The BID<sup>SM</sup> online bidding service is not available for Premium Lots.

For any lots other than Premium Lots, regardless of the low pre-sale estimate for the lot, Sotheby's reserves the right to request from prospective bidders to complete the pre-registration application form and to deliver to Sotheby's a deposit of **HK\$1,000,000** or such higher amount as may be determined by Sotheby's (for any items of Chinese Works of Art, Fine Chinese Paintings, Fine Classical Chinese Paintings, Magnificent Jewels & Jadeite and Modern & Contemporary Art – Evening Sale) and of **HK\$500,000** or such other higher amount as may be determined by Sotheby's (for any items in other categories) and any financial references, guarantees and/or such other security as Sotheby's may require in its absolute discretion, as security for the bid.

The amount of the additional deposit, guarantee and/or other security shall be determined by Sotheby's at its sole discretion and Sotheby's reserves the right to reject any further bidding from that bidder until such additional deposit, guarantee and/or other security has been delivered to Sotheby's.

Sotheby's has no obligation to accept any pre-registration application. Sotheby's decision in this regard shall be final.

Clients are requested to contact Sotheby's **at least 3 working days** prior to the relevant sale in order to allow Sotheby's to process the pre-registration, and to bear in mind that Sotheby's is unable to obtain financial references over weekends or public holidays. # 100 YEARS OF THE CARTIER TANK

1917-2017

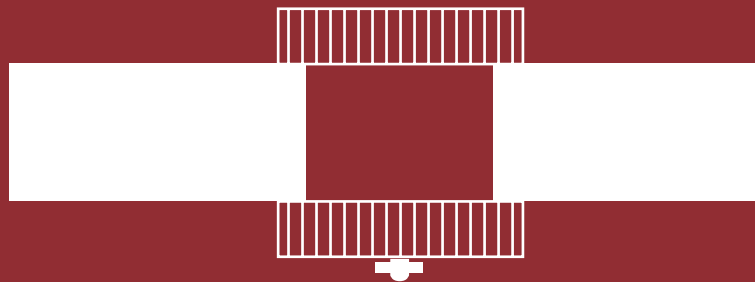

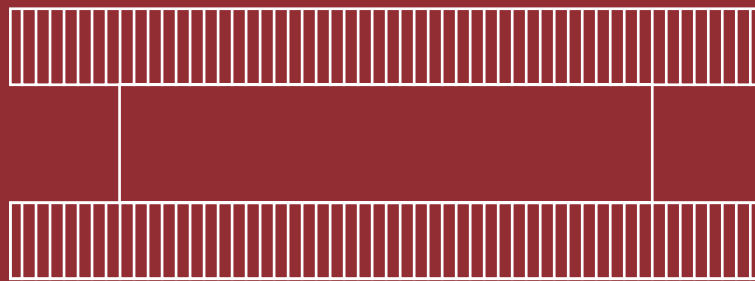

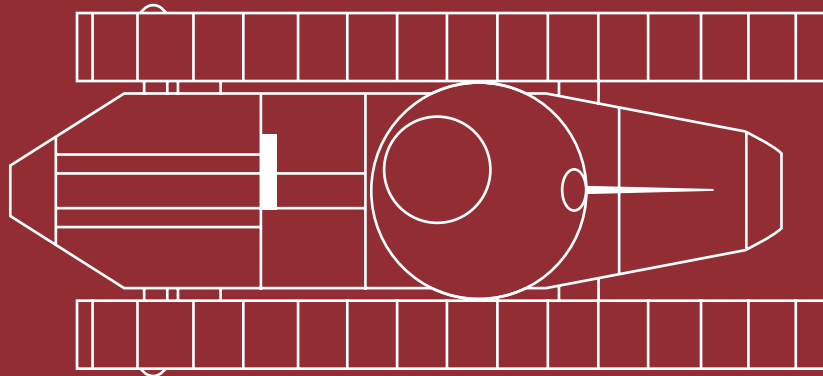

The birth of the Cartier Tank represents the birth of a classic watch. Adorned by many artists, authors, celebrities, famous individuals, social leaders, makes the Tank an exceptional icon and an avant-garde 'Very Important Object' too. Each Tank is not just a watch, each tank tells a story. Hence, it deserves a tribute to mark its 100th anniversary this year.

The Tank is one of the few signature timepieces in the horological history to earn a global aesthetic appreciation. At the beginning of the 20th century, many manufacturers were still producing pocket watches with limited production modified for wristwatches, and mainly in the form of round cases. Then, Cartier interrupted the market norm. Cartier decided to create a design not just focusing traditionally on the case or the dial, but in seamless integrated lugs with the case as an extension of the watch strap. This is a breakthrough in design inspiration! Constructed by a simple idea of four lines, with two parallel shafts, a sapphire cabochon atop the winding crown seated on a leather strap, was launched by Louis Cartier in 1917. The

simplicity of its unique design has brought the many generations of Tank in productions till today. It is classic and yet artistically modern.

