Geachte liefhebber en filatelist,

In uw handen heeft u de catalogus van de komende postzegel- en ansichtkaartenveiling van januari 2024. Een mooie en gevarieerde veiling, met veel plezier en geduld beschreven, gefotografeerd en samengesteld. Wat hebben we weer ongelooflijk veel zegels en ansichten bekeken! Dank aan onze inzenders, zoals altijd maken zij deze catalogus en deze veiling mogelijk.

Deze veiling bestaat uit ruim 2400 kavels, te veilen op donderdag, vrijdag en zaterdag 11, 12 en 13 januari aanstaande. De kijkdagen starten op vrijdag 5 januari. Er is wederom genoeg te bekijken, dus neem ruimschoots de tijd! Houdt u er rekening mee dat inzage op de veilingdagen zelf helaas niet mogelijk is (12 en 13 januari). We zijn er echter van overtuigd dat we u voldoende kijkgelegenheid bieden, inclusief een avondsessie op woensdag 10 januari.

Zoals altijd kunt u weer live meebieden via internet (uitgezonderd frankeergeldig). Na registratie via www.ha-europe.com kunt u inloggen en meebieden. Ook kunt u uw biedingen van te voren opgeven via dit online systeem. Hierbij voert u zelf uw biedingen in via uw computer, alsof u uw biedbriefje invult, waarna u op de hoogte wordt gehouden van de betreffende kavel(s). Als iemand anders meer biedt dan u krijgt u dat automatisch te horen via een mailtje. Erg handig, u weet immers al voor de start van de veiling of u een kans maakt. Daarnaast heeft u (en wij) geen last meer van kwijtgeraakte of te laat binnengekomen biedbriefjes. LET OP: bij het sluiten van de biedingen via onze website is het niet altijd zeker dat u op de veilingdag zelf de hoogste bidder bent, we moeten immers nog binnengekomen biedingen verwerken. De kans bestaat dus dat u alsnog overboden wordt zonder dat u daarvan op de hoogte wordt gesteld, houdt u daar rekening mee.

Uw aanwezigheid tijdens de veilingdagen wordt uiteraard zeer gewaardeerd. Mocht u echter verhinderd zijn en kunt u niet via ons live computersysteem meebieden, dan voeren wij uw schriftelijke biedingen, zoals u dat van ons gewend bent, discreet en met zorg uit.

Wellicht tot binnenkort en alvast succes met bieden!

Met vriendelijke filatelistische groet,

Jacco Scheper, Huib Pelzer
en alle andere medewerkers bij Heritage Auctions Europe.

TIP

In deze catalogus staat een beperkt aantal kavels afgebeeld.
Als u naar onze website gaat (www.ha-europe.com) kunt u meer kavels afgebeeld zien!

Heritage Auctions Europe Online

Online auction

Follow the auction at www.ha-europe.com. Here you can not only place your bids in advance, but also bid live during the auction.

In order to make full use of www.ha-europe.com you must register once. Processing your registration can take up to 1 business day, so do not wait until the last minute.

Proxy bidding

For proxy bids, please use www.ha-europe.com to place your bids in advance. The system is fast and flawless and it has now been proven that the number of errors is lower than with the known handwritten bidlists. Another advantage is that you get instant feedback and the possibility to raise your bids if necessary. In addition, your bids are processed immediately. This can give an advantage up to 48 hours. Important if equal bids are placed!

Live bidding

We offer all of our lots to be not only auctioned at our office, but simultaneously online. To bid live, you must sign up for the specific auction. In order to sign up for an auction, log in at www.ha-europe.com and then click on the blue 'Register Live'-button at the particular auction. An orange 'Register'-button appears on the next page. Processing your request can take up to 1 business day, so do not wait until the last minute. The 'Bid Live'-button will turn green shortly prior to the auction.

Kwaliteitsomschrijving postzegels / Quality description stamps

	Nederlands	English	Deutsch
xx	Postfris	Without hinge	Ohne Falz
x	Ongebruikt (met plakker)	Mint	Ungebraucht
(x)	Ongebruikt zonder gom	No gum	Ohne Gummi
o	Gebruikt	Used	Gebraucht
Pr.ex.	Prachtexemplaar (zonder gebreken)	Without any defect	Ohne Fehler
Z.fr.	Zeer fraai (kleine gebreken)	Fair fine	Sehr schön

De kwaliteitsaanduidingen, die overeenkomstig gebruikelijke maatstaven zijn aangebracht, gelden als persoonlijke beoordelingen.

