A refreshing way to buy your new electronic test equipment

Agilent **EasyRent** makes it easy to get your hands on the equipment you need now, whilst you wait for release of Capex later.

You get the new equipment you need, rent it for six months and then buy discounted, extend the rental, or hand it back!

Crystal clear and refreshingly simple

It's ideal when you have a lengthy sign-off process or need to wait for release of new Capex, without delaying your work.

It also allows you to get new technology and keep flexibility to buy later, extend the rental or simply return.

You'll also get fast response as many configurations are ready to ship.

Introducing the easy route to the right test equipment

EasyRENT! - a refreshing new way to get your hands on the latest test equipment, *now*.

Getting the new equipment you need can be straightforward but there are also times when things aren't pure and simple.

You may need to wait for new Capital Expenditure (Capex), or you may simply want to get on whilst waiting for sign-off. You may just want the option to use a new product for a while and have the flexibility to decide what to do later.

Now there's a simple, transparent and fresh way to do this. Agilent has teamed up with rental specialist and Premier Rental Partner Microlease to give you **EasyRent**.

How it works.

- **Rent** for six months at 5% of list per month - clear.
- **After six months** you can:
 - **Buy** with a rebate of 50% of all rentals paid - clear.
 - **Carry on Renting** month by month on the same basis as before.
 - **Return** the equipment with no further commitment.

It's that easy.

You'll also save Capex, spread costs and keep flexibility for the future.

What's more – it's fast – there are pre-ordered units with popular configurations ready to ship!

The Equipment

- All equipment is new.
 - You can specify the exact configuration you require.
 - Standard Agilent warranty applies from the start.
 - Available on a selected range of test equipment.
- Speak to your Agilent Representative for full details.

The Service

- Simply contact Agilent about the equipment you need.
- The equipment will be supplied by Agilent's Premier Rental Partner Microlease.
- You'll get the equipment fast, as many configurations are available from stock.

EasyRENT!

Ideal when.....

- You want to deploy new technology now but need time to prepare the justifications and Capex sign-off.
- You want to keep some flexibility in the future in case things change.

- You are waiting for the release of Capex in a new period.
- You need to get more units than you have Capex for in this period.
