**Situation:**

The E8251A's with the above serial numbers need to be sent to the factory, 5320, for a complete inspection and upgrade prior to resale. The number of return instruments should not exceed five units per week.

**Solution/Action:**

- 1) Request a RMA number with the return reason: UPGRADE
- 2) Once the inspection is completed, all future service to be the same as the current E8251A.
