Hij beeldde zichzelf af met op de achtergrond Domburg en de zee, en in de lucht zwevend, als geesten of gedachten, zijn bedroefde vrouw met hun kind op schoot, en achter haar gedeeltelijk zichtbaar drie andere vrouwen. De eerste kijkt heel gespannen, de tweede nijdig en de derde maakt een gebaar dat met schrik te maken heeft; twee van hen hebben de borst ontbloot, waardoor hun aanwezigheid een erotische bijbetekenis krijgt.