The indications of quality are to be considered as personal reviews.

De losse nummers in deze catalogus zijn verkaveld met gebruikmaking van de volgende catalogi: Nederland en Overzeese Gebiedsdelen volgens NVPH, België volgens OBP, Engeland volgens Stanley Gibbons, Frankrijk volgens Yvert en alle andere landen volgens Michel, tenzij anders aangegeven.

Terms of Sale (Dutch)

Geldende bij de aankoop in veiling van roerende zaken.

Artikel 1 toepasselijkheid

1.1 Deze algemene voorwaarden zijn van toepassing op alle onderdelen van de relatie tussen de veilinghouder en de koper waaronder die betreffende koop, verkoop, bemiddeling, waardering, beoordeling, taxaties, catalogisering, bewaring en overige diensten. Onder koper wordt mede de aspirant koper verstaan die deelneemt aan de veiling ongeacht of deze in persoon biedt, per telefoon, door achterlating van een schriftelijke of mondelinge biedopdracht, elektronisch of door middel van het internet en ongeacht of een koopovereenkomst tot stand komt.

1.2 Afwijking van deze algemene voorwaarden is alleen mogelijk indien en voor zover uitdrukkelijk schriftelijk door de veilinghouder aanvaard.

1.3 De toepasselijkheid van de algemene voorwaarden wordt aan de veilingbezoekers kenbaar gemaakt door publicatie in de catalogus voorafgaande aan de veiling en/of mededeling voorafgaande aan de veiling en/of vermelding via internet/op de website van de veilinghouder. Een ieder die aan een veiling deelneemt geeft daardoor te kennen de toepasselijkheid van deze voorwaarden volledig te aanvaarden.

Artikel 2 informatie-/onderzoeksplicht

2.1 Omschrijvingen in de catalogus en alle schriftelijke of mondelinge inlichtingen worden door de veilinghouder en zijn personeel naar beste weten verstrekt.

2.2 De koper dient vóór de koop de staat en de beschrijving van een voorwerp in de catalogus of kavellijst ten eigen genoegen nauwkeurig en deskundig te (laten) inspecteren en een eigen oordeel te vormen over de mate waarin het voorwerp overeenkomt met de beschrijving ervan en de koper dient waar redelijkerwijs nodig of gewenst onafhankelijk advies van deskundigen in te roepen, terwijl de koper niet op illustraties in de catalogus dient af te gaan. Indien in de catalogus bepaalde gebreken of onvolkomenheden zijn vermeld, beoogt dat een indicatie te zijn die niet uitputtend is en waaraan de koper geen rechten kan ontleen.

2.3 De veilinghouder kan niet aansprakelijk gehouden worden voor de onjuistheid van de beschrijving in de catalogus of op andere wijze kenbaar gemaakt, van materialen zoals bijvoorbeeld houtsoorten, stoffen, legeringen, aardewerk, porselein en diamant, een en ander met uitzondering van edele metalen. De veilinghouder aanvaardt alleen aansprakelijkheid voor onjuiste omschrijvingen voor zover voorzien in artikel 6 van deze voorwaarden.

Artikel 3 bieden

3.1 De koper kan in persoon bieden, tevens accepteert de veilinghouder biedingen:

- Schriftelijk
- Telefonisch
- Fax
- E-mail

- Internet, zowel voor de veiling als via de LiveBid. Let op! LiveBid wordt belast met 3% extra commissie, zoals vermeldt in artikel 3.6.

Kavels worden toegewezen aan de hoogst biedende. Bij een gelijk bod van 2 schriftelijke bidders wordt het betreffende kavel toegewezen aan de bidder wiens bieding het eerst ontvangen is.

3.2 Schriftelijke biedopdrachten dienen ondubbelzinnig en duidelijk te zijn en naar het oordeel van de veilinghouder tijdig genoeg voor de aanvang van de veilingzitting door de veilinghouder te zijn ontvangen. Indien er meerdere schriftelijke biedopdrachten door de veilinghouder worden ontvangen waarbij de te bieden bedragen gelijk zijn en deze biedingen ter veiling de hoogste biedingen op het voorwerp zijn, wordt het voorwerp verkocht aan de persoon wiens bieding door de veilinghouder het eerst is ontvangen.

