## VAT Exemptions/Refunds on Export

- If you appoint Christie's Art Transport or one of our authorised shippers to arrange export/shipping of your purchased lots out of the Swiss customs territory (being Switzerland and the principality of Liechtenstein), we will issue you an export invoice exempt from Swiss VAT. If you later cancel or change the shipment we will issue a revised invoice charging you all applicable tax charges.
- If you wish to arrange your own export of your purchased lots out of the Swiss Customs territory either:
  - using your own shipper or by hand carrying your purchase out of the Swiss customs territory; or
  - if you request us to deliver your purchase to a Freeport in Switzerland (for non-Swiss resident buyers only);
 then you must pay all applicable Swiss VAT charges in full, before we release or deliver the lots to you or your authorised agents.
- Please note that Christie's is only able to issue refunds of the applicable Swiss VAT charged in the circumstances outlined in paragraph 2 above, if we receive the following:
  - satisfactory evidence of a definitive export of the purchased lots out of the Swiss customs territory (being Switzerland and the principality of Liechtenstein). For example a customs stamped Swiss export assessment demonstrating a correct export of the purchased lots within (i) three months of the date of the auction for direct exports (not via the Freeport); or (ii) six months from the date of the auction for exports via the Freeport;
  - your written confirmation that you have not used the lot in Switzerland prior to its export; and
  - your written confirmation that you have not and will not request a refund of the Swiss VAT from the Swiss VAT authority.
- If you have any questions about VAT please contact Christie's Client Services on [info@christies.com](mailto:info@christies.com)

1879 BERRY BROS.

TOKAY ESSENCE, BARON FRANZ DALWIGK

This Essence was imported into England by Berry Bros. in 1933. The Dalwigk family belongs to ancient nobility of Hesse-Waldeck, with a history dating back to the 13th century. Franz von Dalwigk zu Lichtenfels was the owner of the gothic manor Schrecksbach in northern Hesse (Germany) and a member of the German

Reichstag from 1878-1893. He owned a wine estate in Erdöbénye, which was taken over by his son Franz Maria von Dalwigk zu Lichtenfels after his death in 1896

1891 BERRY BROS. TOKAJ ESSENCE,  
PRINCE OF BRETZENHEIM

1891 was an excellent vintage in Tokaj. This Essencia comes from the Estate of Prince Ferdinand of Bretzenheim (1801-1855), whose father moved to the Tokaj region in 1803, when he sold the German Imperial town Lindau to Austria in 1803, which led almost into an European war. Like this he obtained lands, vineyards and the legendary Rákóczi castle with its cellar in Sárospatak, where this wine was walled up during the Hungarian Revolution of 1849, until it was rediscovered and imported into England in 1925.

In 1831, Ferdinand of Bretzenheim married Princess Karoline of Schwarzenberg, great-grandchild of the „Vampire Princess“ Eleonore of Schwarzenberg, which may well be the inspiration for Bram Stoker's „Dracula“. The family line extinct in 1863, when Ferdinand's brother Alfons, the 3rd Prince of Bretzenheim, passed away.

Interesting side fact: The Berry Brothers Essence vintage 1891 was featured in the 2008 movie „Dean Spanley“ (starring Peter O'Toole). Although in reality the Essence was labeled and released by Berry Bros. in the 1930s, the movie is set in Edwardian England in the early 1900s.

MAISON KRUG

It was Joseph Krug's vision to create a Champagne which would exemplify the finest of this wonderful region, selecting only wines from the best vineyard sites and aging them in the deep cool cellars of Reims. Only to be released after an extended time on their lees.

Krug is very unique, only the very best will do. From the refined Grande Cuvée to the rare and sought after single vineyard cuvée's of Clos du Mesnil and Clos d'Ambonnay all Krug Champagnes are treasures in their own right.

We are very proud to be able to offer you a small high quality selection of Krug Champagnes released from the reserves of Maison Krug especially for this Christie's Geneva auction. Including an extremely rare jero-boam of the legendary Krug 1996.

The jeroboam of Krug 1996 has the original label and is one of the last remaining bottles of this format coming from the Krug reserves. The 2003 case is recent, and thus good condition labels as well. All the references in question come in wooden cases.

Clos d'Ambonnay vineyard

KRUG CLOS DU MESNIL

The village of Mesnil sur Oger is known for its excellent vineyards, mostly planted with Chardonnay.

In 1971 Henri and Remi Krug received word that some fifteen acres of prime vineyard land have been put up for sale. This rarely happens so the Krug brothers jumped to the occasion and without seeing the land they sealed the deal over the phone.

When they later on drove from Reims to Mesnil sur Oger to inspect the land they just bought it was with delight they discovered that within the vineyard plot there was a tiny walled vineyard of just 1.84 hectare, all planted with Chardonnay. In the wall there was a carved inscription:

“In the year 1698 this wall was built by Claude Jannin and Pierre Debee Metoen between them, in that same year the vineyard was planted by Gaspard Jannin, son of Claude”.

So here starts the history of the Krug Clos du Mesnil. In the years after the acquisition the wines were showing great promise but so far only used in the blends for the other Champagnes up until the 1979 harvest. This was of such high quality that Henri Krug decided to age the Champagne from Clos du Mesnil 1979 separately and after seven years of aging this resulted in the first Krug single vineyard release of the great 1979.

Here we offer two vintages of Clos du Mesnil from the eighties, one a hidden treasure of the overlooked small production vintage 1981 and one legendary classic 1985. Both bottles were labelled especially for this Christie’s Geneva sale, therefore are in pristine condition.

KRUG 1996

1996 in Champagne was a very special year, said to be one of the best vintages of the century and often compared to the legendary 1928. At the House of Krug, even Paul Krug II, known for his strictly objective observations, also noted it may well have been “the next 1928”. In other ways, it was strange and eccentric, it is also known as something of a ‘wild horse’, galloping between extreme maturity and freshness. Krug 1996 is the last Vintage blended by three generations of the Krug family working together; Paul II, Henry and Remi, and Olivier. With extraordinary ratings, together with Krug’s other Champagnes, it has made Krug the world’s best-rated Champagne.

Krug 1996 is the story of this outstanding year captured by Krug. The wines resulting from its harvest had in general a very high level of acidity, meaning freshness, but at the same time they were very balanced with good profile of taste and aromas. It was known as 10/10 year, very high level of acidity/very high level of maturity, very rare to have. Very promising still wines, hoping for a great Krug Vintage but patience was clearly required and for Krug time is an ally. It is the result of a blend of : Chardonnay (31%), Pinot Noir (48%), Pinot Meunier (21%) coming from 17 different plots.

This jeroboam is a very rare format for Krug, the regular bottle of 1996 is slowly showing its full potential, this great large format will stay fresh for decades. A unique chance to acquire a Champagne legend in pristine condition.

KRUG CLOS D'AMBONNAY

The meticulous savoir-faire of the House of Krug has revealed two extraordinary and rare Champagnes of two exceptional terroirs: Krug Clos d'Ambonnay & Krug Clos du Mesnil. Each expresses the individuality, purity and intensity of a single walled plot of vines, a single grape variety and a single year in two of the greatest terroirs in the Champagne region.

Josph II had said early in the twentieth century that Ambonnay is to Champagne what Chateau Margaux is to Bordeaux. At Ambonnay Henri and Remi Krug spent seven years looking for the perfect plot. In 1991 they found one and three quarter acres on the edge of the village, a piece of land that had been walled since 1766 (The year that James Christie held his first auction!!).

