

# **SHARP**

Dear Customer,

With this CD-ROM, Sharp Electronics (Europe) GmbH has condensed the latest available datasheets of its Electronic Components product portfolio into one database to enable free and quick access to all documents.

For several documents you may find that the screen reproduction is not satisfactory. In these cases, we recommend to take a paper print-out of the document in order to achieve full legibility.

Thank you very much for your understanding.

If you have any question or comments, please contact your local representative or contact:
