MODEL: GP605P

SUBJECT: Differences between the Printer version of the

GP605 (GP605P) and the GP 605

Details:

The following information lists the additional information required to identify those parts on the GP605P, which do not appear in the GP605 parts catalogue.

Two new items with reference to the external covers and panels are as follows:-

Panel Upper FB4-1870-000 Cover Front FF5-8907-000

The GP605P has a different control panel, the differences of which are shown overleaf.