This vineyard was bought in 1994. In 2007 the first Krug Clos d'Ambonnay was released, this was vintage 1995. From 100% pinot noir this Champagne is bound to become as legendary as the Clos du Mesnil. An epic blanc de noir with subtil aromas of macademia nuts, dried red fruits and brioche. If Clos du Mesnil is the queen of all blanc de blancs Champagnes then Clos d'Ambonnay is the king of Champagne pinot noir.

The only problem is that this Champagne is even rarer then the Clos du Mesnil from the 0,68ha only a small number of bottles are made.

• 1996

Extremely wide temperature variations as the grapes were coming to the end of the cycle in the vineyard, with warm, sunny days and very cold nights, resulted in ripened grapes with an extremely high freshness. This weather pattern exalted the finesse of Clos d'Ambonnay's Pinot Noir grapes. 1996 is to become a year that will go down in Champagne's history books.

3000 bottles were made, each individually numbered.

• 1998

1998 was a classic year, full of contrasts, typical in Champagne with an extremely hot month of August followed by some heavy rains. In the case of Ambonnay, this resulted in astoundingly rich, delicious grapes that hinted at the wonderful potential of 1998 Krug's Clos d'Ambonnay wines from the very first tasting sessions.

4,760 bottles were made, each individually numbered.

• 2000

2000 was once hot, rainy and stormy. The harvest at Krug's Clos d'Ambonnay took place in one day on September 29th; it was superbly bountiful with astoundingly rich Pinot Noir grapes.

This tiny vineyard of just 0.68 hectare makes Krug Clos d'Ambonnay 2000 extremely rare. Only 5158 bottles were bottled each individually numbered.

KRUG TRIGOLY 2003

A year of many circumstances: dry winter and spring, premature blooming, frosts and very hot summer. A very long harvest, the longest in living memory: from August - the earliest since 1822 - until October. Small yields, healthy grapes, extremely varied level of maturity, over and under-ripeness, the latter due to vines stopping their maturation as a form of self-protection from the heat.

CLOS DU MESNIL

The House of Krug chose to create Krug Clos du Mesnil 2003 because, from the very first tastings, the Chardonnay grapes of the 2003 harvest already revealed a delightful, expressive and balanced character without any excess aromatic intensity. The year 2003 thus succeeded in expressing the full potential of this walled plot with beauty and poise.

Clos du Mesnil 2003 reveals a precise signature and a striking grace, which has developed beautifully while resting in our cellars for over ten years. 2003 is one of the smallest releases since the creation of this Champagne.

VINTAGE

Krug 2003 is an adventure of unexpected freshness, delicious intensity and astonishing finesse - far from the preconceived ideas about an over-heated year.

Respect for the individual expression of every plot very unique to Krug craftsmanship - allowed the House to discover the beauties of nature and create

Krug 2003 is among other hot years revealed by Krug such as Krug 1959, 1962, 1976, 1979 and 1989.

Krug decided to create a vintage for this particular year and named it Vivacious Radiance to relate a story of a hot year that surprised Krug with unexpected freshness and fruit in some of the plot's wines. Krug 2003 is a blend of selected wines of the year, from many different plots.

It is a dialogue of rich Chardonnays (29%), fresh and balanced Pinot Noirs (46%) giving structure and body combined with vivacious Meuniers (25%) selected from many villages. The finesse and elegance of Krug 2003 is aged for nearly ten years before being released.

GRANDE CUVÉE

Krug Grande Cuvée is at the heart of the House of Krug, it is its reason of existence. Since 1843, Krug Grande Cuvée has embodied the vision of its founder, Joseph Krug, whose dream was to offer the very best Champagne every single year, regardless of annual climate variations. Each year, a new edition of this vision is created. The first Prestige Champagne is re-created each year beyond the notion of vintage to offer the fullest expression of Champagne. A blend of more than 120 wines from ten or more different years and three grape varieties, Pinot Noir, Chardonnay and Meunier. After at least seven years in the old Krug cellars this exceptional Champagne is released.

# CALON ♥ SÉGUR

SAINT-ESTÈPHE

*Grand Cru Classé en 1855*

## CHÂTEAU CALON SÉGUR

3rd classed growth, Saint-Estèphe

The origins of the estate go right back to the early Middle Ages, when the hamlet of « Calones » (named after the ferries that used to transport timber across the estuary) and the surrounding land of Saint Estèphe were bequeathed to the family that was to become les Monseigneurs de Calon. Its real identity, however, had to wait until the 18th century when Nicolas-Alexandre, Marquis de Ségur and President of the Bordeaux Parliament, married into the family. He was already owner of other top Médoc estates, but he never hid his preference for Calon : « I make wine at Lafite and Latour but my heart is at Calon ». This was to herald the now instantly recognisable heart logo of the château.

For many decades, before the existence of Montrose or the rise of Cos, Calon Ségur stood alone at the pinnacle of the Saint-Estèphes. After all of Bordeaux's 19th century tribulations of war, of vineyards ravished by oidium and phylloxera, and of long series of off-vintages, the property was finally sold in 1894 to Georges Gasqueton, already owner of the Saint-Estèphe estate Château Capbern since before the French Revolution.

The estate continued in the forefront of the Médoc crus classés, especially during the 40s and 50s, under the stewardship of Georges Gasqueton. This period is often referred to as the golden era of Calon Ségur but unfortunately there is no stock remaining at the château and bottles come on the market only very rarely. My experience of this period is limited to a gloriously deep-styled '49 and a very rich '61, both still well in their stride ten years ago.

At Georges's death in 1962, his son Philippe managed the property until his own death in 1995. Philippe was a lovely man, who made wines after his own image, all soft-spoken and natural, nothing forced. The wines were sometimes ferociously tannic in their youth, but always mellowed out into a captivating, smokey, spicy, sometimes even earthy quality of flavours that I always found, and still find today, totally beguiling. The ageability of such fragrant wine was also notoriously difficult to predict and has always offered some beautifully pleasant surprises after two, three or even more

decades. These 60s and 70s are lighter wines but were always, and many still are today, charming, sensual and intensely satisfying wines.

His widow Madame Denise Gasqueton, a strong-minded and devoted lady, embarked on a determined renovation of the vineyard. (the cellar having already been modernised by her husband). The style of the wines started to tighten up, to become less dominated by their fragrance and more classically Saint-Estèphe, culminating in the decision in 2006, when Vincent Millet arrived from Château Margaux, to drastically increase the proportion of Cabernet-Sauvignon in the Grand Vin, relegating the estate's rich-styled Merlots, which had been for so long the power platform of the main blend, to the second wine Marquis de Calon. From this date on, Calon Ségur became an even more precise and focused Cabernet-Sauvignon style, and the Marquis de Calon a much richer fatter style.

Madame Gasqueton passed away in 2012 and the estate was purchased in November by the Suravenir Bank, a division of the Crédit Mutuel. The Bank had well understood the immense long-term potential of Calon Ségur and immediately appointed the enterprising and affable Laurent Dufau to set about accelerating the vineyard's refurbishment, a 20 year project, and completely rebuilding and renovating the cellar. We will most certainly be enjoying the results of this considerable investment over the coming decades.

*Bill Blatch, Christie's Bordeaux*

All wines have been stored at the château since bottling and were released, labelled and cased up from their reserves especially for the sale.

1970 • This was one of the first en primeur Bordeaux's I ever tasted. It was unyielding, ferociously tannic but beautifully scented with what I termed 'bergamot' spice. It subsequently evolved quite fast, shedding its tannins but retaining its lovely perfume, and culminating in a charming, supple style, which now, although elderly, is still showing beautifully. This was vinified in the old wooden 'tonnes' that have been preserved in the cellar to this day, but which were not used after 1973.

