AGILENT J2126A Transmission Test Set

Serial Numbers: [0000A00000 / 9999Z99999]

Broken ceramic inserts on the optical adapters.

Parts Required:

P/N	Description	Type
1005-0998	Optical Adapter	FC/PC
1005-0999	Optical Adapter	ST
1005-1000	Optical Adapter	SC

Situation:

When connecting or disconnecting an optical fiber cable to the test set, ceramic inserts on the optical adapters may break.

Solution/Action:

A new optical adapter is available. If a ceramic insert is broken, use the appropriate replacement optical adapter. (See parts.)
