SUBJECT: 8698B RF Unit Options

DEC 8 1969

DAYTON OFFICE

DEC 8 1969
DAYTON OFFICE

Two standard options have been added to the 8698B RF Unit for the 8690B Sweep Oscillator.

Option 001 - 75Ω output, BNC connector. All specs unchanged. Add \$50.

Option 004 - RF output on rear panel (but not in parallel). Add \$75.

Availability is fast improving . Our target is 4 weeks by January 1.

There are still seven (7) 8698A's in stock. We'll sell these at the bargain price of \$750 (compared to the \$1150 8698B).

What more could you ask for? (It's coming.)

Best regards,

DS/pb
