Product and Documentation Option	Description of Product and Documentation Option	US List Price for Documentation Option
33220A option 0B0 option AB0 option AB1 option AB2 option ABA option ABD option ABF option ABJ	20 MHz Function Generator Delete printed manual set; full documentation included on CD ROM Taiwan: Traditional Chinese printed manual set included; full documentation on CD ROM Korean printed manual set included; full documentation on CD ROM China: Simplified Chinese printed manual set included; full documentation on CD ROM English printed manual set included; full documentation on CD ROM German printed manual set included; full documentation on CD ROM French printed manual set included ; full documentation on CD ROM Japanese printed manual set included; full documentation on CD ROM	\$0 \$35 \$35 \$35 \$35 \$35 \$35 \$35
33250A option 0B0 option AB0 option AB1 option AB2 option ABA option ABD option ABF option ABJ	50 MHz Function Generator Delete printed manual set; full documentation included on CD ROM Taiwan: Traditional Chinese printed manual set included; full documentation on CD ROM Korean printed manual set included; full documentation on CD ROM China: Simplified Chinese printed manual set included; full documentation on CD ROM English printed manual set included; full documentation on CD ROM German printed manual set included; full documentation on CD ROM French printed manual set included ; full documentation on CD ROM Japanese printed manual set included; full documentation on CD ROM	\$0 \$40 \$40 \$40 \$40 \$40 \$40 \$40
6010A, 6011A, 6012A, 6015A, 6023A, 6028A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM and printed Users Guide	\$0 \$20
6030A, 6031A, 6032A, 6033A, 6035A, 6038A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM and printed Operating Manual	\$0 \$20
6060B, 6063B option 0B0 option 0L1	DC Electronic Loads Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM with printed Operating Manual and Programming Guide	\$0 \$23
6541A, 6542A, 6543A, 6544A, 6545A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM and printed Operating Manual	\$0 \$20
6551A, 6552A, 6553A, 6554A, 6555A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM and printed Operating Manual	\$0 \$20
6571A, 6572A, 6573A, 6574A, 6575A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM and printed Operating Manual	\$0 \$20
6611C, 6612C, 6613C, 6614C, 66312A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM with printed Users and Programming Guide	\$0 \$27
6621A, 6622A, 6623A, 6624A, 6627A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM and printed Operating Manual	\$0 \$20
6625A, 6626A, 6628A, 6629A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM only; no printed documentation package	\$0 \$20
6631B, 6632B, 6633B, 6634B option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM with printed Users and Programming Guide	\$0 \$27
6641A, 6642A, 6643A, 6644A, 6645A option 0B0 option 0L1	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package Full documentation on CD-ROM with printed Users and Programming Guide	\$0 \$20
6651A, 6652A, 6653A, 6654A, 6655A option 0B0	DC Power Supplies Full documentation on CD-ROM only; no printed documentation package	\$0

<b>Product and Documentation Option</b>	<b>Description of Product and Documentation Option</b>	<b>US List Price for Documentation Option</b>
option 0L1	Full documentation on CD-ROM with printed Users and Programming Guide	\$20
6671A, 6672A, 6673A, 6674A, 6675A	DC Power Supplies	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Users and Programming Guide	\$20
6680A, 6681A, 6682A, 6683A, 6684A	DC Power Supplies	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Users and Programming Guide	\$20
6690A, 6691A, 6692A	DC Power Supplies	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Users and Programming Guide	\$20
6811B, 6812B, 6813B	AC Source/Analyzer	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Users, Programming, and Quick Start Guide, plus Reference Card	\$38
66000A	Modular DC Power Supply	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Programming and Installation Guide	\$23
66101A, 66102A, 66103A, 66104A, 66105A, 66106A	DC Power Modules	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Installation Sheet and Users Guide	\$20
66309B/D, 66311B/D	DC Power Supplies	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM and printed Users Guide	\$23
66319B/D, 66321B/D	Mobile Communications DC Sources	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM and printed Users Guide	\$22
66332A	Dynamic DC Power Supply	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Users and Programming Guide	\$27
N3280A	DC Power Supply	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM and printed Users Guide	\$20
E4350B, E4351B	Solar Array Simulator	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM and printed Users Guide	\$24
E4356A	DC Power Supply	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Operating/Programming Guide	\$20
N3300A, N3301A, N3302A, N3303A, N3304A, N3305A	Modular DC Electronic Loads	
option 0B0	Full documentation on CD-ROM only; no printed documentation package	\$0
option 0L1	Full documentation on CD-ROM with printed Users and Programming Guide	\$27
