Eligible Product

Product	Upgrade Price ²
N9020AK-HL4	US\$15,000 or less

Promotion Conditions:

1. This promotion is open to Agilent Technologies' commercial end user customers, designated resellers, Authorized Technology Partners (ATP), in all countries as well as to US government, GSA and US federal resellers. This promotion is also eligible to distributors in Japan.
2. The order must include the following product numbers - N9020AK-HL4 upgrade kit and R1286A-HU installation and (R-50G-711 or R-50G-721 calibration). The upgrade cost of \$15,000 is equivalent to a 12% promotion discount on the upgrade-kit (N9020AK-HL4).
3. Customer must reference promotion code **5.828** upon order placement.
4. The promotion discount is combinable with the standard purchase agreement discount. Standard purchase agreement terms and conditions apply. NOTE: For Agilent partners, designated resellers or ATP, the rate of the Purchase Agreement will be reduced to safety net.
5. Support options, lease orders or used equipment are not eligible to receive the promotion credit.
6. This promotion can only be combined with trade-in specials; additional current programs or special offers cannot be combined with this offering.
7. Agilent Technologies reserves the right to modify or discontinue the offering during the promotional period.