1982 • Possibly the estate's best vintage between 1961 and 2009, this wine was also ferociously tannic en primeur but had a huge swathe of fat, very ripe-Merlot thickness underneath, that started very gradually to come to the fore 15 years or so ago. It is ready for drinking now but will surely keep for another quarter century.

1988 • This was always one of my top three Médoc '88s, generally a late harvest of sometimes rather lean wines. Calon Ségur was, and still is, exactly the opposite : full-styled and dense, with a very concentrated richness. It is now just as solid but has developed very pleasing spicy, truffle notes which will keep it for another ten years at least, as a sturdy but balanced wine.

*Saint-Estèphe, 3ème cru classé*  
*Offered in two original wooden cases*

+314 24 bottles per lot CHF1,400-1,800

2000 • At first, this was one of the most backward and unyielding Médoc crus classés. But it is now coming out of its shell to reveal strong dark fruit flavours of a straighter kind than the spicier ones of previous vintages. It is expected to start its drinking window soon, and to keep going for at least another fifteen years.

**Château Calon-Ségur 2000**

*Saint-Estèphe, 3ème cru classé*  
*Offered in original wooden cases*

+315 24 bottles per lot CHF1,600-2,600  
 +316 6 magnums per lot CHF800-1,300  
 +317 3 double magnums per lot CHF800-1,300

2003 • The scorching simmer heat of this vintage was rarely a disadvantage to Bordeaux where the build-up was more progressive and the harvest later than elsewhere. This was especially the case in Saint-Estèphe, where the heavier clay subsoils always provide moisture retention in such conditions. This Calon shows no cooked flavours at all ; on the contrary, it is a wine of totally precise ripe Cabernet, not at all dominated by its underlying sensual spice tones, and capable of ageing another ten years.

+318	24 bottles	<i>per lot</i> CHF1,600-2,000
+319	12 magnums	<i>per lot</i> CHF1,600-2,000
+320	1 double magnum	<i>per lot</i> CHF230-300

2005 • This extreme drought year (less than half the normal annual rainfall) produced very tannic wines and Calon is no exception, favouring total ripeness of the Cabernet and providing a stout, strongly-structured wine that is beginning to show its sweet black fruits beneath but which ideally needs another decade et least.

*Saint-Estèphe, 3ème cru classé*

+321	24 bottles	<i>per lot</i> CHF1,600-2,000
+322	12 magnums	<i>per lot</i> CHF1,600-2,000
+323	3 double magnums	<i>per lot</i> CHF800-1,000

2009 • This is the first vintage of the sale to show the total change of the blend as from 2006 : previously 35-40% Merlot, henceforth only 7-10%, so 85-90% Cabernet Sauvignon. For such a sensuously-styled vintage, this is consequently a very strictly tannic wine, whose inner layers of sweet, ripe cassis fruit will take years to come through.

+325	12 magnums	per lot CHF1,800-2,800
+326	3 double magnums	per lot CHF900-1,400

2010 • Similarly to the very tightly-bound 2009, Calon's 2010 has an enormous tannic dimension covering an opulent middle layer of extremely ripe black fruit, all very massive but refreshed by a gently acid tone. This wine is expected to develop very slowly and to keep for decades.

## RARE HENRI JAYER

The following collection (477-484) was set up over a period of 15 years, during this period the owner paid bi-annual visits to the Burgundy region developing personal relationships with a number of high quality producers like Henri Mayer and Anne Claude Leflaive.

Up on our first visit to the cellar the passion for fine Burgundy of the owner was instantly clear.

A number of profound memories of encounters with Henri and great bottles which they enjoyed together were shared during the meetings we had organizing this sale. After last November's auction we hereby offer the last selection from this unique cellar.

After release all wines were personally transported to the natural cool underground wine cellar of the owner in Northern Europe until they were checked by Christie's specialist staff in October 2015 and moved to our warehouse.

This is a very fine collection of Henri Mayer wines of a unique diversity and quality.

GREAT SELECTION OFFERED DIRECT FROM MAISON CHAMPY, COVERING COTE DE NUITS AND COTE DE BEAUNE

Christie's Geneva is very proud to be entrusted to offer this unique range of wines carefully selected for you by the talented winemaker Dimitri Bazas. These bottles have all been removed from Maison Champy reserves and labelled especially for this sale. Overall condition is therefore perfect and wines are ready for enjoyment for any Burgundy lover.

CHAMPY is a small, passionate, family run business. The company's principle is not to grow significantly, but to consistently produce artisanal wines with continued supply.

Overall the production philosophy is to control yields for the terroirs to be fully expressed, which is crucial to produce wines of character. CHAMPY's focus for the Bourgogne and "smaller village" wines is to provide quality and consistency. The Premier and Grand Cru appellations are vinified to be approachable, but with the ability to last the long term. The resulting wines offer a unique combination of balance, elegance, and purity of fruit.

The grapes for CHAMPY wines come from two sources. The estate consists of 28 hectares (acquired since 1990), all located in the Côte de Beaune. Other appellations are sourced by long standing contracts with local winegrowers (where grapes are purchased, mainly from the Côte de Nuits). The estate produces approximately 40% white and 60% red wine.

CHAMPY's commitment to the environment means that all treatments in the estate vineyards are sustainable organic and biodynamic. The vineyard tasks are based around the cycles of the moon, and no pesticides or herbicides are used. CHAMPY is moving into an exciting new phase as the vineyards are currently going through a process of organic certification.

The winemaking techniques are non-interventionist (to maximise what nature has provided) and are adapted to the particular vintage in question. Harvest is 100% conducted and sorted by hand. The winemaking processes differ depending on variety:

**Chardonnay:** After gentle bunch pressing, the juice is settled and then racked into either stainless steel tanks (for certain parcels of the Bourgogne Blanc) or barrels (for Chardonnay signature, Village, 1er Cru and Grand Cru appellations). There the fermentation starts naturally with indig-

enous yeasts. The wines in barrel undergo lees stirring 1-2 times per week until the end of the malolactic fermentation.

**Pinot Noir :** The grape bunches are partially or fully de-stemmed depending on the vintage. The grapes are not crushed, so whole berries are left in tank to undergo cold maceration for 6-7 days. Natural yeasts start the alcoholic fermentation. The wines are punched-down 1-2 times a day when needed.

The Bourgogne white and red wines age in either stainless steel or oak for 12 months. The Village, 1er Cru and Grand Cru wines age in oak during up to 18 months. Only 20% of new oak is used for Bourgogne and Villages appellations, 30% for 1er Cru appellations and up to 50% for Grand Crus. All wines go 100% through malolactic fermentation and are non-filtered (when possible).

They are then bottled, by gravity and according to the lunar calendar, at the premises in Beaune.

AN EXCEPTIONAL WIDE RANGE OF ARMAND  
ROUSSEAU COVERING ALL THE DOMAINE'S  
WINES IN MULTIPLE VINTAGES

A full and pristine collection like this is something rarely seen, all the wines having been purchased on release direct from the domaine in the 90s and 00s. The owner has kept all the original invoices which he showed to Christie's staff. These great wines have been carefully stored in a temperature controlled cellar since purchase. It has been a true privilege to meet with the owner who has passionately built this great range over the years.

Also featured in this collection are great wines from Sauzet, la Pousse d'Or, Montille, Sylvie Esmonin or Confuron.

