## **INTRODUCTION**

This Software Application Catalog is a listing of most of the MS-DOS and CP/M-86 software offerings, known to Eagle computer as of this printing, which are available for use on the Eagle Computer models 1620, 1630 and the Eagle PC.

This catalog is divided into nine categories; General Business, Accounting and Inventory, Spreadsheets/Financial, Job and Industry, Data Management, Word Processing and Text Editing, Graphics, Data Communications and Languages. However, some programs from one category may be applicable in another area. We, therefore, suggest that you carefully review each of the different categories. We have included the program name, author and a brief description.

Programs included in the catalog are for informational purposes only. Inclusion does not constitute an endorsement of the product. Responsibility lies with the user in determining whether or not a program will function with his particular equipment. The purchaser is strongly urged to seek this information from the vendor and to specify his specific equipment before any purchase is made.

## **DISCLAIMER**

Eagle Computer makes no warranties, either express or implied, with respect to the programs included herein, their quality, performance, merchantability, or fitness for any particular purpose. In no event will Eagle be liable for direct, indirect, incidental or consequential damages resulting from any defect in the programs even if it has been advised of the possibility of such damages.

**GENERAL BUSINESS**

---

**Sales Tracking Package**

Logan & Davies  
P.O. Box 28119  
Lakewood, CO 80228  
(303)758-6760

A package designed to aid in sales tracking and potential sales leads. The package contains a sort program which sorts by company, city, agency, date of next action and product. Also sorts by salesperson, product, industry type, competition and interest level of prospect. It will list date and comments of prospects. A tickler report is created for each action item in full or mini form.

**System Requirements:** 128K, two disk drives, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$395.

---

**Optimum Label Package**

Logan & Davies  
P.O. Box 28119  
Lakewood, CO 80228  
(303)758-6760

Allows flexible format, will sort/extract data on 5 levels; name, address, company, zip code and state. Ability to go into Spellbinder to take advantage of the Optimum Label Package's ability to mailmerge.

**System Requirements:** 128K, two disk drives, MS-DOS or CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$199.

---

**Sales Analysis**

MBSI  
Dover Rd., Willow Hill Building  
Chichester, NH 03263  
(603)798-5700

This package is used with order entry and accounts receivable to generate reports and track sales leads. The package will use information from existing files.

**System requirements:** 64K, two disk drives, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$400.

---

**Search System Package**

Logan & Davies  
P.O. Box 28119  
Lakewood, CO 80228  
(303) 758-6760

This powerful employee search package will keep files on candidates by company and job order. Able to find potential candidates from large data base matching description of job. Will report salary averages and a complete resume on each candidate.

**System Requirements:** 128K, two disk drives, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$2,500.

---

**Sensible Management**

O'Hanlon Computer Systems  
11058 Main Street  
Bellevue, WA 98005  
(206) 454-2261

This package is an interactive business management system which provides a complete interactive accounting, including G/L, A/R, A/P, Payroll, Inventory Control, Order Entry, and Purchase Order Entry. This package can be used for wholesale distributors, point-of-sale retailers, accountants, attorneys, medical clinics, manufacturers representatives, etc..

**System Requirements:** 128K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$895

---

**Client Retrieval System**

Fax International  
4724 S.W. Macadam Avenue  
Portland, OR 97201  
(503) 228-6523 or 228-0011

This package is a comprehensive system designed for the insurance agent's office for storage and retrieval of client and policy information. This system is modeled after the "one card system" for client portfolio information control. It augments the manual "one card system" with many features which are only feasible by means of a computer. The system is designed to be used by persons with no prior data processing experience. A security system of passwords has been designed to maintain the secrecy and confidentiality of clients personal and financial information.

This package can also be used with Wordstar and Mailmerge.

**System Requirements:** 128K, two disk drives, MS-DOS or CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$400.

---

### **49er's Prospecting Package**

Excalibur Systems  
17461 Irvine Blvd. Suite N  
Tustin, CA 92680  
(714)731-2964

This package is a sales prospecting management package with the following features:

- Stores information on potential customers
- Prioritizes prospects in various categories.
- Provides 90 sales reps with sales leads
- Tracks product interest on different products

---

**TCS Accounting Software**

Rocky Mountain Software Systems  
P.O. Box 3282  
Walnut Creek, CA 94598  
(415) 625-1592

An accounting package that includes general ledger, accounts receivable, accounts payable, and payroll. The program generates reports. Sample data, manuals, and a year's subscription to TCS Debits and Credits, a quarterly newsletter, are included.

