community as a whole.

Offered continuously since its introduction with relatively little modification it is perhaps, along with the Submariner, the most classic Rolex 'tool' watch made. The reference 1675 began production 80 years ago in 1960. This was the first GMT Master reference to feature protective crown guards as well as the smaller triangular tip on the second hour hand.

The Navitimer, introduced in 1952, was designed as a navigation tool for aircraft pilots, the slide-rule bezel used to gauge the remaining distance and fuel consumption during flight. During the 1950s and the 1960s, a model of the Navitimer with an AOPA logo on the dial as presented in this lot was offered by the Aircraft Owner and Pilots Association.

In 1969, Omega introduced the "Flightmaster" specially designed for use by long-haul pilots. "Tool watches" and especially chronographs defined the 1970s, when watches were called upon to perform specific tasks, such as assist with the measurement of time during diving, racing, and flight. The "Flightmaster" incorporated a chronograph, 30-minute and 12-hour recorders, twenty-four-hour indication and an independently adjustable second time-zone hand shaped like a jet.

In the 1950's many watch brands including IWC saw the need to create antimagnetic watches for scientists and engineers. The Ingenieur was first launched in 1954 and the design stayed much the same until it was reimagined in the mid 1970's. After designing the iconic Audemars Piguet Royal Oak and Patek Philippe Nautilus, Gerald Genta was tasked with bringing the Ingenieur into modern times. Taking cues from the Royal Oak, the watch came back with a completely new design featuring a tonneau shaped case with a round bezel with five screws and integrated bracelet. The Ingenieur has gone on to become a hugely collectible watch with the modern variants still relying on Genta's classic design.

Rolex introduced to the market reference 5513 in 1962, and produced the reference until the mid-1980's. The model is recognizable by its lack of date feature, allowing the dial to have a well-balanced design. Early examples of the 5513 featured a glossy black dial with gilt text, and in the mid-1960's, Rolex started producing the reference with a matte dial and white printing. These dials featured the depth rating with meters indicated first "200m=660ft", and towards the end of the 1960's, Rolex began producing dials with the depth rating that indicated feet first. The matte dial reference 5513 appeals to vintage Rolex enthusiasts for its dial symmetry, durability, and place in Rolex history as inspiration for future Submariner models.

The Rolex GMT was launched in 1954 after the Transatlantic Airways company asked Rolex to produce a watch useful for their pilots. It quickly gained favour among the Pan-Am executives and the business jet-set community as a whole. Offered continuously since its introduction with relatively little modification it is perhaps, along with the Submariner, the most classic Rolex 'tool' watch made. The reference 1675 began production in 1960. This was the first GMT Master reference to feature protective crown guards as well as the smaller triangular tip on the second hour hand.

The ref: 116660 Deepsea can withstand up to a depth of 12,800 feet (3,900 meters).

The name 'Milgauss' combines 'Mil', meaning a thousand, and 'Gauss' which is the unit for a measure of magnetism. Traditionally, most hairsprings are made of Nivarox which is susceptible to magnetism which has a detrimental effect on timekeeping. Now the Milgauss watch balance spring is made with Parachrom-Blu, which is unaffected by magnetism. Any watch that can withstand 4,800 A/m is considered "antimagnetic". This equals to approximately 60 gauss. The new Rolex Milgauss is rated to withstand 1000 gauss because of its new technology in encasing the movement in soft iron, also known as a Faraday cage.

The name Yacht-Master was first trademarked by Rolex in the 60s but was not put into production until 1992 when the Ref:16628 was introduced. Seven years later Rolex released the 16622 in 'Rolesium'. 'Rolesium' refers to the use of both stainless steel and platinum and in the case of the 16622 denotes that the dial and bezel are both made of platinum.

For almost 60 years the Rolex Cosmograph Daytona has drawn collectors and enthusiasts around the world together in a shared passion. First introduced in 1963, the Daytona was designed for the demands of professional racing drivers and was named after the famous racing site Daytona, Florida. In 2000, Rolex started a new line of luxurious Daytona watches for discerning collectors.

The varying combinations of case material, use of precious stones and dial options continue to expand to this day. The current lot is presented in 18K white gold as denoted by the 9 to the end of the reference number.

The 116519 is also powered by the in-house calibre 4130. This calibre has fewer components compared to other chronographs making it more reliable and offers additional space for a mainspring to increase the power reserve from 50 hours to 72 hours.

In the 1920s Vacheron Constantin released a very small number of cushion-shaped timepieces with the crown set at 1.30 and the dial tilted. These watches were made exclusively for the American market and thus when it came to the relaunch of this model the Historiques American was landed on. Released in 2008, this contemporary reinterpretation of an icon of the Roaring Twenties features an imposing cushion form case and a diagonal time reading with its biased crown and small seconds at 4.30.

For details of the charges payable in addition to the final Hammer Price of each Lot please refer to paragraphs 7 & 8 of the Notice to Bidders at the back of the catalogue.

The Rolex Cerachrom bezel on the 116710 BLNR is a complicated piece of engineering in itself. Rather than sandwiching two different coloured pieces of ceramic next to each other, Rolex patented a process whereby a wholly blue bezel is created which is still permeable to the black colouring when it is added.

The black and blue combination has fondly been nicknamed the Batman.

The reference 4768 by Rolex incorporates one of the most complex movements used by Rolex. With the clean design of its case and the faceted tear drop lugs, the 4768 presents a very different appearance to its sporty cousin the 6036. The two references used the Valjoux 72C calibre movement and production of the pair appears to have occurred in tandem for a short period in the late 1940s and 1950s. Few examples of reference 4768 were made, making this a desirable watch for today's collectors.

Rolex introduced to the market reference 5513 in 1962, and produced the reference until the mid-1980's. The model is recognizable by its lack of date feature, allowing the dial to have a well-balanced design. Early examples of the 5513 featured a glossy black dial with gilt text, and in the mid-1960's, Rolex started producing the reference with a matte dial and white printing. These dials featured the depth rating with meters indicated first "200m=660ft", and towards the end of the 1960's, Rolex began producing dials with the depth rating that indicated feet first. The matte dial reference 5513 appeals to vintage Rolex enthusiasts for its dial symmetry, durability, and place in Rolex history as inspiration for future Submariner models.

The Rolex Explorer II 1655 first appeared on the market in 1971 and continued the tradition of the earlier Explorer models which were first introduced in 1953. The watch was originally developed to accompany speleologists on their cave exploration expeditions and as such was designed with extreme durability in mind. Due to its limited commercial success and short production period, the reference 1655 is today one of the more sought after Vintage Rolex models.

The model features a fixed bezel with 24 hour display and a special 24 hour hand that can be set to distinguish day from night hours. It is known as the "Freccione", Italian for "big arrow", amongst collectors.

On the 17th of July 1975, in the depths of the Cold War, space became the meeting point of two of the space faring nations, the United States of America and the Soviet Union. Every Astronaut and Cosmonaut were equipped with an Omega Speedmaster Professional and in the case of Alexey Loenov, two. To celebrate this, in 1976 the Jeweller De Marchi of Turin took delivery of a group of special celebratory Apollo Soyuz watches with the mission badge on the dial and a special embossed case back depicting the Saturn Rocket on a map of the world. The back was also lightly engraved with the limited edition number, an I for Italy and an Ω.

The Rolex Daytona continues to be among the most sought after vintage watches on the market today. The bold contrast between the dial colour and the subsidiary dials makes this model instantly recognisable and as such it has long been lauded as a design icon. The current example of dial is known among collectors as the 'Big Red' due to the large red printed Daytona above the subsidiary hour dial. Both references 6263 and 6265 were launched in 1969, thus replacing the first Oyster Cosmograph 6240. The 6263, a stainless steel model with screw-down pushers remained in production for nearly 20 years.

Rolex were commissioned by the military of many countries to produce specially designed and adjusted watches. The Peruvian Air Force started to use Rolex for their watches in the 1960's and as with all the special commissions of the time they engraved the case number on the inside back of the case. The Fuerza Aerea del Peru ordered only a few chronographs making this Daytona example very rare and sought after. The special commission for this watch would have been that Rolex engraved the back with Fuerza Aerea del Peru.

Launched in 1953 the reference 6202 'Turn-O-Graph' was the first 'tool' watch designed by Rolex for businessmen wishing to keep track of time via a rotating bezel. The Turn-O-Graph however was soon rendered obsolete in demand by the more functional dual-time zone GMT Master launched in 1954. Production of the 6202 ceased in the early 1960s after a relatively short and limited production making examples harder to come by in today's market.

The Rolex Sea-Dweller was first launched in the 1960's having been specially developed for deep-sea divers. Saturation divers who had previously been issued with Rolex Submariners found that during decompression, the pressure inside the watch would force its way out through the weakest point which usually resulted in the loss of the plexiglass. In response to this, Rolex developed the Sea-Dweller. With a helium escape valve on the side, a greater depth rating of 610 meters and the removal of the cyclops from the crystal, the Sea-Dweller is a true tool watch and has been favoured by professional divers ever since its introduction.

The Rolex GMT was launched in 1954 after the Transatlantic Airways company asked Rolex to produce a watch useful for their pilots. It quickly gained favour among the Pan-Am executives and the business jet-set community as a whole.

Offered continuously since its introduction with relatively little modification it is perhaps, along with the Submariner, the most classic Rolex 'tool' watch made. The reference 1675 began production in 1960. This was the first GMT Master reference to feature protective crown guards as well as the smaller triangular tip on the second hour hand.

One of the rarest models ever produced by Rolex, the reference 8171 is one of only two models they created which featured a triple calendar and moon phase, the other being the reference 6062. The present example is one of under 100 of the steel versions to have come to market of around 800 that were made. This watch, being offered for the first time, is remarkably well preserved and shows little sign of intervention. The silvered dial has taken on a gentle patination typical of its age and is one of the first versions that appeared on this model, known as a 'Super' dial. This reference was manufactured in a small series with unusually large dimensions for the period, 38mm diameter, this has contributed to the continuing popularity of this reference today. Its size has also led to its affectionate nickname by Italian collectors of 'Padellone' meaning 'frying pan'.

In 1969 Rolex replaced the first Oyster Cosmograph 6240 with both the reference 6263 and 6265. Although similar in many aspects, the main differentiating factor between the two new references was the choice of bezel. The 6265 featured a smooth engraved metal bezel, whereas the 6263, as with the current lot, presented to the market a black aluminium insert with printed tachymetre.

Vous devez être conscient de la possibilité que des changements soient apportés aux conditions de la *Vente*, être vigilant sur ce point et demander, avant d'enchérir, si de tels changements sont intervenus.

### 1. NOTRE RÔLE

Dans son rôle d'*Adjudicateur de lots*, *Bonhams* est autorisé par le *Vendeur* à agir uniquement pour et dans l'intérêt du *Vendeur*. Le rôle de *Bonhams* est de vendre les *Lots* à un *Enchérisseur* au prix le plus élevé possible. *Bonhams* n'agit pas pour le compte des *Acheteurs* ou des *Enchérisseurs* et ne leur fournit aucun conseil. Si *Bonhams* ou un membre de son personnel fait des déclarations à propos d'un *Lot*, ou si *Bonhams* fournit un *Rapport sur l'État* à propos d'un *Lot*, ces déclarations seront faites ou ce rapport sera établi pour le compte du *Vendeur* du *Lot*. Il est fortement conseillé aux *Enchérisseurs* et *Acheteurs* qui n'ont pas eux-mêmes des connaissances d'expert sur les *Lots* de solliciter et d'obtenir un avis indépendant sur les *Lots* et leur valeur, avant d'enchérir sur ceux-ci. Le *Vendeur* a autorisé *Bonhams* à vendre le *Lot* en qualité de mandataire agissant pour son compte et, sauf accord contraire exprès, *Bonhams* agit exclusivement en qualité de mandataire du *Vendeur*. Toute assertion ou déclaration faite par nous au titre d'un *Lot* est faite pour le compte du *Vendeur* et non pour notre compte, à moins que *Bonhams* ne vende un *Lot* en tant que mandant, et tout *Contrat de Vente* est conclu entre l'*Acheteur* et le *Vendeur* et non entre l'*Acheteur* et nous-mêmes. Si *Bonhams* vend un *Lot* en tant que mandant, il en sera fait mention dans le *Catalogue* ou dans une annonce du *Commissaire-priseur* à cet effet ou dans un avis affiché dans le lieu de la *Vente* ou inséré dans le *Catalogue*. *Bonhams* n'assume ou n'accepte aucune obligation ni responsabilité envers vous, sur le fondement de la responsabilité contractuelle ou quasi-délictuelle (directe, collatérale, expresse, tacite ou autre). Si vous êtes le dernier *Enchérisseur* pour un *Lot* et donc l'*acheteur*, *Bonhams* conclura un contrat avec vous en tant qu'*Acheteur* dans les termes du *Contrat avec l'Acheteur*, joint en Annexe 2 au *Catalogue*, qui régira les relations entre *Bonhams* et vous-même en votre qualité d'*Acheteur*.

