

Genuine Busch Parts

There's Just No Substitute

Busch Genuine Parts

Extended warranty on Busch pumps if you use Busch Maintenance Kits

Parts designed and lubricants formulated to exact Busch specifications

Full stock of maintenance parts for quick delivery all over the United States

Parts conform to Busch's high standards for reliability and optimum performance

In-depth knowledge of Busch products and applications

Generic Parts

No extended warranty

Reverse engineered; may not fit or perform like Busch parts

Stocks only random parts and sizes

Not built to same high standards which may result in shorter life cycles and poor performance

Little knowledge of Busch products and limited application expertise
