A SUPERB PRIVATE COLLECTION

Christie's are delighted to present this stellar collection of finest Bordeaux and rare Burgundy, as the lead consignment of our June auction. The owners of the following 100 lots focused their collecting on the finest properties in each region that features and acquired deep parcels of wines from the greatest vintages. The wines were purchased on release from either the UK or European agents, and stored thereafter at Octavian Vaults, Corsham, and LCB Dinton. The First Growths of Bordeaux form the backbone of the collection – all First Growth Châteaux feature, alongside Petrus, and other highly regarded estates. Moving to Burgundy, we present superb wines from DRC, Dujac, Mugnier and Dugat-Py, all from exceptional vintages in half-bottle, bottle and rare magnum formats. This is a collection of exquisite quality and is offered in pristine condition.

1928 BORDEAUX

1928 was the first of two stellar vintages at the end of 1920s that produced, huge, tannic, extraordinarily ageworthy wines; some of the longest-lived of the 20th century. Ludon is the most southerly part of the Medoc, and this wine was produced by the Desbarats family, Bordelais wine merchants, who at the time, owned Château Ducru-Beaucaillou. The bottles are likely bottled in Burgundy-style bottles due to the many challenges of the Great Depression. These are wonderful, historic bottles which offer a rare insight into Bordeaux's fascinating past.

The 1970 Vintage has produced Red Wines of outstanding quality. I guarantee this wine to be made solely from Heritage Grapes grown on our Ashmans Vineyards. I personally selected this as one of the top wines of this Vintage. A full-bodied Red, perfectly balanced and one that will mature with a further 4-5 years bottle ageing.

RARE 19TH CENTURY PORT

Cristiano van Zeller (formerly from Quinta do Noval) discovered the 1880 Port in 1999 at a winery in Regua in the Douro Valley that was closing following the death of the owner. Cristiano was interested in acquiring stone lagares (foot treading tanks) for his new winery but was also asked if he was interested in any old stock. Most was uninteresting but at the rear of the winery were three 20,000 litre casks, two empty but one containing 10,000 litres of 1880 port, 10,000 litres having evaporated during the intervening 119 years. The intention was to bottle the wine as 100 year old (for the millennium) but that was not possible - according to the Port Wine Institute it could only be called 'over 40 years'- so the name 'Millennium Port' was chosen and the wording, agreed with the PWI, on the back label. The wine was bottled in 2002 by Niepoort after adding 5 per cent of their 1945 vintage.

Lots 284-291: Please note the corks in the Whitwhams Millennium Port 1880 may be difficult to extract and have a propensity to break. Advise using Durand® corkscrew or a Coravin

Whitwhams Millennium Port 1880

Colheita Port

Bottled by Niepoort in 2002. Excellent appearance.

Tasting note: Pale mahogany with amber tints. Aromatics leap from the glass with nuances ranging from butterscotch and old oak aromas (as to be expected from over 120 ageing years in cask!) to dried fruits, such as raisin and prune to hazelnut and walnut, savoury spicy notes and a delightful oolong tea leaf character - each nose in the glass reveals something additional in the complex multi-layered bouquet. On the palate sweet but certainly not cloying with bright acidity and rich flavours of fruit cake and sweet spices such as nutmeg and cinnamon with a long persistent finish. A harmonious Colheita with impressive complexity, concentration of flavours and longevity. Tasted 23/04/2021. Tim Triptree MW

SPRINGBANK DOOR GODS COLLECTION SINGLE MALT CLUB CHINA

Zhong Kui is one of the many gods in Chinese folklore, and with a distinctive black face as well as round eyes and a long beard he is instantly recognisable. Known as the 'Saint Guardian of the House', his portrait is hung on the wall to protect the house and the family within from evil spirits. Although Zhong Kui looks very cruel, he is actually well educated, talented and honest. In Taoism, he is the only god who responds to all requests from those who seek help, as well as being a symbolic character of luck, fortune and protection for the Chinese people. Single Malt Club China presents three single cask bottlings from the Campbeltown-based distillery Springbank, with each bottling representing a different attribute of Zhong Kui: Hazelburn 10 Year Old - the fortune bestower; Springbank - the righteousness power; Longrow 16 Year Old - the expeller of evil spirits.

RAREST ABSINTHE

Absinthe is a famous spirit typically distilled to between 45-75% alcohol by volume. Its flavour derives from a variety of herbs and botanicals, most notably wormwood and anise, which gives it its characteristic flavour. The name is derived from "Artemesia Absinthium" which is the principal botanical used in its production. Absinthe is one of the most romantically mythologized alcoholic drinks in the world owing to its close association with the history of literature, poetry and art and its relationship with ideas of liberation, hidden meanings, altered perception and craving for sensation. It figures prominently in the works and lives of poets and authors like Beaudelaire, Rimbaud, Verlaine, Oscar Wilde, Alfred Jarry, James Joyce, Emile Zola and Hemingway.

Its most important artistic association lies with 19th century painters whose many works were the most notable to comment on the social effects of drinking Absinthe. Édouard Manet's first important work was "The Absinthe Drinker" painted in 1859. This was followed by works by artists throughout the remainder of the 19th and early 20th century. For example: Degas; "The Glass of Absinthe" in 1876; Van Gogh; "Absinthe Bottle and Glass" in 1886 and "Night Cafe at Arles" in 1888. Gauguin; "Dans un Cafe a Arles" in 1888. Lautrec; "Van Gogh Drinking Absinthe in a Cafe" in 1887, "The Absinthe drinker" in 1888 and "Monsieur Boileau at the Cafe" in 1893. Albert Maignon; "Green Muse" in 1895.

A WORLD-CLASS COLLECTION OF QUINTARELLI

Quintarelli is the essence of artisanal Italian winemaking. The prestigious producer from north east Italy is famed for crafting exquisite, ageworthy and refined wines. Giuseppe Quintarelli was the enigmatic driving force at the estate until his death in 2012, when his daughter Fiorenza took the reins. Using Slavonian oak for a minimum of seven years and lavishing time and energy over his bountiful Amarone was Giuseppe's winemaking style. But he was also an innovator, crafting elegant wines from Cabernet and Merlot, alongside his Amarone. Rosso del Bepi is the estates passito wine in lesser vintages, whilst Amarone is from the stellar vintages. Amarone Riserva meanwhile has seen at least a decade of oak. Alzero is Quintarelli's Cabernet/Merlot passito wine, at the cutting edge of modernist winemaking in the region. The estates lighter Valpolicella Classico Superiore meanwhile represent a blend of dried and fresh grapes. The Recioto is the rarest wine, being produced when the sugars in the ferment are high enough to give a heightened sense of ripeness and moreishness. This collection is amongst the best Quintarelli offerings our specialists have seen, with rare vintages and formats being presented.