3.3 Biedopdrachten hoeven slechts te worden uitgevoerd indien de veilinghouder redelijkerwijs daartoe gelegenheid heeft en de veilinghouder heeft te allen tijde het recht van het voeren van een biedopdracht af te zien.

3.4 Indien koper telefonisch of -indien mogelijk- elektronisch of via internet wil bieden, dient dit uiterlijk 24 uur voor de veiling schriftelijk met de veilinghouder te worden overeengekomen. Afwijking van deze termijn kan alleen met uitdrukkelijke schriftelijke instemming van de veilinghouder.

3.5 De veilinghouder sluit steeds iedere aansprakelijkheid ter zake van het om welke redenen dan ook niet slagen van een telefonische bieding uit, evenals het om welke redenen dan ook niet slagen van een schriftelijke bieding, elektronische bieding of bieding door middel van het internet.

3.6 Alle biedingen zijn onderhevig aan een aankoopcommissie.
• Drieëntwintig procent (23%) commissie en €2 kavelgeld voor ieder gekocht kavel bij alle Postzegel- en Muntveilingen
• Vijfentwintig procent (25%) commissie en €2 kavelgeld voor ieder gekocht kavel bij alle Kunst en Curiosaveilingen
Kavels verkregen via LiveBid worden belast met 3% extra commissie.

Artikel 4 totstandkoming koopovereenkomst

4.1 De koop komt tot stand bij definitieve toewijzing. Van definitieve toewijzing is sprake wanneer de veilinghouder het bod van de koper heeft geaccepteerd dan wel het voorwerp aan de koper heeft toegelagen.

4.2 Alle voorwerpen worden verkocht in de toestand waarin zij zich op het ogenblik van toewijzing bevinden. Wezenlijke

wijzigingen in de toestand die blijken na verschijning van de catalogus en/of het tonen op de kijkdagen en/of op het internet waaronder ernstige beschadiging of breuk, of herroeping van de omschrijving van een voorwerp in de catalogus en/of het internet zullen voorafgaande aan de verkoop worden medegedeeld. Na een dergelijke mededeling (bijvoorbeeld in een "sale room notice") kunnen aan de oude omschrijving geen rechten worden ontleend.

Artikel 5 verplichtingen koper

5.1 De koper dient zich op eerste verzoek van de veilinghouder te legitimeren.

5.2 De koper wordt geacht voor zichzelf te hebben gekocht en is aansprakelijk voor betaling zonder zich op een lastgever te kunnen beroepen.

5.3 Derechten en plichten uit hoofde van de koopovereenkomst en deze algemene voorwaarden komen uitsluitend toe aan de koper en kunnen door deze niet aan derden worden overgedragen.

Artikel 6 terugnameverplichting veilinghouder

6.1 Tenzij uitdrukkelijk voor bepaalde voorwerpen in de catalogus of kavellijst uitgesloten, is - onverminderd de artikelen 2 en 4.2 - de veilinghouder bereid een geveild voorwerp tegen gelijktijdige restitutie van de in rekening gebrachte koopprijs en veilingkosten terug te nemen, indien de koper binnen een periode van zes weken na de verkoop ten genoegen van de veilinghouder bewijst dat het geveilde zulke ernstige verborgen gebreken vertoont of de verstrekte omschrijving zo onjuist is, dat indien deze gebreken of de juiste omschrijving aan de koper op het ogenblik van toewijzing bekend waren geweest, hij van de koop zou hebben afgezien of slechts tegen een aanmerkelijk lagere prijs gekocht zou hebben. Dit geldt niet indien de gebreken alleen de conditie van het voorwerp betreffen (zoals bijvoorbeeld slijtage en restauraties).

6.2 De veilinghouder is niet bereid tot terugname indien de omschrijving in de catalogus voorafgaande aan of tijdens de veiling werd herroepen en de juiste omschrijving mondeling of schriftelijk aan het publiek werd medegedeeld.

6.3 De bereidheid tot terugname vervalt ook als de koper het geveilde niet kan teruggeven in dezelfde staat als waarin het zich bij toewijzing bevond, zulks ter beoordeling van de veilinghouder.

