## SYSTEM 320 CONNECTIONS

### Order of rack mounting SYSTEM 320

Audio rack SRC-403

### SYSTEM 320 + Turntable

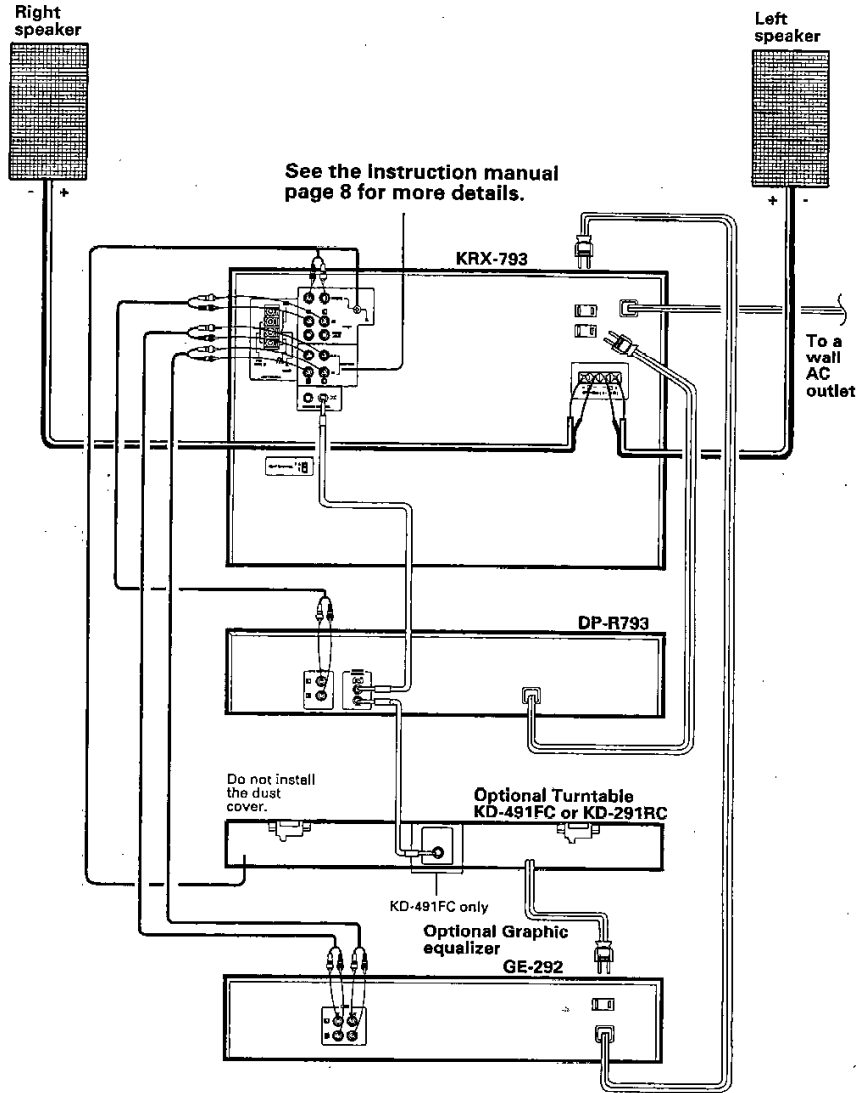

To insure the optimum performance from your new KENWOOD components, please follow these simple instructions.

1. Place the receiver on top of the other components. This will provide adequate ventilation and it will "anchor" the rest of the components.

- For the antenna connection to the receiver, refer to the instructions provided with the receiver.

This figure shows the SYSTEM 320 equipped with optional Graphic equalizer and turntable.

Be sure to insert the system control cord plugs fully into the SYSTEM CONTROL terminals.
