How To Use This Index

By: Bob Lindsay/CSG

This is the cumulative index to the *Computer Systems Newsletter* for all of Volume 4; November 1, 1978 to October 15, 1979.

All articles which appeared in the *Newsletter* over this interval are listed in chronological order, (most recent, last) under the most appropriate topic heading.

Please note that all back issues of the *Newsletter* are out-of-print. Reprints of specific articles are best obtained from the file copies of the CSG Support Librarian or CSG Sales Training Librarian in your own office or Division.

The following tables will help you cross-reference Volume and Issue numbers to actual publication dates:
