Situation:

The E8254A's with the above serial numbers need to be sent to the factory, 5320, for a complete inspection and upgrade prior to resale. The number of return instruments should not exceed five units per week.

Solution/Action:

- 1) Request a RMA number with the return reason: UPGRADE
- 2) Once the inspection is completed, all future service to be the same as the current E8254A.