**System requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$439

---

**Versaform**

Applied Software Technology  
14125 Capri Drive  
Los Gatos, CA 95030  
(408) 554-0604

A forms processing system that enables non-technical users to build an information system around existing forms. Data can be entered in transactions of up to 99 lines from such documents as purchase orders, invoices, ledger cards, or medical insurance claims. The user creates a data base that may be formatted for printing on the original paper form and can summarize all forms in the file. Running subtotals can be reported, and the user may edit data entries.

**System requirements:** 128K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC  
**Suggested retail price:** \$495

---

**Acct. Package**

Uveon Computer Systems  
899 Logan Street  
Denver, CO 80203  
(303) 831-7000

This accounting package consists of general ledger/accounts payable capable of multi-user functions. Cross-referencing is also possible using various names.

**System requirements:** 64K, two disk drives, CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$500.

---

## **The Software Fitness Program**

Open Systems  
430 Oak Grove, Suite 409  
Minneapolis, MN 55403  
(612) 870-3515

The Software Fitness Program is a set of multi-user, fully interactive accounting applications which include:

- Accounts Receivable
- Billing and Sales Analysis
- Accounts Payable
- General Ledger
- Inventory
- Payroll
- Sales Order Processing
- Job Cost System
- Team Manager\*

**System requirements:** 96K, two disk drives, MS-DOS or CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** N/A

\*This package will generate reports from accounting files.

---

### **General Ledger**

CYMA Corporation  
2160 East Brown Road  
Mesa, AR 85203  
(602) 835-8880

- Employee Personnel files
- Report creation and printout

**System requirement:** 64K, two disk drives, MS-DOS or CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$1,095.

---

---

**SPREADSHEETS/FINANCIAL**

---

**Wondercalc**

Businesssoft International Corp.  
24 Jean Lane  
Morsey, N.Y. 10952  
(914) 352-0021

This package is a three dimensional spreadsheet for business with up to 998 rows and 99 columns, 3D consolidation for profit centers, business quality reports, fast interactive self-teaching and graphics. The package includes a managers module and a data entry module.

**System Requirements:** 128K, two disk drives, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$395 (managers module) and \$195 (data entry module)

**Available:** June

---

**Sensible Planner**

O'Hanlon Computer Systems  
11058 Main Street  
Bellevue, WA 98005  
(206) 454-2261

This package is designed to be fully interactive to the data files created by the Sensible Solution relational data procedural language, allowing the user to pull actual data from accounting or other files without the need for double entry.

**System Requirements:** 128K, two disk drives, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630

**Suggested retail price:** \$295

---

**UNICALC**

Lattice, Inc.  
P.O. Box 648  
Hoffman Estates, IL 60195  
(312) 979-1872

UNICALC is an "electronic worksheet" designed to replace manual methods of calculation with quick and simple alternatives on the Eagle Computer. UNICALC adheres to all Eagle command keys and help functions.

**System requirements:** 128K, one disk drive, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$95

---

## **SuperCalc 2**

Sorcim  
2310 Lundy Avenue  
San Jose, CA 95131  
(408)942-1727

An electronic spreadsheet designed for business people with no programming background. By changing one variable, business assumptions and long-range forecasts can be generated. Users with color monitors may display negative values in red and formulas in yellow. 256K users will be able to fill all 16,000 cells of the worksheet with 5-digit numbers—enough space to allow 10 year projections by month.

**System requirements:** 48K, one disk drive(two recommended)  
**Compatible with:** Eagle PC\*, 1620 and 1630  
**Suggested retail price:** \$295.

**\*SuperCalc 1.12 and 1.10 are also compatible with the Eagle PC.**

---

## **FPL The Financial Planner**

Ashton-Tate  
10150 West Jefferson Blvd.  
Culver City, CA 90230  
(213)204-5570

Not a Calc. program... This package is a tool for sophisticated users for financial applications. It is set up in rows and columns—in terms a financial analysis is already familiar with.

