David Elswood (1958-2019)

It is with great sadness that we must announce the passing of our longstanding and much admired colleague, David Elswood. David joined Christie's Wine Department in 1985, going on to become one of our finest auctioneers and later, our leader as International Head of Wine Sales at Christie's from 2003-2017.

David was an exceptional man in all respects. He was an inspiring leader, great friend and a beloved member of, and ambassador for, the fine wine community. We feel he will be missed enormously by those who knew him and worked with him over the years.

We would like to honour David's memory and legacy in our upcoming end-of-season auction catalogues in Geneva, Hong Kong, London and New York with a tribute page, including short comments from a group of leading figures in the international fine wine community. We hope that this collection of tributes goes some way to honour a great man.

Christie's International Wine Department

"I knew him very well and he was a very nice fellow. Very professional and I was proud to have him in the Wine Department and count him as a thoroughly dependable person. The department strove for excellence and he was at the heart of our endeavours."

Michael Broadbent MW

"My colleague, Aline Sylla-Walbaum, has related the news to me, and I cannot tell you how shocked, sad and sorry I am. David was loved by those who were close to him, admired by those who knew of him, and respected by those who work with him. He is taken from us far too soon, and will be sorely missed."

Jussi Pylkkänen, Global President, Christie's

"David was an inspiring personality for the Ornellaia and Masseto team over the years. He was greatly appreciated not only for his knowledge and professionalism, but also for his encouragement, humour and generosity. A real gentleman. He will be missed."

Giovanni Geddes da Filicaja, CEO Ornellaia & Masseto

"I first met David at a pre-sale tasting in London over 20 years ago, at a time when wine was less of a luxurious product and more of an affordable hobby. As a young novice in this field, I had the pleasure to be guided by the professional team at Christie's. David's knowledge and passion for wine combined with his wise and light-hearted comments made him a great companion with whom I have shared many splendid bottles. He will be missed as a friend as well as an accomplished auctioneer."

Paulo Pong, Managing Director, Altaya Group

"David was always ready with a quip, a kind word & a sparkle in his eye. The world will be poorer without him"

Don Weaver, Director, Harlan Estate

"I was extremely sorry to hear the very sad news regarding the passing of David Elswood. I would like to express my most sincere condolences to his family. I will keep a very good memory of a passionate wine lover. He was a great ambassador of our wines. It is a great sadness that he died so young..."

Philippe Dhalluin, Managing Director, Executive Director Châteaux Wines

"That has taken the wind out of my sail on hearing such bad news of David's passing. Please convey my deepest sympathy on behalf of Jason and myself to his family."

When I decided to put my collection of wine up for sale there were a couple of options and until I met David it was difficult to choose but his approach so impressed me that it became an easy decision to put it in David's capable hands. The preparation of the catalogue and of selling it in Hong Kong and also the timing of the sale were all David's ideas, all I had to do was sit back and let him get on with it - great decision! God Bless David RIP."

Sir Alex Ferguson, CBE

"I am very sorry to hear the news of David's passing. I never had the opportunity of working closely with him, but we grew up in the wine trade pretty much at the same time and I always hugely enjoyed interaction with David from time to time over the years and very much appreciated his qualities. Even more so once I began my Christie's role. David was one of the very special people and I am sure you and all his former colleagues will be missing him very much."

Jasper Morris MW

"David and I coincided at Christie's wine department over fifteen years, and it was a constant pleasure. He managed a big team of young people with great skill. He was masterly at looking after the interests of clients at both ends of the auction process - consignors, for whom his charm, wine knowledge and enthusiasm could be irresistible, and those in front of the rostrum, who knew he would be speedy, fair and impeccably attentive. He was a perceptive wine taster, with a great memory, and such a vibrant person, so full of life - not bookish but living in the moment. He handled his illness with real grace. As an auctioneer he was extraordinary, with a rare ability to engage with people, his wit and repartee never failing him. He is sadly and greatly missed."

Anthony Hanson, MW

"I was very sad to hear this news and our thoughts are with David's family and all those at Christies. Please pass on my deepest condolences to his family."

Chris Blandy, CEO Madeira Wine Company

"We were very sad to hear about the untimely death of David and we and the entire wine business will miss him greatly. During his years at Christie's, his knowledge, his great tasting ability, his skill with the gavel at the podium, brought him many friends and admirers. His sense of fun, his sheer enjoyment of the wine business and his refreshing, off the cuff observations were wonderful. Happy memories."

Jacques & Fiona Thienpont, Le Pin

"I just can't quite comprehend that we won't be seeing David again. He will be sorely missed. He was such an integral part of Christie's, such a natural with the hammer, such a talented organiser and just such fun to be around with. My thoughts and heartfelt condolences go out to his family."

Bill Blatch, Christie's Bordeaux

"This is very sad news for all the wine trade. David has left to all of us the image of a fantastic, dynamic and enthusiastic person. I am sending his family and friends my sincere condolences."

Hervé Berland, Château Montrose

"David's exceptional knowledge, professionalism and passion was only surpassed by his charm, sincerity and kindness. David was one of the wine trades greatest ambassadors and an inspirational figure in every respect."

Johnny Symington, Chairman of Symington Family Estates

"I was deeply saddened to learn of the very sad - and desperately premature - death of David. We joined Christie's only a year apart, in 1984 and 1985, worked together for some 14 years, and remained good friends. David was an exceptionally talented specialist - an excellent taster and an outstanding auctioneer. One of that extremely rare breed who are able to combine technical excellence with enormous flair and, above all, humour. His intermittent and very funny asides during the most serious of wine auctions were legendary and it was this flair and humour that saw him carve out a long-standing niche as a much-sought-after charity auctioneer. His dry humour and cheeky smile will be greatly missed."

Paul Bowker, Wilkinson Vintners

"I have been particularly touched to learn the death of David. For me he was a great man in the wine world. The Châteaux of Bordeaux and Cos d'Estournel in particular owe him a lot. He has been a great ambassador, for Bordeaux wines and for the reputation of Christie's. All the team of Cos is in mourning"

Michel Reybier, Château Cos d'Estournel

"I had a few hundred lunches and dinners with David over the 20+ years that I have known him. A couple of years ago, I had a small trade garden party at my house where we drank 1947 Lafleur along with many other great wines, the glasses were starting to get a bit low, so I sent David to the cellar to find us another bottle, he came back with 1988 Echezeaux Henri Jaye and said he had never tried this vintage, but I know he left me a very happy man that day.

RIP David, a great friend, gone but never forgotten."

Ronnie Cutmore, Bordeaux Vintners Ltd.

"David Elswood was both a very great friend of mine and a tremendous auctioneer.

His foresight, his flair, and his tremendous persuasion, backed by his peripheral vision of the world wide wine market was entirely responsible for the inaugural Christie's wine sale in Hong Kong which without doubt launched a thousand sales and was instrumental of starting the biggest and most legendary bull market in fine wine the world has ever seen.

His professionalism, coupled with a wry sense of humour was also instrumental in the success of the annual Hospices de Beaune auction and so many other Charity auctions; he will be severely missed by everyone as he never said no – he had a huge capacity for raising money for goodness

On a personal note David was an excellent taster and we both hosted and attended many, many wine lunches and dinners together; but may I share one with you.

I organised a blind bottle tasting for 12 people which took place in our garden in Hampshire in the UK one summers day.

We opened 35 bottles which all turned out to be vintage port from 1924 & 1927 & 1935 vintages – quite a haul for one afternoon!

Having tasted every vintage / bottle I was feeling somewhat part worn - but not David, ever the professional he said to me "sorry to rush off Piers, but my car is out front" I'm on the night flight to South Africa to do a charity Auction tomorrow

Bravo David "Carpe Diem"

Piers Methuen, Elliston Fine Wine

"David was a brilliant colleague and a true friend of mine for many years. When it came to the merits of wine enjoyment, he possessed that rare quality of embracing both the noble and the everyday. He was more than happy to drink the vino della casa in a Tuscan trattoria and pronounce it "lovely indeed", sometimes followed by a superb acapella rendition of That's Amore! . He had no need to uncork a superstar bottle to have a fine wine experience.

His boundless enthusiasm infused every second of his journey.

He was a remarkable man ."

Judy Beardsall, Wine Consultant

"We were told off by the conductor on a train from Dijon to Paris for making too much noise, and I said "he's only talking normally". A natural-born auctioneer, David had a voice that didn't need to be raised to be heard. If you arrived to a crowded hall you knew he was in it long before you caught sight of him. His was an enthusiasm for wine and for living the moment that would hold your attention, always leave your metaphorical tyres pumped up, your glass filled, and at some point your eyes streaming with tears from laughing too hard.

From 2004 we put together many wine dinners that have become some of my most cherished experiences. That he indulged me, as a then relative newcomer, in what became co-branded and co-hosted events, spoke to his generosity and openness. He was a collaborator, my mentor, and a dear friend that I dearly miss. Here's to you David – cheers!"

Linden Wilkie, The Fine Wine Experience

"I first met David Elswood to prepare and auction held in Hong-Kong in September 2016 under Christie's hammer, where a series of old vintages of Bouchard Père & Fils were offered to passionate collectors. This unique sale consisted in offering a glimpse into the 160 vintages constitutive of Bouchard Père & Fils, a collection in every way exceptional.

When David Elswood and Edwin Vos came at the Château de Beaune, one beautiful day in January, 2016, the meeting was natural, elegant and truly delectable. It actually turned into a rich and rejoicing discussion of cultivation where the passion for great wines was finally the pretext to sharing a passion for culture and human relationship.

I will always keep of David the memory of a real gentleman. A person of great culture and extreme courtesy. The sparkle of his eyes said his passion for fine wines as much as for the human adventure of which they are the achievement. His deep knowledge of wine and terroirs as well as of the historic and human aspects which underlie every of the legendary domains were offering a lively and fascinating open book on the world of fine wines.

David Elswood epitomized a brilliant celebration of all that French culture holds dear and which is expressed so marvellously in Burgundy: art de vivre, or the cult of friendship celebrated by the sharing of this divine beverage, which magically brings together the hearts and spirits.

Adieu donc cher David, I keep preciousely the memory of your look: it was full of spirit and kindness."

Gilles de Larouzière, President Henriot

"For me, David embodied the true spirit of what you can expect from an English wine expert, i.e. a great and subtle knowledge of the world of wine, without being pretentious and obsequious, and this with that little and incomparable touch of British humour which makes us, French people, always so terribly envious! I enjoy reminiscing about his fine judgment, his expertise about the de Vogüé wines, as well as his cheerful disposition to enjoy good wine and good food as we do in Burgundy". I will miss David quite a lot"

Jean Luc Pepin, Estate Manager Domaine Comte Georges de Vogüé

"I was lucky enough to work together with David at Christie's in the late 90s. It never felt like work being in David's company. He had an enormous capacity for fun and a fantastic and infectious sense of humour. We laughed a lot but David was a serious professional with great experience and knowledge which he was happy to share generously. A superb auctioneer with a clear and commanding voice, speed and precision, his skills in the rostrum were to be admired. And David loved to be on the 'coal face' packing up private cellars all over Europe and discussing the wines as they were inspected, catalogued and packed into boxes in the depths of subterranean cellars. Nor did the fun end there. David was a great bon viveur always up for a good meal and a bottle of something special. He would hold court at The Memphis Hotel where we always stayed over during the Amsterdam wine auctions and our road trips down to Bordeaux for the bi-annual Vinexpo auction included some unforgettable lunches and dinners with great bottles shared. What a cheerful, amusing, interesting and positive person David was. He will be very sadly missed and I feel fortunate to have known him."

Tom Hudson, Farr Vintners

"David was a breath of fresh air - always cheerful, wonderfully well-informed, a live wire and extremely generous with his time. I had the pleasure of seeing him in action as the most energetic auctioneer imaginable for the global literacy charity Room to Read in both London and Asia. He will be missed enormously."

Jancis Robinson MW

"David - memories of boundless energy - part Tigger, part Mick Jagger, the rock star of the wine auction world. He wore his deep knowledge of wine lightly, and his integrity and professionalism were internationally admired. But I will remember him most for his humour, kindness and modesty - one of the good guys."

