

**TO ME,
REMARKETING
SOLUTIONS ARE
ALL ABOUT BEING
IN SYNC WITH
THE CUSTOMER.**

That's why I work so hard to tune into your needs--to find the solutions that fit your situation better than you ever thought possible. Each of my customers has unique issues they need to address. I love being creative and coming up with solutions that ensure they get the right equipment at a price that works for them.

Myoung-In Oh

AGILENT PREMIUM USED EQUIPMENT SPECIALS

SAVE ON TEST EQUIPMENT THAT GIVES YOU HIGH QUALITY AND MORE OPTIONS

Used equipment always means lower cost, but that shouldn't mean lower quality and service too. Agilent Premium Used Equipment gives you a vast selection of high-quality test instruments remanufactured by the OEM and configured to work in your applications.

For all Premium Used Equipment Specials, see WWW.AGILENT.COM/FIND/USED.

WHY CONSIDER AGILENT PREMIUM USED EQUIPMENT?

SAVINGS

Typically 20% to 50% and higher for special promotions, and no charge for full calibration with test data

QUALITY

Remanufacturing by the OEM to the same standards as new equipment, plus latest compatible firmware and software

CONVENIENCE

Large inventory, with a fresh selection of current- and previous-generation products, and configuration to order when possible

CONFIDENCE

Same standard accessories and manuals, return policy and warranty as new products, plus the option for extended warranty coverage

Technical data, availability and pricing subject to change without notice. Actual discount depends on local currency.