Artikel 7 rechten veilinghouder en veilingmeester

7.1 De veilinghouder en de veilingmeester die leiding geeft aan de veiling behouden zich de volgende rechten voor:

- zonder opgave van redenen personen als bidder of koper te weigeren;
- te allen tijde wijziging te brengen in de orde van verkoop;
- voorwerpen te doen uitvallen of toe te voegen;
- kopen te combineren of te splitsen;
- kopen niet te gunnen of op te houden;
- vergiftigen bij biedingen en toewijzing te herstellen, of een koop ongedaan te maken zonder dat een bidder van vergissingen gebruik kan maken en zich in dat geval op een tot stand gekomen koopovereenkomst mag beroepen;
- na toewijzing onmiddellijk gehele of gedeeltelijke betaling te vorderen, terwijl bij weigering of onmacht van betaling de veilinghouder en de veilingmeester het recht hebben de koopovereenkomst ongedaan te maken en daarna het betreffende voorwerp te herveilen en het bod van de nalatige bidder niet weer aan te nemen;
- indien de koper weigert op eerste verzoek volledige naam en adres aan de veilinghouder bekend te maken en daarop betrekking hebbende legitimatie te tonen, de koopovereenkomst te ontbinden en te herveilen;
- voorwerpen niet over te schrijven van de rekening van de oorspronkelijke koper op die van een ander;
- gedurende de veiling geen voorwerpen af te geven;
- namens kopers of verkopers biedingen uit te brengen;
- voorwerpen waarover tijdens of kort na de veiling een geschil gerezen is, opnieuw in veiling te brengen, en een eventuele koopovereenkomst te ontbinden.

Artikel 8 betaling/eigendomsoverdracht

8.1 De betaling door de koper van de koopsom in Euro verhoogd met veilingkosten, andere kosten, waaronder indien van toepassing, het verschuldigd volgrecht, en eventuele BTW, één en ander als door de veilinghouder vast te stellen, moet vóór de aflevering van de gekochte voorwerpen plaatsvinden en binnen de door de veilinghouder te stellen termijn, zonder dat korting of verrekening is toegestaan, een en ander tenzij anders is overeengekomen.

8.2 Een beroep op de zogenaamde margeregeling kan uitsluitend worden gedaan indien vooraf aan de veiling aan alle ter zake geldende voorschriften is voldaan onder andere met betrekking tot de inkoopverklaring. Zulks ter uitsluitende beoordeling van de veilinghouder.

8.3 De eigendom van de voorwerpen gaat niet eerder over dan na volledige betaling van de koopsom en in geval van niet-tijdige betaling niet eerder dan na volledige betaling van de koopsom inclusief de in artikel 9 genoemde kosten.

Artikel 9 niet-tijdige betaling

9.1 Bij niet-tijdige betaling zal de veilinghouder aan de koper rente in rekening mogen brengen gelijk aan de wettelijke rente verhoogd met 3% dan wel - naar keuze van de veilinghouder - 1% per maand, te rekenen vanaf de datum waarop de betalingstermijn is verstrekt. Tevens komen alle gerechtelijke en buitengerechtelijke kosten voor rekening van de nalatige koper, welke kosten worden begroot op 15%

van de koopsom vermeerderd met de veilingkosten met een minimum van € 250 (zegge: tweehonderdvijftig Euro), onverminderd het recht om de werkelijke kosten te verhalen. 9.2 De veilinghouder heeft tevens het recht om, indien de koper de betalingstermijn overschrijft en daardoor van rechtswege in verzuim is, de koopovereenkomst schriftelijk te ontbinden. Eventuele gedeeltelijke betalingen vervallen in geval van ontbinding bij wijze van vergoeding van schade aan de veilinghouder die tevens het recht heeft de volledige schade, zoals een mindere opbrengst, en kosten op de koper te verhalen en het geveilde onmiddellijk of later te herveilen of uit de hand te verkopen. De nalatige koper kan geen aanspraak maken op een eventuele meeropbrengst.

Artikel 10 ophaaltermijn

10.1 De koper is verplicht de gekochte voorwerpen tot zich te nemen en af te (laten) halen binnen de door de veilinghouder aan te geven termijn. Behoudens het recht van de veilinghouder een kortere of langere termijn aan te geven geldt als uiterlijke ophaaltermijn, een termijn van vijf werkdagen na de laatste veilingdag.