### 2. LOTS

Sous réserve de la *Description Contractuelle* imprimée en caractères gras dans l'*Article* consacré au *Lot* dans le *Catalogue des Ventes en Ligne* (voir paragraphe 3 ci-dessous), les *Lots* sont vendus à l'*Acheteur* « en l'état », avec tous leurs défauts et imperfections. Les illustrations et photographies des *Lots* servent uniquement à leur identification. Une photographie ou illustration figurant dans le *Catalogue* (à l'exception des photographies formant partie de la *Description Contractuelle*) ou ailleurs peut ne pas reproduire exactement la ou les couleurs ou le véritable état du *Lot*. Les *Lots* sont disponibles pour examen avant la *Vente*, et il vous incombe de vous assurer vous-même de chacun des aspects d'un *Lot*, y compris son auteur, son attribution, son état, sa provenance, son histoire, son contexte, son authenticité, son style, son époque, son âge, son aptitude à une utilisation particulière, son état de marche s'il s'agit d'une voiture (le cas échéant) son origine, sa valeur et son prix de vente Estimé (y compris le Prix d'Adjudication). Il vous incombe d'examiner tout *Lot* qui vous intéresse. Il convient de rappeler que l'état réel d'un *Lot* peut ne pas être aussi bon que celui qu'indique son apparence extérieure. En particulier, des pièces peuvent avoir été remplacées ou changées et des *Lots* peuvent ne pas être authentiques ou de qualité satisfaisante ; l'intérieur d'un *Lot* peut ne pas être visible, peut ne pas être d'origine ou peut être endommagé, par exemple s'il est recouvert d'une tapisserie ou d'un revêtement quelconque. Étant donné leur âge, de nombreux *Lots* peuvent avoir été endommagés et/ou réparés et vous ne devez pas présumer qu'un *Lot* est en bon état. Les objets électroniques ou mécaniques ou les pièces sont vendus pour leur intérêt artistique, historique ou culturel et peuvent ne pas fonctionner ou ne pas être conformes aux exigences légales actuelles. Vous ne devez pas présumer que des objets électriques destinés à fonctionner sur les réseaux de l'électricité domestique pourront être connectés sur ces réseaux et devez donc préalablement obtenir un rapport sur leur état de la part d'un électricien qualifié. Ces objets impropres à être connectés sont vendus uniquement comme des objets de vitrine. Si vous n'avez pas l'expertise nécessaire concernant un *Lot*, prenez conseil à ce sujet. Nous pouvons vous aider à prendre les dispositions nécessaires afin de vous permettre de procéder ou de faire procéder à des examens et tests plus détaillés. Toute personne qui endommage un *Lot* sera responsable de la perte ainsi causée.

### 3. DESCRIPTIONS DES LOTS ET ESTIMATIONS

#### Description contractuelle d'un Lot

Le *Catalogue* contient un *Article* pour chaque *Lot*. Chaque *Lot* est vendu par le *Vendeur* à l'*Acheteur* comme correspondant uniquement à la partie de l'*Article* imprimée en caractères gras, et

(sauf pour la couleur, qui peut être reproduite de manière inexacte) à toute photographie du *Lot* dans le *Catalogue*. Le reste de l'*Article*, qui n'est pas imprimé en caractères gras, représente uniquement l'opinion de *Bonhams* (donnée au nom du *Vendeur*) sur le *Lot* et ne fait pas partie de la *Description contractuelle* conformément à laquelle le *Lot* est vendu par le *Vendeur*.

#### Estimations

Dans la plupart des cas, une *Estimation* est imprimée à côté de l'*Article*. Les *Estimations* fournies expriment uniquement l'opinion de *Bonhams* faite au nom du *Vendeur* à propos de la fourchette dans laquelle *Bonhams* pense que le *Prix d'adjudication* pour le *Lot* est susceptible de se situer. Il ne s'agit en aucun cas d'une estimation de valeur. Les *Estimations* ne tiennent pas compte de la TVA, de la *Commission d'achat* ou d'autres frais payables par l'*Acheteur*, qui sont décrits en détail au paragraphe 7 de la présente Note. Les prix dépendent des enchères et les *Lots* peuvent se vendre à des *Prix d'adjudication* inférieurs ou supérieurs aux *Estimations*. Les *Estimations* ne doivent donc pas être considérées comme une indication du prix de vente réel ou de la valeur d'un *Lot*. Les *Estimations* sont fournies dans la devise de la *Vente*.

#### Rapports sur l'état

Pour la plupart des *Lots*, vous pouvez demander à *Bonhams* un *Rapport sur l'état* physique général du *Lot*. Si vous lui faites cette demande, *Bonhams* vous fournira ce rapport gratuitement, pour le compte du *Vendeur*. Étant donné qu'il s'agit d'un service supplémentaire et gratuit, *Bonhams* ne conclut pas un contrat avec vous au titre du *Rapport sur l'État*. En conséquence, *Bonhams* n'assume aucune responsabilité à votre égard à ce titre. Chaque *Rapport sur l'État* exprime l'opinion raisonnable de *Bonhams* quant à l'état général du *Lot* concerné et *Bonhams* ne déclare ni ne garantit qu'un *Rapport sur l'État* inclut tous les aspects de l'état interne ou externe du *Lot*. Le *Vendeur* ne vous doit ni n'accepte de vous devoir, en tant qu'*Enchérisseur* ou *Acheteur*, aucune obligation concernant ce rapport gratuit à propos d'un *Lot*, qui vous est fourni afin que vous puissiez l'examiner ou le faire examiner par un expert mandaté par vous.

#### Responsabilité du Vendeur envers vous

Le *Vendeur* ne fait et ne s'oblige à faire aucune déclaration factuelle, et n'assume aucune *Garantie*, aucune obligation ni aucune responsabilité contractuelle ou quasi-délictuelle (excepté envers l'*Acheteur* final, ainsi qu'il est dit ci-dessus) au titre de l'exactitude ou du caractère complet de toute assertion ou déclaration faite par lui ou pour son compte, qui contient un élément quelconque de description de tout *Lot* ni au titre du prix de vente prévu ou probable de tout *Lot*. Exception faite de ce qui est stipulé ci-dessus, aucune assertion ou déclaration faite par le *Vendeur* ou pour son compte contenant un élément quelconque de description d'un *Lot*, ni aucune *Estimation* ne sont incorporées dans le *Contrat de Vente* entre le *Vendeur* et l'*Acheteur*.

#### Responsabilité de Bonhams envers vous

Vous avez la possibilité d'examiner le *Lot* si vous le souhaitez et le *Contrat de Vente* d'un *Lot* est conclu avec le *Vendeur* et non avec *Bonhams*. *Bonhams* agit exclusivement en qualité de mandataire du *Vendeur* (à moins que *Bonhams* ne vende le *Lot* en tant que mandant). *Bonhams* n'assume envers vous aucune obligation d'examiner, d'enquêter ou de procéder à des tests sur chaque *Lot*, approfondis ou autres, afin d'établir l'exactitude ou de vérifier autrement toutes *Descriptions* ou opinions données par *Bonhams*, ou par toute personne pour le compte de *Bonhams*, que ce soit dans le *Catalogue* ou ailleurs. Vous ne devez pas supposer que ces examens, ces enquêtes ou ces tests ont été réalisés. *Bonhams* ne fait et ne s'oblige à faire aucune déclaration factuelle, et n'assume aucune obligation ni aucune responsabilité (contractuelle ou quasi-délictuelle) au titre de l'exactitude ou du caractère complet de toute assertion ou déclaration faite par *Bonhams* ou pour le compte de *Bonhams* qui contient un élément quelconque de description de tout *Lot* ni au titre du prix de vente prévu ou probable de tout *Lot*. Aucune assertion ou déclaration faite par *Bonhams* ou pour son compte contenant un élément quelconque de description d'un *Lot*, ni aucune *Estimation* ne sont incorporées dans notre *Contrat avec l'Acheteur*.

#### Modifications

Les *Descriptions* et les *Estimations* peuvent être modifiées à la discrétion de *Bonhams* de temps en temps par le biais d'une annonce verbale ou d'un avis écrit avant ou pendant une *Vente*. LE LOT EST DISPONIBLE POUR EXAMEN ET VOUS DEVEZ VOUS FORMER VOTRE PROPRE OPINION SUR CELUI-CI. IL VOUS EST FORTEMENT CONSEILLÉ D'EXAMINER TOUT LOT OU DE LE FAIRE EXAMINER POUR VOTRE COMPTE AVANT LA VENTE.

#### 4. CONDUITE DE LA VENTE

Nos *Ventes* sont des ventes aux enchères publiques, auxquelles des personnes peuvent assister et vous devriez saisir l'opportunité de ce faire. Nous nous réservons le droit, à notre seule discrétion, de refuser l'accès à nos locaux ou à toute *Vente* et de faire sortir toute personne de nos locaux et salles des ventes, sans devoir en indiquer la raison. Nous pouvons à notre seule et entière discrétion décider de procéder à la *Vente*, d'inclure un *Lot* dans la *Vente*, ainsi que de la manière dont la *Vente* se déroulera, et nous pouvons offrir les *Lots* à la *Vente* dans tout ordre que nous choisissons, nonobstant les numéros attribués aux *Lots* dans le *Catalogue*. Vous devez donc vérifier la date et l'heure de commencement de la *Vente*, et vérifier si des *Lots* ont été retirés de la *Vente* ou ajoutés tardivement à celle-ci. En effet, ces retraits ou ajouts tardifs peuvent modifier l'heure à laquelle un *Lot* qui vous intéresse est mis en *Vente*. Nous pouvons, à notre seule et entière discrétion, refuser toute enchère, augmenter tout pas d'enchère comme nous le jugerons

approprié, diviser tout *Lot*, regrouper deux *Lots*, retirer tout *Lot* d'une *Vente* et, avant que la *Vente* ait pris fin, remettre tout *Lot* aux enchères. Les *Ventes* aux enchères peuvent excéder 100 *Lots* par heure et les pas d'enchère sont généralement d'environ 10% ; toutefois, ces chiffres varient d'une *Vente* à l'autre et d'un *Commissaire-priseur* à l'autre.

Contactez le département organisant la *Vente* pour avoir un avis sur ce point. Si un *Prix de Réserve* a été fixé pour un *Lot*, le *Commissaire-priseur* peut, en son absolue discrétion, passer des enchères (à concurrence d'un montant qui ne sera ni égal ni supérieur à ce *Prix de Réserve*) pour le compte du *Vendeur*. Nous ne sommes pas responsables envers vous de la présence ou de l'absence d'un *Prix de Réserve* au titre de tout *Lot*. Si un *Prix de Réserve* a été fixé, il ne devra pas être supérieur à la plus basse *Estimation* faite dans le *Catalogue*, en supposant que la devise du *Prix de Réserve* n'ait pas fluctué de manière défavorable par rapport à la devise de l'*Estimation*. L'*Acheteur* sera l'*Enchérisseur* qui fait la plus haute enchère acceptable par le *Commissaire-priseur* pour un *Lot* (sous réserve de tout *Prix de Réserve* applicable), et auquel le *Lot* est adjudé par le *Commissaire-priseur* à la tombée du marteau du *Commissaire-priseur*. Tout différend relatif à la plus haute enchère acceptable sera tranché par le *Commissaire-priseur* en son absolue discrétion. Toutes les enchères passées se rapporteront au numéro de *Lot* annoncé par le *Commissaire-priseur*. Un convertisseur électronique de devises peut être utilisé lors de la *Vente*. Cet outil est fourni uniquement pour votre commodité et constitue une évaluation approximative de la contre-valeur d'une enchère donnée dans certaines devises. Nous n'acceptons aucune responsabilité au titre des erreurs qui pourraient se produire en raison de l'utilisation du convertisseur de devises. Nous pouvons utiliser des caméras vidéo pour enregistrer la *Vente* et pouvons enregistrer des appels téléphoniques pour des raisons de sécurité, et afin d'aider à résoudre des différends pouvant s'élever au titre d'enchères passées lors de la *Vente*. À titre d'exemple, lors des *Ventes* de bijoux, nous pouvons utiliser des écrans sur lesquels des images des *Lots* seront projetées. Ce service est fourni pour permettre une meilleure vue des *Lots* lors de la *Vente*. L'image projetée sur l'écran doit être considérée comme une simple indication du *Lot* concerné. Il convient de noter que toutes les enchères passées se rapporteront au numéro de *Lot* annoncé par le *Commissaire-priseur*. Nous n'acceptons aucune responsabilité au titre des erreurs qui pourraient se produire dans l'utilisation de l'écran.

