

KENWOOD

SPECTRUM 930AV SYSTEM CONNECTIONS

**Order of rack mounting Rack :
SRC-884**

To insure the optimum performance from your new KENWOOD components, please follow these simple instructions.

Place the amplifier on top of the other components. This will provide adequate ventilation and it will "anchor" the rest of the components.

For the antenna connection to the tuner, refer to the instructions provided with the tuner.

Be sure the insert the system control cord plugs fully into the SYSEM CONTROL terminals.