# IMPORTANT NOTICES AND EXPLANATION OF CATALOGUING PRACTICE

## IMPORTANT NOTICES

### CHRISTIE'S INTEREST IN PROPERTY CONSIGNED FOR AUCTION

From time to time, Christie's may offer a lot which it owns in whole or in part. Such property is identified in the catalogue with the symbol  $\Delta$  next to the lot number. On occasion, Christie's has a direct financial interest in lots consigned for sale which may include guaranteeing a minimum price or making an advance to the consignor that is secured solely by consigned property. Such property is identified in the catalogue by the symbol  $\Delta$  next to the lot number. Where Christie's has an ownership or financial interest in every lot in the catalogue, Christie's will not designate each lot with a symbol, but will state its interest at the front of the catalogue.

### ALL DIMENSIONS ARE APPROXIMATE CONDITION REPORTS

Christie's catalogues include references to **condition** only in descriptions of multiple works (such as prints, books and wine). For all other property, only alterations or replacement components are listed. Please contact the Specialist Department for a **condition** report on a particular lot.

**Condition** reports are provided as a service to interested clients. Prospective buyers should note that descriptions of property are not warranties and that each lot is sold "as is".

### INTRODUCTION

This auction will follow the same procedures as Christie's wine auctions in London. Catalogues will be available for sale at all Christie's offices. The sale will be conducted in French. Bids will be in Swiss Francs, per dozen bottles or per lot, as indicated in the catalogue. All wines are offered Swiss Duty Paid and will be grouped at Fert & Cie.

### BIDS

Christie's will execute all bids free of charge. All telephone bids must be confirmed in writing or by fax 24 hours before the sale. Unfortunately, we cannot accept any bid by telephone during this sale.

### PAYMENT AND BILLING

**Buyers are reminded that the buyer's premium is 17.5% of the hammer price.**

Invoices are in Swiss Francs and are mailed the day after the sale. Payments should reach the Geneva Christie's office within seven days. Wine purchases cannot be delivered until Christie's has received full payment of the purchase price (including any applicable taxes) in cleared funds.

# LEVEL/ULLAGE DESCRIPTIONS AND INTERPRETATIONS

(see notes below)

## BORDEAUX

## BURGUNDY

- 1 into neck: Level of young wines. Exceptionally good in wines over 10 years old.
- 2 bottom neck: Perfectly good for any age of wine. Outstandingly good for a wine of 20 years in bottle, or longer.
- 3 very top-shoulder
- 4 top-shoulder: Normal for any claret 15 years old or older.
- 5 upper-shoulder: Slight natural reduction through the easing of the cork and evaporation through cork and capsule. Usually no problem. Acceptable for any wine over 20 years old. Exceptional for pre-1950 wines.

- 6 mid-shoulder: Probably some weakening of the cork and some risk. Not abnormal for wines 30/40 years of age. Estimates usually take this into account.
- 7 mid-low-shoulder: Some risk. Low estimates.
- 8 low-shoulder: Risky and usually only accepted for sale if wine or label exceptionally rare or interesting. Always offered with low estimate.

Because of the slope of shoulder it is impractical to describe levels as mid-shoulder, etc. Wherever appropriate the level between cork and wine will be measured and catalogued in centimetres.  
The condition and drinkability of burgundy is less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7 cm. ullage in a 30-year-old burgundy can be considered normal, indeed good for age, 3.5 to 4 cm. excellent for age, even 7cm. rarely a risk.

### BOTTLE SIZES

- magnum = two regular bottles
- marie-jeanne = three regular bottles
- double-magnum = four regular bottles
- jeroboam = four regular bottles
- (Burgundy, Champagne)
- jeroboam = six regular bottles
- (Bordeaux) (or 5 litres)
- impériale = eight regular bottles
- (Bordeaux)
- methuselah = eight regular bottles
- (Burgundy)

### SPECIAL NOTICE

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines and due allowance must be made for this.  
Under no circumstances can an adjustment of price or credit be made after delivery except under the terms stated in Paragraph E2 of the Conditions of Sale.  
Unless otherwise stated, Bordeaux are château bottled and all wines are bottled in the country of production.  
Important note regarding opening of cases and listing of levels: Christie's general policy is to open all wood cases and to describe levels. Bidders must make allowances for reasonable variations in ullage which may be encountered in cases from the 1984 vintage and older. Additionally, all wine from vintages 1985 and younger have levels bottom neck or better unless otherwise noted.

# CONDITIONS OF SALE • BUYING AT CHRISTIE'S

## CONDITIONS OF SALE

These **Conditions of Sale** and the Important Notices and Explanation of Cataloguing Practice set out the terms on which we offer the **lots** listed in this catalogue for sale. By registering to bid and/or by bidding at auction you agree to these terms so you should read them carefully before doing so. You will find a glossary at the end explaining the meaning of the words and expressions coloured in bold.

Unless we own a **lot** (Δ symbol), Christie's acts as agent for the seller.

## A BEFORE THE SALE

### 1 DESCRIPTION OF LOTS

(a) Certain words used in the catalogue description have special meanings. You can find details of these on the page headed 'Important Notices and Explanation of Cataloguing Practice' which forms part of these terms. You can find a key to the Symbols found next to certain catalogue entries under the section of the catalogue called 'Symbols Used in this Catalogue'.

(b) Our description of any **lot** in the catalogue, any **condition** report and any other statement made by us (whether orally or in writing) about any **lot**, including about its nature or **condition**, artist, period, materials, approximate dimensions or **provenance** are our opinion and not to be relied upon as a statement of fact. We do not carry out in-depth research of the sort carried out by professional historians and scholars. All dimensions and weights are approximate only.

### 2 OUR RESPONSIBILITY FOR OUR DESCRIPTION OF LOTS

We do not provide any guarantee in relation to the nature of a **lot** apart from our **authenticity warranty** contained in paragraph E2 and to the extent provided in paragraph I below.

### 3 CONDITION

(a) The **condition of lots** sold in our auctions can vary widely due to factors such as age, previous damage, restoration, repair and wear and tear. Their nature means that they will rarely be in perfect **condition**. **Lots** are sold 'as is', in the **condition** they are in at the time of the sale, without any representation or **warranty** or assumption of liability of any kind as to **condition** by Christie's or by the seller.

(b) Any reference to **condition** in a catalogue entry or in a **condition** report will not amount to a full description of **condition**, and images may not show a **lot** clearly. Colours and shades may look different in print or on screen to how they look on physical inspection. **Condition** reports may be available to help you evaluate the **condition** of a **lot**. **Condition** reports are provided free of charge as a convenience to our buyers and are for guidance only. They offer our opinion but they may not refer to all faults, inherent defects, restoration, alteration or adaptation because our staff are not professional restorers or conservators. For that reason they are not an alternative to examining a **lot** in person or taking your own professional advice. It is your responsibility to ensure that you have requested, received and considered any **condition** report.

### 4 VIEWING LOTS PRE-AUCTION

(a) If you are planning to bid on a **lot**, you should inspect it personally or through a knowledgeable representative before you make a bid to make sure that you accept the description and its **condition**. We recommend you get your own advice from a restorer or other professional adviser.

(b) Pre-auction viewings are open to the public free of charge. Our specialists are available to answer questions at pre-auction viewings or by appointment.

### 5 ESTIMATES

**Estimates** are based on the **condition**, rarity, quality and **provenance** of the **lots** and on prices recently paid at auction for similar property. **Estimates** can change. Neither you, nor anyone else, may rely on any **estimates** as a prediction or guarantee of the actual selling price of a **lot** or its value for any other purpose. **Estimates** do not include the buyer's premium or any applicable taxes.

### 6 WITHDRAWAL

Christie's may, at its option, withdraw any **lot** at any time prior to or during the sale of the **lot**. Christie's has no liability to you for any decision to withdraw.

