SERVICE MANUAL

DVD VIDEO PLAYER

XV-M567GD

Supplement

Area Suffix

UV ----- VIETNAM

This model is the one of the specification from which the version is newly added to XV-M567GD which has already been put on the market.

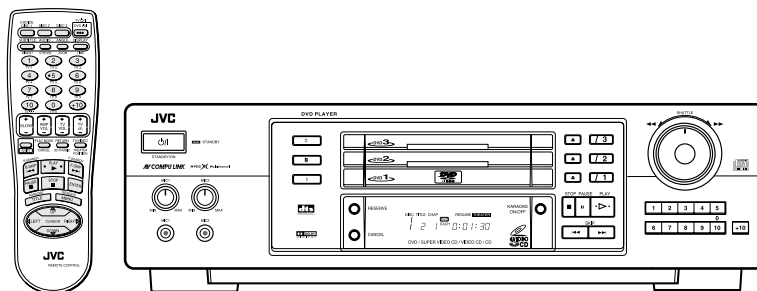

Therefore, this service manual is composed only of the change point.

1. Standard schematic diagrams
2. Printed circuit board
3. Parts list

To distinguish from XV-M567GD which is already, the sticker has been pasted to rear panel. Please look at the following page in detail.

Please refer to this service manual because the one to have been pasted the sticker is a Vietnamese specification.

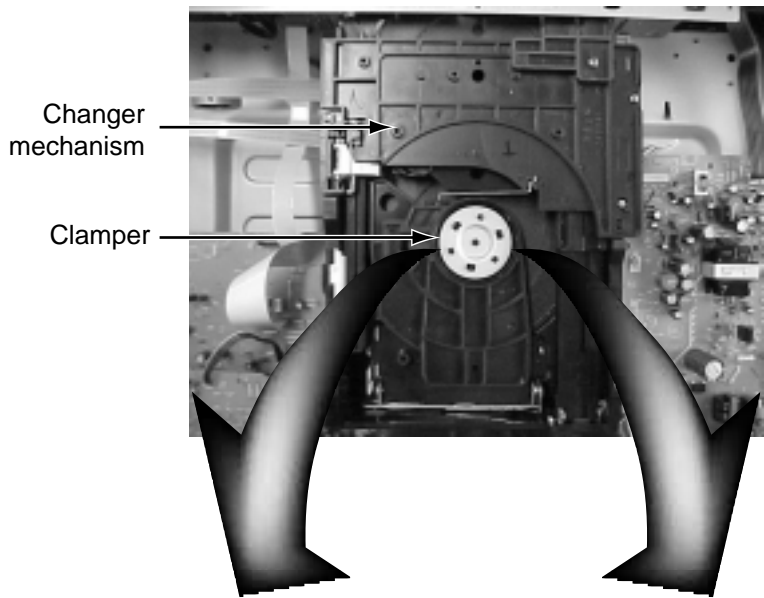

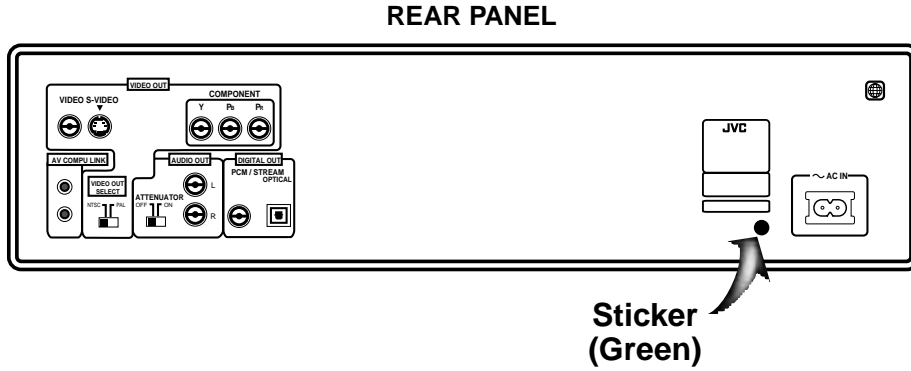

Please refer to the service manual (Issue No.20875 XV-M565BK/XV-M567GD CD-ROM No.SML200010) which has already been issued for the parts other than three above-mentioned items (1-3).

Method of distinction with Vietnamese specification

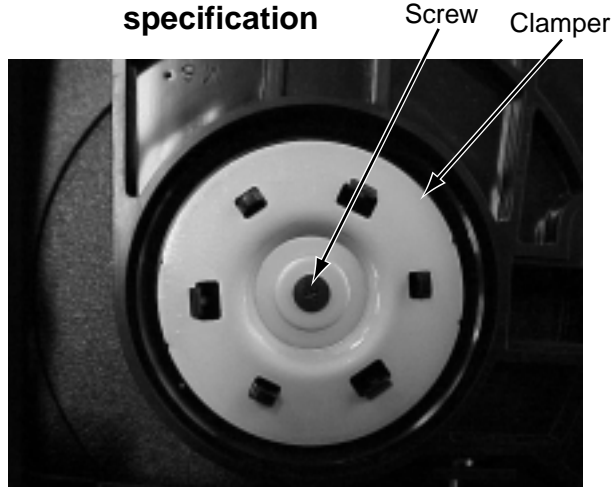

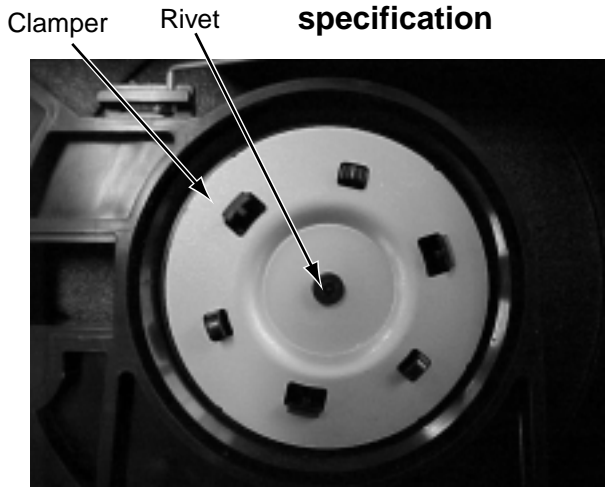

When a green sticker had been pasted to rear panel, it is a model to which the vietnamese specification.

Moreover, it is possible to distinguish even by the shape of the clamper.

Not vietnamese specification

vietnamese specification
