

Supplement

700Pdx Series Instruction Sheet

Part Number: 602513	Supplement Issue: 1
Print Date: July 1996	Issue Date: 9/00
Revision/Date: 2, 1/00	Page Count: 1

This supplement contains information necessary to ensure the accuracy of the above Instruction Sheet.

Change #1

Under ***Recommended Measurement Technique***
add the following note:

Note

Low range pressure modules may be sensitive to gravity. For best results, pressure module 30 psi and below should be held at the same physical orientation from the time they are zeroed until the measurement is complete.