THE ALLURE OF CHÂTEAU LAFITE ROTHSCHILD

Château Lafite Rothschild is undoubtedly one of the world's most prestigious and collectible wines. Tim Triptree MW helps explain why it's so highly sought-after:

Château Lafite Rothschild has a rich and fascinating history. The first reference dates back to 1234 and the name Lafite derives from the historic language term "fite", which means "mound" or "hillock", and describes their plateau which is one of the highest spots in the appellation. At the beginning of the 18th century Lafite's wine was sold in London, where it was reported to be a favourite of the Prime Minister, Robert Walpole who was reputed to have purchased barrels of 1732 and 1733. In France, Lafite became known as the "King's wine", after being introduced to the Court at Versailles by Maréchal Richelieu. Furthermore Lafite was officially ranked first in the list of the 1855 Classification of the Bordeaux Grands Crus Classés prepared for the Universal Exhibition in Paris in the same year. Wine estates were classified according to a château's reputation and trading price, and ranked in importance from first to fifth growths (crus), with four first growths listed initially (Mouton Rothschild was added in 1973). The Rothschild family association at Lafite began with the acquisition by Baron James de Rothschild in 1868 and since these beginnings wine aficionados have focused on collecting their superlative wines.

Lafite is blessed with a fantastic terroir near to the Gironde estuary in the northern part of Pauillac, close to the border with St-Estèphe. The Pauillac appellation is where the other First Growth Châteaux Latour & Château Mouton Rothschild are located. Today Lafite's 112 hectare vineyard consists of three main areas: the slopes around the Château, the adjacent Carruades plateau to the west and a 4.5 hectare plot in the neighbouring commune of Saint Estèphe, which historically has been allowed into Lafite and thus the Pauillac appellation. The vines are planted in well-drained soil made up of fine, deep gravel, mixed with aeolian sand on a subsoil of tertiary limestone. The grape varieties are Cabernet Sauvignon (70%), Merlot (25%), Cabernet Franc (3%) and Petit Verdot (2%).

In terms of red Bordeaux, or claret as it is also referred to by the British, the wines of Pauillac are classic versions characterised with intense blackcurrant flavours and aromas that develop into pencil lead, cedar and cigar box with age. The wines have a vibrant acidity and a firm tannic structure which enables the wines to age gracefully over many decades in the successful vintages. Amongst these Pauillac wines, Lafite has always held a particular allure. It is undoubtedly one of the very best wines to come out of Bordeaux. For power there are other châteaux, but for elegance and finesse, then Lafite should be your wine. I believe Lafite's popularity, particularly in Asia can be partly attributed to these characteristics of approachability in youth, the finesse and elegance combined with significant ageing potential.

I have been fortunate to taste Lafite on many occasions and the 1982 vintage is one of the best wines I have had the privilege to taste when it is on song with impressive concentration of cassis fruit character with the classic cedar and cigar box aromatics, supremely well balanced and the finish went on and on - a truly impressive wine! Lafite is approachable in youth with a beautiful fragrant fruit character, however it will be fascinating to taste their younger vintages, such as 2009, 2010, 2015 and 2016 when they are fully matured. For me, the magic of Bordeaux requires patience, the wines need time to evolve their complex secondary and tertiary characteristics of cedar, leather and tobacco. The best wines, which Lafite is unquestionably in that category also have a freshness and vibrancy to balance the matured bouquet. These nuances continue to evolve and change through the wine's long life and the type of bottle format will also influence this evolution, as the general rule is that the larger the format the slower the evolution due to less oxygen compared to the volume of wine, so those lucky enough to have magnums, double-magnums, jeroboams or imperials of Lafite can enjoy their wines over a longer drinking window period. Irrespective of whether in bottles or magnums or larger, Lafite should be an important part of your fine wine collection.

 Tasting Note: "First noted and showing well at a major pre-sale tasting, including a dozen top '95's in New York, Nov '97. Two years later, at the MW tasting of '95's: deep and richly coloured, sweaty tannins and considerable depth; sweet, good fruit, soft mid-palate, distinctly tannic. Tasted blind, one of my top marks in a flight of first growth '95's, the Lafite was still youthful looking; deep, classic, rich, opening up well; sweet, good extract and fruit, the tannin and acidity more integrated. Elegant, firm, good future." Last noted Nov 2001

Most recently: still very deep and intense, with opaque core but showing signs of maturity at its rim; very good nose, cedary, subdued - will need air and coaxing; surprisingly sweet, good fruit, almost chewable, good firm fruit and long dry finish." Pauillac, 1er cru classé
In two six-pack banded original wooden cases
Tasting Note: "Tasted at BI Wine & Spirits' 10-Years-On tasting, the 2007 Lafite-Rothschild has an elegant cigar box bouquet, with dusky black fruit and a touch of antique bureau—just classic Lafite. The palate is medium-bodied with fine tannin, cedar and tobacco infusing the black fruit, classic in style with a conservative yet focused finish that lingers in the mouth. This is certainly the most subtle First Growth, but one of the most refined too—a sophisticated but understated Lafite-Rothschild that will age with discrete style."

Château Lafite-Rothschild 2008*Pauillac, 1er cru classé**In original wooden case, bands cut prior to Christie's specialist inspection*

Tasting Note: "A candidate for the -wine of the vintage.

Representing 40% of the production, this blend of 83% Cabernet Sauvignon, 13% Merlot and 4% Cabernet Franc offers aromas of high quality unsmoked cigar tobacco, lead pencil shavings, creme de cassis, earth, cedar and asphalt. Full, rich and stunningly concentrated." The Wine Advocate, Issue 194, May 2011

Tasting Note: The 2009 Lafite Rothschild is a candidate for "wine of the vintage." Although the 2003 was powerful (12.9% alcohol), the 2009 came in at 13.4% alcohol. It is a blend of 82.5% Cabernet Sauvignon, 17% Merlot, and the rest Petit Verdot. Only 45% of the crop went into the grand vin, which may be the most concentrated Lafite I have ever tasted. There is not a hard edge to be found in this inky/purple-colored wine displaying notes of charcoal, incense, black currants, and licorice. In the mouth, it represents a liqueur of black fruits offered in a remarkably full-bodied, incredibly elegant, lush style. Expansive, savory, staggeringly concentrated, and voluptuous as well as wonderfully precise with a hint of minerality, this sensational wine's technical numbers are off the charts." Château Lafite-Rothschild 2010*Pauillac, 1er cru classé**In two six-pack banded original wooden cases*

Tasting Note: "The 2010 Lafite Rothschild, a blend of 87% Cabernet Sauvignon and 13% Merlot (a 3% difference from the barrel sample shown two years ago), achieved relatively high alcohol of 13.32%, according to administrator Charles Chevalier. Deep purple, with notes of white chocolate, mocha, cedar and charcoal as well as hints of vanillin and creme de cassis, the wine is full-bodied yet has that ethereal lightness that makes it a Lafite. Rich, with good acidity, precision and freshness, this is a slightly zestier version of the 2009 as well as more restrained and structured than that particular vintage." Exhibiting a deep ruby/purple color, lots of crushed rock, red and black currant, forest floor and underbrush characteristics, moderate tannin and medium body, it is built somewhat along the lines of the 1999 and 2001." Tasting Note: "The Château Lafite-Rothschild 2014 is a blend of 87% Cabernet Sauvignon, 10% Merlot and 3% Cabernet Franc, picked from 22 September until 10 October with the Petit Verdot, the Cabernet finished two days earlier. The Grand Vin is adorned with surprising richness and opulence on the nose: layers of ripe black plum and juniper, fine definition with even a hint of fig developing with continued aeration. After 5 minutes it turns volte face and becomes much more graphite and cedary - more Pauillac in essence. The palate is medium-bodied with ripe tannin, a potent core of black and blue fruit with a bullish (for Lafite) peacock's tail on the finish. Very long in the mouth, this is a Lafite that yearns to compensate for last year and it accomplishes that with some panache." The Wine Advocate, Issue 218, April 2015

Tasting Note: "The 2015 Lafite-Rothschild is a blend of 91% Cabernet Sauvignon and 9% Merlot picked between 17 September and 6 October. Matured in 100% new oak, it has a tightly-wound bouquet with black cherries, cassis, cedar and graphite. The palate is medium-bodied with supple tannin, harmonious on the entry and with the oak neatly integrated. There is a very fine grip towards the finish, which has a tangible spicy edge - white pepper with a touch of bay leaf and enough pencil lead to fill a stationery set. The aftertaste is extremely long here, more than a minute when I timed it on my watch." The Wine Advocate, Issue 224, April 2016

Château Lafite-Rothschild 2016*Pauillac, 1er cru classé**In two six-pack banded original wooden cases*

Tasting Note: "The 2016 Lafite-Rothschild is a blend of 92% Cabernet Sauvignon and 8% Merlot picked from 23 September until 12 October with the Cabernet Sauvignon (and unused Petit Verdot). It has 13.3% alcohol, a pH of 3.65 and the IPT of 74. Matured in 100% new oak, it has a fresh and vibrant bouquet whilst retaining the classicism of this First Growth. This is more subtle than Mouton-Rothschild or Latour, which is always the case at en primeur, yet there is a brooding intensity that draws you in as it unveils some gorgeous blackberry and graphite aromas. The palate is just superb. This has more density, more vigor, more depth and you could even argue more ambition than the 2015 Lafite-Rothschild showed last year. It gently grips the mouth with unerring focus and symmetry, just a touch of spiciness developing with a long, saline finish that lingers two minutes after the wine has departed. Lafite-Rothschild always develops and meliorates in barrel during its élevage and I suspect this will ultimately turn out to be a regal Lafite-Rothschild." The Wine Advocate, Issue 230, April 2017

Château Lafite-Rothschild 1982*Pauillac, 1er cru classé**One corroded capsule, slightly bin-soiled labels, one slightly damaged label**Levels eight base of neck and four top shoulder**In original wooden case*

Tasting Note: "Roughly two dozen well spread and consistently good notes from the mid-1980s. By its 10th birthday, though still deep and intense, the inimitable bouquet was developing beautifully, spicy and powerful. In the second half of the 1990s decade, its fragrance, harmony and length a major feature. By 2001, mouthfilling, so much on show, so much more to come. Most recently, double decanted and served 5 hours later: still deep and velvety, with a virtually opaque core; the bouquet already aroused and holding its fragrance; medium-sweet, delicious flavour and persistence. Tamed tannins." Last noted Dec 2004 ****(*) MB

Tasting Note: "In 2002 a magnum: medium-deep, mature, 'warm' and inviting; bricky, vanillin; sweet, perfect weight and balance, soft, lovely, with a surprisingly spicy finish. Opening up beautifully, Nov. 2005, adding 'will age well'. Most recently: still deep, fairly intense, velvety; very fragrant bouquet, slightly 'bricky', cedar, oyster shell; medium sweetness and body, good length, dry finish. Classic. Needs time." Tasting Note: "At 10 years of age it was beginning to show some maturity; spicy, sweet, with fullness of fruit but not of alcohol, the ideal - for claret - being 12.5%. Anyway, a lovely wine; complete. Most recently: a warm, rich colour with a tinge of orange at the rim; very rich, gloriously fragrant bouquet yet with impenetrable depth and concentration; an extraordinary 'attack', very rich entry, nice weight, good fruit, plenty of tannin and acidity. Last tasted May 2002 ***(**)." MB

Tasting Note: "Showing well at a tasting of '93s in 1997. Magnums in 2002, fragrant, lean yet easy, straightforward and agreeable to drink. Most recently: still surprisingly deep and velvety; fragrant, 'medicinal', nose. A lightish flavoury drink wit a somewhat tart finish." Last tasted Dec 2004 ** MB

Tasting Note: "By 2001 dry, raw and tannic. More recently two magnums given plenty of decanting time: still youthful, plummy rim; low-keyed' earthy, iron flavour, touch of tartness. Eight months later, two more magnums, double decanted: very slight variation but neither particularly praiseworthy, unknit, slightly stalky, whiff like new-sawn timber; flavoury, crisp but raw." 165 12 bottles *per lot* \$6,500-8,000

Château Lafite-Rothschild 2006*Pauillac, 1er cru classé**In banded original wooden case*

Tasting Note: "One of the fabulous surprises, the 2006 Lafite Rothschild is a great, great wine made from a blend of 82% Cabernet Sauvignon, 16% Merlot, and 2% Petit Verdot. When I tasted it from barrel, it reminded me of their successful 1988, but it is dramatically superior to that vintage. Frankly, it may turn out to be as good as the 2005, which in all of Bordeaux is a far greater vintage than 2006. Lafite's severe selection process (42% made it into the grand vin) resulted in a full-bodied wine boasting an extraordinary perfume of charcoal, truffles, lead pencil shavings, and sensorially sweet, ripe black currant and cedar notes. A wine of extraordinary intensity, texture, and depth with silky tannins as well as awesome concentration." The Wine Advocate, Issue 181, February 2009

166 6 bottles *per lot* \$3,000-4,000

Good appearance, lightly worn capsule
Level base of neck
 Tasting Note: "A dozen notes: surprisingly easy and soft in the spring of 1991. Then, in the mid-1990s, 'attractive and fragrant', later high on elegance, low on power. On its 10th birthday, maturing nicely, bouquet evolving well but more bottle-age essential. Consistently good notes since, four recently, which can be summed up as follows: very deep, virtually opaque core, rich, velvety, still youthful; bouquet slow to open but developing fragrant spiciness, touch of cedar and typical 'medicinal' whiff; medium sweet, perfect weight (12.5%) good flavour, balance, length and excellent finish. A classic Lafite."

