MODEL 8329-310

TENULINE® ATTENUATOR

DIFFERENCE DATA SHEET

FOR USE WITH

8329-300 INSTRUCTION BOOK

The specifications and instructions of the Model 8329-300 instruction book are fully applicable to the Model 8329-310.

The only difference is in the base mounting dimensions. This has been increased to 21-1/4" $\pm 3/32$ " x 5-3/8" (540 x 136mm).

Note - The specifications for use with a blower unit apply only when used with the Bird Model BA-300 Blower.
