

ELECRAFT

KXPD3 Rebuild Program Form rev C1

Please print this document, complete the form and enclose with your KXPD3.
Your KXPD3 will be rebuilt within 2 weeks of receipt by Elecraft.

This program allows you to replace your KXPD3 with one using the latest manufacturing techniques. No matter how old your KXPD3 is, you can use this program to keep it up to date for a one-time charge of \$79.00 plus shipping.

What to Ship to Elecraft for the KXPD3 Rebuild Program

You only need to return the KXPD3 itself. We do not need the springs, wrenches or instructions.
Note: If you have modified your KXPD3 in any way, they will not be present in the returned KXPD3.

Please enter your RETURN shipping address