 Tasting Note: "Tasted at BI Wine & Spirits' 10-Years-On tasting, the 2007 Lafite-Rothschild has an elegant cigar box bouquet, with dusky black fruit and a touch of antique bureau—just classic Lafite. The palate is medium-bodied with fine tannin, cedar and tobacco infusing the black fruit, classic in style with a conservative yet focused finish that lingers in the mouth. This is certainly the most subtle First Growth, but one of the most refined too—a sophisticated but understated Lafite-Rothschild that will age with discrete style."

DIRECT FROM THE DOMAINE

We at Domaine Fourrier are so happy to offer some of our wines, direct to the consumer through the Christie's Auction in New York in December.

A bit about the history & philosophy of Domaine Fourrier.....

We are a small family Domaine in Burgundy of 5 generations, and we have 10 hectares of vineyards, which cover 4 different villages. From these 10 hectares, we make 14 different wines ranging from Bourgogne Rouge through to Grand Cru.

We are extremely lucky that all of our vineyards are between 85 and 109 years old. With their extensively deep root system, they can offer us in the glass a myriad of different minerals and richness from the soil and a true expression of terroir. Also as the vines are not so vigorous at this age, they give us some tiny berries that translate in the glass into beautiful smooth tannins, rich color, and concentrated aromas.

Jean-Marie is in charge of the Domaine today and has been since he took over the winemaking in 1984 after finishing his studies at the Wine School in Beaune and studying Oenology at Dijon university. He developed his knowledge further by working with Henri Jayer in Vosne Romanée and with Drouhin in Oregon. From these experiences came a passionate respect for "Mother Nature" and for Terroir.

Grapes are harvested by hand and put into cases of 30 kilos, 100 percent destemmed, and then put into the cuvées using a moving stairwell. Everything is done so that the grapes are still whole once they are in the cuvée, enabling us to use the most minimal amounts of sulfur. Most of the sorting of the berries is done in the vineyards, but we also have a vibrating sorting table which eliminates any damaged dried up grapes and allows our team of around 6 people to double check that everything that goes into the destemmer is perfect.

4 to 5 days cold maceration, followed by fermentation of between 12 to 14 days. During this time, the only method of extraction is pigéage which is done between 2 to 4 times a day, depending on the vintage.

The grapes are pressed using a pneumatic press which is very gentle, and the juice is put into vats for 24 hour débourage, where the heaviest sediment falls to the bottom. The juice is then put into barrels in the cellar using gravity where it will stay for 18 months on its original lees.

We don't do any racking for two reasons:

We like to keep high levels of carbonic gas, so as not have to use any sulfur during the élevage if at all possible. The CO₂ is a natural protectant which, if the wine is racked and given oxygen, would have to be replaced by SO₂.

The autolysis of the yeast: One of the micro proteins of the dead yeast is glycerol which during the malolactic fermentation is suspended into the wine and fixes, giving a lovely fatness and roundness in mouth.

In spring, the wine is blended in vats for a few weeks before to be put into bottle with our care with no fining and no filtration. We use 20 percent new oak for every wine.

GRIOTTE-CHAMBERTIN

This is actually the third smallest Grand Cru in the Côte de Nuits with a total surface of 2,6 hectares. We have just 0,26 hectares of this and from this we make between 3 and 5 barrels per year, depending on the vintage (which translated into bottles is 900 – 1500 bottles for the world). The vineyards were originally planted in 1928, and the name Griotte comes from the old French word « criothe » which means chalk. This translates into the glass as a very fine, extremely elegant wine.

GEVREY-CHAMBERTIN, CLOS-ST-JACQUES, 1ER CRU

Nearly 110 years old, this vineyard was originally planted in 1910 has a total surface of 6 hectares, of which we have 0,89 hectares. Beautifully positioned on the slope, south facing, right up in the north of Gevrey, many consider the "Clos St Jacques" to be a Grand Cru. Indeed, it nearly was after the 1st World War, but unfortunately at the time it was owned by a royalist, who inconvenienced the judges of the INAO with an unfortunate cigar at the time of classification! The wine from the north of Gevrey tends to be more masculine and with darker fruits as opposed to the wines in the south. There, along the Route des Grands Crus, the wines are more feminine, with more red fruits. Every year this amazing vineyard never fails to give such tiny grapes, we like to call the "caviar."

Originally planted in 1966, this vineyard has a total surface of 1,81 hectares of which we have 0.34 hectares. Goulots is right next door to "Combe aux Moines" and "Champeaux" but each of these 3 1er crus are very different. The word Goulots comes from "Goulottes, which is a word for the tiny streams that run under the mountain. It is true that this is a wine with lots of minerality.

Originally planted in 1928, this vineyard has a total surface of 4,76 hectares of which we have 0,88 hectares. On the same slope in the north of Gevrey as the Clos St Jacques, it is slightly more east facing. "Moines" means "Monks", as this vineyard was originally owned by the Cistercian Monks who built the 14th century château in Gevrey-Chambertin.

SUPERLATIVE VINTAGES DIRECT FROM DOMAINE FOURRIER

Domaine Fourrier is one of my favourite Burgundy Domaines producing silky rich and elegant wines with delightful lifted and fragrant red fruit aromatics that is the hallmark of great Pinot Noir. I am delighted that Jean-Marie and Vicki Fourrier have teamed up with us at Christie's New York by offering a selection of their superlative wines dating back to the outstanding 1988 vintage direct from the Domaine's cellars in Burgundy.

Jean-Marie took over the Domaine from his father Jean-Claude in 1994 and along with his wife, Vicki has been instrumental in bringing Fourrier to the very forefront of the finest Domaines in Burgundy. I consider the Domaine to be in the same league as Armand Rousseau which is high praise indeed. Prior to taking over the Domaine, Jean-Marie worked for Drouhin in Oregon and with the legendary Henri Jayer.

I have been fortunate to taste their wines on numerous occasions and I have always been impressed by the concentration and purity of fruit flavours with a perfect balance of freshness and vivacity that enables their wines to evolve gracefully over the long-term. All their wines are matured in 20% new oak which enables the bright fruit aromas and flavours to shine through. Their most famous wines are Griotte Chambertin and Clos St Jacques, and along with their other vineyards are planted with old vines and these fantastic terroirs combined with the brilliance of Jean-Marie's wine making, goes some way to explain the magic of the Fourrier wines.

DRC ASSORTMENT FROM THE CLASSIC 1978 VINTAGE

Tasting Notes:

1978 *****

"A very good vintage, the best between 1971 and 1985. An unpromising start, the spring and the first half of the summer being cold, retarding initial growth, flowering and development. From Aug 20 the weather changed and, as in Bordeaux, a sustained period of sunshine saved the harvest, ripening the grapes in time for a late harvest, around Oct 11.

Despite an imbalance of climate, the wines are well balanced. Better, in my opinion, than Bordeaux: and the top wines should develop further and last well." MB Romanée-Conti

"First tasted at the Domaine in May 1983, two bottles, one at cellar temperature. Fairly deep; harmonious but restrained, with a curious dusty character but underlying foundation of fruit. A massively constructed wine. Rich. Firm. Deceptively advanced for its age. Length and excellent acidity. The cooler bottle seemed to have more vanillin on the nose, drier and spicier. Two years later: deep by Burgundian standards. Makes La Tache seem fully mature. A great bouquet, slightly earthy, vegetal, rich, tangy, packed with fruit. Magnificent but unready. Complete. Fragrant but needing at least 10 years more bottle age." Last note April 1985

***(**) MB

La Tâche

"Aged three a lively purple robe; nose already opulent; masses of fruit, rich yet elegant. Excellent potential. Two bottle in May 1983, nose fragrant, scented but still a bit hard.; shapely, slender, flowery but firm. Good tannin and acidity. A lovely wine. Last tasted May 1983." Then **(***) Now, doubtless ****(*) MB

Echezeaux DRC

"Ruby, cherry red; rich, plummy; earth and fruit aroma, broad and immediate appeal; dry, fullish, firm, slightly bitter tannins but fragrant and lingering." **(*) MB Grands-Echezeaux DRC

Fairly deep and plummy; fragrant, refined, lovely fruit; fabulously entry and mid-palate. Mouthfilling flavor, firm, great length and future." **(***) MB

Richebourg DRC

"Medium-deep, plummy, intense; a broad-based nose, excellent foundation of rich, prune-like fruit; mouthfilling, all the component parts on a massive scale." (***) MB

Romanée-St-Vivant DRC

"Fairly deep and plummy; fragrant, refined, lovely fruit; fabulously sweet entry and mid-palate. Mouthfilling flavor, firm, great length and future." **(***) MB

Tasting Note: "Very ripe and still quite fresh with black fruit mixed with spicy secondary aromas that lead to robust, slightly rustic yet stylish and rich flavors that still display some structure on the moderately long finish. This is really quite pretty and certainly a very good showing for this wine. While it's drinking well now there is no rush." 91 BH

LATOUR

Château Latour manages to achieve a rare stylistic balance, in that its wines are internationally known for both their elegance and purity of linear fruit flavor, and for their power, muscularity and heroic longevity. Few wines age with such consummate grace as those of Château Latour. These wines are highly tannic in youth, and are famously distinctive in the way they mature slowly, and on their own terms; stubbornly refusing to succumb to the effects of the natural passing of time. The other great hallmark of Latour is its consistency – the wines are consistently impressive, irrespective of whether the vintage is great, mediocre or even slightly disappointing.

MOUTON-ROTSCHILD

In 1853 Baron Nathaniel de Rothschild bought Château Brane-Mouton and renamed it Mouton Rothschild. Baron Philippe de Rothschild became involved in the estate following the death in 1920 of Laura-Thérèse who had run the property after becoming widowed by Baron Nathaniel de Rothschild. Baron Philippe de Rothschild worked tirelessly and drove innovations such as commissioning the artist Jean Carlu in 1924 to design a new label. In the same year he also bottled the entire vintage at the Château, a practice that had up until then been virtually unheard of, and is now universally adopted for all the Grand Vins. In 1945 to celebrate the 'Année de la Victoire' he commissioned the artist Philippe Juillan to design the label which began the tradition of featuring a different artist on the label for each vintage that continues to this day (except for 1953 and 1977). Such famous names as Picasso, Kandinsky, Francis Bacon and Andy Warhol have featured on the labels and helped to strengthen the reputation of the Château.

Artists have never been paid for their work, but have received Mouton Rothschild wine. Baron Philippe de Rothschild's main goal and achievement was the promotion of Château Mouton Rothschild to First-Growth status in 1973. For the Grand Vin the average age of vines is 44 years with a density of 10,000 per hectare planted on gravel soils. Vinification takes place in oak vats for between 15 and 25 days followed by maturation in oak barriques for between 19 and 22 months, the percentage of new barrels depends on the vintage. Annual production is approximately 300,000 bottles.

MARGAUX

Margaux is unique among the communes of the Médoc: it is the farthest south (isolated from its three famous cousins to the north, St.-Estèphe, St.-Julien and Pauillac) and is made up of several non-contiguous parcels of vineyard land. The appellation of Margaux encompasses the village of Margaux, of course, as well as the villages of Cantenac, Soussans, Labarde, and Arsac. Ideally, the limestone, chalk, clay and sand of Margaux combine (especially where gravel dominates, facilitating drainage) to make a fragrant and silky wine. More Margaux properties were included in the famous classification of 1855 than any other commune.

