## Vacuum Pumps and Systems

## Genuine Busch Parts There's Just No Substitute

### Busch Genuine Parts

Extended warranty on Busch pumps  
if you use Busch Maintenance Kits

Parts designed and lubricants formulated  
to exact Busch specifications

Full stock of maintenance parts for quick  
delivery all over the United States

Parts conform to Busch's high standards for  
reliability and optimum performance

In-depth knowledge of Busch products  
and applications

### Generic Parts

No extended warranty

Reverse engineered; may not fit or perform  
like Busch parts

Stocks only random parts and sizes

Not built to same high standards which  
may result in shorter life cycles and poor  
performance

Little knowledge of Busch products and  
limited application expertise
