WELCOME

Dear Collectors,

It is with great pleasure that we present the London Handbags & Accessories Summer auction. Within these digital pages lies 120 pieces, chosen for their rarity, uniqueness, and desirability. Whether you are visiting us in person, online or via the phone, we welcome you to this season's sale room. We are pleased to announce that our cutting edge digital capabilities have hosted bidders from over 40 countries in our Handbag auctions.

We invite you to journey through time, beginning in 1920, when the name Louis Vuitton was as synonymous with luxury travel, as it is today. The technological advancements implemented by Louis Vuitton and his sons in the 19th century were cutting edge material developments. This spirit of modernisation is a theme that persists to this day.

Our auction is filled with historically important pieces, tracing the history of travel and design, style and fashion, and even women's changing roles in society. Please visit [Christies.com/handbagslondon](https://www.christies.com/handbagslondon) to learn more about the history of these bags and more.

We look forward to hearing from you this season, to assist you with your collecting needs remotely or in person, and to share our handbag knowledge and passion.

Thank you for participating in our auctions and for choosing to collect with Christie's.

With warmest wishes,

Rachel

INTERNATIONAL CONDITION GRADING SYSTEM

Grades in Condition Reports

We provide a general, numeric condition grade to help with overall condition guidance. Please review the specific condition report and extra images for each **lot** before bidding.

Grade 1: this item exhibits no signs of use or wear and could be considered as new. There are no flaws. Original packaging and protective plastic are likely intact as noted in the **lot** description.

Grade 2: this item exhibits minor flaws and could be considered nearly brand new. It may never have been used, or may have been used a few times. There are only minor condition notes, which can be found in the specific condition report.

Grade 3: this item exhibits visible signs of use. Any signs of use or wear are minor. This item is in good condition.

Grade 4: this item exhibits wear from frequent use. This item either has light overall wear or small areas of heavy wear. The item is considered to be in fair condition.

Grade 5: this item exhibits normal wear and tear from regular or heavy use. The item is in good, usable condition but it does have condition notes.

Grade 6: this item is damaged and requires repair. It is considered in fair condition.

Any reference to condition in a catalogue entry will not amount to a full description of condition, and images may not show the condition of a **lot** clearly. Colours and shades may look different in print or on screen to how they look in real life. It is your responsibility to ensure that you have received and considered any condition report and grading.

CITES FAQs

LONDON SALES

Certain handbags offered in this sale are made from or incorporate materials from endangered species marked with a ~ symbol. If you intend to bid on one of these handbags we ask that you familiarise yourself with the FAQs listed on this page.

1. What does it mean if an item is made from a CITES material?

If a handbag is marked with the ~ symbol, it means that it is made from or includes endangered and other protected species of wildlife. This includes, among other things, crocodile, alligator and lizard skins. This means that the item could be subject to import and/or export restrictions and restrictions on future sale. It is your responsibility to determine and satisfy the requirements of any applicable laws or regulations relating to the export or import of property containing such protected or regulated material before you bid.

2. Where can my CITES handbag be shipped to?

We are able to ship the handbag to your address in the UK or elsewhere in the EU (subject always to the laws of the destination country). We cannot ship to a country outside of the EU, nor can we provide you with documentation that will enable you to ship to a country outside of the EU.

3. Can I collect my CITES handbag from Christie's London?

Yes - your handbag is available for collection from our London saleroom. You will be required to sign a buyer collection form stating that you have collected your handbag and that you understand it is made from a protected CITES material.

4. Can someone else collect my CITES handbag on my behalf?

Yes, subject to you providing them with a signed authorisation letter. They will also be required to sign the buyer collection form on your behalf.

5. Can I handcarry my CITES handbag outside of the EU?

It depends. UK export laws permit for certain CITES items to be handcarried out of the UK without obtaining an export permit in some circumstances. In order to benefit from this "personal effects exemption", the following criteria must be met:

- The handbag must be made from Annex B material.
- Only the purchaser of the handbag (i.e. not a shipper, employee, friend, relative, etc.) may carry this as part of their personal effects (i.e. personal luggage) when they leave the UK.
- The exemption is only available to private individuals who are exporting for personal (rather than commercial) use.
- With regards to items made from crocodilian leather (crocodile, caiman or alligator species), only four (4) bags may be handcarried at any one time.
- The handbag must be taken directly from the UK to outside of the EU. If you go via another EU country, you will then be subject to the export laws of that EU country.