**System requirements:** 128K, one disk drive, MS-DOS or CP/M-86  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$700

---

## **The Bottom Line Strategist**

Ashton-Tate  
10150 W. Jefferson Blvd.  
Culver City, CA 90230  
(213)204-5570

This package gives you an integrated picture of your business future, with no program, no formulas. The user can run pre-written, sophisticated models to develop financial and marketing strategies for your products or services. Simple, direct input of basic assumptions is all STRATEGIST needs to track and analyze an intricate business scenerio.

**System Requirements:** 128K, CP/M-86 or MS-DOS  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$400

---

**Milestone**

Software Digital Marketing  
2670 Cherry Lane  
Walnut Creek, CA 94596  
(415)938-2880

Software that performs critical path analysis to provide project management and time scheduling information. Large projects are broken down into smaller units and analyzed in terms of duration, capital cost, manpower requirements, and other critical items.

**System requirements:** 128K, two disk drives, CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$395.

---

**Datebook II**

Software Digital Marketing  
2670 Cherry Lane  
Walnut Creek, CA 94596  
(415)938-2880

An on-line appointment book designed for physicians, dentists, lawyers, and other professionals. A menu-style display allows appointments to be scheduled, cancelled, modified, moved, or held for rescheduling. Users can search for openings by time of day, day of week, or day of the year, and display appointments for any person, schedule conferences, or print out the day's appointments.

**System requirements:** 128K, one disk drive, CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$295.

---

**VisiCalc 1.0**

VisiCorp  
2895 Zanker Rd.  
San Jose, CA 95134  
(408)946-9000

A multipurpose forecasting and planning software package for accountants, analysts, and business planners. Users create and manipulate an electronic worksheet of up to 63 columns and 254 rows. All values or formulas in this grid may be modified and VisiCalc automatically recalculates the entire worksheet using the new values. The worksheet's intersecting columns and rows define up to thousands of entry positions and allow a myriad of different "what if" situations and possible calculations. Cursor control keys permit scrolling in all four directions, and the screen may be divided into two windows to view different sections of the worksheet at once. Applications include budget planning, sales and cash flow projections, and market analyses.

**System requirements:** 64K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC.  
**Suggested retail price:** \$250.

---

---

**JOB AND INDUSTRY**

---

**Private Membership Club**

ADS Business Software  
707 Fifth St. N.E.  
Roanoke, VA 24016  
(703) 344-6818

Designed especially for private country clubs, tennis clubs, health clubs, swim clubs, etc. whose principle source of revenue is based on membership dues, various miscellaneous charges, and ancillary services.

This package is offered with three main functions; accounts receivable specifically for private membership clubs, general ledger/financial statements specifically for private membership clubs.

**System Requirements:** 128K, two disk drives, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$895.

---

**Veterinarians**

ADS Business Software  
707 Fifth St. N.E.  
Roanoke, VA 24016  
(703) 344-6818

Designed especially for the small to medium size veterinary practice seeking to operate more efficiently and profitably by taking the first step into computerization.

This package contains four specific functions designed for the veterinarian. Accounts Receivable and appointment reminders help organize practice as well as improve cash flow, general ledger and financial statements help in coordination of financial preparation.

**System Requirements:** 128K, two disk drives, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$895.

---

### **Small Bookkeeping Services and Public Accountants**

ADS Business Software  
707 Fifth St. N.E.  
Roanoke, VA 24016  
(703)344-6818

Designed especially for the small to medium size accountant with many small clients whose primary needs involve basic bookkeeping, easy-to-understand financial statements and payroll tax accounting. This package is specifically intended to be an alternative to the very sophisticated CPA packages which are very often more than is desired or needed. The package consists of a client write-up and payroll accounting.

**System Requirements:** 128K, two disk drives, MS-DOS or CP/M-86  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$895.

---

### **Retail Florists**

ADS Business Software  
707 Fifth St. N.E.  
Roanoke, VA 24016  
(703)344-6818

Designed especially for the small/medium size retail florist whose needs involve good control over Accounts Receivable from a basic bookkeeping program. The package includes an accounts receivable and a general ledger/financial statement for the retail florist business.

**System Requirements:** 128K, two disk drives, MS-DOS or CP/M-86  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$895.

---

### **Churches**

ADS Business Software  
707 Fifth St., N.E.  
Roanoke, VA 24016  
(703) 344-6818

Designed especially for the church and the novice computer user to manage the membership/contribution aspects as well as the financial reporting.