#### 5. ENCHÈRES

Vous devez compléter et nous remettre l'un de nos *Formulaires d'Enchères*, c'est-à-dire notre *Formulaire d'Enregistrement d'Enchérisseur*, notre *Formulaire d'Enchères en Absence (Ordre d'Achat)* ou notre *Formulaire d'Enchères par Téléphone* afin de pouvoir enchérir lors de nos *Ventes*.

Si vous êtes un nouveau client chez *Bonhams* ou si vous n'avez pas récemment mis à jour vos données d'enregistrement, vous devez vous préenregistrer, au moins deux jours ouvrables avant la *Vente* lors de laquelle vous souhaitez enchérir. Vous devez fournir un justificatif d'identité et de domicile délivré par le gouvernement. Si vous êtes une société, il faut fournir votre certificat d'immatriculation (Extrait Kbis) ou un document équivalent, avec votre dénomination et l'adresse de votre siège social, une preuve de votre adresse actuelle délivrée par le gouvernement, une preuve documentaire de vos propriétés effectives et de vos administrateurs et une preuve de l'autorisation d'effectuer des transactions.

Nous pouvons également vous demander une référence financière et/ou une caution avant de vous autoriser à enchérir. Nous nous réservons le droit, à notre discrétion, de demander des informations supplémentaires afin de compléter notre identification de client, de refuser d'enregistrer une personne comme *Enchérisseur*, et de rejeter ses enchères si elles ont déjà été enregistrées. Nous nous réservons également le droit de différer la finalisation de la *Vente* d'un *Lot*, à notre discrétion, le temps de terminer nos enquêtes relatives à l'enregistrement et à l'identification, et d'annuler la *Vente* de tout *Lot*, si vous violez vos garanties en tant qu'*Acheteur*, ou si nous considérons que cette *Vente* serait illégale ou ferait autrement jouer la responsabilité du *Vendeur* ou de *Bonhams*, ou nuirait à la réputation de *Bonhams*.

#### Enchérir en personne

À condition que vous vous soyez préenregistré pour enchérir ou ayez récemment mis à jour vos données d'enregistrement existantes, vous devez vous rendre à notre bureau d'enregistrement des *Enchérisseurs* dans le lieu de la *Vente* et remplir un Formulaire d'Enregistrement et d'Enchères le jour de la *Vente* (ou, si possible, avant). Le système de numérotation des enchères est parfois visé sous le terme d'« enchères par paddle » (ou « enchères par panneau numéroté »). Il vous sera remis une grande carte (un « paddle » ou panneau numéroté) portant un numéro imprimé, pour les besoins de la *Vente*. Si vous êtes l'*Enchérisseur* gagnant, vous devez faire en sorte que votre numéro puisse être vu clairement par le *Commissaire-priseur* et que votre numéro soit identifié comme celui de l'*Acheteur*. Vous ne devez laisser personne d'autre utiliser votre paddle, étant donné que tous les *Lots* seront facturés au nom et à l'adresse indiqués sur votre Formulaire d'Enregistrement d'*Enchérisseur*. Une fois émise, une facture ne sera pas modifiée. En cas de doute à propos du *Prix d'Adjudication* d'un *Lot* particulier, ou sur la question de savoir si vous êtes l'*Enchérisseur* gagnant d'un *Lot* particulier, informez-en le *Commissaire-priseur* avant que le prochain *Lot* ne soit offert à la *Vente*. À la fin de la *Vente*, ou lorsque vous aurez fini d'enchérir, merci de restituer votre paddle au bureau d'enregistrement des *Enchérisseurs*.

## Enchérir par téléphone

Si vous souhaitez enchérir par téléphone lors de la *Vente*, et à condition que vous vous soyez préenregistré pour enchérir ou ayez récemment mis à jour vos données d'enregistrement existantes, complétez un Formulaire d'Enregistrement et d'Enchères, disponible dans nos bureaux ou dans le *Catalogue*. Retournez-le au service responsable de la *Vente* 24 heures au moins avant la *Vente*. Il vous incombe de vérifier auprès de notre Service d'Enchères que votre enchère a bien été reçue. Les conversations téléphoniques seront enregistrées. La possibilité d'enchérir par téléphone est un service discrétionnaire offert à titre gratuit et peut ne pas être disponible pour tous les *Lots*. Nous ne serons pas tenus d'enchérir pour votre compte si vous n'êtes pas disponible au moment de la *Vente* ou si la liaison téléphonique est interrompue pendant les enchères. Contactez-nous pour plus de détails.

## Enchérir par courrier postal ou par fax

Les *Formulaires d'Enchères en Absence (Ordre d'Achat)* figurent en annexe au *Catalogue* et doivent être complétés et envoyés au service responsable de la *Vente*, dès que vous vous serez préenregistré pour enchérir ou aurez récemment mis à jour vos données d'enregistrement existantes. Il est de votre intérêt de nous retourner votre formulaire dès que possible, étant donné que si deux *Enchérisseurs* ou davantage soumettent des enchères identiques pour un *Lot*, la préférence sera donnée à l'enchère reçue la première. En toute hypothèse, toutes les enchères doivent être reçues 24 heures au moins avant le début de la *Vente*. Vérifiez soigneusement votre *Formulaire d'Enchères en Absence (Ordre d'Achat)* avant de nous le retourner, intégralement complété et signé par vous. Il vous incombe de vérifier avec notre Service Enchères que votre enchère a bien été reçue. Ce service est fourni à titre complémentaire et est confidentiel. Ces enchères sont faites à vos propres risques et nous n'assumons aucune responsabilité si nous ne recevons pas et/ou ne passons pas l'une quelconque de ces enchères. Toutes les enchères passées pour votre compte le seront au plus bas niveau possible sous réserve des *Prix de Réserve* et d'autres enchères passées pour le *Lot*. S'il y a lieu, vos enchères seront arrondies à la baisse au montant le plus proche correspondant aux paliers d'enchères du *Commissaire-priseur*. Les Nouveaux *Enchérisseurs* doivent également fournir la preuve de leur identité et de leur adresse pour pouvoir enchérir. À défaut, votre enchère ne sera pas placée.

## Enchérir par Internet

Consultez notre *Site Internet* à l'adresse suivante : <http://www.bonhams.com>, qui donne tous les détails sur la manière d'enchérir via l'Internet.

*Bonhams* ne sera pas responsable des retards, interruptions ou autres incapacités à faire une enchère, causés par des pertes de connexion Internet, une panne ou un dysfonctionnement du site Internet ou du processus d'enchères, ou un dysfonctionnement de logiciels, systèmes, ordinateurs ou appareils mobiles.

## Enchérir par l'intermédiaire d'un mandataire

Les enchères seront traitées comme étant placées exclusivement pour le compte de la personne nommée désignée dans le *Formulaire d'Enchères*, sauf accord contraire écrit de notre part avant la *Vente*. Si vous souhaitez enchérir pour le compte d'une autre personne (votre mandant), vous devez fournir les informations de préinscription énoncées ci-dessus pour vous et pour votre mandant. Nous aurons besoin d'une confirmation écrite du mandant qui atteste de votre droit d'enchérir. **Votre attention est en particulier attirée sur vos obligations de diligence concernant votre mandant et la source de ses fonds, et sur les garanties que vous fournissez si vous êtes l'Acheteur, qui sont stipulées au paragraphe 3 du Contrat avec l'acheteur, joint en Annexe 2 au Catalogue.**

Néanmoins, comme l'explique le *Formulaire d'Enchères*, si une personne fait une enchère en tant qu'agent pour le compte d'une autre (son mandant, et ce qu'elle ait ou non divulgué ce fait), elle sera conjointement et solidairement responsable avec son mandant envers le *Vendeur* et *Bonhams* en vertu de tout contrat résultant d'une enchère gagnante.

Faites-nous savoir si vous avez l'intention de nommer un tiers afin d'enchérir pour votre compte lors de la *Vente*, à moins que nous ne soyons chargés d'enchérir en vertu d'un *Formulaire d'Enchères* par Téléphone ou en Absence (*Ordre d'Achat*), complété par vous. Si nous n'approuvons pas par écrit les dispositions que vous avez prises pour enchérir par l'intermédiaire d'un mandataire avant la *Vente*, nous serons en droit de présumer que la personne enchérissant lors de la *Vente* enchérit pour son propre compte. En conséquence, la personne enchérissant lors de la *Vente* sera l'*Acheteur* et sera tenue de payer le *Prix d'Adjudication* et la *Commission d'Achat* ainsi que les frais associés. Si nous approuvons l'identité de votre client à l'avance, nous serons en mesure d'adresser la facture à votre mandant plutôt qu'à vous-mêmes. Nous exigeons la preuve de l'identité et de l'adresse du client du mandataire préalablement à toutes enchères passées par le mandataire pour son compte. Reportez-vous à nos *Conditions Générales* et contactez notre Département Service Clients pour plus de détails.

*Bonhams* procède à des vérifications sur les informations fournies par les clients ("Customer Due Diligence (CDD)") sur ses *Vendeurs* et *Acheteurs*, comme l'exigent la réglementation sur le blanchiment de capitaux, le financement du terrorisme et le transfert de fonds (informations sur le payeur) ("les Réglementations"). Selon son interprétation des Réglementations et des Lignes directrices à l'intention de l'industrie, approuvées par le Trésor, *Bonhams* considère que la procédure de CDD prescrite par les Réglementations n'a pas à être accomplie par les *Acheteurs* sur les *Vendeurs* lors des enchères

de *Bonhams* ou vice versa.

## 6. CONTRATS ENTRE L'ACHETEUR ET LE VENDEUR ET ENTRE L'ACHETEUR ET BONHAMS

Lorsque le *Lot* sera adjudiqué à l'*Acheteur*, un *Contrat de vente du Lot* sera conclu entre le *Vendeur* et l'*Acheteur* selon les termes du *Contrat de vente* figurant à l'Annexe 1 au *Catalogue*. Vous devrez alors payer le *Prix d'achat*, qui se compose du *Prix d'adjudication*, de la *Commission d'achat* plus toute TVA applicable. Simultanément, un contrat séparé est également conclu entre nous, en tant que *Maison de vente aux enchères*, et l'*Acheteur*. Il s'agit de notre *Contrat avec l'Acheteur*, dont les termes figurent en Annexe 2 au *Catalogue*.

Veillez lire attentivement le *Contrat de vente* et le *Contrat avec l'Acheteur* qui figurent dans le *Catalogue*, que vous devez conclure si vous êtes le meilleur *Enchérisseur*, y compris les garanties relatives à votre statut et à la source des fonds. Nous pourrions modifier les termes de l'un et/ou l'autre de ces contrats avant qu'ils ne soient conclus, en insérant ces modifications dans le *Catalogue*, et/ou en plaçant un encart dans le *Catalogue* et/ou en affichant des avis dans le lieu de *Vente*, et/ou en faisant des annonces verbales avant et pendant la *Vente*. Il vous incombe de vous assurer que vous connaissez la version à jour du *Contrat avec l'Acheteur* relatif à cette *Vente*.

## 7. COMMISSION D'ACHAT ET AUTRES FRAIS À PAYER PAR L'ACHETEUR

En vertu du *Contrat avec l'Acheteur*, ce dernier nous paie une commission (la *Commission d'achat*) conformément aux termes dudit contrat et aux taux indiqués ci-dessous, calculés par référence au *Prix d'adjudication* et payables en sus de celui-ci.

Pour cette *Vente*, les *Acheteurs* paieront les taux de *Commission d'achat* suivants pour chaque *Lot* acheté :

27,5 % du *Prix d'adjudication* sur les premiers 25 000 € ; plus  
26 % du *Prix d'adjudication* à partir de 25 001 € et jusqu'à  
700 000 € ; plus  
20 % du *Prix d'adjudication* à partir de 700 001 € et jusqu'à  
4 000 000 € ; plus  
14,5 % du *Prix d'adjudication* pour les montants supérieurs à  
4 000 000 €

Des frais d'entreposage et de manutention peuvent également être à la charge de l'*Acheteur*, comme indiqué sur la page « Informations sur la *Vente* » au début du *Catalogue*.

La *Commission d'achat* et tous les autres frais dus par l'*Acheteur* sont soumis à la TVA au taux en vigueur, qui est actuellement de 20 %.

La TVA peut également être due sur le *Prix d'Adjudication du Lot*, lorsqu'elle est indiquée par un symbole à côté du numéro du *Lot*. Voir le paragraphe 8 ci-dessous pour plus de détails.

