1433 SPARE PARTS

NOTE: 1433-97GR-PS is the original GENRAD version of this product with GENRAD front panels and binding posts, and original GENRAD switch design.

1433-97QT-PS is a QuadTech mod of the GENRAD product with new binding posts and QuadTech front panels.

In both cases the 0510 resistance units should be sold from the standard price list (drop the 00).
