Supplementary
---------------

The following items for the AV-29L31/DPH & AV-29L31B/DPH models were changed from those of the AV-29L31/PH & AV-29L31B/PH models.

Therefore, this service manual describes mainly the items which differ from those of the AV-29L31/PH & AV-29L31B/PH service manual.

But the difference of Main PWB ASS'Y is too much, so only Main PWB ASS'Y Electrical Parts List, Circuit Diagrams and Pattern Diagrams are described every information.

For details other than those described in this manual, please refer the AV-29L31B/PH & AV-29L31B/PH service manual (No. 51906, Oct. 2001).