## Droit de suite

Sur certains *Lots*, portant la mention « AR » dans le *Catalogue* et qui sont vendus à un *Prix d'adjudication* d'au moins 1 000 € (converti dans la devise de la *Vente* en utilisant le taux de référence de la Banque centrale européenne en vigueur à la date de la *Vente*), l'*Acheteur* nous versera une *Commission supplémentaire* pour couvrir nos *Frais* relatifs au paiement des droits d'auteur en vertu des Réglementations le droit de suite des artistes.

La *Commission supplémentaire* correspond à un pourcentage du *Prix d'adjudication* calculé conformément au tableau ci-dessous, et ne devra pas dépasser 12 500 € (convertis dans la devise de la *Vente* en utilisant le taux de référence de la Banque centrale européenne en vigueur à la date de la *Vente*).

<i>Prix d'adjudication</i>	Pourcentage
De 0 à 50 000 €	4 %
De 50 000,01 à 200 000 €	3 %
De 200 000,01 à 350 000 €	1 %
De 350 000,01 à 500 000 €	0,5 %
Au-delà de 500 000 €	0,25 %

## 8. TVA

Le taux de TVA en vigueur au moment de la mise sous presse est de 20 %, mais il est susceptible d'être modifié par le gouvernement et le taux à payer sera celui en vigueur à la date de la *Vente*.

Les symboles suivants, figurant à côté du numéro de *Lot*, indiquent que la TVA est due sur le *Prix d'adjudication* et la *Commission d'achat* :

- † TVA au taux en vigueur sur le *Prix d'adjudication* et la *Commission d'achat*
- Ω TVA sur les articles importés au taux en vigueur sur le *Prix d'adjudication* et la *Commission d'achat*
- TVA sur les articles importés à un taux préférentiel de 5,5 % sur le *Prix d'adjudication* et au taux en vigueur sur la *Commission d'achat*
- G Les lingots d'or sont exonérés de la TVA sur le *Prix d'adjudication* et soumis à la TVA au taux en vigueur sur la *Commission d'achat*
- Zéro TVA, aucune TVA ne sera ajoutée au *Prix d'adjudication* ou à la *Commission d'achat*

Dans tous les autres cas, aucune TVA ne sera appliquée sur le *Prix d'adjudication*, mais la TVA au taux en vigueur sera ajoutée à la *Commission d'achat* qui sera facturée sur une base TVA incluse.

## 9. EMPLOIEMENT

Il est de la plus haute importance de vous assurer que vous avez

des fonds facilement disponibles pour payer le *Prix d'achat* et la *Commission d'achat* (plus la TVA et tous les autres *Frais* et dépenses qui nous sont dus) dans leur intégralité avant d'enchérir pour un *Lot*. Si vous êtes l'*Enchérisseur* gagnant, vous devez effectuer le paiement au plus tard à 16h30 le deuxième jour ouvrable suivant la *Vente*, de telle sorte que toutes les sommes soient compensées au plus tard le huitième jour ouvrable suivant la *Vente*. Les paiements effectués par une personne autre que l'*Acheteur* enregistré ne seront pas acceptés. *Bonhams* se réserve le droit de modifier les conditions de paiement à tout moment.

Le **virement bancaire** est le mode de paiement préféré de *Bonhams*. Vous pouvez transférer des fonds par voie électronique sur notre *Compte*. Dans ce cas, veuillez indiquer sur votre ordre de virement votre numéro de *padle* et le numéro de la facture comme référence.

Les coordonnées de notre *Compte* sont les suivantes :

Code guichet : 00917

En cas de paiement par virement bancaire, le montant reçu après déduction des frais bancaires éventuels et/ou de conversion de la monnaie de paiement en livres sterling ne doit pas être inférieur au montant en livres sterling à payer, tel qu'indiqué sur la facture.

Le paiement peut également être effectué par l'une des méthodes suivantes :

**Chèque personnel** tiré sur une succursale française d'une banque ou d'une société de crédit immobilier : tous les chèques doivent être encaissés avant que vous puissiez retirer vos achats et doivent être libellés à l'ordre de *Bonhams France SAS*.

**Espèces** : vous pouvez payer des *Lots* achetés par vous lors de la *vente* avec des billets et des pièces de monnaie libellés dans la devise dans laquelle la *Vente* est conduite (mais non dans une autre devise) sous réserve que le montant total payable par vous au titre de tous les *Lots* achetés par vous lors de la *Vente* n'excède pas 1000 € ou la contre-valeur de cette somme dans la devise dans laquelle la *Vente* est conduite, au où le paiement est effectué. Le paiement en espèces à hauteur de 1,000 € sera accepté pour une facture qui n'excèdera pas ce montant. (art L112-6)

**Cartes de débit** au nom de l'*Acheteur* (y compris les cartes China Union Pay (CUP) et les cartes de débit émises par Visa et MasterCard uniquement). Il n'y a pas de plafond limitant la valeur du paiement s'il est effectué en personne en utilisant la vérification par carte à puce.

Le paiement **par téléphone** peut également être accepté pour un montant limité à 5 000 €, sous réserve des procédures de vérification appropriées, bien que cette facilité ne soit pas disponible pour les acheteurs qui achètent pour la première fois. Si le montant payable par vous pour des *Lots* excède cette somme, le solde devra être payé par un autre moyen.

**Cartes de crédit** au nom de l'*Acheteur* (y compris les cartes China Union Pay (CUP) et les cartes de crédit émises par Visa et MasterCard uniquement). La valeur du paiement est limitée à 5 000 € si le paiement est effectué en personne au moyen d'une vérification par carte à puce.

Il est conseillé d'informer à l'avance votre fournisseur de carte de débit ou de crédit de votre achat afin de réduire les retards causés par le fait que nous devons demander une autorisation lorsque vous venez payer.

**Remarque** : une seule carte de débit ou de crédit peut être utilisée pour le paiement du solde. Si vous avez des questions concernant les paiements par carte, veuillez contacter notre service clients.

**Nous nous réservons le droit d'enquêter et d'identifier la source des fonds que nous recevons, de reporter la conclusion de la vente de tout Lot à notre discrétion pendant que nous terminons nos enquêtes, et d'annuler la Vente de tout Lot si vous êtes en violation de vos garanties en tant qu'Acheteur, si nous considérons qu'une telle Vente serait illégale ou imposerait autrement des obligations au Vendeur ou à Bonhams, ou serait préjudiciable à la réputation de Bonhams.**

## 10. RÉCUPÉRATION, ENTREPOSAGE ET DROITS DE RÉLIIATION DES CONSOMMATEURS DE L'UE

L'*Acheteur* d'un *Lot* ne sera pas autorisé à le retirer avant que le paiement intégral et en fonds compensés ait été effectué (sauf si nous avons conclu un accord spécial avec l'*Acheteur*). Pour la récupération et le retrait des *Lots* achetés, veuillez-vous reporter à la page « Informations sur la *Vente* » au début du *Catalogue*. Nos bureaux sont offerts de 9h00 à 17h00 du lundi au vendredi. Le *Catalogue* donne des détails sur la récupération des *Lots*, leur entreposage et la *Société d'Entreposage* après la *Vente*.

## 12. RESTRICTIONS EN MATIÈRE D'EXPORTATION ET DE COMMERCE

Il est de votre seule responsabilité de vous conformer à toutes les réglementations en matière d'exportation et d'importation relatives à vos achats et également d'obtenir toute licence d'exportation et/ou d'importation nécessaire.

Afin de contrôler la circulation des biens culturels, la loi n°92-1477 du 31 décembre 1992 (modifiée par celle du 10 juillet 2000) soumet les exportations hors du territoire français à des modalités particulières, applicables aux biens dont l'ancienneté et la valeur dépassent certains seuils. Le certificat d'exportation est un simple document administratif qui n'apporte aucune garantie d'authenticité du bien qu'il permet d'exporter. La demande de certificat pour un bien culturel en vue de sa libre circulation hors du territoire français ou de tous autres documents administratifs n'affecte pas l'obligation de paiement incombant à l'acheteur. »

Le besoin de licences d'importation varie d'un pays à l'autre et vous devez vous informer au sujet des exigences et dispositions locales pertinentes. Le refus de délivrance d'une licence d'importation ou d'exportation ou tout retard dans l'obtention de cette licence ne permet pas d'annuler une Vente ni de retarder le paiement intégral du Lot. En règle générale, veuillez contacter notre service d'expédition avant la Vente si vous avez besoin d'aide à propos de la réglementation en matière d'exportation.

## 13. RÉGLEMENTATIONS DE LA CITES

Veuillez noter que tous les Lots marqués du symbole Y sont soumis aux réglementations de la CITES lors de l'exportation de ces articles en dehors de l'UE. Ces réglementations sont disponibles à l'adresse

<https://cites.org>

<https://cites.application.developpement-durable.gouv.fr>

Le refus de délivrance des licences ou permis CITES et tout retard dans l'obtention de ces licences ou permis ne donnent pas lieu à l'annulation ou à la résiliation d'une Vente, et n'autorisent encore moins un retard dans le paiement intégral du Lot.

## 14. RESPONSABILITÉ DU VENDEUR ET/OU DE BONHAMS

Exception faite de toute responsabilité du *Vendeur* envers l'*Acheteur* en vertu du *Contrat de Vente*, ni nous-mêmes ni le *Vendeur* ne répondons (pour négligence ou autrement) de toute erreur, description erronée ou omission dans toute *Description d'un Lot* ou dans toute *Estimation* de celui-ci, contenue dans le *Catalogue* ou autrement, que cette *Description* ou *Estimation* soit faite verbalement ou par écrit, et qu'elle soit faite avant ou pendant la *Vente*. Ni nous-mêmes ni le *Vendeur* ne serons responsables de toute perte d'affaires, de profits, de revenus ou de recettes, ni de toute perte de réputation commerciale, perturbation de l'activité ou du temps perdu par la direction ou le personnel, ni de toute perte indirecte ou de tout dommage indirect ou consécutif de toute sorte, indépendamment de la nature, du volume ou de la source de la perte ou du dommage prétendument subi et indépendamment du point de savoir si cette perte ou ce dommage a été causé ou invoqué au titre d'une négligence, d'un autre quasi-délit, d'une violation contractuelle (le cas échéant), de la violation d'une obligation légale, d'une demande de restitution ou autrement. Dans le cas où nous-mêmes et/ou le *Vendeur* serions responsables au titre d'un *Lot* ou de toute *Description* ou *Estimation* d'un *Lot*, ou au titre de la conduite de toute *Vente* d'un *Lot*, que cette responsabilité se traduise par le paiement de dommages-intérêts, d'une indemnité ou d'une contribution, ou par une action en restitution ou de toute autre manière, notre responsabilité et/ou la responsabilité du *Vendeur* (combinées si nous-mêmes et le *Vendeur* sommes responsables) seront limitées au paiement d'un montant qui n'excèdera pas le montant du *Prix d'Achat* du *Lot*, indépendamment de la nature, du volume ou de la source de toute perte ou de tout dommage prétendument subi ou de la somme réclamée comme étant due, et indépendamment du point de savoir si la responsabilité découle d'une négligence, d'un autre quasi-délit, d'une violation contractuelle (le cas échéant), de la violation d'une obligation légale ou autre.

Aucune des stipulations ci-dessus ne sera interprétée comme excluant ou restreignant (directement ou indirectement) notre responsabilité ou excluant ou restreignant les droits ou recours d'une personne au titre (i) d'une fraude, ou (ii) du décès ou d'un préjudice corporel causé par notre négligence (ou par la négligence de toute personne agissant sous notre contrôle ou dont nous sommes légalement responsables), ou (iii) des actes ou omissions dont nous sommes responsables en vertu de la Loi britannique de 1957 sur la responsabilité des occupants, ou (iv) de toute autre responsabilité dans la mesure où elle ne peut pas être exclue ou restreinte en vertu de la loi, ou (v) de nos engagements en vertu des paragraphes 9 (uniquement en relation avec les Ventes spécialisées de Timbres et de Livres) et 10 du *Contrat avec l'Acheteur*. Les mêmes stipulations s'appliquent au titre du *Vendeur*, de la même manière que si les références qui nous sont faites dans le présent paragraphe étaient remplacées par des références au *Vendeur*.

## 15. LIVRES

Comme indiqué ci-dessus, tous les Lots sont vendus « en l'état », sujets à des défauts, imperfections et erreurs de *Description*, à l'exception de ce qui est mentionné ci-dessous. Toutefois, vous serez en droit de refuser un *Livre* dans les circonstances concernant les « Lots non conformes » énoncées au paragraphe 11 du *Contrat avec l'Acheteur*. Veuillez noter que la *Commission d'achat des Lots* comprenant des *Livres* imprimés, des cartes non encadrées et des manuscrits reliés est exonérée de TVA.

## 16. HORLOGES ET MONTRES

Tous les Lots sont vendus « en l'état », et l'absence d'indication sur l'état d'une horloge ou d'une montre ne signifie pas que le *Lot* soit en bon état et sans défauts, réparations ou restaurations nécessaires. La plupart des horloges et des montres ont été réparées au cours de leur durée de vie normale et peuvent contenir des pièces qui ne sont pas d'origine. En outre, *Bonhams* ne fait aucune déclaration et ne garantit pas que les horloges ou montres sont en bon état de fonctionnement. Les horloges et les montres contiennent souvent des mécanismes fins et complexes, et les *Enchérisseurs* doivent donc savoir qu'un entretien général, un changement de pile ou des réparations supplémentaires, dont l'*Acheteur* est seul responsable, peuvent être nécessaires.

## Taxidermie et articles connexes

*Bonhams* s'engage, pour le compte du *Vendeur* de ces articles, à respecter pleinement les réglementations de la Cites et du DEFFRA. Il est conseillé aux *Acheteurs* de s'informer de toutes ces réglementations et de s'attendre à ce que l'exportation des articles nécessite un temps d'organisation.

## 17. BIJOUX

### Pierres précieuses

Historiquement, de nombreuses pierres précieuses ont été soumises à divers traitements pour améliorer leur apparence. Les saphirs et les rubis sont régulièrement traités thermiquement pour améliorer leur couleur et leur clarté, et les émeraudes sont fréquemment traitées avec des huiles ou de la résine dans le même but. D'autres pierres précieuses peuvent également avoir subi des traitements comme la coloration, l'irradiation ou le revêtement. Ces traitements peuvent être permanents, tandis que d'autres peuvent nécessiter des soins spéciaux ou un nouveau traitement au fil des ans pour conserver leur apparence. Les *Enchérisseurs* doivent savoir que les *Estimations* prennent en compte le fait que les pierres précieuses ont probablement été soumises à de tels traitements. Certains laboratoires délivrent des certificats qui donnent une *Description* plus détaillée des pierres précieuses. Cependant, les différents laboratoires ne sont pas toujours d'accord sur les degrés ou les types de traitement pour une pierre précieuse particulière. Dans le cas où *Bonhams* a reçu ou obtenu des certificats pour un *Lot* de la *Vente*, ces certificats seront présentés dans le *Catalogue*. *Bonhams* a pour politique de s'efforcer de fournir des certificats de laboratoires reconnus pour certaines pierres précieuses, mais il n'est pas toujours possible d'obtenir des certificats pour chaque *Lot*. Lorsqu'aucun certificat n'est publié dans le *Catalogue*, les *Enchérisseurs* doivent supposer que les pierres précieuses peuvent avoir été traitées. Ni *Bonhams* ni le *Vendeur* n'acceptent de responsabilité pour les contradictions ou les certificats différents obtenus par les *Acheteurs* sur tout *Lot* après la *Vente*.

### Poids estimés

Si le poids d'une pierre apparaît dans le corps de la *Description* en lettres majuscules, cela signifie que la pierre a été démontée et pesée par *Bonhams*. Si le poids de la pierre est indiqué comme étant approximatif et n'apparaît pas en majuscules, la pierre a été évaluée par nos soins dans sa monture, et le poids indiqué est une expression de notre opinion. Ces informations sont données à titre indicatif et les *Enchérisseurs* doivent s'assurer de leur exactitude.

### Signatures

- **Une broche en diamant, par Kutchinsky**  
Lorsque le nom du créateur apparaît dans le titre, *Bonhams* est d'avis que c'est l'œuvre de ce créateur.
- **Une broche en diamant, signée Kutchinsky**, porte une signature qui, selon *Bonhams*, est authentique mais peut contenir des pierres précieuses qui ne sont pas originales, ou la pièce peut avoir été modifiée.
- **Une broche en diamant, montée par Kutchinsky** a été créée par le bijoutier, selon *Bonhams*, mais en utilisant des pierres ou des dessins fournis par le client.

## 18. PHOTOGRAPHIES

### Explication des termes du Catalogue

- « **Bill Brandt** » : à notre avis, il s'agit d'une œuvre de l'artiste.
- « **Attribuée à Bill Brandt** » : à notre avis, il s'agit probablement d'une œuvre de l'artiste, mais il y a moins de certitude quant à la paternité que dans la catégorie précédente ;
- « **Signé et/ou titré et/ou daté et/ou inscrit** » : à notre avis, la signature et/ou le titre et/ou la date et/ou l'inscription sont de la main de l'artiste.
- « **Signé et/ou titré et/ou daté et/ou inscrit d'une autre main** » : à notre avis, la signature et/ou le titre et/ou la date et/ou l'inscription ont été ajoutés par une autre main.

La date indiquée est celle de l'image (négatif). Si aucune autre date n'est indiquée, cela signifie que le tirage photographique est ancien (le terme « ancien » peut également figurer dans la *Description du lot*). Une photographie ancienne est une photographie réalisée 5 à 10 ans environ après le négatif. Lorsqu'une deuxième date ultérieure apparaît, il s'agit de la date d'impression. Lorsque la date d'impression exacte n'est pas connue, mais qu'il est entendu qu'elle est postérieure, la mention « imprimé plus tard » apparaîtra dans la *Description du lot*.

Sauf indication contraire, les dimensions indiquées sont celles de la feuille de papier sur laquelle l'image est imprimée, y compris les marges éventuelles. Certaines photographies peuvent apparaître dans le *Catalogue* sans marges illustrées. Toutes les photographies sont vendues non encadrées, sauf indication contraire dans la *Description du lot*.

## 19. IMAGES

### Explication des termes du Catalogue

Les termes utilisés dans le *Catalogue* ont la signification

suivante, mais sont soumis aux dispositions générales relatives aux *Descriptions* contenues dans le *Contrat de vente* :

- « **Jacopo Bassano** » : à notre avis, il s'agit d'une œuvre de l'artiste. Lorsque le ou les prénoms de l'artiste ne sont pas connus, une série d'astérisques, suivie du nom de famille de l'artiste, précédé ou non d'une initiale, indique qu'à notre avis l'œuvre est de l'artiste intitulé ;
- « **Attribué à Jacopo Bassano** » : à notre avis, il s'agit probablement d'une œuvre de l'artiste, mais il y a moins de certitude quant à la paternité que dans la catégorie précédente ;
- « **Studio/Atelier de Jacopo Bassano** » : à notre avis, c'est une œuvre réalisée par une main inconnue dans un atelier de l'artiste qui peut ou non avoir été exécutée sous sa direction ;
- « **Cercle de Jacopo Bassano** » : à notre avis, c'est une œuvre réalisée par une main étroitement associée à l'artiste nommé mais qui n'est pas nécessairement son élève ;
- « **Suiveur de Jacopo Bassano** » : à notre avis, c'est une œuvre d'un peintre travaillant dans le style de l'artiste, contemporain ou quasi contemporain, mais qui n'est pas nécessairement son élève ;
- « **À la manière de Jacopo Bassano** » : à notre avis, c'est une œuvre dans le style de l'artiste et d'une date ultérieure ;
- « **D'après Jacopo Bassano** » : à notre avis, il s'agit d'une copie d'une œuvre connue de l'artiste.
- « **Signé et/ou daté et/ou inscrit** » : à notre avis, la signature et/ou la date et/ou l'inscription sont de la main de l'artiste ;
- « **Porte une signature et/ou une date et/ou une inscription** » : à notre avis, la signature et/ou la date et/ou l'inscription ont été ajoutés par une autre main.

## 20. PORCELAINE ET VERRE

### Dommages et restauration

Pour vous guider, dans nos *Catalogues*, nous décrivons en détail, dans la mesure du possible, tous les défauts, fêlures et restaurations importants. Ces *Descriptions* pratiques des dommages ne peuvent être définitives, et nos *Rapports sur l'état* ne garantissent pas qu'il n'existe pas d'autres défauts présents non mentionnés. Les *Enchérisseurs* doivent s'assurer, par le biais d'une inspection, de l'état de chaque *Lot*. Veuillez consulter le *Contrat de vente* imprimé dans le *Catalogue* concerné. En raison de la difficulté à déterminer si un objet en verre a été repoli, il n'est fait mention, dans nos *Catalogues*, que des éclats et fêlures visibles. Il n'y a aucune indication de repolissage sévère ou autre.

## 21. VÉHICULES

### Plaques et certificats du Veteran Car Club de Grande-Bretagne

Lorsqu'il est fait mention d'une plaque ou d'un certificat de datation du Veteran Car Club dans ce *Catalogue*, il faut garder à l'esprit que le Veteran Car Club de Grande-Bretagne, qui utilise les services de Veteran Car Company Ltd, procède de temps à autre à l'examen des voitures déjà datées et, dans certains cas, lorsque de nouvelles preuves sont disponibles, cet examen peut entraîner une modification de la date. Bien que le Club et Veteran Car Company Ltd fassent tout leur possible pour garantir l'exactitude des données, la date indiquée sur la plaque ou le certificat de datation peut être approximative et les acheteurs potentiels doivent mener leurs propres enquêtes sur la date de la voiture.

## 22. VINS

Les *Lots* qui se trouvent sous douane et ceux qui sont assujettis à la TVA peuvent ne pas être disponibles pour un retrait immédiat.

### Examen des vins

Nous organisons parfois des dégustations avant la vente pour les grandes parcelles (telles que définies ci-dessous). Ces dégustations concernent généralement des vins récents et de consommation courante. Veuillez contacter le service concerné pour plus de détails. Notre politique n'est pas d'inspecter chaque caisse non ouverte. Dans le cas des vins de plus de 20 ans, les caisses sont généralement ouvertes et les niveaux et l'apparence sont consignés dans le *Catalogue des ventes en ligne* si nécessaire. Vous devez tenir compte des variations des niveaux de chambre et de l'état des bouchons, capsules et étiquettes.

### Bouchons et chambres

La chambre désigne l'espace entre la base du bouchon et le vin. Les niveaux de chambre pour les bouteilles de forme bordelaise ne sont normalement notés que lorsqu'ils sont sous le goulot et pour les bouteilles de forme bourguignonne, alsacienne, allemande et cognac lorsqu'ils sont supérieurs à 4 centimètres (cm). Les niveaux de chambre acceptables augmentent avec l'âge ; les niveaux généralement acceptables sont les suivants :  
Moins de 15 ans - dans le goulot ou moins de 4 cm  
15 à 30 ans - très haute épaupe (THE) ou jusqu'à 5 cm  
Plus de 30 ans - épaupe supérieure (ES) ou jusqu'à 6 cm

Il convient de noter que les chambres peuvent changer entre le moment de la publication du *Catalogue* et la *Vente* et que les bouchons peuvent s'abîmer lors du transport du vin. Nous n'acceptons de responsabilité que pour les *Descriptions* de l'état au moment de la publication du *Catalogue* et ne pouvons accepter de responsabilité pour toute perte résultant d'une défaillance des bouchons avant ou après ce moment.

### Options d'achat de parcelles

Une parcelle est un nombre de *Lots* de taille identique d'un même vin, de la même taille de bouteille et de la même *Description*. L'*Acheteur* de l'un de ces *Lots* a la possibilité d'accepter une partie ou la totalité des *Lots* restants de la même parcelle au même prix, bien que ces options soient à la seule discrétion de la *Maison de vente aux enchères*. Il est donc conseillé aux *Enchérisseurs* absents

d'encherir sur le premier *Lot* d'une parcelle.

#### **Vins sous douane**

Les vins sous douane portent la marque Δ. Tous les *Lots* vendus sous douane, et que l'*Acheteur* souhaite conserver ainsi, seront facturés sans *TVA* ni autre taxe sur le *Prix d'adjudication*. Si l'*Acheteur* souhaite prendre le *Lot* comme dédouané, les droits d'accise et la *TVA* seront ajoutés au *Prix d'adjudication* sur la facture. Les *Acheteurs* doivent notifier à *Bonhams*, au moment de la *Vente*, s'ils souhaitent retirer leurs vins sous douane ou dédouanés. Si un *Lot* est pris sous douane, l'*Acheteur* sera responsable du paiement de la *TVA*, des droits, des frais de dédouanement et autres qui pourront être exigibles.

Les *Acheteurs* hors de la communauté européenne doivent savoir que tout transitaire désigné pour exporter leurs achats doit disposer d'un certificat de circulation pour les *Lots* à retirer sous douane.