10.2 Bij nalatigheid van de koper het gekochte af te nemen en op te (laten) halen binnen de gestelde termijn is de koper van rechtswege in verzuim en is het gestelde in artikel 9 van overeenkomstige toepassing. Tevens heeft de veilinghouder het recht het gekochte voor rekening en risico van de koper in opslag te geven, waarbij vervoerskosten en het daaraan verbonden risico eveneens ten laste van de koper komen.

Artikel 11 onverkochte voorwerpen

11.1 Indien een voorwerp ter veiling onverkocht blijft, heeft de veilinghouder gedurende een periode van veertien dagen na de veiling het recht doch nimmer de plicht het onverkochte voorwerp alsnog te verkopen tenzij anders overeengekomen met de inbrenger.

11.2 De veilinghouder zal een dergelijke verkoop na veiling ("aftersale") alleen aangaan indien die verkoop kan geschieden voor een prijs die resulteert in een bedrag dat minimaal gelijk is aan de netto verkoopopbrengst waarop de verkoper recht zou hebben gehad indien het voorwerp voor de voor deze veiling geldende limiet zou zijn verkocht, zulks tenzij een andere regeling met verkoper wordt overeengekomen.

11.3 Een aankoop door een koper in de zin van dit artikel geldt als aankoop ter veiling waarop deze algemene voorwaarden onverkort van toepassing zullen zijn.

Artikel 12 aansprakelijkheid veilinghouder

12.1 De veilinghouder is nimmer aansprakelijk voor schade ontstaan aan schilderijlijsten, overige omlijstingen en al wat daarvan deel uitmaakt zoals glazen, platen, passe-partouts etc., behoudens het geval dat de schade is veroorzaakt door opzet of bewuste roekeloosheid van de veilinghouder en/of door hem ingeschakelde hulpverleners of personeelsleden.

12.2 In geen geval is de veilinghouder aansprakelijk voor bedrijfs-, gevolg-, vermogens- en/of indirecte schade.

12.3 De veilinghouder is nimmer aansprakelijk voor enig ongeval of enige vorm van schade iemand overkomen in of nabij de gebouwen of terreinen waar gelegenheid is tot inbreng, opslag of bezichtiging, waar de veiling plaats heeft of waar de verkochte goederen worden afgehaald, behoudens het geval dat de schade is veroorzaakt door opzet of bewuste roekeloosheid van de veilinghouder en/of door hem ingeschakelde hulpverleners of personeelsleden en/of behoudens voor zover door een verzekering van de veilinghouder gedekt.

12.4 Het betreden van de gebouwen of terreinen geschiedt op eigen risico.

Artikel 13 foto's en illustraties

13.1 De veilinghouder is gerechtigd alle ter verkoop aangeboden voorwerpen te fotograferen, te illustreren of anderszins in beeld te brengen en af te (doen) beelden op welke wijze dan ook, zowel voor, tijdens als na de veiling, rekeninghoudende met geldende wettelijke bepalingen. De veilinghouder behoudt het auteursrecht op al deze afbeeldingen.

Artikel 14 diversen

14.1 Nietigheid, vernietiging of onverbindendheid van één der bepalingen van deze algemene voorwaarden laat de geldigheid van de overige bepalingen onverlet. In het geval één of meer bepalingen nietig, vernietigd of onverbindend zijn, worden tussen koper en veilinghouder vervangende bepalingen overeengekomen die wet geldig zijn en die het meest de inhoud en strekking van de nietige, vernietigde of onverbindend gebleken bepaling(en) benaderen.

14.2 Op deze algemene voorwaarden is uitsluitend Nederlands recht van toepassing.

14.3 Alle geschillen ter zake van, voortvloeiende uit of verbandhoudende met een tussen de veilinghouder en de koper gesloten koopovereenkomst, de totstandkoming van een koopovereenkomst of deze algemene voorwaarden worden uitsluitend ter beslechting voorgelegd aan de bevoegde rechter van de woonplaats of plaats van vestiging van de veilinghouder, tenzij uit de wet anders voortvloeit behoudens het recht van de veilinghouder om het geschil aanhangig te maken bij de bevoegde rechter van de woonplaats van de koper.

Extract of the conditions of sale

The auction sale occurs by upward bidding in euro. To the hammer price a buyers commission will be added of 23% and 2 euros for every bought lot. Purchases via the livebid system have an alternate commission fee of 26% and 2 euros for every bought lot.

Lots are assigned to the highest bidder. In case of two even bids the concerning lot will be assigned to the first received bidsheet. Bidders can submit written bids with the accompanying bidsheet. Please notice: no bids below the starting price will be accepted!

