

# TEMIC TECHNICAL LIBRARY // QUICK HELP

---

The screenshot shows the TEMIC CD-ROM NAVIGATOR interface. It features a left sidebar with a list of part numbers (1N4148 to 1N4744A) and a main pane displaying a hierarchical tree structure of folders and files. A 'Show History' button is located at the top left of the main pane. Callouts provide instructions on how to interact with the interface:

- Show a list of recently opened files and tables**: Points to the 'Show History' button.
- Enter a partnumber here**: Points to the search input field at the top of the main pane.
- Double click to open the PDF file**: Points to the 'Optoelectronic Components' folder in the tree.
- Doubleclick to expand/collapse the branch**: Points to the '+' sign next to the 'Product Data' folder.
- Double click to open the related PDF file**: Points to the part number '1N4730A' in the left sidebar.