However please note: just because the handbag can be carried out of the UK under the handcarry exemption without an export permit does not mean that the same handbag can be carried into another country without first obtaining an import permit. You will need to check if your destination allows personal effects imports and any relevant criteria. If an import permit is required, we are unable to supply the necessary documentation. Please note using the personal effects exemption may affect your ability to get any future export permits and/or your ability to sell.

6. What paperwork will I receive with my CITES handbag?

We will provide you with a copy of the Christie's sales invoice and a letter confirming (i) details of the sale; (ii) details of handbag; and (iii) the CITES species and CITES Annex.

VAT SYMBOLS AND EXPLANATION

IMPORTANT NOTICE:

The VAT liability in force on the date of the sale will be the rules under which we invoice you.

BREXIT: If the UK withdraws from the EU without an agreed transition deal relating to the import and export of property, your invoiced VAT position may retrospectively change and additional import tariffs may be due if you import your purchase into the EU. Christie's is unable to provide tax or financial advice to you and recommends you obtain your own independent tax advice.

You can find a glossary explaining the meanings of words coloured in bold on this page at the end of the section of the catalogue headed 'Conditions of Sale' VAT payable

(b) provide immediate proof of correct export out of the EU or UK (as applicable pursuant

to (a) above within the required time frames of: 30 days via a 'controlled export' for * and Ω lots. All other lots must be exported within three months of collection.
4. Details of the documents which you must provide to us to show satisfactory proof of export/shipping are available from our VAT team at the address below. We charge a processing fee of £35.00 per invoice to check

shipping/export documents. We will waive this processing fee if you appoint Christie's Shipping Department to arrange your export/shipping.
5. If you appoint Christie's Art Transport or one of our authorised shippers to arrange your export/shipping we will issue you with an export invoice with the applicable VAT or duties cancelled as outlined above. If you later cancel or change the shipment in a manner that

infringes the rules outlined above we will issue a revised invoice charging you all applicable taxes/charges.
6. If you ask us to re-invoice you under normal UK VAT rules (as if the lot had been sold with a † symbol) instead of under the Margin Scheme the lot may become ineligible to be resold using the Margin Schemes. Prior to the UK withdrawing from the EU without an agreed transition deal, **movement within the EU**

must be within 3 months from the date of sale. You should take professional advice if you are unsure how this may affect you.
7. All invoicing requests must be received within four years from the date of sale. If you have any questions about VAT refunds please contact Christie's Client Services on info@christies.com. Tel: +44 (0)20 7389 2886. Fax: +44 (0)20 7389 1611.

IMPORTANT NOTICES AND EXPLANATION OF CATALOGUING PRACTICE

CHRISTIE'S INTEREST IN PROPERTY CONSIGNED FOR AUCTION

△ **Property Owned in part or in full by Christie's**
From time to time, Christie's may offer a **lot** which it owns in whole or in part. Such property is identified in the catalogue with the symbol △ next to its **lot** number. Where Christie's has an ownership or financial interest in every lot in the catalogue, Christie's will not designate each **lot** with a symbol, but will state its interest in the front of the catalogue.

○ **Minimum Price Guarantees**

On occasion, Christie's has a direct financial interest in the outcome of the sale of certain lots consigned for sale. This will usually be where it has guaranteed to the Seller that whatever the outcome of the auction, the Seller will receive a minimum sale price for the work. This is known as a minimum price guarantee. Where Christie's holds such financial interest we identify such **lots** with the symbol ○ next to the **lot** number.

◆ **Third Party Guarantees/Irrevocable bids**

Where Christie's has provided a Minimum Price Guarantee it is at risk of making a loss, which can be significant, if the **lot** fails to sell. Christie's therefore sometimes chooses to share that risk with a third party who agrees prior to the auction to place an irrevocable written bid on the **lot**. If there are no other higher bids, the third party commits to buy the lot at the level of their irrevocable written bid. In doing so, the third party takes on all or part of the risk of the lot not being sold. **Lots** which are subject to a third party guarantee arrangement are identified in the catalogue with the symbol ◆.

In most cases, Christie's compensates the third party in exchange for accepting this risk. Where the third party is the successful bidder, the third party's remuneration is based on a fixed financing fee. If the third party is not the successful bidder, the remuneration may either be based on a fixed fee or an amount calculated against the final **hammer price**. The third party may also bid for the **lot** above the irrevocable written bid. Where the third party is the successful bidder, Christie's will report the **purchase price** net of the fixed financing fee.

