
KENWOOD KENWOOD Music Editor

INSTALLATION MANUAL

Kenwood Corporation
© B59-1893-00/00 (KW/EW/E2W/MW)

KENWOOD Music Editor manages music library on your PC.
It also transfers songs to a USB device for playing on Kenwood car audio.

1 Required Operating Environment

The following software and hardware are required to use the KENWOOD Music Editor (referred to as "this program" hereafter).

Operating System

- Microsoft® Windows® XP Professional/Home Edition SP2 or later (32-bit version)
- Microsoft® Windows® Vista™ (32-bit version)
- Operation on Windows XP/Vista (64-bit version) is not guaranteed.

Other programs

- Microsoft® .NET Framework 2.0
- QuickTime 7 or later (when using AAC file)
- Windows Media® Player 10/11

Hardware

- System requirements that above OS recommends.
- Hard disk with at least 100MB free space
- CD-ROM drive (CD-R/RW drive when writing to CD-R/RW)
- USB interface (2.0/1.1)

NOTE

- Administrator privilege is necessary to install this program on Windows XP or Vista. Be sure to login as user with administrator privilege (such as Administrator).
- Microsoft .NET Framework 2.0 can be installed with this software. You need internet connection environment in order to install Microsoft .NET Framework 2.0.
- QuickTime 7 or later can be downloaded from Apple's web site.

2 Installing

Install this program on your PC according to the following procedure.

NOTE

- Quit all applications before installing.

Procedure

1

Set the KENWOOD Music Editor install disc on your PC.

The installation program will start automatically.

2

Select the desired language and click [OK].

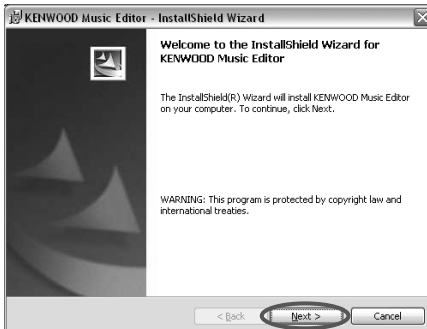

3

Click [Yes], and install Microsoft .NET Framework according to the guidance shown on the screen.

This screen will not be shown when Microsoft .NET Framework has been installed. Pass to the step 4.

4

Click [Next].

5

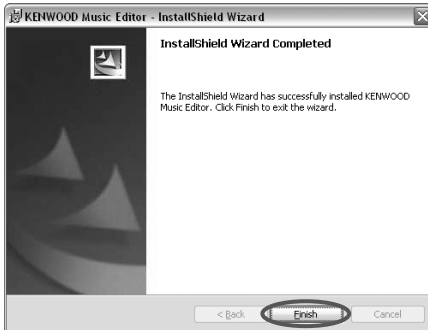

Then follow the instructions displayed on the screen.

6

Click [Install].
Installation starts.

7

Click [Finish].

NOTE

- Adobe Reader is necessary to read the user manual for this program. Adobe Reader is not installed together with this program.