#### **Informations sur la mise en bouteille et les caisses**

Les termes ci-après utilisés dans le *Catalogue* ont les significations suivantes :

BE – Mise en bouteille en Belgique

#### **SYMBOLES**

##### **LES SYMBOLES SUIVANTS SONT UTILISÉS POUR INDIQUER :**

- AR L'*Acheteur* nous versera une *Commission supplémentaire* pour couvrir nos dépenses relatives au paiement des droits d'auteur en vertu des Réglementations britanniques de 2006 sur le droit de suite des artistes. Voir le paragraphe 7 ci-dessus pour plus de détails.
- jð Le Vendeur s'est vu garantir un prix minimum pour le *Lot*, soit par Bonhams, soit par une tierce partie. Cela peut prendre la forme d'une enchère irrévocable par un tiers, qui peut réaliser un gain financier sur une *Vente* réussie ou une perte financière en cas d'échec.
- jø *Bonhams* est propriétaire du *Lot* en tout ou en partie ou peut y avoir un autre intérêt économique.
- Ⓞ Ce *lot* contient de l'ivoire et ne peut être exporté hors de l'Union Européenne.

#### **PROTECTION DES DONNÉES - UTILISATION DE VOS INFORMATIONS**

Lorsque nous obtenons des informations à caractère personnel vous concernant, nous ne les utilisons que conformément aux termes de notre Politique de confidentialité (sous réserve de tout consentement spécifique supplémentaire que vous auriez donné au moment où vos informations ont été divulguées). Une copie de notre Politique de confidentialité est disponible sur notre *site Internet* [www.bonhams.com](http://www.bonhams.com). ## NOTICE TO BIDDERS

This notice is addressed by *Bonhams* to any person who may be interested in a *Lot*, and to all persons participating in the auction process including auction attendees, *Bidders* and potential *Bidders* (including any eventual *Buyer* of the *Lot*). For ease of reference we refer to such persons as "*Bidders*" or "you". Our List of Definitions and Glossary is incorporated into this *Notice to Bidders*. It is at Appendix 3 at the back of the *Catalogue*. Where words and phrases are used in this notice which are in the List of Definitions, they are printed in italics.

**IMPORTANT:** Additional information applicable to the *Sale* may be set out in the *Catalogue* for the *Sale*, in an insert in the *Catalogue* and/or in a notice displayed at the *Sale* venue and you should read them as well. Announcements affecting the *Sale* may also be given out orally before and during the *Sale* without prior written notice. You should be alert to the possibility of changes and ask in advance of bidding if there have been any.

### 1. OUR ROLE

In its role as *Auctioneer* of *Lots*, *Bonhams* acts solely for and in the interests of the *Seller*. *Bonhams*' job is to sell the *Lot* at the highest price obtainable at the *Sale* to a *Bidder*. *Bonhams* does not act for *Buyers* or *Bidders* in this role and does not give advice to *Buyers* or *Bidders*. When it or its staff make statements about a *Lot* or, if *Bonhams* provides a *Condition Report* on a *Lot* it is doing that on behalf of the *Seller* of the *Lot*. *Bidders* and *Buyers* who are themselves not expert in the *Lots* are strongly advised to seek and obtain independent advice on the *Lots* and their value before bidding for them. The *Seller* has authorised *Bonhams* to sell the *Lot* as its agent on its behalf and, save where we expressly make it clear to the contrary, *Bonhams* acts only as agent for the *Seller*. Any statement or representation we make in respect of a *Lot* is made on the *Seller's* behalf and, unless *Bonhams* sells a *Lot* as principal, not on our behalf and any *Contract for Sale* is between the *Buyer* and the *Seller* and not with us. If *Bonhams* sells a *Lot* as principal this will either be stated in the *Catalogue* or an announcement to that effect will be made by the *Auctioneer*, or it will be stated in a notice at the *Sale* or an insert in the *Catalogue*.

*Bonhams* does not owe or undertake or agree to any duty or responsibility to you in contract or tort (whether direct, collateral, express, implied or otherwise). If you successfully bid for a *Lot* and buy it, at that stage *Bonhams* does enter into an agreement with you as the *Buyer*. The terms of that contract are set out in our *Buyer's Agreement*, which you will find at Appendix 2 at the back of the *Catalogue*, and this will govern *Bonhams*' relationship with the *Buyer*.

### 2. LOTS

Subject to the *Contractual Description* printed in bold letters in the *Entry* about the *Lot* in the *Catalogue* (see paragraph 3 below), *Lots* are sold to the *Buyer* on an "as is" basis, with all faults and imperfections. Illustrations and photographs contained in the *Catalogue* (other than photographs forming part of the *Contractual Description*) or elsewhere of any *Lots* are for identification purposes only. A photograph or illustration may not reflect an accurate reproduction of the colour(s) or true condition of the *Lot*. *Lots* are available for inspection prior to the *Sale* and it is for you to satisfy yourself as to each and every aspect of a *Lot*, including its authorship, attribution, condition, provenance, history, background, authenticity, style, period, age, suitability, quality, roadworthiness (if relevant), origin, value and estimated selling price (including the *Hammer Price*). It is your responsibility to examine any *Lot* in which you are interested. It should be remembered that the actual condition of a *Lot* may not be as good as that indicated by its outward appearance. In particular, parts may have been replaced or renewed and *Lots* may not be authentic or of satisfactory quality; the inside of a *Lot* may not be visible and may not be original or may be damaged, as for example where it is covered by upholstery or material. Given the age of many *Lots* they may have been damaged and/or repaired and you should not assume that a *Lot* is in good condition.

Electronic or mechanical items or parts are sold for their artistic, historic or cultural interest and may not operate or may not comply with current statutory requirements. You should not assume that electrical items designed to operate on mains electricity will be suitable for connection to the mains electricity supply and you should obtain a report from a qualified electrician on their status before doing so. Such items which are unsuitable for connection are sold as items of interest for display purposes only. If you yourself do not have expertise regarding a *Lot*, you should consult someone who does to advise you. We can assist in arranging facilities for you to carry out or have carried out more detailed inspections and tests. Please ask our staff for details. Any person who damages a *Lot* will be held liable for the loss caused.

### 3. DESCRIPTIONS OF LOTS AND ESTIMATES

#### **Contractual Description of a Lot**

The *Catalogue* contains an *Entry* about each *Lot*. Each *Lot* is sold by its respective *Seller* to the *Buyer* of the *Lot* as corresponding only with that part of the *Entry* which is printed in bold letters and (except for the colour, which may be inaccurately reproduced) with any photograph of the *Lot* in the *Catalogue*. The remainder of the *Entry*, which is not printed in bold letters, represents *Bonhams*' opinion (given on behalf of the *Seller*) about the *Lot* only and is not part of the *Contractual Description* in accordance with which the *Lot* is sold by the *Seller*.

#### **Estimates**

In most cases, an Estimate is printed beside the *Entry*.

*Estimates* are only an expression of *Bonhams*' opinion made on behalf of the *Seller* of the range where *Bonhams* thinks the *Hammer Price* for the *Lot* is likely to fall; it is not an *Estimate* of value. It does not take into account any VAT or *Buyer's Premium* payable or any other fees payable by the *Buyer*, which are detailed in paragraph 7 of the *Notice to Bidders*, below. Prices depend upon bidding and lots can sell for *Hammer Prices* below and above the *Estimates*, so *Estimates* should not be relied on as an indication of the actual selling price or value of a *Lot*. *Estimates* are in the currency of the *Sale*.

#### **Condition Reports**

In respect of most *Lots*, you may ask *Bonhams* for a *Condition Report* on the *Lot's* general physical condition. If you do so, this will be provided by *Bonhams* on behalf of the *Seller* free of charge. As this is offered additionally and without charge, *Bonhams* is not entering into a contract with you in respect of the *Condition Report* and accordingly does not assume responsibility to you in respect of it. The *Condition Report* represents *Bonhams*' reasonable opinion as to the *Lot's* general condition in the terms stated in the particular report, and *Bonhams* does not represent or guarantee that a *Condition Report* includes all aspects of the internal or external condition of the *Lot*. Neither does the *Seller* owe or agree to owe you as a *Bidder* or *Buyer* any obligation or duty in respect of this free report about a *Lot*, which is available for your own inspection or for inspection by an expert instructed by you.

#### **The Seller's responsibility to you**

The *Seller* does not make or agree to make any representation of fact or contractual promise, *Guarantee* or warranty and undertakes no obligation or duty, whether in contract or in tort (other than to the eventual *Buyer* as set out above), in respect of the accuracy or completeness of any statement or representation made by him or on his behalf, which is in any way descriptive of any *Lot* or as to the anticipated or likely selling price of any *Lot*. Other than as set out above, no statement or representation in any way descriptive of a *Lot* or any *Estimate* is incorporated into any *Contract for Sale* between a *Seller* and a *Buyer*.

#### **Bonhams' responsibility to you**

You have the opportunity of examining the *Lot* if you want to and the *Contract for Sale* for a *Lot* is with the *Seller* and not with *Bonhams*; *Bonhams* acts as the *Seller's* agent only (unless *Bonhams* sells the *Lot* as principal). *Bonhams* undertakes no obligation to you to examine, investigate or carry out any tests, either in sufficient depth or at all, on each *Lot* to establish the accuracy or otherwise of any *Descriptions* or opinions given by *Bonhams*, or by any person on *Bonhams*' behalf, whether in the *Catalogue* or elsewhere. You should not suppose that such examinations, investigations or tests have occurred.

*Bonhams* does not make or agree to make any representation of fact, and undertakes no obligation or duty (whether in contract or tort) in respect of the accuracy or completeness of any statement or representation made by *Bonhams* or on *Bonhams*' behalf which is in any way descriptive of any *Lot* or as to the anticipated or likely selling price of any *Lot*. No statement or representation by *Bonhams* or on its behalf in any way descriptive of any *Lot* or any *Estimate* is incorporated into our *Buyer's Agreement*.

#### **Alterations**

*Descriptions* and *Estimates* may be amended at *Bonhams*' discretion from time to time by notice given orally or in writing before or during a *Sale*.

THE *LOT* IS AVAILABLE FOR INSPECTION AND YOU MUST FORM YOUR OWN OPINION IN RELATION TO IT. YOU ARE STRONGLY ADVISED TO EXAMINE ANY *LOT* OR HAVE IT EXAMINED ON YOUR BEHALF BEFORE THE *SALE*.

### 4. CONDUCT OF THE SALE

Our *Sales* are public auctions which persons may attend and you should take the opportunity to do so. We reserve the right to our sole discretion to refuse admission to our premises or to any *Sale* and to remove any person from our premises and *Sales*, without stating a reason. We have complete discretion as to whether the *Sale* proceeds, whether any *Lot* is included in the *Sale*, the manner in which the *Sale* is conducted and we may offer *Lots* for *Sale* in any order we choose notwithstanding the numbers given to *Lots* in the *Catalogue*. You should therefore check the date and starting time of the *Sale*, whether there have been any withdrawals or late entries. Remember that withdrawals and late entries may affect the time at which a *Lot* you are interested in is put up for *Sale*. We have complete discretion in which to refuse any bid, to nominate any bidding increment we consider appropriate, to divide any *Lot*, to combine two or more *Lots*, to withdraw any *Lot* from a *Sale* and, before the *Sale* has been closed, to put up any *Lot* for auction again. Auction speeds can exceed 100 *Lots* to the hour and bidding increments are generally about 10%; however, these do vary from *Sale* to *Sale* and from *Auctioneer* to *Auctioneer*. Please check with the department organising the *Sale* for advice on this. Where a *Reserve* has been applied to a *Lot*, the *Auctioneer* may, in his absolute discretion, place bids (up to an amount not equaling or exceeding such *Reserve*) on behalf of the *Seller*. We are not responsible to you in respect of the presence or absence of any *Reserve* in respect of any *Lot*. If there is a *Reserve* it will be no higher than the lower figure for any *Estimate* in the *Catalogue*, assuming that the currency of the *Reserve* has not fluctuated adversely against the currency of the *Estimate*. The *Buyer* will be the *Bidder* who makes the highest bid acceptable to the

*Auctioneer* for any *Lot* (subject to any applicable *Reserve*) to whom the *Lot* is knocked down by the *Auctioneer* at the fall of the *Auctioneer's* hammer. Any dispute as to the highest acceptable bid will be settled by the *Auctioneer* in his absolute discretion. All bids tendered will relate to the actual *Lot* number announced by the *Auctioneer*. An electronic currency converter may be used at the *Sale*. This equipment is provided as a general guide as to the equivalent amount in certain currencies of a given bid. We do not accept any responsibility for any errors which may occur in the use of the currency converter. We may use video cameras to record the *Sale* and may record telephone calls for reasons of security and to assist in solving any disputes which may arise in relation to bids made at the *Sale*. At some *Sales*, for example, jewellery *Sales*, we may use screens on which images of the *Lots* will be projected. This service is provided to assist viewing at the *Sale*. The image on the screen should be treated as an indication only of the current *Lot*. It should be noted that all bids tendered will relate to the actual *Lot* number announced by the *Auctioneer*. We do not accept any responsibility for any errors which may occur in the use of the screen.