**System Requirements:** 128K, two disk drives, MS-DOS or CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$895.

---

### **Medical and Chiropractic Practice Management**

CYMA Corporation  
2160 E. Brown Rd.  
Mesa, AZ 85203  
(602) 835-8880

This package is designed to provide the information necessary for efficient medical system. The package contains 30 character fields allowing a description of the patient care for the insurance form. A printout for insurance is designed to fit the AMA Health Insurance Claim forms. The user can enter the location of where the services were rendered. (i.e. Office, Emergency Room, etc.)

**System requirements:** 64K, two disk drives, MS-DOS or CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$1,695.

---

### **Dental and Orthodontic Practice Management**

CYMA Corp.  
2160 E. Brown Rd.  
Mesa, AZ 85203  
(602) 835-8880

The Orthodontic Practice Management features contract receivables with a system-printed payment book for the patient that wants to spread out the payments. The package allows the user to enter contract amounts, the date of the first payment, interest rates while the system does the rest. Future appointments can also be entered at the time of the billing. The printout for the insurance is designed to fit the ADA Insurance form.

**System requirements:** 64K, two disk drives, MS-DOS or CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$1,695.

---

### **Client Accounting**

CYMA Corp.  
2160 E. Brown Rd.  
Mesa, AZ 85203  
(602) 835-8880

Client Accounting allows the user the ability to separate and control data by client. Such features as After the Fact Payroll, Loan Amortization and Ratio Analysis are powerful additions to the package.

**System requirements:** 64K, two disk drives, MS-DOS or CP/M-86.

---

## DATA MANAGEMENT

---

### D Base II

Ashton-Tate  
10150 W. Jefferson Blvd.  
Culver City, CA 90230  
(213) 204-5570

A relational data management tool to help experienced and novice users construct and manipulate numeric and character information files. This English-like program building language allows for sort, edit, or display of data base information directly from the keyboard. Users can also write menus and programs to support specific applications including general ledger, accounts receivable, accounts payable, salestax record, payroll, mailing labels, and inventory control. Full-screen editing includes Zip, a screen-formatting generating program. A 350-page manual, demo disk, and full system disk are also included. After-sales support is provided by user groups and dealers.

**System Requirements:** 128K, one disk drive, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$700.

---

### Condor III-20

Condor Computer Corporation  
2051 S. State Street  
Ann Arbor, MI 48104  
(313) 769-3988

A data management program that contains the entry level Series One and Series Two programs. Series 2 was written so first-time users could create programs. The program aids in simplifying information processing, inventory control, accounting functions, sales forecasting, personnel reporting, and other business applications.

Users can develop a completely menu-driven applications system without additional software or programming, and design custom applications programs in which the DBMS programs operate transparently.

The Series One entry level subset consists of a single file for transaction processing capabilities. Series Three allows for multiple-file and transaction processing. It includes the Condor-Query feature for allowing up to eight data items as an index for a data base.

**System requirements:** 80K, two disk drives, CP/M-86 or MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$995.

---

**Visidex**

VisiCorp  
2895 Zanker Rd.  
San Jose, CA 95134  
(408) 946-9000

A personal business filing system that operates like a set of cross-referenced index cards. Applications include personnel information, sales reports, financial details, or short reports. A template of specific information can be created into which identical set of data may be entered. Each "card" can be stored on disk and cross-referenced against a number of special words or dates.

**System Requirements:** 64K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC and 1620.  
**Suggested retail price:** \$250.

---

**T.I.M. III**

Innovative Software Inc.  
9300 W. 110th Street #380  
Overland Park, KS 66210  
(913) 383-1089

A data base manager that provides new features such as global search, a replace option, and a word processing interface with Wordstar/Mailmerge, Easywriter II, word processing systems.

**System Requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$495.

---

**Easyfiler**

Information Unlimited Software  
281 Arlington Avenue  
Berkeley, CA 94707  
(415) 525-9452

A data base management system that allows users to enter, manipulate, and report a variety of data. The system is designed to handle up to 100 MB of data (assuming the disk will store that much). Easyfiler has its own limited editor, making it possible to create form letters or use the program as a stand-alone mailmerge. Each listing (record) in the data base can have up to 50 items, and any text field may contain up to 255 characters within a maximum record length of 1,000 characters. seven different field types may be assigned.