Andy Warhol once commented "I don't wear a Tank to tell the time. In fact, I never wind it. I wear a Tank because it's the watch to wear"! The faithful design remains distinguishable for decades. In the late 70s, the introduction of Les Must de Cartier applying different coloured dials became a fashionable novelty. The popularity of the colour range continued through the 80s. In 1989, Cartier delivered the handsome Tank Americaine, in a long and curved waterproof watch case. In the 90s, the Tank Francaise, the Tank Divan, the Tank Solo, the Tank Crash, continue to write its milestones. This year, in celebration of its centennial, Cartier launched the re-design of the Tank Cintree housing a unique skeleton movement.

From two vertical brancards framing the dial on each side, the Cartier Tanks have developed multiple variations, continuing the enduring legend.

“I DON'T WEAR A TANK  
TO TELL THE TIME.  
IN FACT, I NEVER WIND IT.  
I WEAR A TANK  
BECAUSE IT'S THE  
WATCH TO WEAR.”

ANDY WARHOL, 1973

## IMPORTANT NOTICE REGARDING IMPORTANT WATCHES

### IMPORTANT NOTICE

Please note that all lots are sold subject to our Conditions of Business for Buyers and Authenticity Guarantee, which are set forth at the back of this catalogue and Conditions of Business for Sellers, which are available from Sotheby's offices on request. Prospective bidders should review the Conditions of Business, Authenticity Guarantee and the Guide for Prospective Buyers.

### IMPORTANT NOTICE REGARDING CONDITION OF ALL WATCHES

In the catalogue descriptions of property, significant damage may be mentioned, but all faults and imperfections may not be included. All dimensions in catalogue descriptions are approximate.

Prospective buyers should satisfy themselves by personal inspection as to the condition of each lot. If the prospective buyer is not able to inspect the piece, as a courtesy to our clients, we are pleased to provide an opinion of the condition of the property on request. However, since we are not professional watch restorers, any statement of opinion listed is purely subjective and is not a statement of fact. Condition reports may not specify all mechanical replacements or imperfections to the movement, case, dial, pendulum, or separate base(s). The absence of a condition report or the absence of a reference to damage in the catalogue does not imply that the lot is in good condition, working order or free from restoration or repair.

Watches in water-resistant cases have been opened to examine movements but no warranties are made that the watches are currently water-resistant.

Please note that we do not guarantee the authenticity of any individual component parts, such as wheels, hands, crowns, crystals, screws, bracelets and leather bands, since subsequent repairs and restoration work may have resulted in the replacement of original parts.

All lots are sold as is in accordance with Condition 3 of the Conditions of Business for Buyers, and we make no representation or warranty as to the condition of any lot sold.

Please be advised that bands made of materials derived from endangered or otherwise protected species (i.e. alligator and crocodile) are not sold with the watches and are for display purposes only. We reserve the right to remove these bands prior to shipping.

Furthermore, in reference to bands, we do not guarantee the material of manufacture. Please be advised that the buyer will be responsible for complying with any applicable export and import matters, particularly in relation to endangered species and the United States Department of Fish and Wildlife Services.

#### LOTS OFFERED WITHOUT RESERVE

Please note that all lots marked with a (□) in this sale are offered 'Without Reserve'. These items will be sold to the highest bidder, regardless of the pre-sale estimate printed in the catalogue. We hope that you find this visual presentation helpful.

#### ❖ NOTICE REGARDING GEMSTONES ORIGINATING IN BURMA (MYANMAR)

Jadeite and rubies of Burmese origin and articles of jewellery less than 100 years old containing such gemstones may not be imported into the U.S. Lots marked with ❖ contain rubies or jadeite of Burmese or unknown origin that may be subject to these restrictions.

With respect to items containing any other types of gemstones originating in Burma (e.g. sapphires), such items may be imported into the U.S. provided that the gemstones were mounted or incorporated into articles of jewellery outside of Burma as long as the setting is not of a temporary nature. Loose gemstones of any type originating in Burma may not be imported into the U.S.

The purchaser's inability to import any item into the U.S. or any other country as a result of these or other restrictions shall not justify cancellation or rescission of the sale or any delay in payment. Please check with the specialist department if you are uncertain as to whether a lot is subject to these import restrictions, or any other restrictions on importation or exportation.

## GUIDE FOR PROSPECTIVE BUYERS

**Buying at Auction** The following pages are designed to give you useful information on how to buy at auction. Sotheby's staff as listed at the front of this catalogue will be happy to assist you. However, it is important that you read the following information carefully and note that Sotheby's acts for the seller; you should refer in particular to Conditions 3 and 4 of the Conditions of Business for Buyers printed in this catalogue. Prospective bidders should also consult [www.sothebys.com](http://www.sothebys.com) for the most up to date cataloguing of the property in this catalogue.

