Number SA00117BO

Limitations and Conditions (Cont'd)

2. Avidyne FlightMax Charts is an electronic aid to situational awareness designed to facilitate the use of approved navigational charts, not to replace them.
3. This approval should not be incorporated in any aircraft of this specific model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those previously incorporated approved modifications will not introduce any adverse effect upon the airworthiness of the aircraft.
