Adjust subwoofer output level

Adjust the volume

Switch off the receiver and other components

8 CODES

Some remote controls can operate Panasonic and Technics audiovisual equipment that have remote control sensors. You may need to change the remote control code.

It can also operate some other brands of televisions, video cassette recorders, and DVD players. Check the table for the brand and enter the code as follows.

Changing the codes

Press and hold the button corresponding to the equipment

Enter the first digit

Enter the second digit

The remote control outputs the on/off signal. If the code is correct, the equipment turns on or off. If it doesn't, try entering another code.