**Provenance** In certain circumstances, Sotheby's may print in the catalogue the history of ownership of a work of art if such information contributes to scholarship or is otherwise well known and assists in distinguishing the work of art. However, the identity of the seller or previous owners may not be disclosed for a variety of reasons. For example, such information may be excluded to accommodate a seller's request for confidentiality or because the identity of prior owners is unknown given the age of the work of art.

**Buyer's Premium** A buyer's premium will be added to the hammer price and is payable by the buyer as part of the total purchase price. The buyer's premium is 25% of the hammer price up to and including HK\$2,000,000, 20% of any amount in excess of HK\$2,000,000 up to and including HK\$22,500,000, and 12.5% of any amount in excess of HK\$22,500,000.

### 1. BEFORE THE AUCTION

**Catalogue Subscriptions** If you would like to take out a catalogue subscription, please ring (852) 2822 8142.

**Deposit** If you wish to bid on (☞) lots in the printed catalogue and (⚡) lots in the eCatalogue, you may be requested by Sotheby's to deliver to Sotheby's a deposit of HK\$5,000,000 or such other higher amount as may be determined by Sotheby's (for any items of Chinese Works of Art, Fine Chinese Paintings, Fine Classical Chinese Paintings,

Magnificent Jewels & Jadeite and Modern & Contemporary Asian Art – Evening Sale) and of HK\$2,000,000 or such higher amount as may be determined by Sotheby's (for any items in other categories), and any financial references, guarantees and/or such other security as Sotheby's may require in its absolute discretion as security for the bid. For any lots other than Premium Lots, regardless of the low pre-sale estimate for the lot, Sotheby's reserves the right to request from prospective bidders to complete the pre-registration application form and to deliver to Sotheby's a deposit of HK\$1,000,000 or such higher amount as may be determined by Sotheby's (for any items of Chinese Works of Art, Fine Chinese Paintings, Fine Classical Chinese Paintings, Magnificent Jewels & Jadeite and Modern & Contemporary Asian Art – Evening Sale) and of HK\$500,000 or such other higher amount as may be determined by Sotheby's (for any items in other categories) and any financial references, guarantees and/or such other security as Sotheby's may require in its absolute discretion as security for the bid.

**Pre-sale Estimates** Pre-sale estimates are intended as a guide for prospective buyers. Any bid between the high and low pre-sale estimates would, in our opinion, offer a chance of success. However, all lots can realise prices above or below the pre-sale estimates.

It is advisable to consult us nearer the time of sale as estimates can be subject to revision. The estimates printed in the auction catalogue do not include the buyer's premium.

**Symbol Key** The following key explains the symbols you may see inside this catalogue.

#### ☞ Premium Lots

In order to bid on "Premium Lots" (☞ in print catalogue, ⚡ in eCatalogue), Sotheby's may request from prospective bidders to complete the pre-registration application form and to deliver to Sotheby's a deposit of HK\$5,000,000 or such other higher amount as may be determined by Sotheby's (for any items of Chinese Works of Art, Fine Chinese Paintings, Fine Classical Chinese Paintings, Magnificent Jewels & Jadeite and Modern & Contemporary Asian Art – Evening Sale) and of HK\$2,000,000 or such other higher amount as may be determined by Sotheby's (for any items in other categories), and any financial references, guarantees and/or such other security as Sotheby's may require in its absolute discretion as security for the bid. If all lots in the catalogue are "Premium Lots", a Special Notice will be included to this effect and this symbol will not be used.

#### ⊖ Guaranteed Property

The seller of lots with this symbol has been guaranteed a minimum price from one auction or a series of auctions. This guarantee may be provided by Sotheby's, by a third party or jointly by Sotheby's and a third party. A guarantee may be in the form of an irrevocable bid provided by a third party. Third parties providing or participating in a guarantee may benefit financially if a guaranteed lot is sold successfully and may incur a loss if the sale is not successful. If every lot in a catalogue is guaranteed, the Important Notices in the sale catalogue will so state and this symbol will not be used for each lot. If a third party providing or participating in a guarantee is the successful bidder for the guaranteed lot, they will be required to pay the full Buyer's Premium.

#### △ Property in which Sotheby's has an Ownership Interest

Lots with this symbol indicate that Sotheby's owns the lot in whole or in part or has an economic interest in the lot equivalent to an ownership interest. If all lots in the catalogue are lots in which Sotheby's has an ownership interest, a Special Notice will be included to this effect and the triangle symbol will not be used.