### 7 JEWELLERY

(a) Coloured gemstones (such as rubies, sapphires and emeralds) may have been treated to improve their look, through methods such as heating and oiling. These methods are accepted by the international jewellery trade but may make the gemstone less strong and/or require special care over time.

(b) All types of gemstones may have been improved by some method. You may request a gemmological report for any item which does not have a report if the request is made to us at least three weeks before the date of the auction and you pay the fee for the report.

(c) We do not obtain a gemmological report for every gemstone sold in our auctions. Where we do get gemmological reports from internationally accepted gemmological laboratories, such reports will be described in the catalogue. Reports from American gemmological laboratories will describe any improvement or treatment to the gemstone. Reports from European gemmological laboratories will describe any improvement or treatment only if we request that they do so, but will confirm when no improvement or treatment has been made. Because of differences in approach and technology, laboratories may not agree whether a particular gemstone has been treated, the amount of treatment or whether treatment is permanent. The gemmological laboratories will only report on the improvements or treatments known to the laboratories at the date of the report.

(d) For jewellery sales, **estimates** are based on the information in any gemmological report or, if no report is available, assume that the gemstones may have been treated or enhanced.

### 8 WATCHES & CLOCKS

(a) Almost all clocks and watches are repaired in their lifetime and may include parts which are not original. We do not give a **warranty** that any individual component part of any watch is **authentic**.

Watchbands described as 'associated' are not part of the original watch and may not be **authentic**. Clocks may be sold without pendulums, weights or keys.

(b) As collectors' watches often have very fine and complex mechanisms, a general service, change of battery or further repair work may be necessary, for which you are responsible. We do not give a **warranty** that any watch is in good working order. Certificates are not available unless described in the catalogue.

(c) Most wristwatches have been opened to find out the type and quality of movement. For that reason, wristwatches with water resistant cases may not be waterproof and we recommend you have them checked by a competent watchmaker before use. Important information about the sale, transport and shipping of watches and watchbands can be found in paragraph H2(g).

## B REGISTERING TO BID

### 1 NEW BIDDERS

(a) If this is your first time bidding at Christie's or you are a returning bidder who has not bought anything from any of our salerooms within the last two years you must register at least 48 hours before an auction to give us enough time to process and approve your registration. We may, at our option, decline to permit you to register as a bidder. You will be asked for the following:

(i) for individuals: Photo identification (driving licence, national identity card or passport) and, if not shown on the ID document, proof of your current address (for example, a current utility bill or bank statement).

(ii) for corporate clients: Your Certificate of Incorporation or equivalent document(s) showing your name and registered address together with documentary proof of directors and beneficial owners; and

(iii) for trusts, partnerships, offshore companies and other business structures, please contact us in advance to discuss our requirements. For help, please contact our Credit Department on +41 22 319 17 40.

(b) We may also ask you to give us a financial reference and/or a deposit as a **condition** of allowing you to bid. For help, please contact our Credit Department on +41 22 319 17 40.

### 2 RETURNING BIDDERS

We may at our option ask you for current identification as described in paragraph B1(a) above, a financial reference or a deposit as a **condition** of allowing you to bid. If you have not bought anything from any of our salerooms in the last two years or if you want to spend more than on previous occasions, please contact our Credit Department on +41 22 319 17 40.

### 3 IF YOU FAIL TO PROVIDE THE RIGHT DOCUMENTS

If in our opinion you do not satisfy our bidder identification and registration procedures including, but not limited to

completing any anti-money laundering and/or anti-terrorism financing checks we may require to our satisfaction, we may refuse to register you to bid, and if you make a successful bid, we may cancel the contract for sale between you and the seller.

### 4 BIDDING ON BEHALF OF ANOTHER PERSON

(a) As authorised bidder: If you are bidding on behalf of another person, that person will need to complete the registration requirements above before you can bid, and supply a signed letter authorising you to bid for him/her.

(b) As agent for an undisclosed principal: If you are bidding as an agent for an undisclosed principal (the ultimate buyer(s)), you accept personal liability to pay the **purchase price** and all other sums due. Further, you warrant that:

(i) you have conducted appropriate customer due diligence on the ultimate buyer(s) of the **lot(s)** in accordance with any and all applicable anti-money laundering and sanctions laws, consent to us relying on this due diligence, and you will retain for a period of not less than 5 years the documentation and records evidencing the due diligence;

(ii) you will make such documentation and records (including originals) evidencing your due diligence promptly available for immediate inspection by an independent third-party auditor upon our written request to do so. We will not disclose such documentation and records to any third-parties unless (1) it is already in the public domain, (2) it is required to be disclosed by law, or (3) it is in accordance with anti-money laundering laws;

(iii) the arrangements between you and the ultimate buyer(s) are not designed to facilitate tax crimes;

(iv) you do not know, and have no reason to suspect, that the funds used for settlement are connected with, the proceeds of any criminal activity including tax crimes, or that the ultimate buyer(s) are under investigation, charged with or convicted of money laundering, terrorist activities or other money laundering predicate crimes. A bidder accepts personal liability to pay the **purchase price** and all other sums due unless it has been agreed in writing with Christie's before commencement of the auction that the bidder is acting as an agent on behalf of a named third party acceptable to Christie's and that Christie's will only seek payment from the named third party.

### 5 BIDDING IN PERSON

If you wish to bid in the saleroom you must register for a numbered bidding paddle at least 30 minutes before the auction. You may register online at [www.christies.com](http://www.christies.com) or in person. For help, please contact the Credit Department on +41 22 319 17 40.

### 6 BIDDING SERVICES

The bidding services described below are a free service offered as a convenience to our clients and Christie's is not responsible for any error (human or otherwise), omission or breakdown in providing these services.

#### (a) Phone Bids

Your request for this service must be made

no later than 24 hours prior to the auction. We will accept bids by telephone for **lots** only if our staff are available to take the bids. If you need to bid in a language other than in English, you must arrange this well before the auction. We may record telephone bids. By bidding on the telephone, you are agreeing to us recording your conversations. You also agree that your telephone bids are governed by these **Conditions of Sale**.

#### (b) Internet Bids on Christie's Live™

For certain auctions we will accept bids over the Internet. Please visit [www.christies.com/livebidding](http://www.christies.com/livebidding) and click on the 'Bid Live' icon to see details of how to watch, hear and bid at the auction from your computer. As well as these **Conditions of Sale**, internet bids are governed by the Christie's LIVE™ terms of use which are available on [www.christies.com](http://www.christies.com).

#### (c) Written Bids

You can find a Written Bid Form at the back of our catalogues, at any Christie's office or by choosing the sale and viewing the **lots** online at [www.christies.com](http://www.christies.com). We must receive your completed Written Bid Form at least 24 hours before the auction. Bids must be placed in the currency of the saleroom. The auctioneer will take reasonable steps to carry out written bids at the lowest possible price, taking into account the reserve. If you make a written bid on a **lot** which does not have a reserve and there is no higher bid than yours, we will bid on your behalf at around 50% of the **low estimate** or, if lower, the amount of your bid. If we receive written bids on a **lot** for identical amounts, and at the auction these are the highest bids on the **lot**, we will sell the **lot** to the bidder whose written bid we received first.

### C AT THE SALE

#### 1 WHO CAN ENTER THE AUCTION

We may, at our option, refuse admission to our premises or decline to permit participation in any auction or to reject any bid.

#### 2 RESERVES

Unless otherwise indicated, all **lots** are subject to a reserve. We identify **lots** that are offered without reserve with the symbol • next to the **lot** number. The **reserve** cannot be more than the **lot's low estimate**.