**Systems requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$400.

---

**Office Filer**

Software Digital Marketing  
2670 Cherry Lane  
Walnut Creek, CA 94596  
(415)938-2880

Powerful electronic filing system allowing the user custom filing without a programming language. Data entry format is created with a word processing system built-into the product. Data is entered and sorted on up to 8 fields.

**System requirements:** 128K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$395.

---

**SimpliFile**

Durant Software  
2532 Durant Avenue, Suite 250  
Berkeley, CA 94704  
(415)540-0912

SimpliFile makes your computer easy to use for both the novice and experienced users. It has one character file commands, file descriptions and eliminates PIP, STAT, etc..

**System requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$100

---

**Optimum**

Uveon Computer Systems  
899 Logan Street  
Denver, CO 80203  
(303)831-7000

Practical, on-line data management package with fast retrieval and fast cross-reference. Enables the user to retrieve information with names, dates, etc.. The program is upwardly transportable from 8 to 16 bit systems. The program is capable of multi-user applications with record locking.

**System requirements:** 64K, two disk drives  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$600 and \$295(Executive Series)

---

---

## WORD PROCESSING AND TEXT EDITING

---

### **Textplus**

Owl Software Corp.  
6927 Atoll Avenue  
North Hollywood, CA 91605  
(213)982-6243

A word processing and list management program that edits and formats text, creates and sorts lists, prints mailing labels, produces personalized mass mailings and creates bar graphs.

**System Requirements:** 64K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$200

---

### **Easywriter II-64 and 96K**

Information Unltd. Software  
281 Arlington Avenue  
Berkeley, CA 94707  
(415)525-9452

A word processing package that includes single-stroke function keys and a special Help feature for inexperienced users. Pages appear on the screen as they do on paper, complete with headers, footers, on-screen underlining, boldface, and double underlining. Printing can be done directly from the editor, eliminating the need to save short memos to disk. A simultaneous print and edit feature makes it possible to route up to ten documents to the printer while editing another.

**System requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$350

---

### **Easyspeller**

Information Unlimited Software  
281 Arlington Avenue  
Berkeley, CA 94707  
(415)525-9452

A spelling checker and proofreading package. It contains a vocabulary of over 88,000 words stored in 94K of disk space. It flags misspellings and offers the user a chance to substitute the correct spelling. The system can create supplementary dictionaries for jargon and abbreviations, and allows the user to correct the same mistake within a file by pressing a single key. The system displays the entire line in which the flagged word appears, enhancing reading ease. It will check any ASCII file written in MS-DOS format.

**System requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$175.

---

### **Visual Edit Utility**

Control Technology, Inc.  
8200 N. Classen Blvd. #101  
Oklahoma City, OK 93114  
(405) 840-3163

Full-screen text editor written in assembly language. Used with any sequential text file including word processing text files.

**System requirements:** 96K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$100

---

### **Spellbinder**

Lexisoft  
712 W. 5th Street  
Davis, CA 95617  
(916) 758-3630

Spellbinder is a word processing and office management package offering several outstanding features. It offers flexible print format and output capabilities, macro capabilities, ease of use—allowing greater productivity. Spellbinder interacts with the Eagle function keys and help feature. It's so much more than a word processing package, we can call it an office management system.

**System requirements:** 96K, one floppy disk drive, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$495.

---

### **Wordstar**

MicroPro  
33 San Pablo Avenue  
San Rafael, CA 94903  
(415) 499-1200

A screen-oriented word processing program that allows text entries and revisions to be displayed on the screen during typing as they will appear in print. WordStar has editing features including automatic text justification, automatic paragraph indentation, simultaneous printing and editing and page-break displays. Text can be inserted, deleted, moved, copied, or read from other files.

**System requirements:** 64K, two disk drives, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$495

---

**WordPlus**

Professional Software, Inc.  
51 Fremont Street  
Needham, MA 02194  
(617) 444-5224

A word processing program that makes use of the IBM PC function keys. It displays underlining and boldfacing on screen. A user-oriented learning guide is provided, and toll-free customer support lines are available for calls.

**System requirements:** 64K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630  
**Suggested retail price:** \$295

---

**SuperWriter**

Sorcim  
2310 Lundy Avenue  
San Jose, CA 95131  
(408) 942-1727

A text processing system with the ability to create, edit, and print reports, letters, and other documents. It performs print merge (form letter generation) and proofreads documents for spelling errors.

**System requirements:** 64K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$395.

---

**Volkswriter**

Lifetree Software, Inc.  
177 Webster St. #342  
Monterey, CA 93940  
(408) 659-3221

A word processor that includes an interactive on-screen tutorial and a complete reference manual. It uses 20 function keys with an on-screen reference guide. Like other word processors, Volkswriter is useful for writing proposals, correspondence, technical manuals, as well as sales letters and mailing lists.

**System requirements:** 64K, one disk drive, MS-DOS.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$195.

---

**Benchmark 3.0**

MetaSoft Corp.

711 E. Cottonwood lane

Casa Grande, AZ 85222

(602) 836-0268

Word processing programs that can be operated after a day of self-training. Features include creation and deletion of documents; automatic selection of page length, margins, type style, spacing, and text justification; counter for cursor position by line or screen page, line, and character; automatic page breaks; and automatic search for text. It features horizontal scrolling graphics, calculator, footnotes, hyphenation, column manipulation, and single-line centering.

**System requirements:** 128K, one disk drive, MS-DOS or CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$499.95.

---

---

## GRAPHICS

---

### **VisiTrend/Plot**

VisiCorp  
2895 Zanker Rd.  
San Jose, CA 95134  
(408)946-9000

Graphics software allows users to take data entered through VisiCalc and create charts and graphs along with statistical reports including linear regression, standard deviation, mean, median, and the like. Displays may be saved on disk for later use in presentations.

**System requirements:** 64K, one disk drive, color/graphics adaptor, MS-DOS.  
**Compatible with:** Eagle PC and 1620  
**Suggested retail price:** \$300

---

---

## DATA COMMUNICATIONS

---

### **Crosstalk**

Microstuf, Inc.  
1900 Leland Dr. #12  
Marietta, GA 30067  
(404)952-0267

Communications software that allows DOS-based microcomputers to access data stored on almost any ASCII dial-up computer system regardless of disk format incompatibilities. Designed for micro users who need access to large time-sharing systems, who subscribe to information utilities such as The Source or CompuServe, or who need to exchange data or program files among networked micro users.

Crosstalk allows the Eagle to emulate a "very smart" terminal by automatically dialing a system, establishing access through passwords, and loan in data at full modem speed for off-line editing.

System requirements: 64K, one disk drive, modem, serial interface, MS-DOS.  
Compatible with: Eagle PC, 1620 and 1630.  
Suggested retail price: \$195.

---

---

## LANGUAGES

---

### **GW BASIC**

Eagle Computer  
983 University Avenue  
Los Gatos, CA 95030  
(408)395-5005

GW BASIC combines all of the features of MS BASIC, plus compatibility with IBM PC BASIC. In addition, it has capabilities for support of both monochrome and color graphics, music, and a full screen editor.

GW BASIC provides instruction set compatibility of both IBM PC ROM based BASIC, and the disk based BASIC. IBM PC BASIC is a combination of both a ROM based program, and a disk based program. The ROM based program can stand on its own, but when one needs more capability, and secondary storage capacity, a user can load the disk based BASIC into their system from a diskette. Disk based BASIC does not duplicate ROM BASIC, but provides a layer of more capabilities above ROM BASIC.

**System requirements:** 64K, one disk drive, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$295

**Available:** May

---

### **Business BASIC Compiler**

Microsoft  
10700 Northup Way  
Bellevue, WA 98004  
(206)828-8080

The Business BASIC Compiler offers an easy-to-use-and-understand programming language in a version specifically designed for the development of business software. Significant new commands and capabilities include multi-line functions, which allow the user to define highly specialized and efficient routines; decimal math package with 14-digit precision in numerical calculations; and support for linking separately compiled BASIC programs and routines.

**System requirements:** 64K, one disk drive, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$600

**Available:** Currently

---

### **MS-Pascal Compiler**

Microsoft  
10700 Northup Way  
Bellevue, WA 98004  
(206) 828-8080

The MS-Pascal Compiler offers more extensions to the ISO standard than any other version of Pascal. Its extensions, including 8087 support, dynamic array handling, and low level escapes, facilitate programming at the systems and applications level.

**System requirements:** 160K, two disk drives, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$500.

**Available:** June

---

### **C Compiler**

Microsoft  
10700 Northup Way  
Bellevue, WA 98004  
(206) 828-8080

The C language is a powerful, elegant language that is rapidly gaining popularity. The power and portability of Microsoft C makes it especially suited for system programming tasks, such as text processing, file manipulation, data modeling, and systems maintenance. Specifically developed for MS-DOS systems, C Compiler is a full implementation of the language.