HAUT-BRION

Château Haut-Brion has been highly regarded for many centuries, being mentioned in Samuel Pepy's diary in 1663. In 1935 Haut-Brion was bought by the American banker, Clarence Dillon. His descendents still own the estate in the form of his grand-daughter Joan Dillon who is the President and her son, His Royal Highness Prince Robert of Luxembourg, the Vice President and Managing Director. In 1983 the Dillons acquired the next door property La Mission Haut-Brion. Haut-Brion is renowned for the classic Graves earthy and smoky character, combined with the opulent and approachable nature provided by the higher proportion of Merlot in comparison to the other Médoc First Growths.

LA MISSION-HAUT-BRION

Created by the noble Lestonnac family (sister and brother in law of Jean de Pontac, owner of Château Haut-Brion owes its name and its reputation to the Prêcheurs de la Mission. The Bordeaux branch of the Congrégation de la Mission de Saint-Lazare, a missionary order, commonly known as the Lazarists, who owned the property from 1682 until 1789. The estate was awarded a Gold Medal at the 1862 International Exhibition in London. This mythical wine was named as the unofficial "Sixth First Growth" of Bordeaux in the 2009 classification by Liv-Ex, the world's leading exchange for fine wine. This ranking revisited the 1855 Classification in order to create a new hierarchy reflective of the current market reality.

Château La Mission Haut Brion was acquired by Domaine Clarence Dillon in 1983 and is managed by the same team that oversees Château Haut-Brion was acquired by Domaine Clarence Dillon in 1983 and is managed by the same team that oversees Château Haut-Brion and Château Quintus.

COS D'ESTOURNEL

Château Cos d'Estournel is named after its 19th century owner, Louis-Gaspard d'Estournel. The word "Cos" derives from the Gascon language, meaning "hill of pebbles". In 1917 the property was purchased by Fernand Ginestet, whose daughter Arlette married into the Prats family which is how the Château came into the hands of Bruno Prats who managed Cos d'Estournel until 1998 when it was sold to the Taillan Group. His son Jean-Guillaume Prats has remained as general manager and in 2000 the estate was bought by Michel Reybier, and since 2004 the technical director has been Dominique Arangoits.

Cos d'Estournel is located in the south of the St-Estèphe appellation, on the border with Pauillac. The vineyards are superbly sited on a south-facing gravel ridge with a high clay content, just north of Lafite-Rothschild, separated by the La Jalle de Breuil tributary stream. The 91 hectare estate is planted with 60% Cabernet Sauvignon and 40% Merlot. The average age of vine is 35 years at a density of 8,000 to 10,000 per hectare and only vines over 20 years of age end up in the Grand Vin.

DUCRU-BEAUCAILLOU

Perched on an exceptional site with incomparable views over the Gironde estuary, in the centre of a hundred-year-old park, Château Ducru-Beaucaillou is a majestic, Victorian-style castle, which has, over time, become one of the great symbols of Bordeaux.

Château Ducru-Beaucaillou is named after the beautiful, large stones found in its unique wine-growing terroir whose exceptional wine-making assets translate into the finesse, elegance and length of its world acclaimed wines.

The Borie family is one of only a handful of classified growth owners to live at their Château, which is unique in that it is built above its cellars.

LEOVILLE-LAS-CASES

Château Léoville-Las-Cases is the most northerly of the Saint Julien properties and closest to the vineyards of Pauillac. The richness and power of their wines means that Léoville-Las-Cases are often mistaken for a top Pauillac. The estate has 97 hectares of vines divided into 125 parcels, the largest and most important is the 50 hectare walled vineyard called Grand Clos. The vineyards are generally planted with 65% Cabernet Sauvignon, 20% Merlot, 12% Cabernet Franc and 3% Petit Verdot. The grapes are entirely hand-harvested and fermentation which takes place in a mix of wooden, cement and stainless steel vats lasts for between 12 and 24 days at temperatures between 24°C and 28°C. The wine is then aged for between 18-20 months in sixty to 100% new oak depending on the vintage.

PICHON-LONGUEVILLE LALANDE

Vines were planted on the area to become known as the Pichon estate in the late 17th century by Pierre de Rauzan, the father in-law of Jacques de Pichon. Pichon soon inherited the land and due to its close geographical as well as quality proximity to Latour the wine soon garnered an excellent reputation. After the death of Baron Jean-Pierre de Pichon in 1850 at the age of 95, the Pichon estate was divided with three-fifths going to the three daughters, becoming "Lalande" and the remainder to the two sons or the "Baron" side. The modern era and rebirth of Pichon-Lalande was ushered in when Madame May-Elaine de Lencquesaing assumed majority control bringing on exacting controls, numerous improvements and personally leading the blind tasting during assemblage. High percentages of Merlot and Cabernet Franc as well as a good portion of the vineyards lying in St. Julien allow for a complex and supple style with distinctive aromas of olive, crème de cassis and cedar. While concentration and depth are provided for by the relatively high extract in the winemaking as well as the significant Petit Verdot component added to the Cabernet Sauvignon backbone.

LYNCH-BAGES

The out of date nature of the 1855 classification system is clearly demonstrated when reflecting on the quality of Château Lynch-Bages, originally designed a fifth growth. Tremendous wines in the late 1950s and early 1960s clearly indicated the outstanding potential of the property. After sharing a down period of the late 1960s and early 1970s experienced by many properties in Bordeaux, fortunes began a reversal when Jean-Michel Cazes took over the property from his father in 1973. He appointed the talented Daniel Llose as business director in 1976 and culminated massive investment in Lynch-Bages with 25 massive steel vats in 1980 to cleanup and to control the winemaking process. The percentage of new oak used the Grand Vin was also more than doubled. This investment was fortuitously evinced by the exceptionally good 1982 and 1983 vintages, both bringing forth the fleshy, generous style of wine healthily promulgated by Lynch-Bages.

ANGELUS

Château Angelus produces a soft, velvety, full-bodied Bordeaux wine that has made them so well respected. Angelus was fairly underrated until the 1980s when Hubert de Bouard came in and improved all facets of the vineyard. Today it remains one of the finest and largest Grand Crus of St. Emilion. Of the 39 hectares of the vineyard, 27 of those hectares have First Growth status. The vineyard is afforded with a southerly-exposed slope. With such concentrated flavors, bottles should be aged at least 5 years.

PAVIE

Château Pavie's history goes back to Roman times. The first vines in Saint Emilion were planted on the slopes of Ausone and Pavie in the 4th century AD. At the time, the limestone plateau was devoted to mixed farming. Up until the 18th century, "pavies" or clingstone vineyard peaches with red flesh were grown here. Over the years, the peach trees gradually disappeared, and were replaced by vines. The outstanding quality of the terroir on the famous south-facing Côte de Pavie was revealed over generations, and became widely-acknowledged by the mid-twentieth century.

Impressed by the estate's history, geographical location, and terroir, Gérard Perse acquired Château Pavie in 1998. Château Pavie has 37 hectares of vines in a single block with three different terroirs: clay-limestone plateau, clay slope, and gravel and clay soil at the foot of the slope. The blend of wine from these different terroirs, combined with low yields and the separate fermentation of grapes from each individual plot in temperature-controlled oak vats, produces a wine of unique complexity. Displaying marvelous structure and elegance, Château Pavie is made in magnificent facilities renovated in 2013.

Gérard Perse shares this passion for viticulture and winemaking with his daughter, Angelique and her husband, Herique Da Costa, both of whom are involved in managing the estate. "In September 2012, Château Pavie was promoted to Premier Grand Cru Classé "A" status, joining the closed circle of the ten greatest estates in Bordeaux. This was the ultimate recognition of the efforts made by my team over the years in the vineyard and cellars. Life is too short to drink bad wine!" Mr Gérard Perse, owner of Château Pavie.

ARAUJO

Araujo Estate Wines dedicates a large portion of its 38 acre Eisele vineyard, which has been organically farmed since 1998 and soon thereafter began being farmed bio-dynamically, to its Cabernet Sauvignon, its flagship wine which represents the culmination of its efforts. Small lots of grapes are transported to the winery within minutes of being picked, where they are sorted, moved without pumping, and aged in French oak barrels kept in the depths of a cave complex designed by Araujo specifically to vinify only Eisele Vineyard grapes, wherein the temperature and humidity are ideal for the ageing of wine.

Araujo Estate, Eisele Vineyard Cabernet Sauvignon 2007

Tasting Note: "Since last year's report I have had the 2007 Cabernet Sauvignon Eisele Vineyard on three separate occasions, including recently at the winery. It has definitely improved over last year's report, but it has not lived up to my barrel tasting reviews. There is no explanation for this other than that the Araujos told me that the wine was bottled three months later than normal, which seems like a negligible reason to explain the differences. A beautiful wine by any standards, it is just not one of the great Eiseles. Its deep plum/ruby/purple hue is accompanied by notes of cassis, blueberries and acacia flowers. This medium-bodied effort seems surprisingly reserved and restrained, but it has put on a little weight, revealing sweet tannin as well as a velvety texture." Layers of dark fruit, plums, camphor, licorice and espresso emerge from this effortless, gracious wine. The integration of fruit, tannin and French oak (100% new) is simply phenomenal. There is a dark, brooding quality to the 2008 that is immensely appealing. This is a stunning wine from Araujo. The 2008 is 89% Cabernet Sauvignon, 7% Cabernet Franc and 4% Petit Verdot." Tasting Note: "Araujo's 2010 Cabernet Sauvignon Eisele Vineyard is a picture perfect example of the year. Vibrant, precise and beautifully chiseled, the 2010 boasts serious depth and concentration. The aromas and flavors are incredibly vivid in this textured, dazzling Cabernet Sauvignon. Hints of dark blue and black fruit, mocha, espresso and grilled herbs flesh out on the huge finish. Today the 2010 is unusually open, but it is almost certain to shut down in bottle over the next 6-12 months. The 2010 is a super-classic Eisele Cabernet Sauvignon from Araujo." 98 WA

HARLAN

Bill Harlan's goal throughout the past quarter century has remained constant—to create an American first growth by expressing the genius of one particular site. With his keen eye for real estate, Harlan identified a property near the town of Oakville that had never been planted, and purchased the 23-acre nucleus of this property in 1984. Additional purchases and land trades eventually increased the total to 240 acres that reach an elevation of 1225 feet. Harlan Estate vineyards, however, are limited to a steeply terraced band between 350-550 feet elevation in order to keep the grapes cool. Being a perfectionist, Harlan and his team (the formidable duo of winemaker Robert Levy and consulting oenologist Michel Rolland) rejected two vintages as unworthy before deciding to release the 300 case production of the 1990 vintage. Since this time, production has climbed, but still hovers at just 1,800 -2,000 cases per vintage. All truly great wines have an essential nature that is difficult to pin down, since one of their common characteristics is great complexity—and Harlan is no exception. Stand-out vintages offered here include the 1997 and 2002.

Tasting Note: "The deep garnet-purple colored 2014 Harlan Estate offers up subtle cassis, black cherries and crushed blackberries notes with tons of savory and earthy layers: forest floor, black soil, charcoal and dried herbs, plus wafts of violets and rare beef. Full-bodied and built like a brick house in the mouth, it has loads of tense, muscular fruit with many layers of earth, savory and spice nuances emerging, finishing with epic length."  Tasting Note: "The prodigious 2007 Harlan Estate reminds me of a hypothetical blend of the 2002 with a touch of the controversial 1997. Dense plum/purple-colored with sweet aromas of barbecue smoke, blueberries, blackberries, cassis, licorice, hot rocks and subtle oak, it is a splendidly opulent, pure wine with a skyscraper-like texture as well as stunningly deep fruit that expands gracefully across the palate. The finish lasts nearly a full minute. Because of its overwhelming richness and sweet tannins, this brilliant wine seems to be approachable now, but I suspect further nuances and complexity will emerge after 4-5 years in the bottle. This wine will still be going strong at age 25-30. Like the offerings from its sister estate, Bond, these Harlan Estate offerings are uncompromisingly brilliant examples of Napa viticulture and winemaking at its finest. Kudos to proprietor Bill Harlan." 100 The Wine Advocate, Issue 192, December 2010

BOND

Sourced from select hillside estates, the Cabernet Sauvignon-based wines of BOND aim to demonstrate the range of Napa Valley's finest terroirs through their diverse geographic locations. Begun as a project by Napa great Bill Harlan, he and winemaker Bob Levy slowly and diligently selected their five sites resulting in Melbury, Quella, St. Eden, Vecina and their newest addition, Pluribus. Each vineyard producing bold, full, rich and elegant wines, they hit the market with the full force of a California cult wine and as quantities are small they have found their way to the top. Their vision of "Grand Cru" quality is supported by the BOND belief of one philosophy, one team, one mark.