Third party guarantors are required by us to disclose to anyone they are advising their financial interest in any **lots** they are guaranteeing. However, for the avoidance of any doubt, if you are advised by or bidding through an agent on a **lot** identified as being subject to a third party guarantee you should always ask your agent to confirm whether or not he or she has a financial interest in relation to the **lot**.

□ **Bidding by parties with an interest**

When a party with a direct or indirect interest in the **lot** who may have knowledge of the **lot's reserve** or other material information may be bidding on the **lot**, we will mark the **lot** with this symbol □. This interest can include beneficiaries of an estate that consigned the **lot** or a joint owner of a **lot**. Any interested party that successfully bids on a **lot** must comply with Christie's Conditions of Sale, including paying the **lot's** full Buyer's Premium plus applicable taxes.

Post-catalogue notifications

In certain instances, after the catalogue has been published, Christie's may enter into an arrangement or become aware of bidding that would have required a catalogue symbol. In those instances, a pre-sale or pre-**lot** announcement will be made.

Other Arrangements

Christie's may enter into other arrangements not involving bids. These include arrangements where Christie's has given the Seller an Advance on the proceeds of sale of the **lot** or where Christie's has shared the risk of a guarantee with a partner without the partner being required to place an irrevocable written bid or otherwise participating in the bidding on the **lot**. Because such arrangements are unrelated to the bidding process they are not marked with a symbol in the catalogue.

Please see <http://www.christies.com/financial-interest/> for a more detailed explanation of minimum price guarantees and third party financing arrangements.

EXPLANATION OF CATALOGUING PRACTICE

Terms used in this catalogue have the meanings ascribed to them below. Please note that all statements in a catalogue as to authorship are made subject to the provisions of the Conditions of Sale, including the **authenticity warranty**. Our use of these expressions does not take account of the **condition** of the **lot** or of the extent of any restoration. Buyers are advised to inspect the property themselves. Written condition reports are usually available on request.

A term and its definition listed under 'Qualified Headings' is a **qualified** statement as to authorship. While the use of this term is based upon careful study and represents the opinion of specialists, Christie's and the consignor assume no risk, liability and responsibility for the **authenticity** of authorship of any **lot** in this catalogue described by this term, and the **authenticity warranty** shall not be available with respect to **lots** described using this term.

HANDBAGS

CONDITION REPORTS

The **condition** of **lots** sold in our auctions can vary widely due to factors such as age, previous damage, restoration, repair and wear and tear. **Condition** reports and grades are provided free of charge as a courtesy and convenience to our buyers and are for guidance only. They offer our honest opinion but they may not refer to all faults, restoration, alteration or adaptation. They are not an alternative to examining a **lot** in person or taking your own professional advice. **Lots** are sold "as is," in the **condition** they are in at the time of the sale, without any representation or **warranty** as to **condition** by Christie's or by the seller.

Grades in Condition Reports

We provide a general, numeric condition grade to help with overall condition guidance. Please review the specific condition report and extra images for each **lot** before bidding.

Grade 1: this item exhibits no signs of use or wear and could be considered as new. There are no flaws. Original packaging and protective plastic are likely intact as noted in the **lot** description.

Grade 2: this item exhibits minor flaws and could be considered nearly brand new. It may never have been used, or may have been used a few times. There are only minor condition notes, which can be found in the specific condition report.

Grade 3: this item exhibits visible signs of use. Any signs of use or wear are minor. This item is in good condition.

Grade 4: this item exhibits wear from frequent use. This item either has light overall wear or small areas of heavy wear. The item is considered to be in fair condition.

Grade 5: this item exhibits normal wear and tear from regular or heavy use. The item is in good, usable condition but it does have condition notes.

Grade 6: this item is damaged and requires repair. It is considered in fair condition.

Any reference to condition in a catalogue entry will not amount to a full description of condition, and images may not show the condition of a **lot** clearly. Colours and shades may look different in print or on screen to how they look in real life. It is your responsibility to ensure that you have received and considered any condition report and grading.

References to "HARDWARE"

Where used in this catalogue the term "hardware" refers to the metallic parts of the bag, such as the buckle hardware, base studs, lock and keys and /or strap, which are plated with a coloured finish (e.g. gold, silver, palladium). The terms "Gold Hardware", "Silver Hardware", "Palladium Hardware" etc. refer to the tone or colour of the hardware and not the actual material used. If the bag incorporates solid metal hardware this will be referenced in the **lot** description.