#### ⇒ Irrevocable Bids

Lots with this symbol indicate that a party has provided Sotheby's with an irrevocable bid on the lot that will be executed during the sale at a value that ensures that the lot will sell. The irrevocable bidder, who may bid in excess of the irrevocable bid, will be compensated based on the final hammer price in the event he or she is not the successful bidder. If the irrevocable bidder is the successful bidder, he or she will be required to pay the full Buyer's Premium and will not be otherwise compensated. If the irrevocable bid is not secured until after the printing of the auction catalogue, a pre-lot announcement will be made indicating that there is an irrevocable bid on the lot. If the irrevocable bidder is advising anyone with respect to the lot, Sotheby's requires the irrevocable bidder to disclose his or her financial interest in the lot. If an agent is advising you or bidding on your behalf with respect to a lot identified as being subject to an irrevocable bid, you should request that the agent disclose whether or not he or she has a financial interest in the lot.

#### ∨ Interested Parties

Lots with this symbol indicate that parties with a direct or indirect interest in the lot may be bidding on the lot, including (i) the beneficiary of an estate selling the lot, or (ii) the joint owner of a lot. If the interested party is the successful bidder, they will be required to pay the full Buyer's Premium. In certain instances, interested parties may have knowledge of the reserve. In the event the interested party's possible participation in the sale is not known until after the printing of the auction catalogue, a pre-lot announcement will be made indicating that interested parties may be bidding on the lot.

#### □ No Reserve

Unless indicated by a box (□), all lots in this catalogue are offered subject to a reserve. A reserve is the confidential hammer price established between Sotheby's and the seller and below which a lot will not be sold. The reserve is generally set at a percentage of the low estimate and will not exceed the low estimate for the lot. If any lots in the catalogue are offered without a reserve, these lots are indicated by a box (□). If all lots in the catalogue are offered without a reserve, a Special Notice will be included to this effect and the box symbol will not be used.

#### ● Restricted Materials

Lots with this symbol have been identified at the time of cataloguing as containing organic material which may be subject to restrictions regarding import or export. The information is made available for the convenience of Buyers and the absence of the Symbol is not a warranty that there are no restrictions regarding import or export of the Lot; Bidders should refer to Condition 10 of the Conditions of Business for Buyers. Please also refer to the section on Endangered Species in the information on Buying at Auction.

**Condition of Lots** Prospective buyers are encouraged to inspect the property at the pre-sale exhibitions. Solely as a convenience, Sotheby's may provide condition reports. The absence of reference to the condition of a lot in the catalogue description does not imply that the lot is free from faults or imperfections. Please refer to Condition 3 of the Conditions of Business for Buyers printed in this catalogue.

Electrical and Mechanical Goods All electrical and mechanical goods are sold on the basis of their decorative value only and should not be assumed to be operative. It is essential that prior to any intended use, the electrical system is checked and approved by a qualified electrician.

## 2. BIDDING IN THE SALE

**Bidding at Auction** Bids may be executed in person by paddle during the auction, in writing prior to the sale, by telephone or by BID<sup>SM</sup>. Auction speeds vary, but average between 50 and 120 lots per hour. The bidding steps are generally in increments of approximately 10% of the previous bid. Please refer to Conditions 5 and 6 of the Conditions of Business for Buyers printed in this catalogue.

**Bidding in Person** To bid in person, you will need to register for and collect a numbered paddle before the auction begins. Proof of identity will be required. If you have a Sotheby's Identification Card, it will facilitate the registration process. If you wish to register to bid on a Premium Lot, please see the paragraph above.

Should you be the successful buyer of a lot, please ensure that your paddle can be seen by the auctioneer and that it is your number that is called out. Should there be any doubts as to price or buyer, please draw the auctioneer's attention to it immediately.

All lots sold will be invoiced to the name and address in which the paddle has been registered and cannot be transferred to other names and addresses. Please do not mislay your paddle; in the event of loss, inform the Sales Clerk immediately. At the end of the sale, please return your paddle to the registration desk.

**Absentee Bids** If you cannot attend the auction, we will be happy to execute written bids on your behalf. A bidding form can be found at the back of this catalogue. This service is free and confidential. Lots will always be bought as cheaply as is consistent with other bids, and the reserves and Sotheby's commissions. In the event of identical bids, the earliest received will take precedence. Always indicate a "top limit" - the hammer price to which you would bid if you were attending the auction yourself. "Buy" and unlimited bids will not be accepted. Please refer to Condition 5 of the Conditions of Business for Buyers printed in this catalogue.

Telephoned absentee bids must be confirmed before the sale by letter or fax. Fax number for bids only: (852) 2522 1063. To ensure a satisfactory service, please ensure that we receive your bids at least 24 hours before the sale.