Bryant Family, Estate Cabernet Sauvignon 2012
Napa Valley
 Tasting Note: "Bryant's flagship wine, the 2012 Cabernet Sauvignon from the estate vineyard on Pritchard Hill offers a rare but magnificent forest floor/floral aromatic profile with lavishly rich, ripe notes of crème de cassis, blueberry and black raspberry liqueur. Fleshy, opulent, full-bodied and multidimensional, it conceals some significant tannins behind its wealth of extract and fruit. From a first-growth quality, hillside vineyard (13 acres), this 100% Cabernet Sauvignon is gorgeously pure as well as impeccably well-balanced with a seamless integration of tannin, acidity, alcohol and wood. In fact, the new oak component, which is significant, is largely obliterated by the wine's stunning fruit." 98 WA

COLGIN

Colgin's small production, distinct, hand-crafted wines are produced starting from unique vineyard sites in St. Helena, the highest quality of vineyard management and neo-classical winemaking techniques. The four current wines, Tychson Hill, Cariad, IX Estate Red and IX Estate Syrah are released only through mailing and restaurant lists. Along with the highly acclaimed Herb Lamb Vineyard Cabernet Sauvignon which was produced from 1992 through 2007, all can still be found on top restaurant wine lists and at auction.

Colgin, IX Estate Proprietary Red 2014

 Tasting Note: "From their steep hillside vineyards on Pritchard Hill, the 2014 Proprietary Red IX Estate is an old-fashioned Médoc blend dominated by Cabernet Sauvignon, but with some Cabernet Franc (rarely seen in the Médoc these years) as well as Merlot and Petit Verdot. Striking aromatics of violets, forest floor, loamy soil nuances, blueberry, black raspberry and blackberry soar from the glass of this spectacular 2014. The acidity seems reasonable but on the lower side, the texture is magnificent, and the overall purity and equilibrium flawless. This is a wine pushing, even demanding, a three-digit score once again, but I'm holding back - at least for now." The Wine Advocate, Issue 227, October 2016

ABREU

David Abreu, a third generation rancher who grew up in the Napa Valley where he now cultivates his vineyards, has meticulously formed four exquisite vineyard properties: Capella, Howell Mountain, Madrona Ranch, and Thorvelios. Abreu has assimilated traditional French winemaking technique into his operation of Abreu Vineyards, incorporating Bordelais planting and farming techniques as well as stunning trellis designs, drawing upon his UC Davis viticulture education. Abreu was included in Robert Parker's list of the "most influential wine personalities of the last 20 years" in 1998, and by 1999 he had garnered fame as a "grower to the stars", the premier viticulturist in Napa Valley, raising grapes for some of the most prestigious wineries in the area, and working with Bryant, the Grace Family, and Harlan Estate. S. Anderson is not only a breathtakingly beautiful vineyard to visit, rendered even more impressive after its acquisition of the Richard Chambers vineyard in 2003; it also makes a sensational and critically acclaimed Cabernet Sauvignon.

 Tasting Note: "Finally in the bottle, the 2011 Proprietary Red Cappella is showing even better than it did from barrel last year (a common occurrence at Abreu). The 2011, which includes more Merlot than usual because of the cold growing season, reveals terrific notes of espresso roast, chocolate, forest floor, incense, and blackberry and cassis fruit. This broad, round effort is an opulent, fruit-forward, supple, luscious wine that should drink well for 10-15 years." The Wine Advocate, Issue 215, October 2014

Buccella 2008
 Tastin Note: "The 2008 Cabernet Sauvignon, which comes from multiple fruit sources in Rutherford, Oakville, Yountville, Coombsville, Oak Knoll and Carneros, was aged in 100% new French oak. A blend of 95% Cabernet Sauvignon and the rest Merlot, Cabernet Franc and Petit Verdot, it exhibits an opaque purple color, great intensity and a sweet nose of blue and black fruits intermixed with toasty oak, lead pencil shavings and forest floor. Rich, layered and full-bodied with silky tannins..." The Wine Advocate, Issue 192, December 2010

DOMINUS

What happens when you combine French winemaker Christian Moueix of Petrus fame with Napanook, one of Napa Valley's most famous vineyards? You get Dominus, a wine that shares a terroir with the legendary wines of the Inglenook Vineyards era.

Dominus is a "Bordeaux blend," made up of primarily Cabernet Sauvignon with a dash of Petit Verdot, Merlot and Cabernet Franc. In France, a Cabernet Sauvignon-heavy blend like this would be found on the left bank, whereas Moueix is famous for his right bank wines: Pétrus, Trotanoy and Magdelaine. In typical Moueix style, Dominus is made in a very "French fashion:" serious attention to the vineyard health, three weeks of fermentation, 18 months in barrel, egg-white fining and no filtration. The first vintage for Dominus was in 1983.

Dominus 2007

Napa Valley

Tasting Note: "Deep garnet in color with a touch of purple, the 2007 Proprietary Red Wine flaunts wonderfully expressive, vibrant blackberries and black cherries scents to begin, giving way to black raspberries and redcurrants with touches of Indian spices, potpourri, chargrill, sage, espresso, unsmoked cigars and tilled soil plus a waft of cloves. Medium to full-bodied, the elegantly styled palate offers tantalizing restraint with a firm frame of very fine, pixelated tannins and compelling freshness, finishing very long with an invigorating lift." The 2012 Proprietary Red Estate is a blend of 72% Cabernet Sauvignon, 24% Cabernet Franc and 4% Petit Verdot. This is a drop-dead beautiful wine with an absolutely extraordinary nose of white flowers, blueberries, blackcurrants, licorice and camphor. Stunning forest floor notes also make an appearance in this ripe, full-bodied, opulent wine that is begging to be given a three-digit score. The silkiness of the tannins and the stunning purity of fruit of this unfined and unfiltered wine is simply breathtaking." The Wine Advocate, Issue 221, October 2015

It reveals a pungent, penetrating, haunting bouquet of black and blue fruits as well as spring flowers. Exceptionally rich with perfect balance, a multidimensional skyscraper-like texture, but no heaviness, this is a tour de force in great winemaking. The finish lasts for nearly a minute. This epic Napa Cabernet Sauvignon should evolve over the next 25 years." 100 The Wine Advocate, Issue 209, October 2013

Tasting Note: "The 2008 Estate Cuvée State Lane Vineyard (68% Cabernet Sauvignon, 22% Merlot and the rest Cabernet Franc and Petit Verdot) is spectacular. In fact, I rated it the same as I did the 2007. A dense ruby/purple hue is followed by a gorgeous bouquet of espresso roast, chocolate, blackberries and black fruits. Full-bodied with extraordinary elegance as well as tremendous texture, intensity and length, this singular wine should drink well for two decades." The Wine Advocate, Issue 192, December 2010

 Tasting Note: "The 2008 Roberta's Reserve State Lane Vineyard (96% Merlot and 4% Cabernet Franc) is virtually perfect. This offering is just as strong as the 2007, but slightly more forward and irresistible than the backward 2007. It boasts a dense inky/purple color as well as an extraordinary nose of blackberry liqueur intermixed with cocoa, forest floor, graphite and subtle hints of smoke as well as camphor. The wine reveals fresh acids, laser-like precision and an extraordinary plump, fleshy mouthfeel." 99 WA

 Tasting Note: "The second perfect score I have given to a Hobbs Beckstoffer To Kalon Vineyard Cabernet Sauvignon (the other was the 2002), the 2013 is as spectacular as his 2002 was. There are 638 cases of this massive wine that comes across like a first-growth Pauillac. Lead pencil shavings, cedar wood, blueberry and blackberry liqueur as well as hints of forest floor and tobacco leaf are all present in this fragrant, sumptuously textured, full-bodied, massively rich yet sensationally well-balanced Cabernet Sauvignon. It has a finish of well over 55 seconds. This is amazing work, and interestingly, I believe Hobbs was the first to offer a Beckstoffer To Kalon Vineyard designated Cabernet Sauvignon." 100 The Wine Advocate, Issue 223, March 2016

Tasting Note: "Deep garnet colored, the 2007 Pedregal Proprietary Red is sporting a gregarious blackberry pie and blueberry compote-scented nose with touches of mocha, wood smoke, unsmoked cigars and Chinese five spice plus a touch of potpourri. Full-bodied, concentrated and aging at a glacial pace, the built-like-a-brick-house palate is only just starting to budge into tertiary characters, finishing with incredible length and depth." Tasting Note: "Scarecrow's inky/purple-colored 2007 Cabernet Sauvignon is a prodigious effort. It reveals a liqueur of crushed rocks intermixed with a smorgasbord of spring flower, blueberry, creme de cassis, and assorted blue, black, and red fruit characteristics. It also possesses extraordinary concentration, but what sets it apart is the fragrant aromatics combined with uncommon purity and elegance for such a full-bodied, massively concentrated wine. Its perfect balance suggests it can be drunk at a relatively young age, but it should easily evolve over 30-35 years. Congratulations to all involved!" 100 The Wine Advocate, Issue 186, December 2009

 Tasting Note: "Very deep inky-purple colored, the 2014 Cabernet Sauvignon Hillside Select is incredibly intense and impactful on the nose, revealing notes of crushed black cherries, blackberries and fresh black currants with underlying notions of charcoal, sautéed herbs, black soil, chargrilled meat and pencil lead, plus a waft of violets. Very full-bodied, very rich and wonderfully concentrated, the wall of fruit is well matched by a firm structure of ripe, grainy tannins and plenty of freshness, finishing with great length and depth." This utterly perfect, flawless wine reveals great intensity along with a wonderful perfume of roasted coffee, blueberries, blackberries, spring flowers, forest floor and crushed rock. Full-bodied and viscous without being heavy, the wine possesses admirable precision as well as good acidity and balance. SONOMA COUNTY RED WINE

MONTELENA

Chateau Montelena Winery was constructed with stone walls, rather than the wood walls common at the time of its construction. These three to twelve foot thick stone walls provide natural insulation from temperature fluctuation, further aided by the fact that the winery is built into a hillside. The varied soil and topography of the Montelena wine contributes to layers of complex flavors and the aromatic, rich, and full-bodied nature of their Cabernet Sauvignon.

Tasting Note: "The 1999 Cabernet Sauvignon Estate (an 8,600-case cuvee made from yields of 1.98 tons of fruit per acre) is considered by Bo Barrett to be a "great" year. The wine boasts a saturated inky/purple color as well as extraordinary density of fruit and cassis, and huge tannin, body, and extract. LASCOMBES

One of the largest vineyards of the 1855 Classification, Château Lascombes covers around 120 hectares in the commune of Margaux. The original Château dates from the 17th century and was very much updated in the English style in the 19th century. It is truly a beautiful setting to produce fine wine. Once owned by Alexis Lichine and a group of American investors, the property is now owned by MACSF, the large French insurance group. Most vintages consist of 55% Cabernet Sauvignon, 40% Merlot, and 5% Petit Verdot, and annual production is around 250,000 bottles.

RUFINO TEIXEIRA COLLECTION

From the old Teixeira family stock, direct descendants of the first discoverers of Madeira. This very rare collection was recently reconditioned. All bottles were tasted, only the best were selected to be recorked and put back in the collection. Christie's is very proud to have been granted the opportunity to offer a few of these historic treasures coming from the now reconditioned Teixeira collection.

Lots 845-847

Rufino Teixeira, Sercial 1789

*From the old Teixeira family collection. Recorked in 2019. New wax capsule with the original family seal. Old three part moulded bottle with stencilling
Level into neck*

Tasting Note: Intense orange color. Deep rich nose of caramel, straw, quite uplifting. Full and expressive. Intriguing array of aromas. Soft mouthfeel of fudge, hazelnuts and dried peaches followed by a fine acidity which balances out the strong, lingering taste and cleans your palate. A very good Madeira with beautiful matured acidity under sweet fruit intensity. Great length. A clear example of the greatness of Sercial after extended aging in cask.