HIGHLIGHTS FROM THE CELLAR OF A EUROPEAN CONNOISSEUR

The following lots represent the private collection of a notable European connoisseur, who has been involved in the wine industry for several decades. The wines were purchased on release and stored in the collector's personal cellar thereafter. The range of wines is impressive and varied. The greatest estates of the Medoc and Pomerol are well-represented in top vintages, and legendary Rhône wines including Chave's inimitable Cuvée Cathelin feature, but it is really in the great wines of the Côte d'Or that collectors' focus will be. Many top producers wines are included in the roll call – DRC, Leroy, Rousseau, Meo-Camuzet and Grivot to name but several. The Domaine which offers greatest riches here though is Domaine Louis Jadot. We are delighted to be offering a stellar selection of wines with vintages back to the late 1970's in our upcoming sale, several of which are in magnum. This exceptional line-up features examples which represent the pinnacle of winemaking at this estate, which is well-known for having some of the greatest vineyard holdings in the whole of Burgundy.

CONDITIONS OF SALE • BUYING AT CHRISTIE'S

CONDITIONS OF SALE

These Conditions of Sale and the Important Notices and Explanation of Cataloguing Practice set out the terms on which we offer the **lots** listed in this catalogue for sale. By registering to bid and/or by bidding at auction you agree to these terms, so you should read them carefully before doing so. You will find a glossary at the end explaining the meaning of the words and expressions coloured in bold.

Unless we own a **lot** (▲ symbol), Christie's acts as agent for the seller.

A BEFORE THE SALE

1 DESCRIPTION OF LOTS

(a) Certain words used in the catalogue description have special meanings. You can find details of these on the page headed 'Important Notices and Explanation of Cataloguing Practice' which forms part of these terms. You can find a key to the Symbols found next to certain catalogue entries under the section of the catalogue called 'Symbols Used in this Catalogue'.

(b) Our description of any **lot** in the catalogue, any **condition** report and any other statement made by us (whether orally or in writing) about any **lot**, including about its nature or **condition**, artist, period, materials, approximate dimensions or **provenance** are our opinion and not to be relied upon as a statement of fact. We do not carry out in-depth research of the sort carried out by professional historians and scholars. All dimensions and weights are approximate only.

2 OUR RESPONSIBILITY FOR OUR DESCRIPTION OF LOTS

We do not provide any guarantee in relation to the nature of a **lot** apart from our **authenticity warranty** contained in paragraph E2 and to the extent provided in paragraph I below.

3 CONDITION

(a) The **condition** of **lots** sold in our auctions can vary widely due to factors such as age, previous damage, restoration, repair and wear and tear. Their nature means that they will rarely be in perfect **condition**. **Lots** are sold 'as is', in the **condition** they are in at the time of the sale, without any representation or warranty or assumption of liability of any kind as to condition by Christie's or by the seller.

(b) Any reference to **condition** in a catalogue entry or in a **condition** report will not amount to a full description of **condition**, and images may not show a **lot** clearly. Colours and shades may look different in print or on screen to how they look on physical inspection. **Condition** reports may be available to help you evaluate the **condition** of a **lot**. **Condition** reports are provided free of charge as a convenience to our buyers and are for guidance only. They offer our opinion but they may not refer to all faults, inherent defects, restoration, alteration or adaptation because our staff are not professional restorers or conservators. For that reason they are not an alternative to examining a **lot** in person or taking your own professional advice. It is your responsibility to ensure that you have requested, received and considered any **condition** report.

4 ESTIMATES

Estimates are based on the **condition**, rarity, quality and **provenance** of the **lots** and on prices recently paid at auction for similar property. **Estimates** can change. Neither you, nor anyone else, may rely on any **estimates** as a prediction or guarantee of the actual selling price of a **lot** or its value for any other purpose. **Estimates** do not include the **buyer's premium** or any applicable taxes.

5 WITHDRAWAL

Christie's may, at its option, withdraw any **lot** at any time prior to or during the sale of the **lot**. Christie's has no liability to you for any decision to withdraw.

6 WINE

Please see the Important Notices and Explanation of Cataloguing Practice section of this catalogue for further details. These important notices and explanations form part of these Conditions of Sale.

B REGISTERING TO BID

1 NEW BIDDERS

(a) If this is your first time bidding at Christie's or you are a returning bidder who has not bought anything from any of our salerooms within the last two years you must register at least 48 hours before an auction to give us enough time to process and approve your registration. We may, at our option, decline to permit you to register as a bidder. You will be asked for the following:

(i) for individuals: Photo identification (driving licence, national identity card or passport) and, if not shown on the ID document, proof of your current address (for example, a current utility bill or bank statement).

(ii) for corporate clients: Your Certificate of Incorporation or equivalent document(s) showing your name and registered address together with documentary proof of directors and beneficial owners; and

(iii) for trusts, partnerships, offshore companies and other business structures, please contact us in advance to discuss our requirements. (b) We may also ask you to give us a financial reference and/or a deposit as a condition of allowing you to bid. For help, please contact our Credit Department on +44 (0)20 7839 9060.

2 RETURNING BIDDERS

We may at our option ask you for current identification as described in paragraph B1(a) above, a financial reference or a deposit as a condition of allowing you to bid. If you have not bought anything from any of our salerooms in the last two years or if you want to spend more than on previous occasions, please contact our Credit Department on +44 (0)20 7839 9060.

3 IF YOU FAIL TO PROVIDE THE RIGHT DOCUMENTS

If in our opinion you do not satisfy our bidder identification and registration procedures including, but not limited to completing any anti-money laundering and/or anti-terrorism financing checks we may require to our satisfaction, we may refuse to register you to bid, and if you make a successful bid, we may cancel the contract for sale between you and the seller.

4 BIDDING ON BEHALF OF ANOTHER PERSON

(a) **As authorised bidder.** If you are bidding on behalf of another person who will pay Christie's directly, that person will need to complete the registration requirements above before you can bid, and supply a signed letter authorising you to bid for him/her.

(b) **As agent for a principal.** If you register in your own name but are acting as agent for someone else (the 'ultimate buyer(s)') who will put you in funds before you pay us, you accept personal liability to pay the **purchase price** and all other sums due. We will require you to disclose the identity of the ultimate buyer(s) and may require you to provide documents to verify their identity in accordance with paragraph E3(b).

5 BIDDING IN PERSON

If you wish to bid in the saleroom you must register for a numbered bidding paddle at least 30 minutes before the auction. You may register online at www.christies.com or in person. For help, please contact the Credit Department on +44 (0)20 7839 9060.

