

KENWOOD

AVS-1002B SYSTEM CONNECTIONS

Order of rack mounting

Audio rack SRC-991

To insure the full performance from your new KENWOOD components, please follow this simple instruction.

1. Place the receiver on top of the other components. This will provide adequate ventilation and it will "anchor" the rest of the components.

- For the antenna connection to the receiver, refer to the instructions provided with the receiver.

Be sure to insert the system control cord plugs fully into the SYSTEM CONTROL terminals.