The auction sale takes place with increasing steps as follows: up to 40 euro with 2 or 3 euro, from 40 to 100 euro with 5 euro, from 100 to 300 euro with 10 euro, from 300 to 500 euro with 20 euro, and from 500 to 1000 with 50 euro and above 1000 euro with 100 euro. The auctioneer has the right to deviate from these amounts. Bids under the starting price are not accepted.

During and after the auction lots bought can be taken along by the purchaser. This is possible after direct payment (cash or bank) or after permission of the auctioneer to wire the amount within an agreed period. Payment with creditcard is also possible, the auctioneer will charge 5% extra to the invoice due to bankcosts. Cheques and PayPal are not accepted. Every bidder is considered to buy for him- or herself and can never be entitled 'in-betweens' without responsibility.

Purchases will not be sent before the invoice is paid in full. Heritage Auctions Europe takes no responsibilities for bank or wire transfer surcharges (which some banks charge).

A minimum of 30 euro will be charged for shipping costs. Heritage Auctions Europe is free to raise these costs if the actual shipping costs are higher than invoiced. We attempt to ship as quickly as possible, but operate a queue system with purchases shipped in order of payment. Buyers will receive a tracking number once the package is ready to be shipped out.

We reserve the right to decline to ship lots deemed too fragile, heavy or large for postal services. Every effort is made to pack securely but we are not a professional shipping company, our services are used at the buyers risk and we cannot be held responsible for damage in transit.

Ownership of the lots remains with the seller until payment has been made in full. Buyer's risk is valid from the moment of knock-down.

All lots are sold as viewed. Authenticity of every single lot (or lots with no more than 2 pieces) is guaranteed.

All disputes during or after the auction are decided by a present supervisor. All parties are subject to his/her pronouncement. Any disputes followed by legal actions will be handled according to the conditions as deposited at the Court of Law in Utrecht under no. 383/1999 (15/11/1999). Only the Dutch text of conditions of sale is in force.

According to Dutch taxlaw your VAT-number will NOT exclude VAT. All prices are reserve prices.

Miscellaneous (1100-1157) with livebid 
Postcards (1200-1535) with livebid 

Please make sure to submit your absentee bids in time.

See page 7 for the deadlines.

Advice:

Enter your postal bids at www.ha-europe.com. This prevents errors and lost bid slips. Your bids are also processed faster, which provides a time advantage of up to 48 hours. This is important when equal bids are placed. You will also receive immediate feedback and the option to increase your bid if necessary.

Heritage Auctions is the largest numismatic auction house in the world with over 1,500,000 members/bidders. No other auction house even comes close! Consigning to our auctions is possible via HAE in IJsselstein, inquire about the possibilities. Call +31(0)30-6063944 or info@ha-europe.com

 Livebid powered by Professional Auction Service

ITALIAN STATES - Following lots together form a more than 40-year-untouched collection. This collection contains postal history and many scarce stamps, but as often the case with old Italian states, this collection also contains forgeries. The lots are offered 'as is'. Some are marked 'Faux' but others need to be examined. Some letters and stamps are expertised (most by E. Diena). A very interesting offer containing a wealth of information and very suitable as a reference collection with an attractive starting price. All collections will be fully displayed on our website.

818

Papal state 1459-1870 (3 folders) incl. Roman state. Collection postal history with 14 letters upto 1776 and emission 1852 with varieties and color nuances some pairs/strips, 18 letters with single and many with multiple postage (incl. registered mail), Roman states mint and 3 stamped letters and emission 1867 mint/used, varieties, reprints and 5 stamped letters.

Absentee bid Thursday January 11, 2024

Bids will be processed at 22:00 hours CET

Face value (2600-2697)

Absentee bids only, can be entered until January 11 17:00 CET.

Advice:

Enter your postal bids at www.ha-europe.com. This prevents errors and lost bid slips. Your bids are also processed faster, which provides a time advantage of up to 48 hours. This is important when equal bids are placed. You will also receive immediate feedback and the option to increase your bid if necessary.

Heritage Auctions is the largest numismatic auction house in the world with over 1,500,000 members/bidders. No other auction house even comes close! Consigning to our auctions is possible via HAE in IJsselstein, inquire about the possibilities. Call +31(0)30-6063944 or info@ha-europe.com