6 BIDDING SERVICES

The bidding services described below are a free service offered as a convenience to our clients and Christie's is not responsible for any error (human or otherwise), omission or breakdown in providing these services.

(a) Phone Bids

Your request for this service must be made no later than 24 hours prior to the auction. We will accept bids by telephone for **lots** only if our staff are available to take the bids. If you need to bid in a language other than in English, you must arrange this well before the auction. We may record telephone bids. By bidding on the telephone, you are agreeing to us recording your conversations. You also agree that your telephone bids are governed by these Conditions of Sale.

(b) Internet Bids on Christie's Live™

For certain auctions we will accept bids over the Internet. For more information, please visit <https://www.christies.com/buying-services/buying-guide/register-and-bid/>. As well as these Conditions of Sale, internet bids are governed by the Christie's LIVE™ Terms of Use which are available on <https://www.christies.com/LiveBidding/OnlineTermsOfUse.aspx>.

(c) Written Bids

You can find a Written Bid Form at the back of our catalogues, at any Christie's office or by choosing the sale and viewing the **lots** online at www.christies.com. We must receive your completed Written Bid Form at least 24 hours before the auction. Bids must be placed in the currency of the saleroom. The **auctioneer** will take reasonable steps to carry out written bids at the lowest possible price, taking into account the **reserve**. If you make a written bid on a **lot** which does not have a **reserve** and there is no higher bid than yours, we will bid on your behalf at around 50% of the **low estimate** or, if lower, the amount of your bid. If we receive written bids on a **lot** for identical amounts, and at the auction these are the highest bids on the **lot**, we will sell the **lot** to the bidder whose written bid we received first.

C CONDUCTING THE SALE

1 WHO CAN ENTER THE AUCTION

We may, at our option, refuse admission to our premises or decline to permit participation in any auction or to reject any bid.

2 RESERVES

Unless otherwise indicated, all **lots** are subject to a **reserve**. We identify **lots** that are offered without **reserve** with the symbol ▲ next to the **lot** number. The reserve cannot be more than the **lot's low estimate**.

3 AUCTIONEER'S DISCRETION

The **auctioneer** can at his sole option:

(a) refuse any bid;

(b) move the bidding backwards or forwards in any way he or she may decide, or change the order of the **lots**;

(c) withdraw any **lot**;

(d) divide any **lot** or combine any two or more **lots**;

(e) reopen or continue the bidding even after the hammer has fallen; and

(f) in the case of error or dispute related to bidding and whether during or after the auction, to continue the bidding, determine the successful bidder, cancel the sale of the **lot**, or reoffer and resell any **lot**. If you believe that the **auctioneer** has accepted the successful bid in error, you must provide a written notice detailing your claim within 3 business days of the date of the auction. The **auctioneer** will consider such claim in good faith. If the **auctioneer**, in the exercise of his or her discretion under this paragraph, decides after the auction is complete, to cancel the sale of a **lot**, or reoffer and resell a **lot**, he or she will notify the successful bidder no later than by the end of the 7th calendar day following the date of the auction. The **auctioneer's** decision in exercise of this discretion is final. This paragraph does not in any way prejudice Christie's ability to cancel the sale of a **lot** under any other applicable provision of these Conditions of Sale, including the rights of cancellation set forth in section B(3), E(2)(i), F(4) and J(1).

4 BIDDING

The **auctioneer** accepts bids from:

- bidders in the saleroom;
- telephone bidders, and internet bidders through 'Christie's LIVE™' (as shown above in Section B6); and
- written bids (also known as absentee bids or commission bids) left with us by a bidder before the auction.

5 BIDDING ON BEHALF OF THE SELLER

The **auctioneer** may, at his or her sole option, bid on behalf of the seller up to but not including the amount of the **reserve** either by making consecutive bids or by making bids in response to other bidders. The **auctioneer** will not identify these as bids made on behalf of the seller and will not make any bid on behalf of the seller at or above the **reserve**. If **lots** are offered without **reserve**, the **auctioneer** will generally decide to open the bidding at 50% of the **low estimate** for the **lot**. If no bid is made at that level, the **auctioneer** may decide to go backwards at his or her sole option until a bid is made, and then continue up from that amount. In the event that there are no bids on a **lot**, the **auctioneer** may deem such **lot** unsold.

6 BID INCREMENTS

Bidding generally starts below the **low estimate** and increases in steps (bid increments). The **auctioneer** will decide at his or her sole option where the bidding should start and the bid increments. The usual bid increments are shown for guidance only on the Written Bid Form at the back of this catalogue.

7 CURRENCY CONVERTER

The saleroom video screens (and Christie's LIVE™) may show bids in some other major currencies as well as sterling. Any conversion is for guidance only and we cannot be bound by any rate of exchange used. Christie's is not responsible for any error (human or otherwise), omission or breakdown in providing these services.

8 SUCCESSFUL BIDS

Unless the **auctioneer** decides to use his or her discretion as set out in paragraph C3 above, when the **auctioneer's** hammer strikes, we have accepted the last bid. This means a contract for sale has been formed between the seller and the successful bidder. We will issue an invoice only to the registered bidder who made the successful bid. While we send out invoices by post and/or email after the auction, we do not accept responsibility for telling you whether or not your bid was successful. If you have bid by written bid, you should contact us by telephone or in person as soon as possible after the auction to get details of the outcome of your bid to avoid having to pay unnecessary storage charges.

9 LOCAL BIDDING LAWS

You agree that when bidding in any of our sales that you will strictly comply with all local laws and regulations in force at the time of the sale for the relevant sale site.

D THE BUYER'S PREMIUM AND TAXES

1 THE BUYER'S PREMIUM

In addition to the **hammer price**, the successful bidder agrees to pay us a **buyer's premium** on the **hammer price** of each **lot** sold. On all **lots** we charge 25% of the **hammer price** up to and including £450,000, 20% on that part of the **hammer price** over £450,000 and up to and including £4,500,000, and 14.5% of that part of the **hammer price** above £4,500,000.

Exception: the **buyer's premium** for Wine and Cigars is 22.5% of the **hammer price**. For all **lots** VAT is payable on the premium at the applicable rate. VAT will be added to the **buyer's premium** and is payable by you. For **lots** offered under the VAT Margin Scheme or Temporary Admission VAT rules, the VAT may not be shown separately on our invoice because of tax laws. You may be eligible to have a VAT refund in certain circumstances if the **lot** is exported. Please see the "VAT refunds: what can I reclaim?" section of 'VAT Symbols and Explanation' for further information.

2 TAXES

The successful bidder is responsible for all applicable tax including any VAT, sales or compensating use tax or equivalent tax wherever such taxes may arise on the **hammer price** and the **buyer's premium**. VAT charges and refunds depend on the particular circumstances of the buyer. It is the buyer's responsibility to ascertain and pay all taxes due. VAT is payable on the **buyer's premium** and, for some **lots**, VAT is payable on the **hammer price**. Following the departure of the UK from the EU (Brexit), UK VAT and Customs rules will apply only.

