

Easily transport DICOM images on 3.5-inch MODs to your PC for offline review.

Optical

DynaMO[®] Pocket with DICOM[®] Viewer

Now medical ultrasound and healthcare professionals can easily transport DICOM images and data on 3.5-inch MODs (magneto-optical disks) from medical imaging equipment to notebook and workstation PCs for convenient offline review. Trillium ShowCase[®] Viewer software is included for DICOM image viewing.

- ▶ USB-powered MO drive – great for mobile use
- ▶ Slim and light – weighs only 14 ounces
- ▶ Full compatibility with earlier 3.5-inch MODs (640, 540, 230 and 128MB)
- ▶ Great for backup and archive of your critical data
- ▶ Get MO at www.MOstorage.com

DynaMO® Pocket with DICOM Viewer

Specifications — DynaMO Pocket

Looking for an easy way to view ultrasound images on your PC?

The new DynaMO Pocket with DICOM Viewer allows clinicians and healthcare professionals to easily transport complex DICOM data and image files on 3.5-inch MODs from medical imaging equipment to notebook and workstation PCs for offline review. ShowCase Viewer software from Trillium Technology is included for effortless DICOM image review.

New slim and light design

View DICOM images at your desk or on the road with your notebook PC. Just 14 ounces light and 23mm thin, the DynaMO Pocket drive won't slow you down or crowd your travel bag.

Durable disks

Because Fujitsu MO disks are resistant to problems that plague traditional removable magnetic media, they have been chosen for use in demanding medical applications. Shock, vibration, moisture, dust and magnetic fields will not destroy data stored on an MO disk. Each disk is enclosed in a durable, floppy-sized (3.5-inch) cartridge and offers 50-year archival life and a lifetime Limited Warranty. (Estimated archival life based on ANSI/PIMA IT9.26-1997).

Value and convenience

Safely store your data on floppy-size rewritable MO disks for less than a penny per megabyte. The DynaMO Pocket is fully read/write compatible with 3.5-inch MO disks (640, 540, 230 and 128MB).

About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc. is a wholly owned subsidiary of Fujitsu Limited, a leading provider of customer-focused IT and communications solutions for the global marketplace. FCPA provides innovative solutions for the U.S. marketplace.