**Bidding by Telephone** If you cannot attend the auction, it is possible to bid on the telephone on lots with a minimum low estimate of HK\$40,000. As the number of telephone lines is limited, it is necessary to make arrangements for this service 24 hours before the sale. We also suggest that you leave a maximum

bid which we can execute on your behalf in the event we are unable to reach you by telephone. Multi-lingual staff are available to execute bids for you. Please refer to Condition 5 of the Conditions of Business for Buyers printed in this catalogue.

**Online Bidding via BID<sup>SM</sup>** If you cannot attend the auction, it may be possible to bid online via BID<sup>SM</sup> for selected sales. This service is free and confidential. For information about registering to bid via BID<sup>SM</sup>, please refer to sothebys.com. Bidders using the BID<sup>SM</sup> service are subject to the Additional Terms and Conditions for Live Online Bidding via BID<sup>SM</sup>, which can be viewed at sothebys.com, as well as the Conditions of Business applicable to the sale. The BID<sup>SM</sup> online bidding service is not available for premium lots.

**Employee Bidding** Sotheby's employees may bid only if the employee does not know the reserve and fully complies with Sotheby's internal rules governing employee bidding.

**US Economic Sanctions** The United States maintains economic and trade sanctions against targeted foreign countries, groups and organisations. US buyers will please note that US persons are generally prohibited from selling, buying or otherwise dealing with property belonging to members, residents, nationals or the governments of these countries, organisations or groups.

## 3. THE AUCTION

**Conditions of Business** The auction is governed by the Conditions of Business for Sellers and Buyers and the Authenticity Guarantee. These apply to all aspects of the relationship between Sotheby's and actual and prospective bidders and buyers. Anyone considering bidding in the auction should read them carefully. They may be amended by way of notices posted in the saleroom or by way of announcement made by the auctioneer.

**Interested Parties Announcement** In situations where a person who is allowed to bid on a lot has a direct or indirect interest in such lot, such as the beneficiary or executor of an estate selling the lot, a joint owner of the lot, or a party providing or participating in a guarantee of the lot, Sotheby's will make an announcement in the sale room that interested parties may bid on the lot. In certain circumstances, interested parties may have knowledge of the reserves.

**Consecutive and Responsive Bidding** The auctioneer may open the bidding on any lot by placing a bid on behalf of the seller. The auctioneer may further bid on behalf of the seller, up to the amount of the reserve, by placing consecutive or responsive bids for a lot. Please refer to Condition 6 of the Conditions of Business for Buyers printed in this catalogue.

## 4. AFTER THE AUCTION

**Payment** Payment is due in HKdollars immediately after the sale and may be made by the following methods: Cash, Banker's Draft, Travellers Cheque, Cheque, Wire Transfer and Credit Card (American Express, MasterCard, Union Pay & Visa). It is against Sotheby's general policy to accept single or multiple related payments in the form of cash or cash equivalents in excess of HK\$80,000. It is Sotheby's policy to request any new clients or buyers preferring to make a cash payment to provide proof of identity (by

providing some form of government issued identification containing a photograph, such as a passport, identity card or driver's licence) and confirmation of permanent address. Thank you for your co-operation.

Cheques and drafts should be made payable to Sotheby's Hong Kong Limited. Although personal and company cheques drawn in HK dollars on Hong Kong banks are accepted, you are advised that property will not be released until such cheques have cleared unless you have a pre-arranged Cheque Acceptance Facility. Forms to facilitate this are available from the Finance Department in Hong Kong. If you wish to pay for any purchase with your American Express, Mastercard, Union Pay or Visa, you must present the card in person to Sotheby's Hong Kong. All charges are subject to acceptance by Sotheby's and by American Express, MasterCard, Union Pay or Visa, as the case may be. In the case a charge is not approved, you will nevertheless be liable to Sotheby's for all sums incurred by you. Credit card purchases may not exceed HK\$1,000,000.

Please note that Sotheby's reserves the right to decline payments received from anyone other than the buyer of record and that clearance of such payments will be required. Please contact our Client Accounts Department if you have any questions concerning clearance.

**Collection and Storage** All items will be held by Sotheby's free of charge for up to 30 days from the date of the sale, after this date the following rates apply:

**Storage charge: HK\$1,200 per lot per month.**

To arrange shipping or collection, please contact:

**Sale Administrator / Shipping Administrator**

As printed in front of this catalogue

Lots will be released to you or your authorised representative when full and final payment has been received by Sotheby's, appropriate photographic identification has been made, and a release note has been provided by Sotheby's (open Monday to Friday 9:30am - 6pm).

Please refer to Condition 7 of the Condition of Business for Buyers printed in this catalogue.

**Loss or Damage** Buyers are reminded that Sotheby's accepts liability for loss or damage to lots for a maximum period of thirty (30) calendar days after the date of the auction. Please refer to Condition 7 of the Conditions of Business for Buyers printed in this catalogue.