For **lots** Christie's ships to the United States, sales or use tax may be due on the **hammer price**, **buyer's premium** and/or any other charges related to the **lot**, regardless of the nationality or citizenship of the purchaser. Christie's will collect sales tax where legally required. The applicable sales tax rate will be determined based upon the state, county, or locale to which the **lot** will be shipped. Successful bidders claiming an exemption from sales tax must provide appropriate documentation to Christie's prior to the release of the **lot**. For shipments to those states for which Christie's is not required to collect sales tax, a successful bidder may be required to remit use tax to that state's taxing authorities. Christie's recommends you obtain your own independent tax advice with further questions.

3 WINES OFFERED IN BOND (* SYMBOL)

These **lots** are in bond. You can choose to take these **lots** in bond or duty paid.

If you choose to buy the **lots** in bond no excise duty or clearance VAT will be charged on the **hammer price**, but VAT will be charged on the **buyer's premium**. You will be responsible for arranging collection by a shipper with a bond movement guarantee or by a warehouse with a customs bond/suspense regime and for any fees charged by the shipper or warehouse. Please note that if you take your purchases out of bond at a future date excise duty and clearance charges will become payable. To buy the **lots** in bond, please contact us in writing prior to the sale. Buyers who do not do so will be invoiced duty paid.

If you choose to buy the wine duty paid, excise duty at current rates will be added to the hammer price and clearance VAT will be added to the duty inclusive hammer price on your invoice. These charges cannot be cancelled or refunded by Christie's.

If you intend to export out of the UK and wish to secure the applicable VAT or duty refund you may do so by purchasing the wines under bond and arranging collection by a shipper with a bond movement guarantee.

Whether you choose to buy the **lot** in bond or duty paid, VAT will be added to the **buyer's premium** and will be shown separately on our invoice.

Please note that VAT on the **buyer's premium** may be reclaimed by UK VAT registered clients via their own VAT return subject to the normal rules. Outside UK buyers may reclaim the VAT on the **buyer's premium** provided that all refund conditions are met. Clearance VAT is not recoverable. For further details about VAT refunds please contact Christie's Client Services on +44 (0)20 7839 2886. Email: info@christies.com.

E WARRANTIES

1 SELLER'S WARRANTIES

For each **lot**, the seller gives a **warranty** that the seller:

(a) is the owner of the **lot** or a joint owner of the **lot** acting with the permission of the other co-owners or, if the seller is not the owner or a joint owner of the **lot**, has the permission of the owner to sell the **lot**, or the right to do so in law; and

(b) has the right to transfer ownership of the **lot** to the buyer without any restrictions or claims by anyone else.

If either of the above **warranties** are incorrect, the seller shall not have to pay more than the **purchase price** (as defined in paragraph F1(a) below) paid by you to us. The seller will not be responsible to you for any reason for loss of profits or business, expected savings, loss of opportunity or interest, costs, damages, **other damages** or expenses. The seller gives no **warranty** in relation to any **lot** other than as set out above and, as far as the seller is allowed by law, all **warranties** from the seller to you, and all other obligations upon the seller which may be added to this agreement by law, are excluded.

2 AUTHENTICITY WARRANTY IN RELATION TO WINES AND SPIRITS

(a) Subject to the obligations accepted by Christie's under this **authenticity warranty**, none of the seller, Christie's, its employees or agents is responsible for the correctness of any statement as to the authorship, origin, date, age, attribution, genuineness or provenance of any **lot**, for any other error of description or for any fault or defect in any **lot**. Further, no **warranty** whatsoever is given by the seller, Christie's, its employees or agents in respect of any **lot** and any express or implied condition or **warranty** is hereby excluded:

(b) if (i) within twenty-one days of the date of the auction, Christie's has received notice in writing from the buyer of any **lot** that in his view the **lot** was at the date of the auction short or ullaged or that any statement of opinion in the catalogue was not well founded, (2) within fourteen days of such notice, Christie's has the **lots** in its possession in the same condition as at the date of the auction and (3) within a reasonable time thereafter, the buyer satisfies Christie's that the **lot** was notified in writing by the buyer (as above) and that the buyer is able to transfer a good and marketable title to the **lot** free from any lien or encumbrance, Christie's will set aside the sale and refund the buyer any amount paid by the buyer in respect of the **lot** provided that the buyer shall have no rights under this condition if:

(i) the defect is mentioned in the catalogue, or
(ii) the **catalogue description** as at the date of the auction was in accordance with the then generally accepted opinion of scholars or experts fairly indicated there to be a conflict of such opinion, or
(iii) it can be established that the **lot** was notified in writing by the buyer (as above) only by means of a scientific process not generally accepted for use until after the publication of the catalogue or by means of a process which at the date of the auction was unreasonably expensive or impracticable or likely to have caused damage to the **lot** (see also notes on ullages and corks in the important notices and explanation of cataloguing practice section of this catalogue);

(c) the buyer shall not be entitled to claim under this **authenticity warranty** for more than the amount paid by him for the **lot** and in particular shall have no claim for any loss, consequential loss or damage whether direct or indirect suffered by him;

(d) the benefit of this **authenticity warranty** shall not be assignable and shall rest solely and exclusively with the buyer who shall be the person to whom the original invoice was made out by Christie's in respect of the **lot** when sold and who has since the sale retained uninterrupted and unencumbered ownership thereof.

3 YOUR WARRANTIES

(a) You **warrant** that the funds used for settlement are not connected with any criminal activity, including tax evasion, and you are neither under investigation, nor have you been charged with or convicted of money laundering, terrorist activities or other crimes.

(b) where you are bidding as agent on behalf of any ultimate buyer(s) who will put you in funds before you pay Christie's for the **lot(s)**, you **warrant** that:

(i) you have conducted appropriate customer due diligence on the ultimate buyer(s) and have complied with all applicable anti-money laundering, counter terrorist financing and sanctions laws;

(ii) you will disclose to us the identity of the ultimate buyer(s) (including any officers and beneficial owner(s) of the ultimate buyer(s) and any persons acting on its behalf) and on our request, provide documents to verify their identity;

(iii) the arrangements between you and the ultimate buyer(s) in relation to the **lot** or otherwise do not, in whole or in part, facilitate tax crimes;

(iv) you do not know, and have no reason to suspect that the ultimate buyer(s) (or its officers, beneficial owners or any persons acting on its behalf) are on a sanctions list, are under investigation for, charged with or convicted of money laundering, terrorist activities or other crimes, or that the funds used for settlement are connected with the proceeds of any criminal activity, including tax evasion; and

(v) where you are a regulated person who is supervised for anti-money laundering purposes under the laws of the EEA or another jurisdiction with requirements equivalent to the EU 4th Money Laundering Directive, and we do not request documents to verify the ultimate buyer's identity at the time of registration, you consent to us relying on your due diligence on the ultimate buyer, and will retain their identification and verification documents for a period of not less than 5 years from the date of the transaction. You will make such documentation available for immediate inspection on our request.

