

Agilent Promotion Fact Sheet

MXA Signal Analyzer: 40% off 40 MHz Analysis Bandwidth

Start date: May 1, 2011
Promotion Code: 5.837
Availability: All countries

End date: October 31, 2011

Promotion Description:

Get 40% off the 40 MHz analysis bandwidth option on MXA!

Purchase a new MXA signal analyzer with any embedded X-Series measurement application or 89601B vector signal analysis software and for a limited time receive a 40% discount on the 40 MHz analysis bandwidth option.

Take advantage of the MXA's performance to meet your wireless communication measurement needs. Add option B40 to extend your analysis bandwidth to demodulate and analyze signals up to 40MHz wide.

Product	Option (select one)	
N9020A	503, 508, 513 or 526 <i>MXA Signal Analyzer frequency range option</i>	Required
X-Series Measurement Application <i>or</i> 89601B-200 VSA Software		Required
N9020A	B40 <i>MXA 40MHz Analysis Bandwidth option</i>	40% Discount

Promotion Conditions:

1. This promotion is offered to Agilent Technologies' commercial end user customers, designated resellers, Authorized Technology Partners (ATP) in all countries as well as to US government, GSA and US federal resellers . This promotion is also eligible to distributors in Japan.
2. The order must include the following product number N9020A—with any of these options: 503/ 508 / 513 / 526 along with any embedded X-series measurement application or 89601B to receive a 40% discount on the 40 MHz analysis bandwidth option N9020A -B40.
3. Customer must reference **promotion code 5.837** upon order placement.
4. The promotion discount is combinable with the standard purchase agreement discount. Standard purchase agreement terms and conditions apply. NOTE: For Agilent partners, designated resellers or ATP, the purchase agreement percent will equal the safety net.
5. Support options, lease orders or used equipment are not eligible to receive the promotion credit.
6. This promotion cannot be combined with trade-in specials; additional current programs or special offers.
7. Agilent Technologies reserves the right to modify or discontinue the offering during the promotional period.