Tasting note: Creamy, softly sweet nose of caramel and uplifting aromas of dried peaches, followed by straw and vintage furniture wax. Classic delightful nose. Fresh start of taste, slowly evolving like a peacock. At first, fairly dry for a Malvasia, then unfolding its aromas and fine lingering acidity. A beauty of freshness and elegance. **THE FORGOTTEN CELLAR OF OLD OLIM
MADEIRA**

This collection was recently discovered in a cellar on the east side of Madeira Island, in Santa Cruz. The forgotten cellar contained ten barrels which were filled up in the mid-nineteenth century and never topped up. Over time, the Madeiras in these casks concentrated under the influence of the sub-tropical climate. When discovered, samples were presented to Christie's. Each wine had such a beautiful concentration and complex taste that they easily count among the best Madeiras Christie's Specialist Edwin Vos had have tasted. All wines were hand-bottled and shipped to New York especially for this auction. A unique opportunity to acquire old and rare Madeira's which have spent almost a century and half in cask.

Lots 853-857

Olim, Verdelho 1862

Aged in cask for 157 years. Bottled from large old casks in 2019. New wax capsules with original family GD seal. New stencilled bottles Level Into neck

Bottled direct from cask in 2019. Unfiltered.

Fresh salty nose, passion fruit and dried banana leaves intense sweet character. Different appearance from the 1867. Fine sweet taste of passion fruit with a salty touch. Very concentrated, a suave rich mouthfeel of sweet sun-ripened tropical fruit prevails with a fine acidity peeking through the impressive mid palate. So much going on here too, strong multiflavored. With time these will further unfold their aromas. Compared to the more brisk and direct 1867, this is also has a strong expression but more gentle personality.

Transferred from oak cask to demi-john in 2019.

Deep iodine color and a similar first impression on the nose. Intense nose of fine tobacco, followed by dried peaches and uplifting aromas. Clearly a concentration after long maturation in cask. This has a beautiful multilayered nose that keeps you coming back. Touch of salty, with a soft texture and refined and classy taste. Rich dried fruits over an extract rich mid, the explosion of aromas on the after taste is deeply impressive. All sorts of different flavors of grapefruits, waxy aromas, papaya, banana leaf and honey sing through your mouth. Impressive, great Bual. This is amazingly complex. How much better can a Bual get, this is high up there among the legends of Madeira Wine.

Bottled directly from cask in 2019. 148 years in cask, unfiltered. Very ethereal nose, iodine, intense, sweet, with air opening up more diversity in aromas. Complex with a touch of salt, from the oceanside ripening. Full extract rich taste, very concentrated though at same time showing sweet berry fruit followed by some varnish. On the finish, a fine lingering fruit acidity that balances out the fine fruits. Impressive wine that will get better with air and bottle age. Lots going on here. Impressive to have such a drinkability after all these years. A wine to keep in glass longer and open early on to let it breathe. A massive wine with great balance. Must have been serious from the start to have aged so well for almost one and half century. Indestructible Madeira.

Direct, sweet, and appealing taste, creamy, on the after taste with an explosion of fine tropical fruits and dried bananas. Tobacco and vintage furniture. Impressive. A fruit bomb with great intensity, overshadowing the acidity, which arises from the fruit on the after taste before quietly vanishing. Strong Verdelho of character and strength. Impressive again. Strong high-toned nose with balsamic aromas, quite volatile. Rich concentrated fruits with banana leaf, old oak, dark honey cake, and furniture wax on the second nose. Clearly a long cask-aged wine with deep intense flavors. Sweet dried apricot fruit on the attack, very rich, even for a Malvasia. Lots of grip and concentration, still there is freshness and liveliness. So unique to taste a wine that has been aged in cask for about a century and still have this pure of fruit flavors as well as a pleasure-giving drinkability. On the finish, you sense the extracts and some bitters that go on and on. Finally, there is a dried apricot aroma with Indian spices that just keep on singing in your mouth. Remarkable balance and sweetness for a wine of this concentration. Must already have been a great wine to start with. A Malvasia powerhouse. Impressive. Given the rarity of Malvasia in this period, all the more remarkable to find a wine of this amazing quality.

DERMOT BOLGER OF TORRE BELLA COLLECTION

The vast Torre Bella estate can trace its origin all the way back to the first settlers who discovered Madeira. Some of the best vineyards on the island belonged to Torre Bella, mostly in Campanário, Camara de Lobos, Ribeira Brava and Arco da Calheta. They had "lagares" in São Roque (Funchal), C^a Lobos, Campanário and Arco da Calheta, where they used to make wine. Over the centuries they supplied shippers with fine wines, though hardly ever bottled under the Torre Bella name. Only small quantities were bottled and stored in the family house.

Noel Cossart describes the Torre Bella wines of a specific character: "The Wines, which are mostly from the Câmara de Lobos and Arco da Calheta vineyards, are full, rich, well-balanced wines with an attractive acid finish."

Back in 1864, Christie's sold the private Madeira collection of Russell Manners Gordon, Visconde de Torre Bella. The estate was inherited over time by Mr. Dermot Bolger. At the time of his death, the family estate owned about 10.5% of the island. Dermot Bolger was also responsible for the revival of Malvasia Candida by replanting this variety in 1940. Back then, only a few plants remained, which is surprising as Malvasia Candida was always highly sought-after and producing some of the finest Madeiras ever made.

All of the bottles in this collection came from the old Bolger family cellar and were bottled from their original old demi johns of about 20 liters. While preparing this auction, Christie's specialists had the opportunity to taste most of these Torre Bella D. Bolger wines. Tasting notes are added where available.

The excellent quality was clear, making it easy to understand why the family kept these wines behind for family use. We are delighted to offer a fine selection of these wines in this sale for wine collectors to have a chance to enjoy these historic wines.

Bastardo wines from the 19th century are extremely rare. The quantities produced of this variety have always been tiny. Two years after this Bastardo was harvested, Phylloxera arrived on Madeira. Reserved nose of sweet red fruit, ethereal, fresh and subdued. On second nose more perfumed. Refined sweet taste of dried fruits, raisin, with clear tannins on the back. CUNHA COLLECTION

The Cunha family were the last residents of Quinta Vigia, the official residence of the Madeira government, as they inherited it in the beginning of the 1900s. The actual Quinta Vigia had two names before the present one: Quinta Lambert and Quinta das Angústias, the name in use when the Cunha family was living there. Tomas Cunha Santos sold the Quinta to the government in 1970s. The original wine company in the name of Julio A. (Augusto) Cunha was founded in 1820. The Cunha wines in this auction came from a direct descendant of Julio A. Cunha.

De Castro Jorge, Malvasia 1879

Original stencilled bottles. Original corks and damaged wax capsules

Levels into neck

This wine was from the inheritance of Joao Martins da Silva, 1860-1940, a ship owner and founder of the Madeira Navigation Agency. The Malvasia 1879 was bottled in 1943.

Many notes. Sweet, concentrated nose of caramel, orange peel, leathery and floral tones. Intense and well balanced. Touch of Cognac. Honey cake. Smokey aromas. Intensely sweet attack, classic Malvasia, plums and passion fruit, ending with fresh crème brûlée aromas. Soft aftertaste. Delicate, linear, sweet wine.

Migueis, Terrantez 1899

Bottled from old demi-john in 2018. New wax capsule with GD Madeira seal. New stencilling 'T'

Levels into neck

The Migueis family were the last residents of Quinta das Cruzes before it was acquired by the government of Madeira, who turned it into a museum. Today, it is the largest museum in Madeira. This wine came from the family stock, bottled from demi-john in 2018. High-toned nose of straw, bananas, tobacco and leather aromas. Quite expressive and fine, richly perfumed. Focused, soft and gentle mouthfeel, quite creamy and medium sweet then giving way to more impressive acidity that lingers on for minutes. Wine of character and nice length. On the finish, clear old furniture aromas. A refined style of Terrantez. Hidden power. Very good.

Bottled from demi-john in 2017 by FMA. New wax capsule with FMA seal. New stencilling

Levels into neck

Deep, rich nose of honey cake. Quite high-toned and uplifting, with a dried apricots aroma on the back. Good concentration, well-defined and aged. Full-bodied intense taste, which starts out fresh and elegant, followed by an explosion of sweet peach fruit that lingers on for minutes before gently fading away. The beautiful acidity is very nicely packed in the rich fruit and appears only on the very end. This is a beauty.

Tasting note: Expressive nose, touch of VA at first, then aromas of dried peaches and honey appear. Later on, the VA tone disappeared, and the sheer finesse of the nose came through. The taste is beautiful, intensely sweet with great length. For a Madeira, this is remarkably sweet, but what a treat. One of the best and most rare Malmseys I have tasted. Well balanced, sweet luscious (rightfully named!) fruit, a seductive richness which folds open like a flower and leaves you silent.

Tasting note: Backward nose. Very light weight and not showing any aromas, but with minty tones. At second nose, more on the roasted hazelnut side. Medium-rich at the beginning of taste with a lovely, refined mid-palate, acidity coming through. On the after taste, a sweet grapefruit aroma which gives the wine character. Great finish of red grapefruits and honeyed sweetness. Wow. Vying with Serrado 1830 for my top marks in this tasting.

 Tasting notes: Fresh, smoky tones in a slightly sweet attractive nose
 with tobacco, leather, and butterscotch aromas. Very fine, very nice
 nose. Tangy taste start, concentrated and intense. Lots of extract
 as can be expected of a long cask-aged wine, a touch spicity. On the
 finish, there are some red grapefruit aromas and a slight lingering
 bitter tone. Long. Very good wine. 18,5. A classic Sercial with high
 natural concentrated acidity.

OVERHOLT RYE WHISKEY

Old Overholt is one of the oldest distilleries in America that is still running today. Abraham Overholt began distilling his Rye Whiskey in 1810, and by 1812 had established a commercial distillery in West Overton, Pennsylvania where he produced Old Farm Pure Rye Whiskey. In 1860, Jacob Overholt, Abraham's son and his cousin Henry Overholt built a second distillery in nearby Broad Ford, and it was here that the first Rye whiskey bearing the Overholt brand was distilled.

Old Overholt is a Straight Rye Whiskey, aged at least four years, but in the case of these older examples which were distilled before the commencement of prohibition, it is likely that the whiskey spent much longer in cask, leading to a richer style of whiskey.

Old Overholt is one of the most consistent styles of whiskey in America, and in the minds of many, was one of the most characterful and elegant Rye whiskeys that were distilled at the beginning of the 20th century. The whiskey was distilled in a large, wooden three chamber still (a hybrid between a pot and column still) from a mash bill of rye and barley malt and aged in heated warehouses.

LEVEL/ULLAGE DESCRIPTIONS AND INTERPRETATIONS

(see notes below)

BORDEAUX

BURGUNDY

- 1 into neck: Level of young wines. Exceptionally good in wines over 10 years old.
- 2 bottom neck: Perfectly good for any age of wine. Outstandingly good for a wine of 20 years in bottle, or longer.
- 3 very top-shoulder
- 4 top-shoulder: Normal for any claret 15 years old or older.
- 5 upper-shoulder: Slight natural reduction through the easing of the cork and evaporation through cork and capsule. Usually no problem. Acceptable for any wine over 20 years old. Exceptional for pre-1950 wines.

- 6 mid-shoulder: Probably some weakening of the cork and some risk. Not abnormal for wines 30/40 years of age. Estimates usually take this into account.
- 7 mid-low-shoulder: Some risk. Low estimates.
- 8 low-shoulder: Risky and usually only accepted for sale if wine or label exceptionally rare or interesting. Always offered with low estimate.

Because of the slope of shoulder it is impractical to describe levels as mid-shoulder, etc. Wherever appropriate the level between cork and wine will be measured and catalogued in centimetres.

The condition and drinkability of burgundy is less affected by uillage than its equivalent from Bordeaux. For example, a 5 to 7 cm. ullage in a 30-year-old burgundy can be considered normal, indeed good for age, 3.5 to 4 cm. excellent for age, even 7cm. rarely a risk.

BOTTLE SIZES

- magnum = two regular bottles
- marie-jeanne = three regular bottles
- double-magnum = four regular bottles
- jeroboam = four regular bottles (Burgundy, Champagne)
- jeroboam = six regular bottles (Bordeaux) (or 5 litres)
- impériale = eight regular bottles (Bordeaux)
- methuselah = eight regular bottles (Burgundy)

SPECIAL NOTICE

Though every effort is made to describe or measure the levels of older vintages, corks over twenty years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment.

We therefore repeat that there is always a risk of cork failure with old wines and due allowance must be made for this.

Under no circumstances can an adjustment of price or credit be made after delivery except under the terms stated in Paragraph 5 of the Conditions of Sale.

Unless otherwise stated, Bordeaux are château bottled and all wines are bottled in the country of production.