(i) the **hammer price**; and

Details of the conditions and restrictions applicable to credit card payments are available from our Post-Sale Services Department, whose details are set out in paragraph (e) below.

If you pay for your purchase using a credit card issued outside the region of the sale, depending on the type of credit card and account you hold, the payment may incur a cross-border transaction fee. If you think this may apply to you, please check with your credit card issuer before making the payment.

Please note that for sales that permit online payment, certain transactions will be ineligible for credit card payment.

(e) For more information please contact our Post-Sale Service Department by phone on +44 (0)20 7752 3200 or fax on +44 (0)20 7752 3300.

2. TRANSFERRING OWNERSHIP TO YOU

You will not own the **lot** and ownership of the **lot** will not pass to you until we have received full and clear payment of the **purchase price**, even in circumstances where we have released the **lot** to the buyer.

3 TRANSFERRING RISK TO YOU

The risk in and responsibility for the **lot** will transfer to you from whichever is the earlier of the following:

(a) When you collect the **lot** or

(b) At the end of the 30th day following the date of the auction, unless we have agreed otherwise with you in writing.

4 WHAT HAPPENS IF YOU DO NOT PAY

(a) If you fail to pay us the **purchase price** in full by the **due date**, we will be entitled to do one or more of the following (as well as enforce our rights under paragraph F5 and any other rights or remedies we have by law):

(i) to charge interest from the **due date** at a rate of 5% a year above the UK Lloyds Bank base rate from time to time on the unpaid amount due;

(ii) we can cancel the sale of the **lot**. If we do this, we may sell the **lot** again, publicly or privately on such terms we shall think necessary or appropriate, in which case you must pay us any shortfall between the **purchase price** and the proceeds from the resale. You must also pay all costs, expenses, losses, damages and legal fees we have to pay or may suffer and any shortfall in the seller's commission on the resale;

(iii) we can pay the seller an amount up to the net proceeds payable in respect of the amount bid by your default in which case you acknowledge and understand that Christie's will have all of the rights of the seller to pursue you for such amounts;

(iv) we can hold you legally responsible for the **purchase price** and may begin legal proceedings to recover it together with other losses, interest, legal fees and costs as far as we are allowed by law;

(v) we can take what you owe us from any amounts which we or any company in the **Christie's Group** may owe you (including any deposit or other part-payment which you have paid to us);

(vi) we can, at our option, reveal your identity and contact details to the seller;

(vii) we can reject at any future auction any bids made by or on behalf of the buyer or to obtain a deposit from the buyer before accepting any bids;

(viii) to exercise all the rights and remedies of a person holding security over any property in our possession owned by you, whether by way of pledge, security interest or in any other way as permitted by the law of the place where such property is located. You will be deemed to have granted such security to us and we may retain such property as collateral security for your obligations to us; and

(ix) we can take any other action we see necessary or appropriate.

(b) If you owe money to us or to another **Christie's Group** company, we can use any amount you do pay, including any deposit or other part-payment you have made to us, or which we owe you, to pay off any amount you owe to us or another **Christie's Group** company for any transaction.

(c) If you make payment in full after the **due date**, and we choose to accept such payment we may charge you storage and transport costs from the date that is 30 calendar days following the auction in accordance with paragraphs Gd(i) and (ii). In such circumstances paragraph Gd(vi) shall apply.

5 KEEPING YOUR PROPERTY

If you owe money to us or to another **Christie's Group** company, as well as the rights set out in F4 above, we can use or deal with any of your property we hold or which is held by another **Christie's Group** company in any way we are allowed to by law. We will only release your property to you after you pay us or the relevant **Christie's Group** company in full for what you owe. However, if we choose, we can also sell your property in any way we think appropriate. We will use the proceeds of the sale against any amounts you owe us and we will pay any amount left from that sale to you. If there is a shortfall, you must pay us any difference between the amount we have received from the sale and the amount you owe us.

G COLLECTION AND STORAGE

1 COLLECTION

(a) All wines lie at our third party wine storage facility, London City Bond Vaults, unless otherwise indicated. Once you have made full and clear payment, you must collect the **lot** promptly (**but note that you may not collect any lot until you have made full and clear payment of all amounts due to us**).

(b) Information on collecting **lots** from London City Bond is set out on the storage and collection page and on an information sheet which you can get from the bidder registration staff or Christie's Post-Sale Services Department on +44 (0)20 7752 3200.

(c) If you do not collect a **lot** by the end of the 30th day following the date of the auction, unless otherwise agreed in writing:

(i) we will charge you storage costs from that date.

(ii) we can, at our option, move the **lot** to or within an affiliate or third party warehouse and charge you transport costs and administration fees for doing so.

(iii) we may sell the **lot** in any commercially reasonable way we think appropriate.

(iv) the storage terms which can be found at christies.com/storage shall apply.

(v) Nothing in this paragraph is intended to limit our rights under paragraph F4.

H TRANSPORT AND SHIPPING

1 TRANSPORT AND SHIPPING

We will enclose a transport and shipping form with each invoice sent to you. You must make all transport and shipping arrangements. However, we can arrange to pack, transport and ship your property if you ask us to and pay the costs of doing so. We recommend that you ask us for an **estimate**, especially for any large items or items of high value that need professional packing before you bid. We may also suggest other handlers, packers, transporters or experts if you ask us to do so. For more information, please contact Christie's Art Transport on +44 (0)20 7839 9060. See the information set out at www.christies.com/shipping or contact us at arttransport_london@christies.com. We will take reasonable care when we are handling, packing, transporting and shipping a lot. However, if we recommend another company for any of these purposes, we are not responsible for their acts, failure to act or neglect.

2 EXPORT AND IMPORT

Any lot sold at auction may be affected by laws on exports from the country in which it is sold and the import restrictions of other countries. Many countries require a declaration of export for property leaving the country and/or an import declaration on entry of property into the country. Local laws may prevent you from importing a lot or may prevent you selling a lot in the country you import it into. We will not be obliged to cancel your purchase and refund the purchase price if your lot may not be exported, imported or it is seized for any reason by a government authority. It is your responsibility to determine and satisfy the requirements of any applicable laws or regulations relating to the export or import of any lot you purchase.

