**Dependable and Affordable.  
Designed for Your Workgroup.**

*Engineered to provide consistently reliable results, the RICOH® Aficio® 1113 is a dependable document management solution for companies and corporate workgroups.*

## Quality On Every Page

The Ricoh Aficio 1113 incorporates sophisticated digital imaging technology, which ensures consistent, professional results. Crisp 600 dpi laser output combined with two original modes reproduces any document you can create, including general correspondence, accounting spreadsheets, business graphics, and monochrome photographic images—all with stunning accuracy.

## Versatile Paper Handling up to 11" x 17"

- A standard **350 sheet** paper capacity ensures maximum productivity when producing long job runs.
- Handles paper **sizes up to 11" x 17"** for large format jobs.
- A standard **100 sheet Bypass Tray** enables you to produce jobs on heavier paper stocks.

## Environmentally Friendly

Ricoh is committed to manufacturing products that create a healthier and safer environment for all.

## Digital Reliability

You have more important business than pampering your document output system. The Ricoh Aficio 1113 incorporates a host of digital capabilities designed to minimize your involvement in the document production process.

- **Scan Once, Copy Many** – Prevents wear and tear on your important originals and eliminates the need to wait for your originals before returning to work. For greater productivity, add the optional Automatic Document Feeder (ADF) and scan up to 30 originals in one easy step. (Aficio 1113 requires additional copier memory for Scan Once, Copy Many and ADF.)
- **Electronic Sorting** – Eliminate the need to purchase a costly sorter and still get automatically sorted output. (Aficio 1113 requires additional copier memory.)

## Low Cost Convenience

The Ricoh Aficio 1113's dual component consumable design lowers the cost-per-page, which adds up to significant savings over time. Routine maintenance is an easy task.