Important note regarding opening of cases and listing of levels: Christie's general policy is to open all wood cases and to describe levels. Bidders must make allowances for reasonable variations in ullage which may be encountered in cases older than twenty years. Additionally all wine younger than twenty years have levels bottom neck/2.5cm or better unless otherwise noted.

BUYING AT CHRISTIE'S

CONDITIONS OF SALE

Bidders are strongly encouraged to read the Conditions of Sale contained in this catalogue that state the terms governing the purchase of all property sold at auction and the conditions upon which Christie's guarantees the authenticity of property offered for sale.

ESTIMATES

Catalogue entries include descriptions for every lot and a price range that is our specialists' opinion of the price expected at auction. Estimates are based upon prices recently paid at auction for comparable property and take into account condition, rarity, quality and provenance (history of previous ownership). Estimates are prepared well in advance of the sale and are subject to revision. Buyers should not rely upon estimates as a representation or prediction of actual selling prices. Estimates do not include the buyer's premium or sales tax. Where "Estimate on Request" appears, please contact the Specialist Department for further information.

RESERVES

Unless otherwise indicated, all lots in this catalogue are offered subject to a reserve. The reserve is the confidential minimum price the consignor will accept and below which a lot will not be sold. The reserve will not exceed the low pre-sale estimate. Lots that are not subject to a reserve are identified by the symbol • next to the lot number.

BUYER'S PREMIUM FOR WINE

Christie's charges a premium to the buyer on the final bid price of each lot of wine sold at the following rates:

25% of the final bid price of each lot.

For all lots, taxes are payable on the premium at the applicable rate.

PRE-AUCTION VIEWING

Pre-auction viewings are open to the public and free of charge. Christie's specialists are available to give advice at viewings or by appointment. We encourage prospective buyers to examine lots thoroughly and to request condition reports. Exceptions: Wine: All viewings are by appointment only. To make arrangements please contact the Wine Department

BIDDER REGISTRATION

Prospective buyers should register for a numbered bidding paddle at least 30 minutes before the sale. New clients, or those who have not made a recent purchase at Christie's, will be asked to supply a bank reference to register.

To avoid any delay in the release of purchases, please pre-arrange check or credit approval through Christie's Credit Department at +1 212 636 2490 or by fax at +1 212 636 4943.

BIDDING

The auctioneer accepts bids from those present in the saleroom, from telephone bidders or by absentee written bids left with Christie's in advance of the auction. The auctioneer may also execute bids on behalf of the consignor up to the amount of the reserve, either by placing consecutive bids or by entering bids in response to saleroom, telephone, and/or absentee bids. The auctioneer will not specifically identify bids placed on behalf of the consignor. Under no circumstances will the auctioneer place any bid on behalf of the consignor at or above the reserve. Please note New York State law requires that buyers of alcoholic beverages must be at least 21 years of age.

ABSENTEE BIDS

Absentee bids are written instructions from prospective buyers directing Christie's to bid on their behalf up to a maximum amount specified for

each lot. Christie's staff will attempt to execute an absentee bid at the lowest possible price taking into account the reserve price and other bids. If identical bids are received from two or more parties, the first bid received by Christie's will take priority. Absentee bids submitted on "no reserve" lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate. The auctioneer may execute absentee bids directly from the rostrum, clearly identifying these as "absentee bids," "book bids," "order bids" or "commission bids." Absentee Bids Forms are available in this catalogue, at any Christie's location or on www.christies.com.

TELEPHONE BIDS

Telephone bids will be accepted for lots with low-end estimates of \$1,500 and above, no later than 24 hours prior to the sale and only if the capacity of our pool of staff phone bidders allows. Arrangements to bid in languages other than English must be made well in advance of the sale date.

Telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent to the recording of their conversations.

Christie's offers all absentee and telephone bidding services as a convenience to our clients, but will not be responsible for errors or failures to execute bids.

BIDDING INCREMENTS

Bidding generally opens below the low estimate and advances in increments of up to 10%, subject to the auctioneer's discretion.

Absentee bids that do not conform to the increments set below may be lowered to the next bidding interval.

\$50 to \$1,000	by \$50s
\$1,000 to \$2,000	by \$100s
\$2,000 to \$3,000	by \$200s

\$30,000 to \$50,000	by \$2,000, \$5,000, \$8,000 (ie: \$32,000, \$35,000, \$38,000)
\$50,000 to \$100,000	by \$5,000s
\$100,000 to \$200,000	by \$10,000s
above \$200,000	at the auctioneer's discretion

The auctioneer may vary the increments during the course of the auction at his or her own discretion.

SUCCESSFUL BIDS

The fall of the auctioneer's hammer indicates the final bid, at which time the buyer assumes full responsibility for the lot. The results of absentee bids will be sent by mail after the auction. Successful bidders will pay the price of the final bid plus premium plus any applicable taxes.

The denial of any license or any delay in obtaining licenses shall neither justify the rescission of any sale nor any delay in making full payment for the lot. Local laws may prohibit the import of some property and/or may prohibit the resale of some property in the country of importation, no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

CONDITIONS OF SALE FOR WINE

These Conditions of Sale and the Important Notices and Explanation of Cataloguing Practice contain all the terms on which Christie's and the seller contract with the buyer. They may be amended by posted notices or oral announcements made during the sale.

By bidding at auction you agree to be bound by these terms.

1. CHRISTIE'S AS AGENT

Except as otherwise stated Christie's acts as agent for the seller. The contract for the sale of the property is therefore made between the seller and the buyer.

2. BEFORE THE SALE

(a) Examination of property

Prospective buyers are strongly advised to examine personally any property in which they are interested, before the auction takes place. Condition reports are usually available on request. Neither Christie's nor the seller provides any guarantee in relation to the nature of the property. The property is sold "as is."

(b) Catalogue and other descriptions

Our cataloguing practice is explained in the Important Notices and Explanation of Cataloguing Practice after the catalogue entries. All statements by us in the catalogue entry for the property or in the condition report, or made orally or in writing elsewhere, are statements of opinion and are not to be relied on as statements of fact. Such statements do not constitute a representation, warranty or assumption of liability by us of any kind. References in the catalogue entry or the condition report to damage or restoration are for guidance only and should be evaluated by personal inspection by the bidder or a knowledgeable representative. The absence of such a reference does not imply that an item is free from defects or restoration, nor does a reference to particular defects imply the absence of any others. Estimates of the selling price should not be relied on as a statement that this is the price at which the item will sell or its value for any other purpose. Except as set forth in paragraph 6 below, neither Christie's, nor the seller is responsible in any way for errors and omissions in the catalogue or any supplemental material.

(c) Buyer's responsibility

All property is sold "as is" without any representation or warranty of any kind by Christie's, or the seller. Buyers are responsible for satisfying themselves concerning the condition of the property and the matters referred to in the catalogue entry.

3. AT THE SALE

(a) Refusal of admission

Christie's has the right, at our complete discretion, to refuse admission to the premises or participation in any auction and to reject any bid.

(b) Registration before bidding

Prospective buyers who wish to bid in the saleroom can register online in advance of the sale, or can come to the saleroom on the day of the sale approximately 30 minutes before the start of the sale to register in person. A prospective buyer must complete and sign a registration form and provide identification before bidding. We may require the production of bank or other financial references.

(c) Bidding as principal

When making a bid, a bidder is accepting personal liability to pay the purchase price, including the buyer's premium and all applicable taxes, plus

all other applicable charges, unless it has been explicitly agreed in writing with Christie's before the commencement of the sale that the bidder is acting as agent on behalf of an identified third party acceptable to Christie's, and that Christie's will only look to the principal for payment.

(d) Absentee bids

We will use reasonable efforts to carry out written bids delivered to us prior to the sale for the convenience of clients who are not present at the auction in person, by an agent or by telephone. Bids must be placed in the currency of the place of the sale. Please refer to the catalogue for the Absentee Bids Form. If we receive written bids on a particular lot for identical amounts, and at the auction these are the highest bids on the lot, it will be sold to the person whose written bid was received and accepted first. Execution of written bids is a free service undertaken subject to other commitments at the time of the sale and we do not accept liability for failing to execute a written bid or for errors and omissions in connection with it.

(e) Telephone bids

Telephone bids will be accepted for lots with low-end estimates of \$1,500 and above, no later than 24 hours prior to the sale and only if the capacity of our pool of staff phone bidders allows. Arrangements to bid in languages other than English must be made well in advance of the sale date.

Telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent to the recording of their conversations. Christie's offers all absentee and telephone bidding services as a convenience to our clients, but will not be responsible for errors or failures to execute bids.

(f) Currency converter

At some auctions a currency converter may be operated. Errors may occur in the operation of the currency converter and we do not accept liability to bidders who follow the currency converter rather than the actual bidding in the saleroom.

(g) Video or digital images

At some auctions there may be a video or digital screen. Errors may occur in its operation and in the quality of the image and we do not accept liability for such errors.

(h) Reserves

Unless otherwise indicated, all lots are offered subject to a reserve, which is the confidential minimum price below which the lot will not be sold. The reserve will not exceed the low estimate printed in the catalogue. If any lots are not subject to a reserve, they will be identified with the symbol • next to the lot number. The auctioneer may open the bidding on any lot below the reserve by placing a bid on behalf of the seller. The auctioneer may continue to bid on behalf of the seller up to the amount of the reserve, either by placing consecutive bids or by placing bids in response to other bidders. Absentee bids submitted on "no reserve" lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate.

(i) Auctioneer's discretion

The auctioneer has the right at his absolute and sole discretion to refuse any bid, to advance the bidding in such a manner as he may decide, to withdraw or divide any lot, to combine any two or more lots and, in the case of error or dispute, and whether during or after the sale, to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the item in dispute. If any dispute arises after the sale, our sale record is conclusive.

(j) Successful bid and passing of risk

Subject to the auctioneer's discretion, the highest bidder accepted by the auctioneer will be the buyer and the striking of his hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the seller and the buyer. Risk and responsibility for the lot (including frames or glass where relevant) passes to the buyer at the expiration of seven calendar days from the date of the sale or on collection by the buyer if earlier.

4. AFTER THE SALE

(a) Buyer's premium

In addition to the hammer price, the buyer agrees to pay to us the buyer's premium together with any applicable value added tax, sales or compensating use tax or equivalent tax in the place of sale. The buyer's premium for wine is 25% of the hammer price on each lot.

(b) Payment and passing of title

Immediately following the sale, the buyer must provide us with his or her name and permanent address and, if so requested, details of the bank from which payment will be made. The buyer must pay the full amount due (comprising the hammer price, buyer's premium and any applicable taxes) not later than 4.30pm on the seventh calendar day following the sale. This applies even if the buyer wishes to export the lot and an export license is, or may be, required. The buyer will not acquire title to the lot until all amounts due to us from the buyer have been received by us in good cleared funds even in circumstances where we have released the lot to the buyer.

(c) Collection of purchases

We shall be entitled to retain items sold until all amounts due to us, or to Christie's International plc, or to any of its affiliates, subsidiaries or parent companies worldwide, have been received in full in good cleared funds or until the buyer has satisfied such other terms as we, in our sole discretion, shall require. Subject to this, the buyer shall collect purchased lots within seven calendar days from the date of the sale unless otherwise agreed between us and the buyer.

(d) Packing, handling and shipping

Although we shall use reasonable efforts to take care when handling, packing and shipping a purchased lot, we are not responsible for the acts or omissions of third parties whom we might retain for these purposes. Similarly, where we may suggest other handlers, packers or carriers if so requested, we do not accept responsibility or liability for their acts or omissions.

(e) Export license

Unless otherwise agreed by us in writing, the fact that the buyer wishes to apply for an export license does not affect his or her obligation to make payment within seven days nor our right to charge interest or storage charges on late payment. We shall not be obliged to rescind a sale nor to refund any interest or other expenses incurred by the buyer where payment is made by the buyer in circumstances where an export license is required.