**Shipping** Sotheby's Shipping Department can advise buyers on exporting and shipping property. Our office is open between the hours of 9.30am and 6.00pm and you can contact the Shipping advisor on the number set out in the front of this catalogue.

Purchases will be despatched as soon as possible upon clearance from the Accounts department and receipt of your written despatch instructions and of any export licence or certificates that may be required. Despatch will be arranged at the buyer's expense. Sotheby's may receive a fee for its own account from the agent arranging the despatch. Estimates and information on all methods can be provided upon request and enquiries should be marked for the attention of Sotheby's Shipping Department and faxed to (852) 2523 6489.

Your shipper will include a quote for transit insurance. All shipments should be

unpacked and checked on delivery and any discrepancies notified to the transit insurer or shipper immediately.

**Export** The export of any lot from Hong Kong or import into any other country may be subject to one or more export or import licences being granted. It is the buyer's responsibility to obtain any relevant export or import licence. The denial of any licence required or delay in obtaining such licence cannot justify the cancellation of the sale or any delay in making payment of the total amount due.

Sotheby's, upon request and for an administrative fee, may apply for a licence to export your lot(s) outside Hong Kong. Sotheby's recommends that you retain all import and export papers, including licences, as in certain countries you may be required to produce them to governmental authorities.

**Endangered Species** Items made of or incorporating plant or animal material, such as coral, crocodile, ivory, whalebone, tortoiseshell, etc., irrespective of age or value, may require a licence or certificate prior to exportation and require additional licences or certificates upon importation to any country outside Hong Kong. Please note that the ability to obtain an export licence or certificate does not ensure the ability to obtain an import licence or certificate in another country, and vice versa. For example, it is illegal to import African elephant ivory into the United States. Sotheby's suggests that buyers check with their own government regarding wildlife import requirements prior to placing a bid. It is the buyer's responsibility to obtain any export or import licences and/or certificates as well as any other required documentation (please refer to Condition 10 of the Conditions of Business for Buyers printed in this catalogue).

## 5. ADDITIONAL SERVICES

**Financial Services** Sotheby's offers a wide range of financial services including advances on consignments, as well as loans secured by art collections not intended for sale. This is not an offer or solicitation and the services are subject to the laws and regulations of the jurisdictions in which the services are provided. For further information please contact Sotheby's Financial Services in Hong Kong at +852 2822 8188 or in London at +44 20 7293 6005.

**Pre-sale Auction Estimates** Sotheby's will be pleased to give preliminary pre-sale auction estimates for your property. This service is free of charge and is available from Sotheby's experts in Hong Kong on week days between 9.30am and 4.30pm. We advise you to make an appointment with the relevant expert department. Upon request, we may also travel to your home to provide preliminary pre-sale auction estimates.

**Valuations** The Valuation department provides written inventories and valuations for many purposes including insurance, probate and succession division, asset management and tax planning. Valuations can be tailored to suit most needs. Fees are highly competitive. For further information please contact the relevant Expert department on (852) 2524 8121. Fax (852) 2810 6238.

(e) None of this Condition 4 shall exclude or limit Sotheby's liability in respect of any fraudulent misrepresentation made by Sotheby's or the Seller, or in respect of death or personal injury caused by the negligent acts or omissions of Sotheby's or the Seller.

#### 5. BIDDING AT AUCTION

(a) Sotheby's has absolute discretion to refuse admission to the auction. Bidders must complete a Paddle Registration Form and supply such information and references as required by Sotheby's. Bidders act as principal unless they have Sotheby's prior written consent to bid as agent for another party. Bidders are personally liable for their bid and are jointly and severally liable with their principal if bidding as agent.

(b) Sotheby's advises Bidders to attend the auction but will seek to carry out absentee written bids which are in Hong Kong dollars and, in Sotheby's opinion, clear and received sufficiently in advance of the sale of the lot,

endeavouring to ensure that the first received of identical written bids has priority.

(c) Where available, written, and telephone and internet bids are offered as an additional service for no extra charge, at the Bidder's risk and shall be undertaken with reasonable care subject to Sotheby's other commitments at the time of the auction; Sotheby's therefore cannot accept liability for failure to place such bids save where such failure is unreasonable. Telephone and internet bids may be recorded. Internet bids ("BID<sup>SM</sup>") are made subject to the BID<sup>SM</sup> Conditions available on the Sotheby's website or upon request. The BID<sup>SM</sup> Conditions apply in relation to online bids, in addition to these Conditions of Business.

#### 6. CONDUCT OF THE AUCTION

(a) Unless otherwise specified, all lots are offered subject to a Reserve, which shall be no higher than the low presale estimate at the time of the auction.

(b) The auctioneer has absolute discretion at any time to refuse or accept any bid, withdraw any lot, re-offer a lot for sale (including after the fall of the hammer), if he believes there may be error or dispute, and take such other action as he reasonably thinks fit.