(a) You alone are responsible for getting advice about and meeting the requirements of any laws or regulations which apply to exporting or importing any lot prior to bidding. If you are refused a licence or there is a delay in getting one, you must still pay us in full for the lot. We may be able to help you apply for the appropriate licences if you ask us to and pay our fee for doing so. However, we cannot guarantee that you will get one. For more information, please contact Christie's Art Transport Department on +44 (0)20 7839 9060. See the information set out at www.christies.com/shipping or contact us at arttransport_london@christies.com.

(b) You alone are responsible for any applicable taxes, tariffs or other government-imposed charges relating to the export or import of the lot. If Christie's exports or imports the lot on your behalf, and if Christie's pays these applicable taxes, tariffs or other government-imposed charges, you agree to refund that amount to Christie's.

(c) Lots made of protected species

Lots made of or including (regardless of the percentage) endangered and other protected species of wildlife are marked with the symbol – in the catalogue. This material includes, among other things, ivory, tortoiseshell, crocodile skin, rhinoceros horn, whalebone, certain species of coral, and Brazilian rosewood. You should check the relevant customs laws and regulations before bidding on any lot containing wildlife material if you plan to import the lot into another country. Several countries refuse to allow you to import property containing these materials, and some other countries require a licence from the relevant regulatory agencies in the countries of exportation as well as importation. In some cases, the lot can only be shipped with an independent scientific confirmation of species and/or age and you will need to obtain these at your own cost. If a lot contains elephant ivory, or any other wildlife material that could be confused with elephant ivory, (for example, mammoth ivory, walrus ivory, helmeted hornbill ivory) further restrictions and requirements apply if you are proposing to import the lot into the USA. We will not be obliged to cancel your purchase and refund the purchase price if your lot may not be exported, imported or it is seized for any reason by a government authority. It is your responsibility to determine and satisfy the requirements of any applicable laws or regulations relating to the export or import of property containing such protected or regulated material.

(d) US import ban on African elephant ivory

The USA prohibits the import of ivory from the African elephant. Any lot containing elephant ivory or other wildlife material that could be easily confused with elephant ivory (for example, mammoth ivory, walrus ivory, helmeted hornbill ivory) can only be imported into the US with results of a rigorous scientific test acceptable to Fish & Wildlife, which confirms that the material is not African elephant ivory. Where we have conducted such rigorous scientific testing on a lot prior to sale, we will make this clear in the lot description. In all other cases, we cannot confirm whether a lot contains African elephant ivory, and you will buy that lot at your own risk and be responsible for any scientific test or other reports required for import into the USA at your own cost. If such scientific test is inconclusive or confirms the material is from the African elephant, we will not be obliged to cancel your purchase and refund the purchase price.

(e) Lots of Iranian origin

Some countries prohibit or restrict the purchase and/or import of Iranian-origin 'works of conventional craftsmanship' (works that are not by a recognised artist and/or that have a function, for example: carpets, bowls, ewers, tiles, ornamental boxes). For example, the USA prohibits the import of this type of property and its purchase by US persons (wherever located). Other countries only permit the import of this property in certain circumstances. As a convenience to buyers, Christie's indicates under the title of a lot if the lot originates from Iran (Persia). It is your responsibility to ensure you do not bid on or import a lot in contravention of the sanctions or trade embargoes that apply to you.

(f) Gold

Gold of less than 18ct does not qualify in all countries as 'gold' and may be refused import into those countries as 'gold'.

(g) Jewellery over 50 years old

Under current laws, jewellery over 50 years old which is worth £39,219 or more will require an export licence which we can apply for on your behalf. It may take up to eight weeks to obtain the export jewellery licence.

(h) Watches

Many of the watches offered for sale in this catalogue are pictured with straps made of endangered or protected animal materials such as alligator or crocodile. These lots are marked with the symbol Ψ in the catalogue. These endangered species straps are shown for display purposes only and are not for sale. Christie's will remove and retain the strap prior to shipment from the sale site. At some sale sites, Christie's may, at its discretion, make the displayed endangered species strap available to the buyer of the lot free of charge if collected in person from the sale site within one year of the date of the sale. Please check with the department for details on a particular lot.

For all symbols and other markings referred to in paragraph H2, please note that lots are marked as a convenience to you, but we do not accept liability for errors or for failing to mark lots.

For all symbols and other markings referred to in paragraph H2, please note that lots are marked as a convenience to you, but we do not accept liability for errors or for failing to mark lots.

I OUR LIABILITY TO YOU

(a) We give no warranty in relation to any statement made, or information given, by us or our representatives or employees, about any lot other than as set out in the **authenticity warranty** and, as far as we are allowed by law, all **warranties** and other terms which may be added to this agreement by law are excluded. The seller's **warranties** contained in paragraph E1 are their own and we do not have any liability to you in relation to those **warranties**.

(b) (i) We are not responsible to you for any reason (whether for breaching this agreement or any other matter relating to your purchase of, or bid for, any lot) other than in the event of fraud or fraudulent misrepresentation by us or other than as expressly set out in these conditions of sale; or

(ii) give any representation, warranty or guarantee or assume any liability of any kind in respect of any lot with regard to merchantability, fitness for a particular purpose, description, size, quality, condition, attribution, authenticity, rarity, importance, medium, provenance, exhibition history, literature, or historical relevance. Except as required by local law, any warranty of any kind is excluded by this paragraph.

(c) In particular, please be aware that our written and telephone bidding services, Christie's LIVE™, condition reports, currency converter and saleroom video screens are free services and we are not responsible to you for any error (human or otherwise), omission or breakdown in these services.

(d) We have no responsibility to any person other than a buyer in connection with the purchase of any lot.

(e) If, in spite of the terms in paragraphs (a) to (d) or E2(i) above, we are found to be liable to you for any reason, we shall not have to pay more than the purchase price paid by you to us. We will not be responsible to you for any reason for loss of profits or business, loss of opportunity or value, expected savings or interests, costs, damages, or expenses.

J OTHER TERMS

1 OUR ABILITY TO CANCEL

In addition to the other rights of cancellation contained in this agreement, we can cancel a sale of a lot if we reasonably believe that completing the transaction is, or may be, unlawful or that the sale places us or the seller under any liability to anyone else or may damage our reputation.

2 RECORDINGS

We may videotape and record proceedings at any auction. We will keep any personal information confidential, except to the extent disclosure is required by law. However, we may, through this process, use or share these recordings with another Christie's Group company and marketing partners to analyse our customers and to help us to tailor our services for buyers. If you do not want to be videotaped, you may make arrangements to make a telephone or written bid or bid on Christie's LIVE™ instead. Unless we agree otherwise in writing, you may not videotape or record proceedings at any auction.

