

Agilent Promotion Fact Sheet

U2723A/U2723P USB Source Measure Unit Promotion

Start date: April 1, 2011

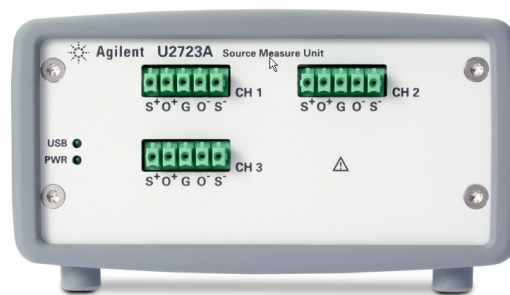

End date: January 15, 2012(Europe)

Promotion Code: 5.836

Availability: Europe

Promotion Description:

Take advantage of this offer and purchase the Agilent U2723A and/or the U2723P SMU parametric testing solution and receive a 20% discount. The new U2723P consists of the USB Modular Source Measurement Unit and the Agilent Parametric Measurement Manager Pro Software Bundle. It provides you with a complete parametric measurement test solution that analyzes performance of components such as diodes and transistors. The design is so basic it doesn't require prior programming experience!

Eligible Products

Product Number	Promotion Discount
U2723A	20%
U2723P	20%

Promotion Conditions:

1. This promotion is offered to Agilent Technologies' distributors in Europe, Greater China and Asia (except China, HongKong and Taiwan).
2. Purchase Order must reference promotion code **5.836** upon order placement to Agilent.
3. The promotion discount is combinable with the standard purchase agreement discount.
4. Support options, lease orders or used equipment are not eligible to receive the promotion credit.