(c) The auctioneer will commence and advance the bidding at levels and in increments he considers appropriate and is entitled to place a bid or series of bids on behalf of the Seller up to the Reserve on the lot, without indicating he is doing so and whether or not other bids are placed.

(d) Subject to Condition 6(b), the contract between the Buyer and the Seller is concluded on the striking of the auctioneer's hammer, whereupon the Buyer becomes liable to pay the Purchase Price.

(e) Any post-auction sale of lots offered at auction shall incorporate these Conditions as if sold in the auction.

#### 7. PAYMENT AND COLLECTION

(a) Unless otherwise agreed, payment of the Purchase Price for a lot and any Buyer's Expenses are due in Hong Kong dollars immediately on conclusion of the auction (the "Due Date") notwithstanding any requirements for export, import or other permits for such lot.

(b) Title in a purchased lot will not pass until Sotheby's has received the Purchase Price and Buyer's Expenses for that lot in cleared funds. Sotheby's is not obliged to release a lot to the Buyer until the lot has passed and appropriate identification has been provided, and any earlier release does not affect the passing of title or the Buyer's unconditional obligation to pay the Purchase Price and Buyer's Expenses.

(c) The Buyer is obliged to arrange collection of purchased lots no later than thirty (30) calendar days after the date of the auction. Purchased lots are at the Buyer's risk (and therefore their sole responsibility for insurance) from the earliest of

- (i) collection or
- (ii) the thirty-first calendar days after the auction. Until risk passes, Sotheby's will compensate the Buyer for any loss or damage to the lot up to a maximum of the Purchase Price paid. Buyers should note that Sotheby's assumption of liability for loss or damage is subject to the exclusions set out in Condition 6 of the Conditions of Business for Sellers.

#### 8. REMEDIES FOR NON-PAYMENT

Without prejudice to any rights the Seller may have, if the Buyer without prior agreement fails to make payment in full for the lot within five days of the auction, or in accordance with any payment schedule agreed with Sotheby's, Sotheby's may in its sole discretion (having informed the Seller) exercise one or more of the following remedies:

(a) store the lot at its premises or elsewhere at the Buyer's sole risk and expense;

(b) terminate the contract of the sale of the lot, retaining the right to damages for the Buyer's breach of contract;

(c) set off any amounts owed to the Buyer by a Sotheby's Company against any amounts owed to Sotheby's by the Buyer in respect of the lot and/or any shortfall in the Purchase Price and Buyer's Expenses in the event of a resale under Condition 8(h) below (on a pro-rata basis where more than one lot is purchased by the Buyer at the auction and is then resold), and/or any claim by Sotheby's against the Buyer for damages for the Buyer's breach of contract (including but not limited to the Buyer's Premium in the event of a termination of the sale contract);

(d) apply as Sotheby's sees fit any payments, including deposits, made by or on behalf of the Buyer in respect of this transaction or otherwise, towards (i) any costs, Buyer's Expenses or debts owed by the Buyer to any Sotheby's Company, and/or (ii) any shortfall in the Purchase Price and Buyer's Expenses in the event of a resale under Condition 8(h) below (on a pro-rata basis where more than one lot is purchased by the Buyer at the auction and is then resold), and/or (iii) any claim by Sotheby's against the Buyer for damages for the Buyer's breach of contract (including but not limited to the Buyer's Premium in the event of a termination of the sale contract). For the avoidance of doubt, if more than one lot is purchased by the Buyer at the auction and the Buyer makes a partial payment but fails to pay in full the Purchase Price of all lots purchased by him within five days of the auction or in accordance with any payment schedule agreed with Sotheby's, Sotheby's is entitled, at its absolute discretion, to reject any instruction or request that the whole or a part of such partial payment be applied towards the Purchase Price of, and/or the shortfall and/or Sotheby's claim for damages in respect of, any particular lot(s) purchased by the Buyer;

(e) reject future bids from the Buyer or render such bids subject to payment of a deposit, such deposit to be applied at Sotheby's discretion in the event of subsequent non-payment or late payment;

(f) charge interest at a rate not exceeding 2% per month from the Due Date to the date the Purchase Price and relevant Buyer's Expenses are received in cleared funds;

(g) exercise a lien over any of the Buyer's property which is in the possession of a Sotheby's Company. Sotheby's shall inform the Buyer of the exercise of any such lien and within 14 days of such notice may arrange the sale of such property and apply the proceeds to the amount owed to Sotheby's, and/or any shortfall in the Purchase Price and Buyer's Expenses in the event of a resale under Condition 8(h) below (on a pro-rata basis where more than one lot is purchased by the Buyer at the auction and is then resold), and/or any claim by Sotheby's against the Buyer for damages for the Buyer's breach of contract (including but not limited to the

