

AGILENT CHINA SELECT EQUIPMENT

AGILENT CHINA SELECT EQUIPMENT

PAY LESS FOR TEST EQUIPMENT WITH ASSURED QUALITY

If you want to lower your costs for models not typically sold used, we have an option. Agilent China Select gives you a unique selection of test instruments restored to full functionality by the OEM and guaranteed to perform. The streamlined Select refurbishment process means you can have these instruments fast.

SAVE ON SELECT MODELS

- Save 30% to 50% off list price on a unique selection of equipment.

GET ASSURED QUALITY

- Feel assured knowing the OEM has refurbished your instrument to full functionality.
- Get a full calibration with certificate.
- Get standard accessories with China power cord.
- Receive a 1-year warranty.

ENJOY UNIQUE AVAILABILITY

- Find models not normally included in our used inventory.
- Enjoy faster shipping with a shorter refurbishment process.

Savings with less risk and more flexibility

AGILENT REMARKETING SOLUTIONS

Your budget looks tight—so how do you afford the test equipment you need? That's the question Agilent Remarketing Solutions loves to answer. We understand that you need lower-cost options. But you still want high-quality products and services, and solutions tailored to your situation. To get all that, talk to real people with the creativity and freedom to solve your problems. Then prepare to be surprised.
