

RETURNED MATERIAL AUTHORIZATION

If you have material that needs to be returned to us, please contact the Sales Department, Applications Engineering, or Customer Service to obtain an RMA number.

No material may be returned without our prior approval. All claims must be made within 30 days of receipt. Returned material will be subject to a minimum ten percent (10%) or \$50 re-stocking charge. The material should be returned in its original packaging whenever possible. All sensor products being returned for restocking must be in the original unopened packages.

Include the supplied RMA number on all documentation and plainly mark the number on each carton being returned to Micro-Measurements.