(f) Remedies for non payment

If the buyer fails to make payment in full in good cleared funds within the time required by paragraph 4(b) above, we shall be entitled in our absolute discretion to exercise one or more of the following rights or remedies (in addition to asserting any other rights or remedies available to us by law):

- (i) to charge interest at such rate as we shall reasonably decide;
- (ii) to hold the defaulting buyer liable for the total amount due and to commence legal proceedings for its recovery together with interest, legal fees and costs to the fullest extent permitted under applicable law;
- (iii) to cancel the sale;
- (iv) to resell the property publicly or privately on such terms as we shall think fit;
- (v) to pay the seller an amount up to the net proceeds payable in respect of the amount bid by the defaulting buyer;
- (vi) to set off against any amounts which we, or Christie's International plc, or any of its affiliates, subsidiaries or parent companies worldwide, may owe the buyer in any other transactions, the outstanding amount remaining unpaid by the buyer;
- (vii) where several amounts are owed by the buyer to us, or to Christie's International plc, or to any of its affiliates, subsidiaries or parent companies worldwide, in respect of different transactions, to apply any amount paid to discharge any amount owed in respect of any particular transaction, whether or not the buyer so directs;
- (viii) to reject at any future auction any bids made by or on behalf of the buyer or to obtain a deposit from the buyer before accepting any bids;
- (ix) to exercise all the rights and remedies of a person holding security over any property in our possession owned by the buyer, whether by way of pledge, security interest or in any other way, to the fullest extent permitted by the law of the place where such property is located. The buyer will be deemed to have granted such security to us and we may retain such property as collateral security for such buyer's obligations to us;
- (x) to take such other action as we deem necessary or appropriate.

If we resell the property under paragraph (iv) above, the defaulting buyer shall be liable for payment of any deficiency between the total amount originally due to us and the price obtained upon resale as well as for all costs, expenses, damages, legal fees and commissions and premiums of whatever kind associated with both sales or otherwise arising from the default. If we pay any amount to the seller under paragraph (v) above, the buyer acknowledges that Christie's shall have all of the rights of the seller, however arising, to pursue the buyer for such amount.

(g) Failure to collect purchases
Where purchases are not collected within seven calendar days from the date of the sale, whether or not payment has been made, we shall be permitted to remove the property to a third party warehouse at the buyer's expense, and only release the items after payment in full has been made of removal, storage, handling, insurance and any other costs incurred, together with payment of all other amounts due to us.

5. WARRANTIES

1. EXTENT OF CHRISTIE'S LIABILITY

Neither the seller, Christie's, nor any of their officers, employees or agents, are responsible for the correctness of any statement of whatever kind concerning any lot, whether written or oral, nor for any other errors or omissions in description or for any faults or defects in any lot. Except as stated below, neither the seller, Christie's, nor any of their officers, employees or agents, give any representation, warranty or guarantee or assume any liability of any kind in respect of any lot with regard to merchantability, fitness for a particular purpose, description, size, quality, condition, attribution, authenticity, rarity, importance, medium, provenance, exhibition history, literature or historical relevance. Except as required by local law any warranty of any kind whatsoever is excluded by this paragraph. Notwithstanding any other terms of these Conditions of Sale, if within 30 days after the sale, Christie's has received from the original buyer of any property notice of a claim in writing that any lot is short or has suffered breakage, then Christie's in their sole discretion will decide any such claim as between the consignor and the buyer and may rescind the sale and refund the purchase price received.

The benefits of the warranty are not assignable and shall apply only to the original buyer of the lot as shown on the invoice originally issued by Christie's when the lot was sold at auction.

The original buyer must have remained the owner of the lot without disposing of any interest in it to any third party.

The buyer's sole and exclusive remedy against Christie's, and the seller, in place of any other remedy which might be available, is the cancellation of the sale and the refund of the original purchase price paid for the lot. Neither Christie's nor the seller will be liable for any special, incidental or consequential damages including, without limitation, loss of profits nor for interest.

2. YOUR WARRANTIES

(a) You warrant that the funds used for settlement are not connected with any criminal activity, including tax evasion, and you are neither under investigation, nor have you been charged with or convicted of money laundering, terrorist activities or other crimes.

(b) where you are bidding on behalf of another person, you warrant that:

- (i) you have conducted appropriate customer due diligence on the ultimate buyer(s) of the lot(s) in accordance with all applicable anti-money laundering and sanctions laws, consent to us relying on this due diligence, and you will retain for a period of not less than 5 years the documentation evidencing the due diligence. You will make such documentation promptly available for immediate inspection by an independent third-party auditor upon our written request to do so;
- (ii) the arrangements between you and the ultimate buyer(s) in relation to the lot or otherwise do not, in whole or in part, facilitate tax crimes;
- (iii) you do not know, and have no reason to suspect, that the funds used for settlement are connected with, the proceeds of any criminal activity, including tax evasion, or that the ultimate buyer(s) are under investigation, or have been charged with or convicted of money laundering, terrorist activities or other crimes.

6. OUR ABILITY TO CANCEL

In addition to the other rights of cancellation contained in this agreement, we can cancel a sale of a lot if: (i) any of your warranties in paragraph 5.2 are not correct; (ii) we reasonably believe that completing the transaction is, or may be, unlawful; or (iii) we reasonably believe that the sale places us or the seller under any liability to anyone else or may damage our reputation.

7. COPYRIGHT

The copyright in all images, illustrations and written material produced by or for Christie's, relating to a lot including the contents of this catalogue, is and shall remain at all times the property of Christie's and shall not be used by the buyer, nor by anyone else, without our prior written consent. Christie's and the seller make no representation or warranty that the buyer of a property will acquire any copyright or other reproduction rights in it.

8. SEVERABILITY

If any part of these Conditions of Sale is found by any court to be invalid, illegal or unenforceable, that part shall be discounted and the rest of the conditions shall continue to be valid to the fullest extent permitted by law.

9. LAW AND JURISDICTION

The rights and obligations of the parties with respect to these Conditions of Sale, the conduct of the auction and any matters connected with any of the foregoing shall be governed and interpreted by the laws of the jurisdiction in which the auction is held. By bidding at auction, whether present in person or by agent, by written bid, telephone or other means, the buyer shall be deemed to have submitted, for the benefit of Christie's, to the exclusive jurisdiction of the courts of that country, state, county or province, and (if applicable) of the federal courts sitting in such state.

SPECIAL NOTICE

Though every effort is made to describe the wines in this catalogue and to describe or measure the levels of older vintages, buyers of old wines must make appropriate allowances for natural variations of ullages, conditions of corks and wine. Corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment.

We therefore repeat that there is always a risk of cork failure with old wines and due allowance must be made for this.

Under no circumstances can a return be accepted or an adjustment of price or credit be made after delivery except under the terms stated in paragraph 5, above, of the Conditions of Sale. Unless otherwise stated, Bordeaux are châteaux bottled.

Important note regarding opening of cases and listing of levels: Christie's general policy is to open all wood cases and to describe levels. Bidders must make allowances for reasonable variations in ullage which may be encountered in cases older than twenty years.

IMPORTANT NOTICES AND EXPLANATION OF CATALOGUING PRACTICE FOR WINE AND SPIRITS

IMPORTANT NOTICES

CHRISTIE'S INTEREST IN PROPERTY CONSIGNED FOR AUCTION

From time to time, Christie's may offer a lot which it owns in whole or in part. Such property is identified in the catalogue with the symbol Δ next to its lot number.

On occasion, Christie's has a direct financial interest in lots consigned for sale, which may include guaranteeing a minimum price or making an advance to the consignor that is secured solely by consigned property. Such property is identified in the catalogue with the symbol \circ next to the lot number. This symbol will be used both in cases where Christie's holds the financial interest on its own, and in cases where Christie's has financed all or part of such interest through third parties. When a third party agrees to finance all or part of Christie's interest in a lot, it takes on all or part of the risk of the lot not being sold, and will be remunerated in exchange for accepting this risk. The third party may also bid for the lot. Where it does so, and is the successful bidder, the remuneration may be netted against the final purchase price. If the lot is not sold, the third party may incur a loss. Where Christie's has an ownership or financial interest in every lot in the catalogue, Christie's will not designate each lot with a symbol, but will state its interest at the front of the catalogue.

In this catalogue, if property has $\circ \blacklozenge$ next to the lot number, Christie's guarantee of a minimum price has been fully financed through third parties.

ALL DIMENSIONS ARE APPROXIMATE

CONDITION REPORTS

Christie's catalogues include references to condition only in descriptions of multiple works (such as prints, books and wine). Please contact the Specialist Department for a condition report on a particular lot.

Condition reports are provided as a service to interested clients. Prospective buyers should note that descriptions of property are not warranties and that each lot is sold "as is."

PROPERTY INCORPORATING MATERIALS FROM ENDANGERED AND OTHER PROTECTED SPECIES

Property made of or incorporating (irrespective of percentage) endangered and other protected species of wildlife are marked with the symbol \sim in the catalogue. Such material includes, among other things, ivory, tortoiseshell, crocodile skin, rhinoceros horn, whale bone and certain species of coral, together with Brazilian rosewood. Prospective purchasers are advised that several countries prohibit altogether the importation of property containing such materials, and that other countries require a permit (e.g., a CITES permit) from the relevant regulatory agencies in the countries of exportation as well as importation. Accordingly, clients should familiarize themselves with the relevant customs laws and regulations prior to bidding on any property with wildlife material if they intend to import the property into another country.

Please note that it is the client's responsibility to determine and satisfy the requirements of any applicable laws or regulations applying to the export or import of property containing endangered and other protected wildlife material. The inability of a client to export or import property containing endangered and other protected wildlife material is not a basis for cancellation or rescission of the sale. Please note also that lots containing potentially regulated wildlife material are marked as a convenience to our clients, but Christie's does not accept liability for errors or for failing to mark lots containing protected or regulated species.

OPTIONS TO BUY PARCELS

A parcel, as denoted in the catalogue, is a sequence of lots carrying the same estimates and consisting of the same type of wine, quantity and bottle size.

In the sale, the buyer of the first lot of a parcel of wine will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same hammer price.

If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the buyer of that lot the option to take any or all of the remaining lots in the parcel sequence.

Absentee bids submitted on any lot in a parcel will, if unsuccessful, be placed on successive lots in the parcel until such bid is successful or the parcel has ended.

Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer.

CLASSIFICATIONS

Classifications in the text are for identification purposes only and are based on the official 1855 classification of the Médoc and other standard sources

All wines are bottled by the producer (Château or estate owner) unless otherwise indicated by the initials Bordeaux Bottled BB and English Bottled EB.

ULLAGES AND CORKS OF OLD WINES

Wines are described in this catalogue as correctly as can be ascertained at time of going to press, but buyers of old wines must make appropriate allowances for natural variations of ullages, conditions of cases, labels, corks and wine. No returns will be accepted.

ULLAGE

The amount by which level of wine is short of being full: these levels may vary according to age of the wines and, as far as can be ascertained by inspection prior to the sale, are described in the catalogue.

SHIPPING AND COLLECTION: WINE

All wines are held at Christie's facility at The Wine Cellarage. Buyers are expected to remove their property within 7 calendar days of the auction. A Christie's Collection and Delivery Form is enclosed with each invoice and is available on the Christie's website. It is the buyer's responsibility to pick up purchases or make all shipping arrangements. After payment has been made in full, Christie's can arrange property packing and shipping at the buyer's request and expense.

Please also refer to the information contained in Buying at Christie's.

I request Christie's to bid on the following lots up to the maximum price I have indicated for each lot. I understand that if my bid is successful, the purchase price will be the sum of my final bid plus a buyer's premium of 25% of the final bid price of each lot and any applicable state or local sales or use tax.

I understand that Christie's provides the service of executing absentee bids for the convenience of clients and that Christie's is not responsible for failing to execute bids or for errors relating to execution of bids. On my behalf, Christie's will try to purchase these lots for the lowest possible price, taking into account the reserve and other bids. Absentee bids submitted on "no reserve" lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre-sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate.

If identical absentee bids are received for the same lot, the written bid received first by Christie's will take precedence.

Telephone bids will be accepted for lots with low-end estimates of \$1,500 and above, no later than 24 hours prior to the sale and only if the capacity of our pool of staff phone bidders allows.

Arrangements to bid in languages other than English must be made well in advance of the sale date.

Telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent to the recording of their conversations.

Christie's offers all absentee and telephone bidding services as a convenience to our clients, but will not be responsible for errors or failures to execute bids.

All bids are subject to the terms of the Conditions of Sale and Limited Warranty printed in each Christie's catalogue.

ABSENTEE BIDS MUST BE RECEIVED AT LEAST 24 HOURS BEFORE THE AUCTION BEGINS

CHRISTIE'S WILL CONFIRM ALL BIDS RECEIVED BY FAX BY RETURN FAX. IF YOU HAVE NOT RECEIVED CONFIRMATION WITHIN ONE BUSINESS DAY, PLEASE CONTACT THE BID DEPARTMENT.
