Situation:

GPIB does not come with the 5347A/48A Microwave Counter/Power Meter, and this is not always apparent to customers. Consequently, many customers ask for parts and installation instructions on how to retrofit the GPIB Option 011.

Solution/Action:

Option 011 GPIB Retrofit Kit, P/N 05348-67002, is available for customers who want full GPIB capability with their Microwave Counter/Power Meter. The kit comes with all the necessary parts and instructions to retrofit option 011.
