To help with any organizational questions you may receive at DECworld, I have attached the chart we distributed when we announced our Engineering teams.

This chart depicts our Engineering teams and their reporting relationships. It also shows the list of our line operating organizations.

DECworld is off to a good start. Let's keep it going.

**President & Chief Executive Officer**

**Ken Olsen**

NOTES: All top level managers have a dual reporting relationship to Ken Olsen and Jack Smith.
