**Order of rack mounting
Rack : SRC-775**

**With Turntable and
graphic equalizer**

OPTION
KD-492FC/KD-291RC

Use the subwoofer connected in parallel

To insure the optimum performance from your new KENWOOD components, please follow these simple instructions.

Place the amplifier on top of the other components. This will provide adequate ventilation and it will "anchor" the rest of the components.

For the antenna connection to the tuner, refer to the instructions provided with the tuner.

Be sure to insert the system control cord plugs fully into the SYSTEM CONTROL terminals.
