ScanPartner® 3092DC
Workgroup Duplex
Color Document
Scanner

• Up to 600 dots-per-inch (dpi) color and monochrome scanning (output)

• Duplex scanning

• 25-page auto document feeder (ADF)

• Flatbed feature for books and fragile documents

• High speed scanning up to 15 pages-per-minute (ppm) simplex / 15 images-per-minute (ipm) duplex

• Small footprint—occupies only 8.7 x 12.2 x 21.7 inches (HxWxD) of desktop space

• One-year limited warranty

• Advance Exchange Replacement Program for eligible purchasers

A versatile desktop scanner that delivers true color support for document imaging, digital copying and publishing applications.

Small businesses and distributed scanning applications are the ideal market for this full color, duplex scanner. It offers a 25-page document feeder for unattended scanning, as well as a flatbed platten for books, pictures and fragile documents. With a daily duty cycle of up to 500 A4 documents and the ability to scan letter size at 15ppm and duplex at 15ipm in mono mode, the scanner has unlimited potential.

Quality
The ScanPartner 3092DC offers high quality output resolution up to 600dpi. Control over error diffusion, color dropout and gamma correction via the driver allows a wide variety of documents to be scanned.

Additional features
The scanner has a variety of features, including red/green/blue color dropout for forms processing applications. The ScanPartner 3092DC is ENERGY STAR® compliant and when not in use reverts to a standby mode using only 4.5 watts of power.

For ease of use, the scanner offers the ability to select scanner settings directly on the control panel. Selections include density, simplex/duplex, scan, and send to (launch application).

Interface and Support
The ScanPartner 3092DC has an industry-standard SCSI-2 interface using the 50-pin micro-D style connector, and is bundled with PCI SCSI card and cable. Built-in selectable termination and product ID allows the scanner to be configured to suit your desktop environment.

Limited Warranty and Advance Exchange Replacement Program
Fujitsu products are designed to give our end users the highest performance and reliability with the least amount of hassle. To prove this, Fujitsu Computer Products of America, Inc. (FCPA) offers a limited warranty on selected consumer products distributed through authorized distribution channels. In addition, FCPA offers the Advance Exchange Replacement Program that may be the easiest and most comprehensive in the industry. In the unlikely event of a product defect, FCPA will replace that product within two business days. U.S. resident end users who have originally purchased products covered under the limited warranty that are not for resale may be eligible to participate. Certain restrictions apply; for full details, call FCPA at 1-800-626-4686, option 2, or visit our web site at www.fcpa.fujitsu.com.

About Fujitsu Computer Products of America, Inc.
Fujitsu Computer Products of America, Inc. is a wholly owned subsidiary of Fujitsu Limited, a leading provider of Internet-focused information technology solutions for the global marketplace. FCPA provides innovative solutions for the U.S. marketplace. Current product offerings include: high performance hard disk drives, magneto-optical drives and scanners.

ScanPartner 3092DC Duplex Color Document Scanner Specifications

Functional Specifications			
Technology			Color Charge coupled device (CCD) image sensor
Output Resolution			100-600 dpi
Optical Resolution			ADF-300dpi, Flatbed-600dpi
Grayscale			256-levels
Halftone patterns			Dither (dither pattern downloadable), Advanced error diffusion
Color			24-bit single pass color
Scanning speed	Simplex	Monochrome	15 ppm (at 200 dpi, A4 portrait size)
		Color	5 ppm (at 150 dpi, A4 portrait size)
	Duplex	Monochrome	15 ipm (at 200 dpi, A4 portrait size)
		Color	5 ipm (at 150 dpi, A4 portrait size)
Scanning mode			Simplex and Duplex
Document feeding mode			Automatic document feeder (ADF)
ADF capacity			25 sheets (20 lb. bond)
Document size	ADF minimum		2.0 in. x 2.9 in
	ADF maximum		8.5 in. x 14 in. (Legal)
	Flatbed		8.5 in. x 11.4 in. (A4)
Interface			SCSI-2 (SCSI card and cable included)
Physical Specifications			
Power consumption			39 W
Power requirements (auto-switching)			100-240 VAC, 50/60 Hz
Operating	Temperature		42° to 95°F (5°C to 35°C)
Environment	Humidity		20% to 80%
Dimensions (HxWxD)			8.7 in. x 12.2 in. x 21.7 in. (220 mm x 310 mm x 550 mm)
Weight			16.5 lbs (7.5 kg)
Reliability Specifications			
Limited Warranty (U.S. Customers)			1 year (from date of purchase) / Advance Exchange Replacement Program available for eligible purchasers. Certain restrictions apply; for full details, visit www.fcpa.fujitsu.com or call 1-800-626-4686
Software Driver			ISIS® and TWAIN driver included (Win 98/2000/NT)
ScanRight™ Kit			PCI SCSI card and six-foot cable
Bundled Software			Pagis® Pro 3.0, including Text Bridge OCR 9.0 from ScanSoft