#### 3 AUCTIONEER'S DISCRETION

The auctioneer can at his sole option:

- refuse any bid;
- move the bidding backwards or forwards in any way he or she may decide, or change the order of the **lots**;
- withdraw any **lot**;
- divide any **lot** or combine any two or more **lots**;
- reopen or continue the bidding even after the hammer has fallen; and
- in the case of error or dispute and whether during or after the auction, to continue the bidding, determine the successful bidder, cancel the sale of the **lot**, or reoffer and resell any **lot**. If any dispute relating to bidding arises during or after the auction, the auctioneer's decision in exercise of this option is final.

### 4 BIDDING

The auctioneer accepts bids from:

- bidders in the saleroom;
- telephone bidders, and internet bidders through 'Christie's LIVE™' (as shown above in Section B6); and
- written bids (also known as absentee bids or commission bids) left with us by a bidder before the auction.

### 5 BIDDING ON BEHALF OF THE SELLER

The auctioneer may, at his or her sole option, bid on behalf of the seller up to but not including the amount of the reserve either by making consecutive bids or by making bids in response to other bidders. The auctioneer will not identify these as bids made on behalf of the seller and will not make any bid on behalf of the seller at or above the reserve. If **lots** are offered without reserve, the auctioneer will generally decide to open the bidding at 50% of the **low estimate** for the **lot**. If no bid is made at that level, the auctioneer may decide to go backwards at his or her sole option until a bid is made, and then continue up from that amount. In the event that there are no bids on a **lot**, the auctioneer may deem such **lot** unsold.

### 6 BID INCREMENTS

Bidding generally starts below the **low estimate** and increases in steps (bid increments). The auctioneer will decide at his or her sole option where the bidding should start and the bid increments. The usual bid increments are shown for guidance only on the Written Bid Form at the back of this catalogue.

### 7 CURRENCY CONVERTER

The saleroom video screens (and Christie's LIVETM) may show bids in some other major currencies as well as Swiss Francs. Any conversion is for guidance only and we cannot be bound by any rate of exchange used. Christie's is not responsible for any error (human or otherwise), omission or breakdown in providing these services.

### 8 SUCCESSFUL BIDS

Unless the auctioneer decides to use his or her discretion as set out in paragraph C3 above, when the auctioneer's hammer strikes, we have accepted the last bid. This means a contract for sale has been formed between the seller and the successful bidder. We will issue an invoice only to the registered bidder who made the successful bid. While we send out invoices by post and/or email after the auction, we do not accept responsibility for telling you whether or not your bid was successful. If you have bid by written bid, you should contact us by telephone or in person as soon as possible after the auction to get details of the outcome of your bid to avoid having to pay unnecessary storage charges.

### 9 LOCAL BIDDING LAWS

You agree that when bidding in any of our sales that you will strictly comply with all local laws and regulations in force at the time of the sale for the relevant sale site.

### D THE BUYER'S PREMIUM AND TAXES

#### 1 THE BUYER'S PREMIUM

In addition to the **hammer price**, the successful bidder agrees to pay us a buyer's premium on the **hammer price** of each **lot** sold. On all **lots** we charge 25% of the **hammer price** up to and including SFr 100,000, 20% on that part of the **hammer price** over SFr 100,000 and up to and including SFr 2,000,000, and 12% of that part of the **hammer price** above SFr 2,000,000.

**For wine the premium is 17,5% of the hammer price.**

#### 2 TAXES

The successful bidder is responsible for any applicable tax including any VAT, sales or compensating use tax or equivalent tax wherever they arise on the **hammer price** and the **buyer's premium**. It is the buyer's responsibility to ascertain and pay all taxes due. You can find details of how VAT and VAT reclaims are dealt with in the section of the catalogue headed 'VAT Symbols and Explanation'. VAT charges and refunds depend on the particular circumstances of the buyer so this section, which is not exhaustive, should be used only as a general guide. In all circumstances EU and Swiss law takes precedence. If you have any questions about VAT, please contact Christie's Client Services on [info@christies.com](mailto:info@christies.com) Tel: +41 22 319 1740.

### E WARRANTIES

#### 1 SELLER'S WARRANTIES

For each **lot**, the seller gives a **warranty** that the seller:

- is the owner of the **lot** or a joint owner of the **lot** acting with the permission of the other co-owners or, if the seller is not the owner or a joint owner of the **lot**, has the permission of the owner to sell the **lot**, or the right to do so in law; and
- has the right to transfer ownership of the **lot** to the buyer without any restrictions or claims by anyone else.

If either of the above **warranties** are incorrect, the seller shall not have to pay more than the **purchase price** (as defined in paragraph F1(a) below) paid by you to us. The seller will not be responsible to you for any reason for loss of profits or business, expected savings, loss of opportunity or interest, costs, damages, other damages or expenses. The seller gives no **warranty** in relation to any **lot** other than as set out above and, as far as the seller is allowed by law, all **warranties** from the seller to you, and all other obligations upon the seller which may be added to this agreement by law, are excluded.

#### 2 GUARANTEE IN RELATION TO WINES AND SPIRITS

(a) Subject to the obligations accepted by Christie's under this **Condition**, none of the seller, Christie's, its employees or agents is responsible for the correctness of any statement as to the authorship, origin, date, age, attribution, genuineness or provenance of any **lot**, for any other error of description or for any fault or defect in any **lot** and no warranty whatsoever is given by the seller. Christie's, its employees or agents in respect of any **lot** and any express or implied condition or warranty

is hereby excluded:

(b) if: (1) within twenty-one days of the date of the auction, Christie's has received notice in writing from the buyer or any **lot** that in his view the **lot** was at the date of the auction short or alleged or that any statement of opinion in the catalogue was not well founded, (2) within fourteen days of such notice, Christie's has the **lots** in its possession in the same condition as at the date of the auction and (3) within a reasonable time thereafter, the buyer satisfies Christie's that the **lot** was notified in writing by the buyer (as above) and that the buyer is able to transfer a good and marketable title to the **lot** free from any lien or encumbrance, Christie's will set aside the sale and refund the buyer any amount paid by the buyer in respect of the **lot** provided that the buyer shall have no rights under this **Condition** if:

- The defect is mentioned in the catalogue, or
- the catalogue description as the date of the auction was in accordance with the then generally accepted opinion of scholars or experts fairly indicated there to be a conflict of such opinion, or
- it can be established that the **lot** was notified in writing by the buyer (as above) only by means of a scientific process not generally accepted for use until after the publication of the catalogue or by means of a process which at the date of the auction was unreasonably expensive or impracticable or likely to have caused damage to the **lot**. (See also notes on ullages and corks in the Important Notices and Explanation of Cataloguing Practice section of this catalogue)

(c) the buyer shall not be entitled to claim under this **Condition** for more than the amount paid by him for the **lot** and in particular shall have no claim for any loss, consequential loss or damage whether direct or indirect suffered by him;

(d) the benefit of this guarantee shall not be assignable and shall rest solely and exclusively with the buyer who shall be the person to whom the original invoice was made out by Christie's in respect of the **lot** when sold and who has since the sale retained uninterrupted, unencumbered ownership thereof.

## 2. TRANSFERRING OWNERSHIP TO YOU

If you make the highest bid accepted by the auctioneer, you will be the buyer of the **lot**. The striking of the auctioneer's hammer marks the conclusion of a contract of sale between the seller and you. However, ownership in the **lot** will only transfer from the seller to you once we have received full and clear payment of the **purchase price**. The **lot** will not be released until we have received full payment.

## 3 TRANSFERRING RISK TO YOU

The risk in and responsibility for the **lot** will transfer to you from whichever is the earlier of the following:

(a) When you collect the **lot**; or

(b) At the end of the seventh day following the date of the auction or, if earlier, the date the **lot** is taken into care by a third party warehouse as set out on the page headed 'Storage and Collection', unless we have agreed otherwise with you.

