E2507B-01

E2507B MCSS model 60

Serial Numbers:
  US00000000 / US95200177

  Y2K update information. Product requires software patches
  on Windows 3.1 software and possibly on the computer BIOS.
  The patches are available on the following URLs:

  Windows 3.1
  http://www.microsoft.com/technet/topics/year2k/product/product.htm

  BIOS:
  http://www.hp.com/desktop/support/year2000/y2k-solution.html

To Be Performed By: HP-Qualified Personnel or Customer

Situation:

  MCSS system include PC with Windows 3.1. The MCSS software is Y2K
  compliant; however, the BIOS may not be compliant and Windows 3.1 is
  compliant with minor issues. Problems may be encountered when
  utilizing the MCSS software in conjunction with Windows or when
  utilizing the PC as a personal computer rather than an MCSS controller.

Solution / Action:

  Download the patches that are available at the websites listed
  above and follow the manufacturers instructions for installation.

Date: March 1999
