

FOX Specifications

Combat Loaded Weight	19.4 Tons w/winch
Length	24.1 Feet
Height	9.0 Feet w/ANAV
Width	9.08 Feet
Ground Clearance	15.9 Inches
Lane Speed	65.0 MPH
Swim Speed	6.0 MPH
Engine Daimler Benz 402	V8 Diesel - 320 HP Liquid Cooled
Transmission ZF 6HP 500	6 Speed - Automatic

Significant Benefits

All Wheel Drive 6 x 6 with 2 Steering-Axles
 Operable with 3 Man Crew
 Chemical Detection (Blood, Blister, Nerve and Choking)
 Over Pressure Air Conditioned Protected Environment
 Two Surface Sampler Wheels
 Stand-Off Chemical Agent Detection up to 5 km/3 miles (M-21)
 Integrated/Automated Sensors

- Mobile Mass Spectrometer (MM1)
- Nuclear Radiation Detection
- Autonomous Navigational System (ANAV)
- Global Positioning System (GPS)
- Multi Purpose Integrated Chemical Agent Alarm (MICAD)
- Printer
- Meteorological Sensors (Ground and Air)
- SINCGARS (Digital Communications)
- MM1/M21 Remote Monitor