3 COPYRIGHT

We own the copyright in all images, illustrations and written material produced by or for us relating to a lot (including the contents of our catalogues unless otherwise noted in the catalogue). You cannot use them without our prior written permission. We do not offer any guarantee that you will gain any copyright or other reproduction rights to the lot.

4 ENFORCING THIS AGREEMENT

If a court finds that any part of this agreement is not valid or is illegal or impossible to enforce, that part of the agreement will be treated as being deleted and the rest of this agreement will not be affected.

5 TRANSFERRING YOUR RIGHTS AND RESPONSIBILITIES

You may not grant a security over or transfer your rights or responsibilities under these terms on the contract of sale with the buyer unless we have given our written permission. This agreement will be binding on your successors or estate and anyone who takes over your rights and responsibilities.

6 TRANSLATIONS

If we have provided a translation of this agreement, we will use this original version in deciding any issues or disputes which arise under this agreement.

7 PERSONAL INFORMATION

We will hold and process your personal information and may pass it to another Christie's Group company for use as described in, and in line with, our privacy notice at www.christies.com/about-us/contact/privacy and if you are a resident of California you can see a copy of our California Consumer Privacy Act statement at <https://www.christies.com/about-us/contact/ccpa>.

8 WAIVER

No failure or delay to exercise any right or remedy provided under these Conditions of Sale shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

9 LAW AND DISPUTES

This agreement, and any contractual or non-contractual dispute arising out of or in connection with this agreement, will be governed by English law. Before either you or we start any court proceedings and if you and we agree, you and we will try to settle the dispute by mediation in accordance with the CEDR Model Mediation Procedure. If the dispute is not settled by mediation, you agree for our benefit that the dispute will be referred to and dealt with exclusively in the English courts; however, we will have the right to bring proceedings against you in any other court.

IMPORTANT NOTICES AND EXPLANATION OF CATALOGUING PRACTICE

CHRISTIE'S INTEREST IN PROPERTY CONSIGNED FOR AUCTION

△ **Property Owned in part or in full by Christie's**

From time to time, Christie's may offer a **lot** which it owns in whole or in part. Such property is identified in the catalogue with the symbol △ next to its **lot** number. Where Christie's has an ownership or financial interest in every **lot** in the catalogue, Christie's will not designate each **lot** with a symbol, but will state its interest in the front of the catalogue.

○ **Minimum Price Guarantees**

On occasion, Christie's has a direct financial interest in the outcome of the sale of certain lots consigned for sale. This will usually be where it has guaranteed to the Seller that whatever the outcome of the auction, the Seller will receive a minimum sale price for the work. This is known as a minimum price guarantee. Where Christie's holds such financial interest we identify such **lots** with the symbol ○ next to the **lot** number.

○◆ **Third Party Guarantees/Irrevocable bids**

Where Christie's has provided a Minimum Price Guarantee it is at risk of making a loss, which can be significant, if the **lot** fails to sell. Christie's therefore sometimes chooses to share that risk with a third party who agrees prior to the auction to place an irrevocable written bid on the **lot**. If there are no other higher bids, the third party commits to buy the **lot** at the level of their irrevocable written bid. In doing so, the third party takes on all or part of the risk of the **lot** not being sold. **Lots** which are subject to a third party guarantee arrangement are identified in the catalogue with the symbol ○◆.

In most cases, Christie's compensates the third party in exchange for accepting this risk. Where the third party is the successful bidder, the third party's remuneration is based on a fixed financing fee. If the third party is not the successful bidder, the remuneration may either be based on a fixed fee or an amount calculated against the final **hammer price**. The third party may also bid for the **lot** above the irrevocable written bid. Where the third party is the successful bidder, Christie's will report the **purchase price** net of the fixed financing fee.

Third party guarantors are required by us to disclose to anyone they are advising their financial interest in any **lots** they are guaranteeing. However, for the avoidance of any doubt, if you are advised by or bidding through an agent on a **lot** identified as being subject to a third party guarantee you should always ask your agent to confirm whether or not he or she has a financial interest in relation to the **lot**.

□ **Bidding by parties with an interest**

When a party with a direct or indirect interest in the **lot** who may have knowledge of the **lot's reserve** or other material information may be bidding on the **lot**, we will mark the **lot**

with this symbol □. This interest can include beneficiaries of an estate that consigned the **lot** or a joint owner of a **lot**. Any interested party that successfully bids on a **lot** must comply with Christie's Conditions of Sale, including paying the **lot's** full Buyer's Premium plus applicable taxes.

Post-catalogue notifications

In certain instances, after the catalogue has been published, Christie's may enter into an arrangement or become aware of bidding that would have required a catalogue symbol. In those instances, a pre-sale or pre-**lot** announcement will be made.

Other Arrangements

Christie's may enter into other arrangements not involving bids. These include arrangements where Christie's has made loans or advanced money to consignors or prospective purchasers or where Christie's has shared the risk of a guarantee with a partner without the partner being required to place an irrevocable written bid or otherwise participating in the bidding on the lot. Because such arrangements are unrelated to the bidding process they are not marked with a symbol in the catalogue.

Bidding by parties with an interest

In any case where a party has a financial interest in a **lot** and intends to bid on it we will make a saleroom announcement to ensure that all bidders are aware of this. Such financial interests can include where beneficiaries of an Estate have reserved the right to bid on a **lot** consigned by the Estate or where a partner in a risk-sharing arrangement has reserved the right to bid on a **lot** and/or notified us of their intention to bid.

Please see <http://www.christies.com/financial-interest/> for a more detailed explanation of minimum price guarantees and third party financing arrangements.

Where Christie's has an ownership or financial interest in every **lot** in the catalogue, Christie's will not designate each lot with a symbol, but will state its interest in the front of the catalogue.

BIDDING

Bidding will be at duty-paid prices per lot, unless a property is identified in the catalogue with the symbol * next to the **lot** number.

OPTIONS TO BUY PARCELS

A parcel consists of several lots of the same wine of identical lot size, bottle size and description.

Bidding will start on the first lot of the parcel and the successful buyer of that lot is entitled to take some or all of the remaining lots in the parcel at the same hammer price.

If the buyer of the first lot does not take further lots, the remaining lots of the parcel will be offered in a similar fashion.

We recommend that a bid on a parcel lot be placed on the first lot of the parcel. If the bid is superseded, Christie's will automatically move your bid to the next identical lot and so on. In all instances, such bids will be handled at the **auctioneer's** discretion.

WINES SOLD IN BOND ONLY

Bonded transfer certificates will be issued upon payment. United Kingdom purchasers will be responsible for duty, clearance, delivery and any other charges applicable from the date of sale.

WINES OFFERED DUTY PAID

Unless otherwise stated wines are offered duty paid and no excise duty or clearance VAT will be charged.