### 5. BIDDING

You must complete and deliver to us one of our *Bidding Forms*, either our *Bidder Registration Form*, *Absentee Bidding Form* or *Telephone Bidding Form* in order to bid at our *Sales*. If you are a new client at *Bonhams* or have not recently updated your registration details with us, you must pre-register to bid at least two working days before the *Sale* at which you wish to bid. You will be required to provide government-issued proof of identity and residence, and if you are a company, your certificate of incorporation or equivalent documentation with your name and registered address, government issued proof of your current address, documentary proof of your beneficial owners and directors, and proof of authority to transact. We may also request a financial reference and /or deposit from you before allowing you to bid.

We reserve the rights at our discretion to request further information in order to complete our client identification and to decline to register any person as a *Bidder*, and to decline to accept their bids if they have been so registered. We also reserve the rights to postpone completion of the *Sale* of any *Lot* at our discretion while we complete our registration and identification enquiries, and to cancel the *Sale* of any *Lot* if you are in breach of your warranties as *Buyer*, or if we consider that such *Sale* would be unlawful or otherwise cause liabilities for the *Seller* or *Bonhams* or be detrimental to *Bonhams*' reputation.

#### **Bidding in person**

So long as you have pre-registered to bid or have updated your existing registration recently, you should come to our *Bidder* registration desk at the *Sale* venue and fill out a *Registration* and *Bidding Form* on (or, if possible, before) the day of the *Sale*. The bidding number system is sometimes referred to as "paddle bidding". You will be issued with a large card (a "paddle") with a printed number on it. This will be attributed to you for the purposes of the *Sale*. Should you be a successful *Bidder* you will need to ensure that your number can be clearly seen by the *Auctioneer* and that it is your number which is identified as the *Buyer's*. You should not let anyone else use your paddle as all *Lots* will be invoiced to the name and address given on your *Bidder* Registration Form. Once an invoice is issued it will not be changed. If there is any doubt as to the *Hammer Price* of, or whether you are the successful *Bidder* of, a particular *Lot*, you must draw this to the attention of the *Auctioneer* before the next *Lot* is offered for *Sale*. At the end of the *Sale*, or when you have finished bidding please return your paddle to the *Bidder* registration desk.

#### **Bidding by telephone**

If you wish to bid at the *Sale* by telephone, and have pre-registered to bid or have updated your existing registration details recently, please complete a *Registration* and *Bidding Form*, which is available from our offices or in the *Catalogue*. Please then return it to the office responsible for the *Sale* at least 24 hours in advance of the *Sale*. It is your responsibility to check with our Bids Office that your bid has been received. Telephone calls will be recorded. The telephone bidding facility is a discretionary service offered at no additional charge and may not be available in relation to all *Lots*. We will not be responsible for bidding on your behalf if you are unavailable at the time of the *Sale* or if the telephone connection is interrupted during bidding. Please contact us for further details.

#### **Bidding by post or fax**

*Absentee Bidding Forms* can be found in the back of this *Catalogue* and should be completed and sent to the office responsible for the *Sale*, once you have pre-registered to bid or have updated your existing registration details recently. It is in your interests to return your form as soon as possible, as if two or more *Bidders* submit identical bids for a *Lot*, the first bid received takes preference. In any event, all bids should be received at least 24 hours before the start of the *Sale*. Please check your *Absentee Bidding Form* carefully before returning it to us, fully completed and signed by you. It is your responsibility to check with our Bids Office that your bid has been received. This additional service is complimentary and is confidential. Such bids are made at your own risk and we cannot accept liability for our failure to receive and/or place any such bids. All bids made on your behalf will be made at the lowest level possible subject to *Reserves* and other bids made for the *Lot*. Where appropriate your bids will be rounded down to the nearest amount consistent

with the *Auctioneer's* bidding increments. New *Bidders* must also provide proof of identity and address when submitting bids. Failure to do this will result in your bid not being placed.

#### Bidding via the internet

Please visit our *Website* at <http://www.bonhams.com> for details of how to bid via the internet.

*Bonhams* will not be liable for service delays, interruptions or other failures to make a bid caused by losses of internet connection, fault or failure with the website or bidding process, or malfunction of any software or system, computer or mobile device.

#### Bidding through an agent

Bids will be treated as placed exclusively by and on behalf of the person named on the *Bidding Form* unless otherwise agreed by us in writing in advance of the *Sale*. If you wish to bid on behalf of another person (your principal) you must complete the pre-registration requirements set out above both on your own behalf and with full details of your principal, and we will require written confirmation from the principal confirming your authority to bid.

**You are specifically referred to your due diligence requirements concerning your principal and their source of funds, and the warranties you give in the event you are the Buyer, which are contained in paragraph 3 of the Buyer's Agreement, set out at Appendix 2 at the back of the Catalogue.**

Nevertheless, as the *Bidding Form* explains, any person placing a bid as agent on behalf of another (whether or not he has disclosed that fact) will be jointly and severally liable with the principal to the *Seller* and to *Bonhams* under any contract resulting from the acceptance of a bid. Equally, please let us know if you intend to nominate another person to bid on your behalf at the *Sale* unless this is to be carried out by us pursuant to a Telephone or Absentee *Bidding Form* that you have completed. If we do not approve the agency arrangements in writing before the *Sale*, we are entitled to assume that the person bidding at the *Sale* is bidding on his own behalf. Accordingly, the person bidding at the *Sale* will be the *Buyer* and will be liable to pay the *Hammer Price* and *Buyer's Premium* and associated charges. If we approve the identity of your client in advance, we will be in a position to address the invoice to your principal rather than you. We will require proof of the agent's identity and residence in advance of any bids made by the agent on his behalf. Please refer to our *Conditions of Business* and contact our Customer Services Department for further details.

*Bonhams* undertakes Customer Due Diligence (CDD) into its *Sellers* and *Buyers* as required by the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 ("the Regulations"). *Bonhams'* interpretation of the Regulations and Treasury Approved industry Guidance is that CDD under the Regulations is not required by *Buyers* into *Sellers* at *Bonhams* auctions or vice versa.

#### 6. CONTRACTS BETWEEN THE BUYER AND SELLER AND THE BUYER AND BONHAMS

On the *Lot* being knocked down to the *Buyer*, a *Contract for Sale* of the *Lot* will be entered into between the *Seller* and the *Buyer* on the terms of the *Contract for Sale* set out in Appendix 1 at the back of the *Catalogue*. You will be liable to pay the *Purchase Price*, which is the *Hammer Price* plus any applicable *VAT*. At the same time, a separate contract is also entered into between us as *Auctioneers* and the *Buyer*. This is our *Buyer's Agreement*, the terms of which are set out in Appendix 2 at the back of the *Catalogue*. Please read the terms of the *Contract for Sale* and our *Buyer's Agreement* contained in the *Catalogue* in case you are the successful *Bidder* including the warranties as to your status and source of funds. We may change the terms of either or both of these agreements in advance of their being entered into, by setting out different terms in the *Catalogue* and/or by placing an insert in the *Catalogue* and/or by notices at the *Sale* venue and/or by oral announcements before and during the *Sale*. It is your responsibility to ensure you are aware of the up to date terms of the *Buyer's Agreement* for this *Sale*.

#### 7. BUYER'S PREMIUM AND OTHER CHARGES PAYABLE BY THE BUYER

Under the *Buyer's Agreement*, a premium (the *Buyer's Premium*) is payable to us by the *Buyer* in accordance with the terms of the *Buyer's Agreement* and at rates set out below, calculated by reference to the *Hammer Price* and payable in addition to it.

For this *Sale* the following rates of *Buyer's Premium* will be payable by *Buyers* on each *Lot* purchased:

27.5% of the *Hammer Price* on the first 25,000 €; plus  
26% of the *Hammer Price* from 25,001 € and up to 700,000 €; plus  
20% of the *Hammer Price* from 700,001 € and up to 4,000,000 €; plus  
14.5% of the *Hammer Price* above 4,000,000 €

Storage and handling charges may also be payable by the *Buyer* as detailed on the specific *Sale* information page at the front of the *catalogue*.

The *Buyer's Premium* and all other charges payable to us by the *Buyer* are subject to *VAT* at the prevailing rate, currently 20%.

*VAT* may also be payable on the *Hammer Price* of the *Lot*, where

indicated by a symbol beside the *Lot* number. See paragraph 8 below for details.

On certain *Lots*, which will be marked "AR" in the *Catalogue* and which are sold for a *Hammer Price* of €1,000 or greater (converted into the currency of the *Sale* using the European Central Bank Reference rate prevailing on the date of the *Sale*), the *Additional Premium* will be payable to us by the *Buyer* to cover our *Expenses* relating to the payment of royalties under the Artists Resale Right Regulations 2006. The *Additional Premium* will be a percentage of the amount of the *Hammer Price* calculated in accordance with the table below, and shall not exceed €12,500 (converted into the currency of the *Sale* using the European Central Bank Reference rate prevailing on the date of the *Sale*).

<i>Hammer Price</i>	Percentage amount
From €0 to €50,000	4%
From €50,000.01 to €200,000	3%
From €200,000.01 to €350,000	1%
From €350,000.01 to €500,000	0.5%
Exceeding €500,000	0.25%

#### 8. VAT

The prevailing rate of *VAT* at the time of going to press is 20%, but this is subject to government change and the rate payable will be the rate in force on the date of the *Sale*.

The following symbols, shown beside the *Lot* number, are used to denote that *VAT* is due on the *Hammer Price* and *Buyer's Premium*:

- † *VAT* at the prevailing rate on *Hammer Price* and *Buyer's Premium*
- Ω *VAT* on imported items at the prevailing rate on *Hammer Price* and *Buyer's Premium*
- \* *VAT* on imported items at a preferential rate of 5.5% on *Hammer Price* and the prevailing rate on *Buyer's Premium*
- G Gold bullion exempt from *VAT* on the *Hammer Price* and subject to *VAT* at the prevailing rate on the *Buyer's Premium*
- Zero rated for *VAT*, no *VAT* will be added to the *Hammer Price* or the *Buyer's Premium*

In all other instances no *VAT* will be charged on the *Hammer Price*, but *VAT* at the prevailing rate will be added to *Buyer's Premium* which will be invoiced on a *VAT* inclusive basis.

#### 9. PAYMENT

It is of critical importance that you ensure that you have readily available funds to pay the *Purchase Price* and the *Buyer's Premium* (plus *VAT* and any other charges and *Expenses* to us) in full before making a bid for the *Lot*. If you are a successful *Bidder*, payment will be due to us by 4:30 pm on the second working day after the *Sale* so that all sums are cleared by the eighth working day after the *Sale*. Payments made by anyone other than the registered *Buyer* will not be accepted. *Bonhams* reserves the right to vary the terms of payment at any time.

***Bonhams'* preferred payment method is by bank transfer.**

You may electronically transfer funds to our *Account*. If you do so, please quote your paddle number and invoice number as the reference. Our *Account* details are as follows:

**Cash:** you may pay for *Lots* purchased by you at this *Sale* with notes or coins in the currency in which the *Sale* is conducted (but not any other currency) provided that the total amount payable by you in respect of all *Lots* purchased by you at the *Sale* does not exceed 1,000 €, or the equivalent in the currency in which the *Sale* is conducted, at the time when payment is made. Cash payments can only be accepted on invoices totaling 1000 € or less.

Credit cards issued in the name of the *Buyer* (including China UnionPay (CUP) cards and credit cards issued by Visa and MasterCard only). There is a 5,000 € limit on payment value if payment is made in person using Chip & Pin verification.

It may be advisable to notify your debit or credit card provider of your intended purchase in advance to reduce delays caused by us having to seek authority when you come to pay.

**Note: only one debit or credit card may be used for payment of an account balance. If you have any questions with regards to card payments, please contact our Customer Services Department.** We reserve the rights to investigate and identify the source of any funds received by us, to postpone completion of the sale of any *Lot* at our discretion while we complete our investigations, and to cancel the *Sale* of any *Lot* if you are in breach of your warranties as *Buyer*, if we consider that such *Sale* would be unlawful or otherwise cause liabilities for the *Seller* or *Bonhams*, or would be detrimental to *Bonhams'* reputation.

#### 10. COLLECTION AND STORAGE

The *Buyer* of a *Lot* will not be allowed to collect it until payment in full and in cleared funds has been made (unless we have made a special arrangement with the *Buyer*). For collection and removal of purchased *Lots*, please refer to *Sale* information at the front of the *Catalogue*. Our offices are open 9.00am – 5pm Monday to Friday. Details relating to the collection of a *Lot*, the storage of a *Lot* and our *Storage Contractor* after the *Sale* are set out in the *Catalogue*.

