## O ICOM

**VHF MARINE TRANSCEIVER** 

# IC-M602

## Icom's Ultimate Marine VHF

## **Built-in ITU Class-D DSC**

An independent receiver continuously watches Ch. 70, while using another channel. Further, a single antenna connector allows VHF and Ch. 70 operation, thus simplifying installation. The 10-keypad allows simple and efficient operation of the DSC emergency functions, vital for your safety at sea.

## Superior receiver performance

The IC-M602 has excellent receive specifications of more than 80dB for spurious response, and intermodulation rejection. With such high level performance, received calls are remarkably clear and free from noise. The powerful audio output from the front facing speaker further increases the clarity of received calls.

Simultaneous connection of two COMMANDMICII<sup>™</sup>'s The optional COMMANDMICII<sup>™</sup> provides a 2nd and/or 3rd station capability and an intercom function. With slim dimension and sizable LCD, the COMMANDMICII<sup>™</sup> offers ease and convenience to operate the radio from remote locations such as the cockpit or tower up to a max. 21.3m\* (70ft) from the IC-M602.

### \* Requires use of optional OPC-999 extension cables.

## **NMEA Input/Output**

When connected to a GPS receiver, the IC-M602 indicates position data in seconds of accuracy. NMEA output allows you to plot other ships received position data on a PC or navigation equipment.

## Large LCD with dot-matrix characters

The large dot-matrix display is designed for optimum readability in any lighting condition. With the extra large font, the channel number is maximized on the display and other information can be easily read.

## 22 Watt 2-way Hailer capability

When connected to a hailer horn, communication with other boats, Deck or Dock hands is easy. The built-in amplifier increases talk power to 22W making your message loud and clear. Quickly access the hailer via the generously-sized, backlit keypad.

## Submersible construction

The IC-M602 including the supplied/optional microphone has effective waterproofing equivalent to IPX7\*.

\* 1m depth for 30 minutes; except cables.

## IC-M602

## ADDITIONAL FEATURES

- Auto fog horn function with four selectable patterns
- Detachable waterproof 'Smart-speaker-microphone'
- Dual/tri-watch function
- Instant access to Ch. 16 and Ch. 9 (or call channel).
- 7 levels adjustable backlit display and keypad

## SPECIFICATIONS

GENERAL							
<ul> <li>Frequency range</li> </ul>	: Tx 156.025–157.425MHz Rx 156.050–163.275MHz						
• Mode	: 16K0G3E (FM) 16K0G2B (DSC)						
Usable channels	: All International, U.S.A. and Canadian channels, plus 10 Weather channels						
<ul> <li>Power supply require</li> </ul>	rement:						
	13.8V DC ±15 %						
<ul> <li>Current drain (at 13.3)</li> </ul>	,						
Transmit	5.2A typical (at 25W output)						
Receive	1.2A typical (at max. AF)						
<ul> <li>Operating temp. range</li> </ul>	e: −20°C to +60°C ; −4°F to +140°F						
<ul> <li>Antenna impedance</li> </ul>	e : 50Ω (SO-239)						
Dimensions     (proj. not included)	: 220(W)×110(H)×109.4(D) mm ; 8 <sup>21</sup> / <sub>32</sub> (W)×4 <sup>11</sup> / <sub>32</sub> (H)×4 <sup>5</sup> / <sub>16</sub> (D) in.						
<ul> <li>Weight (approx.)</li> </ul>	: 1.35kg ; 2.97lb						

## **OPTIONS**

- MB-75 FLUSH MOUNT KIT For flush-mounting the IC-M602 to a flat surface such as a control panel.
- HM-136B/W SMART-SPEAKER-MICROPHONE Detachable waterproof speaker microphone. Same as supplied.
- UT-112 VOICE SCRAMBLER UNIT Enables private communication by scrambling your voice signal. Up to 32 scrambling codes are available. Not available in some countries.
- **OPC-999** EXTENSION CABLE FOR HM-157B/W 6.1m (20ft) of extension cable for additional separation length when using the COMMANDMICII™.

• Output power : 25W or 1W (at 13.8V DC)

heterodyne : 1st 30.15MHz, 2nd 450kHz 1st 21.70MHz, 2nd 450kHz : Less than 0.32µV (at 12dB SINAD)								
heterodyne : 1st 30.15MHz, 2nd 450kHz 1st 21.70MHz, 2nd 450kHz : Less than 0.32μV (at 12dB SINAD) : Less than 0.32μV								

TRANSMITTER

- 4×8 inch flush mount design
- Convenient "TAG" scanning function with simple add/delete
- Auto WX scan and WX Alert function
- Optional Voice Scrambler, UT-112 for private communication

Audio output power: 5 0W typ