WINES OFFERED IN BOND

Wines marked with a * symbol are in bond. You can choose to take these lots in bond or duty paid. Please note that if you choose to take these lots in bond the hammer price will be payable in full. We will not deduct excise duty from the hammer price. If you choose to take these lots duty paid excise duty at current rates and clearance VAT on the hammer price and duty will be added to your invoice. These charges cannot be cancelled or refunded by Christie's. Please see the additional conditions of sale for wine for further details.

DELIVERIES

Wines are available for collection or delivery after payment. Please refer to the Storage and Collection page for further information.

Not less than an entire lot can be collected or delivered to one address.

CLASSIFICATIONS

Bordeaux Classifications in the text are for identification purposes only and are based on the official 1855 classification of the Médoc and other standard sources.

All wines are Château-bottled unless stated otherwise.

RELEASE OF LOTS

The issue of Christie's official Delivery Order will constitute delivery.

ULLAGES AND CORKS OF OLD WINES

Wines are described in this catalogue as correctly as can be ascertained at time of going to press, but buyers of old wines must make appropriate allowances for natural variations of ullages, conditions of cases, labels, corks and wine. No returns will be accepted.

ULLAGE

The amount by which level of wine is short of being full: these levels may vary according to age of the wines and, as far as can be ascertained by inspection prior to the sale, are described in the catalogue.

LEVEL/ULLAGE DESCRIPTIONS AND INTERPRETATIONS

(see notes below)

BORDEAUX

BURGUNDY

- 1 into neck: Level of young wines. Exceptionally good in wines over 10 years old.
- 2 base of neck: Perfectly good for any age of wine. Outstandingly good for a wine of 20 years in bottle, or longer.
- 3 top-shoulder: Normal for any claret 15 years old or older.
- 4 upper-shoulder: Slight natural reduction through the easing of the cork and evaporation through cork and capsule. Usually no problem. Acceptable for any wine over 20 years old. Exceptional for pre-1950 wines.

- 5 mid-shoulder: Probably some weakening of the cork and some risk. Not abnormal for wines 30/40 years of age. Estimates usually take this into account.
- 6 mid-low-shoulder: Some risk. Low estimates.
- 7 low-shoulder: Risky and usually only accepted for sale if wine or label exceptionally rare or interesting. Always offered with low estimate.

Because of the slope of shoulder it is impractical to describe levels as mid-shoulder, etc. Wherever appropriate the level between cork and wine will be measured and catalogued in centimetres.

The condition and drinkability of burgundy is less affected by uillage than its equivalent from Bordeaux. For example, a 5 to 7 cm. uillage in a 30-year-old burgundy can be considered normal, indeed good for age, 3.5 to 4 cm. excellent for age, even 7cm. rarely a risk.

BOTTLE SIZES

- magnum = two regular bottles
- marie-jeanne = three regular bottles
- double-magnum = four regular bottles
- jeroboam = four regular bottles (Burgundy, Champagne)
- jeroboam = six regular bottles (Bordeaux) (or 5 litres)
- impériale = eight regular bottles (Bordeaux)
- methuselah = eight regular bottles (Burgundy)

SPECIAL NOTICE

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment.

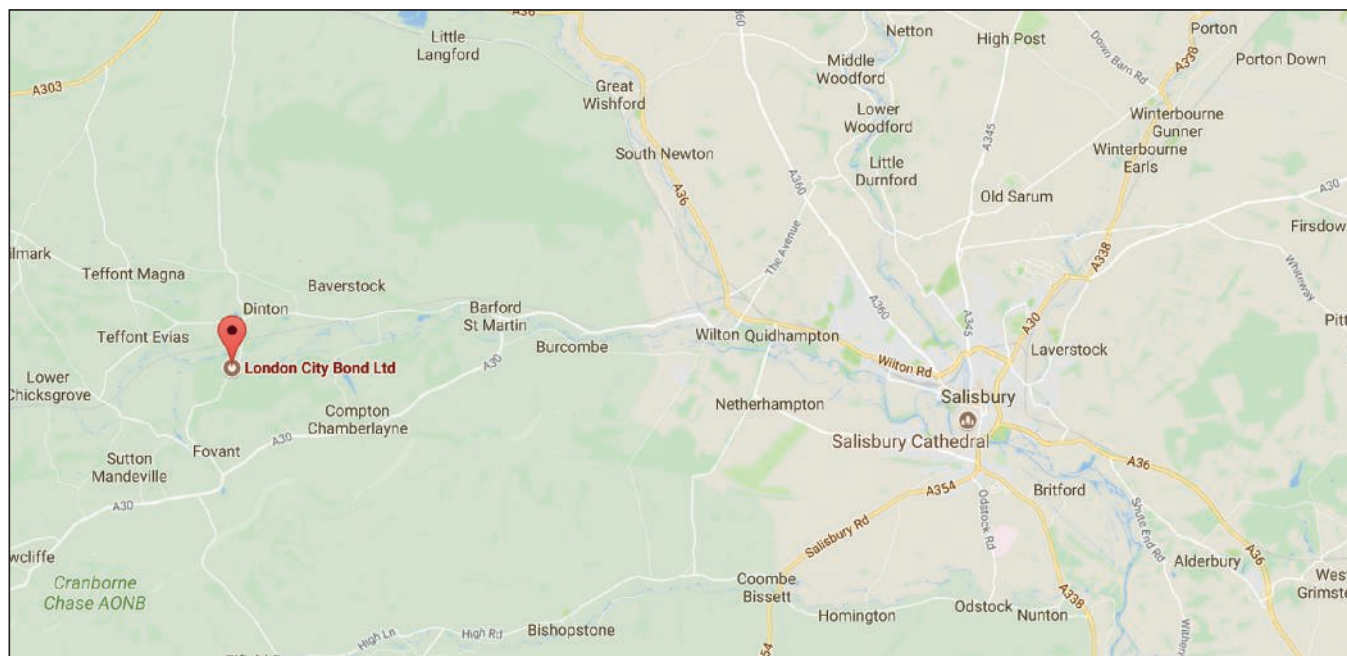

We therefore repeat that there is always a risk of cork failure with old wines and due allowance must be made for this.

Under no circumstances can an adjustment of price or credit be made after delivery except under the terms stated in Paragraph E2 of the Conditions of Sale.

Unless otherwise stated, Bordeaux are château bottled and all wines are bottled in the country of production.

Important note regarding opening of cases and listing of levels: Christie's general policy is to open all wood cases and to describe levels. Bidders must make allowances for reasonable variations in uillage which may be encountered in cases from the 2000 vintage and older. Additionally, all wine from vintages 2000 and younger have levels base of neck or better unless otherwise noted.