## 4 WHAT HAPPENS IF YOU DO NOT PAY

(a) If you fail to pay us the **purchase price** in full by the **due date**, we will be entitled to do one or more of the following (as well as enforce our rights under paragraph F5 and any other rights or remedies we have by law):

(i) to charge interest from the **due date** at a rate of 1% per month on the unpaid amount due;

(ii) we can cancel the sale of the **lot**. If we do this, we may sell the **lot** again, publicly or privately on such terms we shall think necessary or appropriate, in which case you must pay us any shortfall between the **purchase price** and the proceeds from the resale. You must also pay all costs, expenses, losses, damages and legal fees we have to pay or may suffer and any shortfall in the seller's commission on the resale;

(iii) we can pay the seller an amount up to the net proceeds payable in respect of the amount bid by your default in which case you acknowledge and understand that Christie's will have all of the rights of the seller to pursue you for such amounts;

(v) we can take what you owe us from any amounts which we or any company in the **Christie's group** may owe you (including any deposit or other part-payment which you have paid to us);

(vi) we can, at our option, reveal your identity and contact details to the seller;

(vii) we can reject at any future auction any bids made by or on behalf of the buyer or to obtain a deposit from the buyer before accepting any bids;

(viii) to exercise all the rights and remedies of a person holding security over any property in our possession owned by you, whether by way of pledge, security interest or in any other way as permitted by the law of the place where such property is located. You will be deemed to have granted such security to us and we may retain such property as collateral security for your obligations to us; and

(ix) we can take any other action we see necessary or appropriate.

(b) If you owe money to us or to another **Christie's group** company, we can use any amount you do pay, including any deposit or other part-payment you have made to us, or which we owe you, to pay off any amount you owe to us or another **Christie's group** company for any transaction.

(c) If you make payment in full after the **due date**, and we choose to accept such payment we may charge you storage and transport costs from the date that is 90 calendar days following the auction in accordance with paragraphs Gd(i) and (ii). In such circumstances paragraph Gd(iv) shall apply.

## 5 KEEPING YOUR PROPERTY

If you owe money to us or to another **Christie's group** company, as well as the rights set out in F4 above, we can use or deal with any of your property we hold or which is held by another **Christie's group** company in any way we are allowed to by law. We will only release your property to you after you pay us or the relevant **Christie's group** company in full for what you owe. However, if we choose, we can also sell your property in any way we think appropriate. We will use the proceeds of the sale against any amounts you owe us and we will pay any amount left from that sale to you. If there is a shortfall, you must pay us any difference between the amount we have

received from the sale and the amount you owe us.

## G COLLECTION AND STORAGE

### 1 COLLECTION

(a) We ask that you collect purchased **lots** promptly following the auction (but note that you may not collect any **lot** until you have made full and clear payment of all amounts due to us).

(b) Information on collecting **lots** is set out on the storage and collection page and on an information sheet which you can get from the bidder registration staff or Christie's Cashiers +41 22 319 17 40.

(c) If you do not collect any **lot** promptly following the auction we can, at our option, remove the **lot** to another Christie's location or an affiliate or third party warehouse.

(d) If you do not collect a **lot** within the period set out in the storage and collection page then, unless otherwise agreed in writing:

(i) we will charge you storage costs from that date.

(ii) we can, at our option, move the **lot** to or within an affiliate or third party warehouse and charge you transport costs and handling fees for doing so.

(iii) we may sell the **lot** in any commercially reasonable way we think appropriate.

(iv) the storage terms shall apply.

(v) Nothing in this paragraph is intended to limit our rights under paragraph F4.

## H TRANSPORT AND SHIPPING

### 1 TRANSPORT AND SHIPPING

You must make all transport and shipping arrangements. All deliveries in Switzerland will be carried out by Fert & Cie Transports S.A. 2 rue Fendt, 1201 Geneva 1.

You can find more information on deliveries on the page 'Important notices and explanation of catalogue practice'.

### 2 EXPORT AND IMPORT

Any **lot** sold at auction may be affected by laws on exports from the country in which it is sold and the import restrictions of other countries. Many countries require a declaration of export for property leaving the country and/or an import declaration on entry of property into the country. Local laws may prevent you from importing a **lot** or may prevent you selling a **lot** in the country you import it into.

(a) You alone are responsible for getting advice about and meeting the requirements of any laws or regulations which apply to exporting or importing any **lot** prior to bidding. If you are refused a licence or there is a delay in getting one, you must still pay us in full for the **lot**. We may be able to help you apply for the appropriate licences if you ask us to and pay our fee for doing so. However, we cannot guarantee that you will get one. For more information, please contact Christie's Art Transport Department on +41 (0)22 319 1758. See the information set out at [www.christies.com/shipping](http://www.christies.com/shipping) or contact us at [shippinggeneva@christies.com](mailto:shippinggeneva@christies.com).

(b) **Lots made of protected species**

**Lots** made of or including (regardless of the percentage) endangered and other protected species of wildlife are marked with the symbol ~ in the catalogue. This

material includes, among other things, ivory, tortoiseshell, crocodile skin, rhinoceros horn, whalebone, certain species of coral, and Brazilian rosewood. You should check the relevant customs laws and regulations before bidding on any **lot** containing wildlife material if you plan to import the **lot** into another country. Several countries refuse to allow you to import property containing these materials, and some other countries require a licence from the relevant regulatory agencies in the countries of exportation as well as importation. In some cases, the **lot** can only be shipped with an independent scientific confirmation of species and/or age and you will need to obtain these at your own cost. If a **lot** contains elephant ivory, or any other wildlife material that could be confused with elephant ivory (for example, mammoth ivory, walrus ivory, helmeted hornbill ivory), please see further important information in paragraph (c) if you are proposing to import the **lot** into the USA. We will not be obliged to cancel your purchase and refund the **purchase price** if your **lot** may not be exported, imported or it is seized for any reason by a government authority. It is your responsibility to determine and satisfy the requirements of any applicable laws or regulations relating to the export or import of property containing such protected or regulated material.

(c) **US import ban on African elephant ivory**

The USA prohibits the import of ivory from the African elephant. Any **lot** containing elephant ivory or other wildlife material that could be easily confused with elephant ivory (for example, mammoth ivory, walrus ivory, helmeted hornbill ivory) can only be imported into the US with results of a rigorous scientific test acceptable to Fish & Wildlife Service which confirms that the material is not African elephant ivory. Where we have conducted such rigorous scientific testing on a **lot** prior to sale, we will make this clear in the **lot** description. In all other cases, we cannot confirm whether a **lot** contains African elephant ivory, and you will buy that **lot** at your own risk and be responsible for any scientific test or other reports required for import into the USA at your own cost. If such scientific test is inconclusive or confirms the material is from the African elephant, we will not be obliged to cancel your purchase and refund the **purchase price**.

(d) **Lots containing material that originates from Burma (Myanmar)**

**Lots** which contain rubies or jadeite originating in Burma (Myanmar) may not generally be imported into the United States. As a convenience to US buyers, **lots** which contain rubies or jadeite of Burmese or indeterminate origin have been marked with the symbol ♡ in the catalogue. In relation to items that contain any other types of gemstones originating in Burma (e.g. sapphires) such items may be imported into the United States provided that the gemstones have been mounted or incorporated into jewellery outside of Burma and provided that the setting is not of a temporary nature (e.g. a string).

(e) **Lots of Iranian origin** to the United States and can only be imported personally. Generally, a buyer may import only one watch into the United States at a time.