#### 12. EXPORT/TRADE RESTRICTIONS

It is your sole responsibility to comply with all export and import regulations relating to your purchase(s) and also to obtain any relevant export and/or import licence(s). Export licences are issued according to regulation no. 92-1477 of 31 December 1992 (amended by that of 10 July 2000). In order to control the circulation of cultural goods, law no. 92-1477 of 31 December 1992 (amended by that of 10 July 2000) makes exports outside French territory subject to special conditions, applicable to cultural goods whose age and value exceed certain thresholds.

The export certificate itself is an administrative document that does not provide any guarantee of the authenticity of the work(s) that it allows to be exported. The request for a certificate for cultural goods or any other administrative document(s) and any delay associated thereto with a view to their free circulation outside French territory shall not permit the rescission of any *Sale* nor allow any delay in making full payment for the *Lot*(s).

The need for import licences varies from country to country and you should acquaint yourself with all relevant local requirements and provisions. The refusal of any import or export licence(s) or any delay in obtaining such licence(s) shall not permit the rescission of any *Sale* nor allow any delay in making full payment for the *Lot*. Generally, please contact our shipping department before the *Sale* if you require assistance in relation to export regulations.

#### 13. CITES REGULATIONS

Please be aware that all *Lots* marked with the symbol Y are subject to CITES regulations when exporting these items outside the EU. These regulations may be found at <https://cites.org>

<https://cites.application.developpement-durable.gouv.fr>  
The refusal of any CITES licence or permit and any delay in obtaining such licences or permits shall not give rise to the rescission or cancellation of any *Sale*, nor allow any delay in making full payment for the *Lot*.

#### 14. THE SELLERS AND/OR BONHAMS' LIABILITY

Other than any liability of the *Seller* to the *Buyer* of a *Lot* under the *Contract for Sale*, neither we nor the *Seller* are liable (whether in negligence or otherwise) for any error or misdescription or omission in any *Description* of a *Lot* or any *Estimate* in respect of it, whether contained in the *Catalogue* or otherwise, whether given orally or in writing and whether given before or during the *Sale*. Neither we nor the *Seller* will be liable for any loss of *Business*, profits, revenue or income, or for loss of reputation, or for disruption to *Business* or wasted time on the part of management or staff, or for indirect losses or consequential damages of any kind, irrespective in any case of the nature, volume or source of the loss or damage alleged to be suffered, and irrespective of whether the said loss or damage is caused by or claimed in respect of any negligence, other tort, breach of contract (if any) or statutory duty, restitutionary claim or otherwise. In any circumstances where we and/or the *Seller* are liable in relation to any *Lot* or any *Description* or *Estimate* made of any *Lot*, or the conduct of any *Sale* in relation to any *Lot*, whether in damages, for an indemnity or contribution, or for a restitutionary remedy or otherwise, our and/or the *Seller's* liability (combined, if both we and the *Seller* are liable) will be limited to payment of a sum which will not exceed by way of maximum the amount of the *Purchase Price* of the *Lot* irrespective in any case of the nature, volume or source of any loss or damage alleged to be suffered or sum claimed as due, and irrespective of whether the liability arises from any negligence, other tort, breach of contract (if any) or statutory duty or otherwise. Nothing set out

above will be construed as excluding or restricting (whether directly or indirectly) our liability or excluding or restricting any person's rights or remedies in respect of (i) fraud, or (ii) death or personal injury caused by our negligence (or by the negligence of any person under our control or for whom we are legally responsible), or (iii) acts or omissions for which we are liable under the Occupiers Liability Act 1957, or (iv) any other liability to the extent the same may not be excluded or restricted as a matter of law or (v) our undertakings under paragraphs 9 (in relation to specialist *Stamp* or *Book Sales* only) and 10 of the *Buyer's Agreement*. The same applies in respect of the *Seller*, as if references to us in this paragraph were substituted with references to the *Seller*.

#### 15. BOOKS

As stated above, all *Lots* are sold on an "as is" basis, subject to all faults, imperfections and errors of *Description* save as set out below. However, you will be entitled to reject a *Book* in the circumstances set out in paragraph 11 of the *Buyer's Agreement*. Please note that *Lots* comprising printed *Books*, unframed maps and bound manuscripts are not liable to VAT on the *Buyer's Premium*.

#### 16. CLOCKS AND WATCHES

All *Lots* are sold "as is", and the absence of any reference to the condition of a clock or watch does not imply that the *Lot* is in good condition and without defects, repairs or restorations. Most clocks and watches have been repaired in the course of their normal lifetime and may now incorporate parts not original to them. Furthermore, *Bonhams* makes no representation or warranty that any clock or watch is in working order. As clocks and watches often contain fine and complex mechanisms, *Bidders* should be aware that a general service, change of battery or further repair work, for which the *Buyer* is solely responsible, may be necessary.

#### 17. JEWELLERY

##### Gemstones

Historically many gemstones have been subjected to a variety of treatments to enhance their appearance. Sapphires and rubies are routinely heat treated to improve their colour and clarity, similarly emeralds are frequently treated with oils or resin for the same purpose. Other treatments such as staining, irradiation or coating may have been used on other gemstones. These treatments may be permanent, whilst others may need special care or re-treatment over the years to retain their appearance. *Bidders* should be aware that *Estimates* assume that gemstones may have been subjected to such treatments. A number of laboratories issue certificates that give more detailed *Descriptions* of gemstones. However there may not be consensus between different laboratories on the degrees, or types of treatment for any particular gemstone. In the event that *Bonhams* has been given or has obtained certificates for any *Lot* in the *Sale* these certificates will be disclosed in the *Catalogue*. Although, as a matter of policy, *Bonhams* endeavours to provide certificates from recognised laboratories for certain gemstones, it is not feasible to obtain certificates for each *Lot*. In the event that no certificate is published in the *Catalogue*, *Bidders* should assume that the gemstones may have been treated. Neither *Bonhams* nor the *Seller* accepts any liability for contradictions or differing certificates obtained by *Buyers* on any *Lots* subsequent to the *Sale*.

##### Estimated Weights

If a stone(s) weight appears within the body of the *Description* in capital letters, the stone(s) has been unmounted and weighed by *Bonhams*. If the weight of the stone(s) is stated to be approximate and does not appear in capital letters, the stone(s) has been assessed by us within its/their settings, and the stated weight is a statement of our opinion only. This information is given as a guide and *Bidders* should satisfy themselves with regard to this information as to its accuracy.

##### Signatures

- **A diamond brooch, by Kutichinsky**  
When the maker's name appears in the title, in *Bonhams'* opinion the piece is by that maker.
- **A diamond brooch, signed Kutichinsky**  
Has a signature that, in *Bonhams'* opinion, is authentic but may contain gemstones that are not original, or the piece may have been altered.
- **A diamond brooch, mounted by Kutichinsky**  
Has been created by the jeweller, in *Bonhams'* opinion, but using stones or designs supplied by the client.

#### 18. PHOTOGRAPHS

##### Explanation of Catalogue Terms

- "Bill Brandt": in our opinion a work by the artist.
- "Attributed to Bill Brandt": in our opinion probably a work by the artist, but less certainty to authorship is expressed than in the preceding category.
- "Signed and/or titled and/or dated and/or inscribed": in our opinion the signature and/or title and/or date and/or inscription are in the artist's hand.
- "Signed and/or titled and/or dated and/or inscribed in another hand": in our opinion the signature and/or title and/or date and/or inscription have been added by another hand.
- The date given is that of the image (negative). Where no further date is given, this indicates that the photographic print is vintage (the term "vintage" may also be included in the *Lot Description*). A vintage photograph is one which was made within approximately 5-10 years of the negative. Where a second, later date appears, this refers to the date of printing. Where the exact printing date is not known, but understood

to be later, "printed later" will appear in the *Lot Description*.

- Unless otherwise specified, dimensions given are those of the piece of paper on which the image is printed, including any margins. Some photographs may appear in the *Catalogue* without margins illustrated.

- All photographs are sold unframed unless stated in the *Lot Description*.

#### 19. PICTURES

##### Explanation of Catalogue Terms

The following terms used in the *Catalogue* have the following meanings but are subject to the general provisions relating to *Descriptions* contained in the *Contract for Sale*:

- "Jacopo Bassano": in our opinion a work by the artist. When the artist's forename(s) is not known, a series of asterisks, followed by the surname of the artist, whether preceded by an initial or not, indicates that in our opinion the work is by the artist named;
- "Attributed to Jacopo Bassano": in our opinion probably a work by the artist but less certainty as to authorship is expressed than in the preceding category;
- "Studio/Workshop of Jacopo Bassano": in our opinion a work by an unknown hand in a studio of the artist which may or may not have been executed under the artist's direction;
- "Circle of Jacopo Bassano": in our opinion a work by a hand closely associated with a named artist but not necessarily his pupil;
- "Follower of Jacopo Bassano": in our opinion a work by a painter working in the artist's style, contemporary or nearly contemporary, but not necessarily his pupil;
- "Manner of Jacopo Bassano": in our opinion a work in the style of the artist and of a later date;
- "After Jacopo Bassano": in our opinion, a copy of a known work of the artist;
- "Signed and/or dated and/or inscribed": in our opinion the signature and/or date and/or inscription are from the hand of the artist;
- "Bears a signature and/or date and/or inscription": in our opinion the signature and/or date and/or inscription have been added by another hand.

#### 20. PORCELAIN AND GLASS

##### Damage and Restoration

For your guidance, in our *Catalogues* we attempt to detail, as far as practicable, all significant defects, cracks and restoration. Such practicable *Descriptions* of damage cannot be definitive, and in providing *Condition Reports*, we cannot *Guarantee* that there are no other defects present which have not been mentioned. *Bidders* should satisfy themselves by inspection, as to the condition of each *Lot*. Please see the *Contract for Sale* printed in this *Catalogue*. Because of the difficulty in determining whether an item of glass has been repolished, in our *Catalogues* reference is only made to visible chips and cracks. No mention is made of repolishing, severe or otherwise.

##### The Veteran Car Club of Great Britain

##### Dating Plates and Certificates

When mention is made of a Veteran Car Club Dating Plate or Dating Certificate in this *Catalogue*, it should be borne in mind that the Veteran Car Club of Great Britain using the services of Veteran Car Company Ltd, does from time to time, review cars already dated and, in some instances, where fresh evidence becomes available, the review can result in an alteration of date. Whilst the Club and Veteran Car Company Ltd make every effort to ensure accuracy, the date shown on the Dating Plate or Dating Certificate cannot be guaranteed as correct and intending purchasers should make their own enquiries as to the date of the car.

#### 22. WINE

*Lots* which are lying under Bond and those liable to VAT may not be available for immediate collection.

##### Examining the wines

It is occasionally possible to provide a pre-*Sale* tasting for larger parcels (as defined below). This is generally limited to more recent and everyday drinking wines. Please contact the department for details. It is not our policy to inspect every unopened case. In the case of wines older than 20 years the boxes will usually have been opened and levels and appearance noted in the *Catalogue* where necessary. You should make proper allowance for variations in ullage levels and conditions of corks, capsules and labels.

##### Corks and Ullages

Ullage refers to the space between the base of the cork and the wine. Ullage levels for Bordeaux shaped bottles are only normally noted when below the neck and for Burgundy, Alsace, German and Cognac shaped bottles when greater than 4 centimetres (cm). Acceptable ullage levels increase with age; generally acceptable levels are as follows:

Under 15 years old – into neck or less than 4cm

15 to 30 years old – top shoulder (ts) or up to 5cm

Over 30 years old – high shoulder (hs) or up to 6cm

It should be noted that ullages may change between publication of the *Catalogue* and the *Sale* and that corks may fail as a result of transporting the wine. We will only accept responsibility for *Descriptions* of condition at the time of publication of the *Catalogue* and cannot accept responsibility for any loss resulting from failure of corks either before or after this point.

##### Options to buy parcels

A parcel is a number of *Lots* of identical size of the same wine, bottle size and *Description*. The *Buyer* of any of these *Lots* has

the option to accept some or all of the remaining *Lots* in the parcel at the same price, although such options will be at the *Auctioneer's* sole discretion. Absentee *Bidders* are, therefore, advised to bid on the first *Lot* in a parcel.

#### Wines in Bond

Wines lying in Bond are marked Δ. All *Lots* sold under Bond, and which the *Buyer* wishes to remain under Bond, will be invoiced without VAT or Duty on the *Hammer Price*. If the *Buyer* wishes to take the *Lot* as Duty paid, Excise Duty and VAT will be added to the *Hammer Price* on the invoice.

*Buyers* must notify *Bonhams* at the time of the *sale* whether they wish to take their wines under Bond or Duty paid. If a *Lot* is taken under Bond, the *Buyer* will be responsible for all VAT, Duty, clearance and other charges that may be payable thereon. *Buyers* outside the UE must be aware that any forwarding agent appointed to export their purchases must have a movement certificate for *Lots* to be released under Bond.
