How To Attach The Core Filter

Attach the provided Core Filter to the provided AC Adapter's cord.

The Core Filter improves performance of equipment.

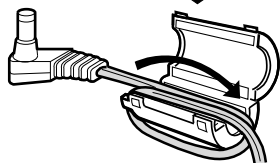

1. Release the stoppers on both ends of the Core Filter.

2. Place the cord on the Core Filter leaving approx. 3 cm from the AC Adapter's plug to wind it around the Core Filter.
 - Wind the cord so that it is not slack.

NOTE:

Take care not to damage the cord.

3. Close the Core Filter until it clicks shut.