In this catalogue, these watches have been marked with a **Φ**. This will not affect your responsibility to pay for the **lot**. For further information please contact our specialists in charge of the sale.

For all symbols and other markings referred to in paragraph H2, please note that **lots** are marked as a convenience to you, but we do not accept liability for errors or for failing to mark **lots**.

## I OUR LIABILITY TO YOU

(a) We give no **warranty** in relation to any statement made, or information given, by us or our representatives or employees, about any **lot** other than as set out in the **authenticity warranty** and, as far as we are allowed by law, all **warranties** and other terms which may be added to this agreement by law are excluded. The seller's **warranties** contained in paragraph E1 are their own and we do not have any liability to you in relation to those **warranties**.

(b) (i) We are not responsible to you for any reason (whether for breaking this agreement or any other matter relating to your purchase of, or bid for, any **lot**) other than in the event of fraud or fraudulent misrepresentation by us or other than as expressly set out in these **Conditions of Sale**; or

(ii) give any representation, **warranty** or guarantee or assume any liability of any kind in respect of any **lot** with regard to merchantability, fitness for a particular purpose, description, size, quality, **condition**, attribution, **authenticity**, rarity, importance, medium, **provenance**, exhibition history, literature, or historical relevance. Except as required by local law, any **warranty** of any kind is excluded by this paragraph.

(c) In particular, please be aware that our written and telephone bidding services, Christie's LIVE™, **condition** reports, currency converter and saleroom video screens are free services and we are not responsible to you for any error (human or otherwise), omission or breakdown in these services.

(d) We have no responsibility to any person other than a buyer in connection with the purchase of any **lot**.

(e) If, in spite of the terms in paragraphs (a) to (d) or E2(i) above, we are found to be liable to you for any reason, we shall not have to pay more than the **purchase price** paid by you to us. We will not be responsible to you for any reason for loss of profits or business, loss of opportunity or value, expected savings or interest, costs, damages, or expenses.

## J OTHER TERMS

### 1 OUR ABILITY TO CANCEL

In addition to the other rights of cancellation contained in this agreement, we can cancel a sale of a **lot** if we reasonably believe that completing the transaction is, or may be, unlawful or that the sale places us or the seller under any liability to any one else or may damage our reputation.

### 2 RECORDINGS

We may videotape and record proceedings at any auction. We will keep any personal information confidential, except to the extent disclosure is required by law. However, we may, through this process, use or share these recordings with another **Christie's group** company and marketing partners to analyse our customers and to help us to tailor our services for buyers.

If you do not want to be videotaped, you may make arrangements to make a telephone or written bid or bid on Christie's LIVE™ instead. Unless we agree otherwise in writing, you may not videotape or record proceedings at any auction.

### 3 COPYRIGHT

We own the copyright in all images, illustrations and written material produced by or for us relating to a **lot** (including the contents of our catalogues unless otherwise noted in the catalogue). You cannot use them without our prior written permission. We do not offer any guarantee that you will gain any copyright or other reproduction rights to the **lot**.

### 4 ENFORCING THIS AGREEMENT

If a court finds that any part of this agreement is not valid or is illegal or impossible to enforce, that part of the agreement will be treated as being deleted and the rest of this agreement will not be affected.

### 5 TRANSFERRING YOUR RIGHTS AND RESPONSIBILITIES

You may not grant a security over or transfer your rights or responsibilities under these terms on the contract of sale with the buyer unless we have given our written permission. This agreement will be binding on your successors or estate and anyone who takes over your rights and responsibilities.

### 6 TRANSLATIONS

If we have provided a translation of this agreement, we will use this original version in deciding any issues or disputes which arise under this agreement.

### 7 PERSONAL INFORMATION

We will hold and process your personal information and may pass it to another **Christie's group** company for use as described in, and in line with, our privacy policy at [www.christies.com](http://www.christies.com).

### 8 WAIVER

No failure or delay to exercise any right or remedy provided under these **Conditions of Sale** shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

### 9 LAW AND DISPUTES

This agreement, and any non-contractual obligations arising out of or in connection with this agreement, or any other rights you may have relating to the purchase of a **lot** will be governed by Swiss law. Before we or you start any court proceedings (except in the limited circumstances where the dispute, controversy or claim is related to proceedings brought by someone else and this dispute could be joined to those proceedings), we agree we will each try to settle the dispute by mediation following the Swiss Rules of a Commercial Mediation of the Swiss Chambers of Commerce and Industry (SCCI). We will use a mediator affiliated with SCCI who we and you agree to. If the dispute is not settled by mediation, you agree for our benefit that the dispute will be referred to and dealt with exclusively in the courts of the Canton of the sale location subject to any appeal to the

Federal Tribunal. However, we will have the right to bring proceedings against you in any other court.

### 10 REPORTING ON WWW.CHRESTIES.COM

Details of all **lots** sold by us, including catalogue descriptions and prices, may be reported on [www.christies.com](http://www.christies.com). Sales totals are **hammer price** plus buyer's premium and do not reflect costs, financing fees, or application of buyer's or seller's credits. We regret that we cannot agree to requests to remove these details from [www.christies.com](http://www.christies.com).

Some countries prohibit or restrict the purchase and/or import of Iranian-origin 'works of conventional craftsmanship' (works that are not by a recognised artist and/or that have a function, for example: carpets, bowls, ewers, tiles, ornamental boxes). For example, the USA prohibits the import of this type of property and its purchase by US persons (wherever located). Other countries, such as Canada, only permit the import of this property in certain circumstances. As a convenience to buyers, Christie's indicates under the title of a **lot** if the **lot** originates from Iran (Persia). It is your responsibility to ensure you do not bid on or import a **lot** in contravention of the sanctions or trade embargoes that apply to you.

(f) **Gold**

Gold of less than 18ct does not qualify in all countries as 'gold' and may be refused import into those countries as 'gold'.

(g) **Watches**

(i) Many of the watches offered for sale in this catalogue are pictured with straps made of endangered or protected animal materials such as alligator or crocodile. These **lots** are marked with the symbol ~ in the catalogue. These endangered species straps are shown for display purposes only and are not for sale. Christie's will remove and retain the strap prior to shipment from the sale site. At some sale sites, Christie's may, at its sole option, make the displayed endangered species strap available to the buyer of the lot free of charge if collected in person from the sale site within one year of the date of the sale. Please check with the department for details on a particular **lot**.

(ii) The importation of luxury watches such as Rolex into the United States is highly restricted. Such watches may not be shipped.

Christie's is instructed to bid on the following lots up to the price stated.

I understand that Christie's provides this service of executing bids on behalf of clients for the client's convenience and that Christie's will not be held responsible for errors relating to its execution of bids. Absentee bids submitted on "no reserve" lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre-sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate. In the event of identical bids, the bid received first will take precedence.

I understand that if my bid is successful the purchase price will be aggregate of the final bid and a premium of 25% up to CHF 100,000, plus 20% from CHF 100,001 to CHF 2,000,000 and 12% for any amount in excess of it. It is the buyer's responsibility to ascertain and pay all taxes due. You can find details of how VAT and VAT reclaims are dealt with in the section of the catalogue headed 'VAT Symbols and Explanation'.

Foreign buyers will obtain a refund of the VAT tax if proof of exportation is provided within 30 days of the collection date.

All bids will be executed subject to the conditions of sale of Christie's (International) S.A., which I herewith fully accept.

To allow time for processing, written bids should be received at least 24 hours before the sale begins and the form needs to be duly filled in. Please note that bids in foreign currencies will be converted into Swiss Francs at the approximate prevailing rate in effect 24 hours before the sale.

Bids can be sent by post or fax:
