Surround speakers for home cinema

The SBC BS100 is the ideal extension for your Dolby Surround TV set. Adding these two back-speakers will enable you to enjoy the superb 3 dimensional sound as the Dolby laboratories intended it to be.

Powerful 20W speaker system

The SBC BS100 delivers 20W of powerful, high quality sound for full home cinema enjoyment.

Elegant design and finishing

This elegantly styled set of speakers with a black-cloth front cover and a silver metallic housing will enhance any interior design.

Integrated wall mounting hooks

The speakers have convenient integrated hooks so they can be easily be mounted to walls.

Rubber feet

The rubber feet ensure that the speakers will not scratch your furniture when you choose to place your speakers there.

2 x 12m. Cable included

A set of extra long cables is included to make sure that you will be able to position the speakers in the optimal position to enjoy Dolby surround sound effects.

Click-fit cable connection

The click-fit cable connection ensures you in a very convenient way of a noise-free cable connection.