Buyer's Premium in the event of a termination of the sale contract);

(h) resell the lot by auction or private sale, with estimates and reserves at Sotheby's discretion. In the event such resale is for less than the Purchase Price and Buyer's Expenses for that lot, the Buyer will remain liable for the shortfall together with all costs incurred in such resale;

(i) commence legal proceedings to recover the Purchase Price and Buyer's Expenses for that lot, or to claim damages for the Buyer's breach of contract, together with interest and the costs of such proceedings on a full indemnity basis; or

(j) release the name and address of the Buyer to the Seller to enable the Seller to commence legal proceedings to recover the amounts due or claim damages for the Buyer's breach of contract and legal costs. Sotheby's will take reasonable steps to notify the Buyer prior to releasing such details to the Seller.

#### 9. FAILURE TO COLLECT PURCHASES

(a) If the Buyer pays the Purchase Price and Buyer's Expenses but fails to collect a purchased lot within thirty calendar days of the auction, the lot will be stored at the Buyer's expense (and risk) at Sotheby's or with a third party.

(b) If a purchased lot is paid for but not collected within six months of the auction, the Buyer authorises Sotheby's, having given notice to the Buyer, to arrange a resale of the item by auction or private sale, with estimates and reserves at Sotheby's discretion. The proceeds of such sale, less all costs incurred by Sotheby's, will be forfeited unless collected by the Buyer within two years of the original auction.

#### 10. EXPORT AND PERMITS

It is the Buyer's sole responsibility to identify and obtain any necessary export, import, firearm, endangered species or other permit for the lot and to complete any required export or import manifest, list or documentation. Any symbols or notices in the sale catalogue reflect Sotheby's reasonable opinion at the time of cataloguing and offer Bidders general guidance only. Without prejudice to Conditions 3 and 4 above, Sotheby's and the Seller make no representations or warranties as to whether any lot is or is not subject to export or import restrictions or any embargoes. The denial of any permit or licence shall not justify cancellation or rescission of the sale contract or any delay in payment. We shall not be responsible for any liability arising from any failure to complete or submit the required export or import manifest, list or documentation.

#### 11. GENERAL

(a) All images and other materials produced for the auction are the copyright of Sotheby's, for use at Sotheby's discretion.

(b) Notices to Sotheby's should be in writing and addressed to the department in charge of the sale, quoting the reference number specified at the beginning of the sale catalogue. Notices to Sotheby's clients shall be addressed to the last address formally notified by them to Sotheby's.

(c) Should any provision of these Conditions of Business be held unenforceable for any reason, the remaining provisions shall remain in full force and effect.

(d) These Conditions of Business are not assignable by any Buyer without

## GUIDE FOR ABSENTEE BIDDERS

### ABSENTEE BIDS

If you are unable to attend an auction in person, and wish to place bids, you may give Sotheby's Bid Department instructions to bid on your behalf. We will then try to purchase the lot or lots of your choice for the lowest price possible, and never for more than the top amount you indicate. This service is free and confidential. Please note: Sotheby's offers this service as a convenience to clients who are unable to attend the sale, and although we will make every effort, Sotheby's will not be responsible for error or failure to execute bids. Absentee bids, when placed by telephone, are accepted only at the caller's risk and must be confirmed by letter, or fax. Fax number for bids only: (852) 2522 1063.

### USING THE ABSENTEE BIDS FORM

Please use the absentee bid form provided and be sure to record accurately the lot numbers and descriptions and the top hammer price you are willing to pay for each lot. "Buy" or unlimited bids will not be accepted. Alternative bids can be placed by using the word "OR" between lot numbers. Bids must be placed in the same order as the lot numbers appear in the catalogue.

Each absentee bid form should contain bids for one sale only; the sale number and code name should appear at the top of the form. Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence. Where appropriate your bids will be rounded down to the nearest amount consistent with the Auctioneer's bidding increments.

### SUCCESSFUL BIDS

Successful bidders will receive an invoice detailing their purchases and giving instructions for payment and clearance of goods. Unsuccessful absentee bidders will be advised.

### DATA PROTECTION

In connection with the management and operation of our business and the marketing and supply of Sotheby's Companies' services, or as required by law, we may ask clients to provide personal information about themselves or obtain information about clients from third parties (e.g. credit information). Sotheby's Companies will not use or process sensitive information for any other purpose without the client's express consent. In order to fulfil the services clients have requested, Sotheby's may disclose information to third parties (e.g. shippers). Some countries do not offer equivalent legal protection of personal information to that offered within Hong Kong. It is Sotheby's policy to require that any such third parties respect the privacy and confidentiality of our clients' information and provide the same level of protection for clients' information as provided within Hong Kong, whether or not they are located in a country that offers equivalent legal protection of personal information. By signing this Absentee Bid Form you agree to such disclosure.