**System requirements:** N/A

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** N/A

**Available:** N/A

---

### **COBOL**

Microsoft  
10700 Northup Way  
Bellevue, WA 98004  
(206) 828-8080

COBOL has dominated commercial data processing on mainframe and mini computers for years. COBOL is uniquely suited to handle large volumes of data generated by business.

**System requirements:** 128K, two disk drives, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$750.

**Available:** May

---

**FORTRAN**

Microsoft  
10700 Northup Way  
Bellevue, WA 98004  
(206) 828-8080

Designed specifically for solving numerical problems, FORTRAN has become the most widely used programming language for scientific and engineering applications.

**System requirements:** 160K, two disk drives, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630

**Suggested retail price:** \$500.

**Available:** May

---

**CBASIC-86 1.2**

Digital Research  
P.O. Box 579  
Pacific Grove, CA 93950  
(408) 649-5500

CBASIC offers an easy-to-understand program language in a version specifically designed for the development of business software.

**System requirements:** 48K, one disk drive, CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630

**Suggested retail price:** \$325

---

**CBASIC Compiler**

Digital Research  
P.O. Box 579  
Pacific Grove, CA 93950  
(408) 649-5500

This package is designed for use in the development of business software.

**System requirements:** 128K, one disk drive, CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$600

---

**PL/1-86**

Digital Research  
P.O. Box 579  
Pacific Grove, CA 93950  
(408) 649-5500

PL/1-86 is a block structured procedure-oriented commercial compiler language developed for ease in program formulation and debugging.

**System requirements:** 128K, one disk drive, CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630

**Suggested retail price:** \$750.

---

**Pascal/MT+86**

Digital Research  
P.O. Box 579  
Pacific Grove, CA 93950  
(408) 649-5500

Pascal/MT+ is designed for the professional. It's a block structured compiler language making is ideal for scientific, commercial, and industrial applications.

**System requirements:** 128K, two disk drives, CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$800.

---

**CIS COBOL**

Digital Research  
P.O. Box 579  
Pacific Grove, CA 93950  
(408) 649-5500

CIS COBOL is a GSA certified COBOL widely used in business applications. CIS COBOL, a Compact, Interactive and Standard implementation of COBOL was one of the first COBOL compilers available for microcomputers.

**System requirements:** 64K, one disk drive, CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$850

---

**Level II COBOL**

Digital Research  
P.O. Box 579  
Pacific Grove, CA 93950  
(408) 649-5500

This package is used for applications where mainframe compatibility is desired.

**System requirements:** 64K, one disk drive, CP/M-86.  
**Compatible with:** Eagle PC, 1620 and 1630.  
**Suggested retail price:** \$1,600

---

### **Sensible Solution**

O'Hanlon Computer Systems  
11058 Main Street  
Bellevue, WA 98005  
(206)454-2261

This package is a powerful and versatile programming language with such features as:

- Automatic screen and data file creation
- Multiple screens in one program
- Multiple key, multiple file B-tree data file handler
- Virtually unlimited program size even in 64K
- Runs on CP/M, MP/M, MS-DOS operating systems
- Multi-user record and file locking on multi-user systems
- INQUIRE quick report utility
- REPORTER Multi-file report generator
- Easy to follow English language source code

**System Requirements:** 128K, two disk drives, MS-DOS.

**Compatible with:** Eagle PC, 1620 and 1630

**Suggested retail price:** \$695 for language with INQUIRE, REPORTER AND COMPILER  
\$345 for language with INQUIRE, REPORTER

---

### **C Compiler**

Lattice, Inc.  
P.O. Box 648  
Hoffman Estates, IL 60195  
(212)860-3000

Full implementation of the C language.

**System requirements:** 128K, two disk drives, MS-DOS or CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$500.

---

### **C-Food Smorgasbord**

Lattice, Inc.  
P.O. Box 648  
Hoffman Estates, IL 60195  
(212)860-3000

Tool kit for C-programmers with BCD decimal arithmetic.

**System requirements:** 128K, two disk drives, MS-DOS, CP/M-86.

**Compatible with:** Eagle PC, 1620 and 1630.

**Suggested retail price:** \$150.

---
